Will Hold Exam For Postmaster

APPLICATIONS OF COMPETITORS MUST BE ON FILE BY JANUARY 24TH

The United States Civil Service Commission has announced an open competitive examination to fill the position of postmaster in Tecumseh and the final date for the filing of applications has been fixed as January 24, it was announced today in Washington. The date for assembling of competitors will be stated on the admission cards sent to applicants after the date for the close of receipt of applications. The examination will be given at the local postoffice.

The postmaster in Tecumseh carries a salary of $4,370 annually. F. E. N. Thatcher is now the acting postmaster.

An application form may be obtained by persons who desire to enter the competitive examination by calling at the postoffice. This application, including a physical fitness form, must be properly executed and filed with the Civil Service Commission at Washington before the close of business on January 24. An applicant claiming a veteran preference also should file Form 14.

In order to qualify for the office the applicant must be a citizen of the United States and must have actually resided within the delivery of the postoffice for which application is made for at least one year, immediately preceding the application date. Applicants must have reached their 23rd birthday and must not have passed their 63rd birthday, except in cases of veterans where exceptions may be made.

Joe W. Bryant, 24, Dies In Hospital Here

Joe W. Bryant, 24, died Thursday at 6:30 p.m., in Tecumseh hospital. His body was removed from the Green Funeral Home to Somerset, Ky., Saturday, where funeral and burial services were held.

A veteran of World War II, Mr. Bryant had been in failing health for some time. He was hospitalized in September but after being released returned to work at the Tecumseh Products Company. He was readmitted to the hospital a few days ago.

Surviving are his wife Edith; one son, Joe, both of Tecumseh, his parents, Mr. and Mrs. Joe Bryant of Pine Knot, Ky.; five brothers, Lucien of Pine Knot, Charles of Deer Park, Ohio, Blaine of Cincinnati, James of Lockland, Ohio, and Lonnie of Holloway; and one sister, Mrs. Edna Zink of Norwood, Ohio.

Hospital Will Receive Art Directors Painting

As a member of the Greater Detroit Area Hospital Council, Tecumseh Hospital is to receive one of the fifty-one paintings donated by the Art Directors Club of Detroit. These paintings were done by the art directors especially for the hospitals with the idea of providing appropriately colorful paintings.

At a meeting of the Council on December 30 at Henry Ford Hospital, Detroit, the paintings were displayed and allocated to the various hospitals. Capsules with the numbers of the paintings were drawn from a bowl by each hospital's representative.

The picture will be delivered to Tecumseh Hospital within a few days after being appropriately framed by the Art Directors.

Tecumseh Will Meet Clinton Cagers, Friday

The Tecumseh High School basketball team will meet the Clinton cagers on the local gym court, Friday evening at 7:15 in a hotly contested game that may put the Indians in first place in the league.

Blissfield is now in the lead for league honors with Hudson, Morenci and Tecumseh tied for second position. Should Blissfield drop its game this week and should Tecumseh win, the standings would be materially shifted.

Good crowds have been attending the cage games on the local court and it is expected that Friday's crowd will be on hand to root for a victory.

INFANT DIES

Roger Vershum, infant son of Mr. and Mrs. Lewis Vershum of Britton, who died shortly after birth at Tecumseh hospital, January 1, was buried in Lake Ridge cemetery, Tuesday at 11 a.m. The Rev. Theodore Iben conducted the prayer service.

The infant is survived by his parents, one brother, Raymond, and his grandparents, Mr. and Mrs. James Vershum and Mr. and Mrs. H. O. Miller.

Camera Fans Will Learn Use Of Light Meters

Special instructions will be given on the use of light meters when the Indian Snappers Club meets Monday evening, January 9, at the Tecumseh Camera Shop, at 7:30 o'clock, prompt. Members are to bring their own meters.

Entries for the print-of-the-month contest will be judged and points awarded. Any subject desired can be used for the 5 x 7 duiltone print.

Anyone interested in photography is invited to attend. Miss Mabel Lockwood, program chairman, stated that plans are to have some helpful sessions this winter and that the club will be glad to take up individual problems if they are made known.

Hospital Dance Attended By 200

PROCEEDS TO BE USED TO AIR CONDITION ROOM IN LOCAL HOSPITAL

Financially and socially the dance sponsored by the Hospital Auxiliary Thursday evening at the Legion Home was a complete success. As a result the delivery room at Tecumseh hospital will be air conditioned and the affair in succeeding years promises to highlight the holiday social season here.

More than 200 guests from Britton, Clinton, Ridgeway, Manchester, Saline, Adrian and Tecumseh danced to the music of Ken Edwards and his orchestra in an atmosphere of holiday festivity. Multi-colored lights twinkling from the evergreen of trees and wreaths and red streamers gracing each linen covered table placed around the hall supplied the proper setting for the gaily gowned ladies.

The affair deserved to be such a success since its purpose was and shall continue to be to provide equipment for Tecumseh hospital. The net proceeds of the dance will be used to air condition the delivery room at Tecumseh hospital. The whole community served by the hospital continues to benefit from the efforts of the loyal women of the Auxiliary.

The work of various committees was co-ordinated by Mrs. Gertrude Schneider, in the absence of the president, Mrs. Dale Bowen, who is convalescing from injuries incurred in a recent automobile accident. Mrs. H. H. Hanna was in charge of decorations and was assisted by Mrs. Frank Purcell, Mrs. J. H. Rohweder and Mrs. Russell Carey; Mrs. Paul Ammer was ticket chairman and Mrs. Paul Keyser and Mrs. C. O. Butler had charge of entertainment.

Presbyterians To Hold Annual Meeting Wednesday

The annual meeting of the congregation and corporation of the First Presbyterian church, will be held Wednesday evening, January 11, following a potluck supper in the Fellowship Center, at 6:30 o'clock.

During the congregation meeting, called by the session, there will be an election of elders. Those retiring are John R. Lott, treasurer; John Saling, Bertram Updike and Glenn VanDenbergh, clerk.

The trustees have ordered the corporation meeting, immediately following, and trustees will be elected to replace Dwight Hodges, secretary, and M. G. Partridge, treasurer, and one to fill the unexpired term of the late C. L. Dickinson.

Annual reports of various departments of the church will be read and approved.

Two Services Remain In Prayer Week Program

Two services remain in the Week of Prayer observance, which is sponsored by the Tecumseh Ministerial Association, and is being held this week in various Tecumseh churches. Attendances at the services have been good.

This (Thursday) evening, the Rev. Edward Escolme will preach at St. Peter's Episcopal church and Friday evening, Dr. Norman C. MacNaughton will speak at the Presbyterian church. The services begin at 7:30 p.m., and the public is invited.

NEW CLUB TO MEET

The newly-organized Mayors and Clerks Club of Lenawee County will meet this (Thursday) evening, at the Tecumseh Club for dinner. Some 20 persons are expected to attend.

The club was organized recently so that mayors and clerks could meet to discuss problems encountered in directing the affairs of their own communities.

New Assessment Blanks In Mail

PERSONAL PROPERTY VALUES MUST BE REPORTED BY OWNERS FOR TAXES

Personal property assessment forms to be used by the assessor of the Village of Tecumseh to determine personal tax values are now in the mail and are being received daily by taxpayers. The new forms will be used village-wide and are sent out for the purpose of establishing a more uniform basis for the assessment of personal property.

The forms were mailed locally by John Saling, assessor, who explained that the use of the new blank is now Michigan law. Owners of personal property must list stocks, equipment and other items of value in inventory form and the statement must be sworn to before a notary public and returned to the assessor not later than January 31. It then will be used in establishing personal property taxes.

Use of the tax value form is an innovation in Tecumseh. Heretofore, the assessor has visited personal property taxpayers and has established a value on the property. No effort will be made locally, it was said, to assess personal property in homes where the law permits a $3,000 exemption.

It was explained today that persons who have any question regarding the procedure to be used in filling out the new form should contact Mr. Saling, the assessor.

A form quite similar to the one used by the village also will be used by the county in establishing personal property values, it was said today. This form will probably be in the mail within a week and must be filled out and returned to the township supervisor not later than February 1.

New 1950 Chevrolets On Display, Saturday

The new 1950 Chevrolet, said by engineers to contain many features as revolutionary as the self-starter on earlier cars, will go on display here on Saturday, January 7, at Schneider Bros. Garage, Inc., oldest dealers in Lenawee county.

"I'm not permitted to tell you much about the new car—that's a secret that will not be known until Saturday, but I can say this: Chevrolet for 1950 is truly revolutionary," Louis Schneider, the local dealer, declared. "We will have the new cars on display Saturday that the public may see them and judge for themselves."

The new '50 car, Schneider said, is styled differently, has been given added power, greater interior beauty and greater ease in handling.

Future Farmers Tell Of Journey To Chicago

Future Farmers of America, members of the ag class of Tecumseh high school, told of their recent trip to Chicago and to the International Livestock Exposition, when they spoke, Tuesday evening, to members of the Rotary Club, following dinner at Brees House. They were accompanied by their instructor, David Locke, who sponsored the trip with Rotary sharing in the expense.

The boys who spoke Tuesday were James Young, Charles Bishop, John Young, Fred Feight, Lawrence Young and Robert Rupert. Each boy took a section of the tour and told interestingly of the things he saw. The journey to Chicago was made by bus, 20 boys going from Tecumseh.

"The boys learned a lot on the tour and next year we hope to make the number attending even larger," Mr. Locke said. "We also would like to have several adults from this community make the trip. I'm sure it would be most interesting."

COLLEGE-AGE RECEPTION

Some 25 young people and members of the Session enjoyed the annual college-age reception in the Fellowship Center of the Presbyterian church, New Year's Day.

A social time was enjoyed during which time refreshments were served, with Mrs. Robert Ries and Mrs. Donald C. Wilson pouring. Mr. and Mrs. Wesley Mast and Mr. and Mrs. C. Branigin were in charge of arrangements for the affair.

CHRISTMAS TREE PICK-UP, JAN. 6th

Again this year the Public Works Department of the Village will make a special Christmas tree pick-up, which will take place on Friday, January 6, 1950. Only trees placed at the curb will be picked up. The collection will start at 9 A.M.

This will be the only day that Christmas trees will be removed at the Village's expense.

Evening School Starts January 9

MANY COURSES WILL BE OFFERED; ONLY $2 REGISTRATION FEE ASKED

Tecumseh's Adult Evening School, which has proved so popular in years past, will get under way again this year on Monday evening, January 9, for enrollment, Earl H Place, superintendent, announced today. All sessions this year will be in the new high school building, and Room 5 will be used for the enrollment.

Any person over the age of 16 years is eligible to attend the Evening School, Mr. Place declared. Interesting and practical courses will again be offered and the enrollment fee is only $2. As in years past, the school will operate for 15 weeks, all classes meeting on Monday evenings. Each class will be one and a half hours in length, the first class starting at 8:30, the second one at 10 p.m.

The first meeting of classes will be on Monday evening, January 15.

The following courses will be offered if eight or more persons signify an interest in them. If some course other than those listed below is desired, and eight or more persons signify an interest, then the course will be included. The suggested courses at the present time are: Bookkeeping, typewriting, business law, household mechanics, slip covers and draperies, stenography, shop mathematics, music appreciation, woodworking, public speaking and practical nursing.

REOPENING DELAYED

The reopening of the Indian Acres Play School has been temporarily postponed because of measles and chickenpox. There are several openings in the play school and parents of children from three and one-half to five years, who are interested may obtain information by phoning Mrs. Garth Hall. Conditions being favorable, the school will resume activities later this month.

David Lewis Kehoe Is Buried At Clinton

Funeral services were held Saturday morning at St. Dominic's Catholic church in Clinton for David Lewis Kehoe, 30, who died Tuesday, December 27, in Beyer Memorial hospital, Ypsilanti, after a short illness. Mass was conducted by the Rev. Fr. Emery Petko with the Rev. Fr. Mitchell Witkoski in the sanctuary. Burial was in the parish cemetery. Bearers were Otto Edmund, William Walker, Guy Walters, James Cox, Clyde Manning, and William Whittaker.

Relatives and friends attended the services from Toledo, Tecumseh, Mason Ypsilanti, Manchester and Clinton.

Mr. Kehoe is survived by his wife, Virginia; four children, David, Norma Jean, Elaine and Jo; and his mother, Mrs. Nellie Kehoe, all of Willow Village.

COMMUNION SERVICE

The quarterly communion service will be held at the Presbyterian church, Sunday, January 8, during the morning worship at 11 a.m.

Junior-Senior Students Enjoy New High School

Perhaps no one was more pleased about the opening of the new $400,000 high school building, Tuesday morning, than Earl H. Place, superintendent. For the first time in four years, all students in the public schools were attending classes in school buildings, rather than in churches and the library. "We can be mighty proud of this new building," Mr. Place said. "I feel that it is one of the most modern buildings of its kind in Southern Michigan." Place is shown above, seated at his desk in the new high school offices. (Herald Photo)

Mrs. Lois Service, Latin, French and English instructor at Tecumseh High School, enjoyed a unique honor, Tuesday, when the new $400,000 high school building was opened and she began meeting her classes there. It was the second time in her teaching history that Mrs. Service had met classes for the first time in a new high school building in Tecumseh. Mrs. Service came to Tecumseh following her graduation from the University of Michigan and began teaching in the old high school when it was opened in 1918. No other member of the high school staff outranks her in years of service. Above, Mrs. Service is shown at her desk in the new high school. (Herald Photo)

GIFTS TO HOSPITAL GREATLY APPRECIATED

Miss Gertrude Spaulding, superintendent of Tecumseh Hospital, today publicly acknowledged gifts received for hospital patients over the Christmas and New Year holidays.

The gifts included: Tray bouquets from Troop 8, Girl Scouts. Tray favors from Cub Scouts of Mrs. Max Smith, and Mrs. Harold Naser. Tray favors from Brownies, Troop 14, Mrs. Thomas Gallant, leader. Tray favors from Eighth Grade Home Economics Girls. Carolers from the several community churches and groups.

Speech Correctionist To Speak To Study Club

Miss Ila Mae Cooper, speech correctionist of the Tecumseh schools, will be the guest speaker when the Tecumseh Child Study Club meets Monday evening, January 9, at the home of Mrs. Owen Partridge.

The co-hostesses are Mrs. Phillip Colgrove, Mrs. Donald Cobb and Mrs. Winthrop Winfield. Children's favors are in charge of Mrs. Earl Place, Mrs. Elven Duvall and Mrs. Boltz.

OFFICERS ELECTED

New officers were elected when the Daughters of St. Peter met Tuesday evening in the parish house. They are as follows: President, Ms. John McCaughen; first vice pesident, Mrs. O. W. Laidlaw; second vice president, Mrs. B. A. Everlove; secretary, Mrs. A. C. Hamaker; treasurer, Mrs. Sidney Wilson.

The next meeting will be held January 17 at the home of Mrs. Cecile Smith.

Young Girl's New Horse Killed In Traffic Mishap

The joy of a young girl and her new horse was short-lived when the horse was killed in an accident which occurred Monday at 3:15 p.m., on M52 south of Clinton and just north of Allen Road near the Charles O'Neill farm.

Charles Knight had just purchased a fine Tennessee walking horse for his 11-year-old daughter, Carolyn, from Mr. O'Neill. Mr. Knight returned to his home by automobile but it was his daughter's wish to ride her new horse. When the accident occurred a car was being driven north by Charles M. Scales of Birmingham. The horse shied, ran into the car and fell to the ground. Since the horse was unable to rise state troopers from the Clinton post shot it.

Carolyn, who has ridden since she was five years old, suffered injuries to her back and one arm but was able to attend school the next day.

DIES IN INDIANA

Funeral services were held Tuesday morning in Frankfort, Ind., for Mrs. Marion C. Hufford, who died at her home there Saturday morning, after an extended illness. Mrs. W. J. Bruce of Tecumseh, daughter of Mrs. Hufford, was with her mother at the time of her death and Mr. Bruce had left for that place Friday.

Surviving are her husband, two daughters, Mrs. Bruce and Mrs. William Coons of Owosso, a son, James of Frankfort and three grandchildren.

Inspection Date Is Set For Jan. 12

PUBLIC INVITED TO SEE NEW $400,000 BUILDING NEXT THURSDAY EVENING

For the first time in four years, students of the Tecumseh public schools were meeting in public school buildings, the result of the opening, on Tuesday morning, of the new $400,000 high school building. While work on the new building is not quite complete — there still remains some plumbing and wiring to be finished — Earl H. Place, superintendent, declared that the minor inconveniences would be nothing that would interrupt regular class schedules.

The move to the new junior-senior high building was made on Tuesday morning with a minimum of confusion. Students in the old Central high school simply took their books and their belongings and reported for classes as usual. Elementary grade students, meeting in the several churches, the East Branch and the public library, met their teachers there and then, in a body, moved to their new rooms in the Central building, vacated by upper classmen.

"Tecumseh can be mighty proud of the new high school," Mr. Place said. "I personally think it is one of the finest buildings of its kind in Southern Michigan and I am sure that residents will agree with me, once they have inspected it."

Ground for the new building was broken on December 3, 1948, and classes in the new building started on January 3, 1950, thirteen months to the day after the program had been launched.

Residents of Tecumseh will be given their first glimpse of the new modern structure on Thursday evening, January 12, at a Parent-Teacher Association meeting. Instead of a program, the schedule calls for an inspection of the building. Teachers will be on hand to act as guides and to explain the use of the 20 rooms in the building.

"We hope that there will be a large attendance at next week's meeting of the Parent-Teacher meeting," Mrs. Jesse Sluyter, president, said. "This will be the first opportunity for the public to inspect the new structure, and I am sure that all of us are interested in our new school."

Mrs. Sluyter pointed out that not only parents of school children are invited to attend the meeting. All residents of Tecumseh are welcome, she said. "This is Tecumseh's school and all of us help to support it, whether we have children in school or not. We want everyone who desires to attend the inspection."

John Deere Day To Be Held Here, Tuesday

The annual John Deere Day, sponsored by the Hoyt Whelan Co., local dealers, will be held here on Tuesday, January 10, it was announced today by Fay Whean, head of the company.

Again this year, the big day will get under way with a theatre program at the Strand, starting at 10:30 a.m., and at noon a free lunch will be served at the Whelan building on West Logan street. In the afternoon there will be more entertainment at the theatre, the party breaking up in time for the farmers to get home for their chores.

"The John Deere Day has proved very popular here and annually attracts hundreds of farmers," Mr. Whelan said. "This year, we have an outstanding program and we also will have on display the latest in labor-saving machinery."

MELVIN J. PARDEE BURIED AT CLINTON

Funeral services were held Saturday afternoon from the Hause Funeral Home in Clinton for Melvin J. Pardee, who died last week Wednesday at his home there. The Rev. Rial Simons of Flat Rock and the Rev. C. F. Riggio officiated. Burial was in Riverside cemetery. The bearers were Roy Feldkamp, Fred Reiser, Forrest Lemm, W. P. VanTuyle, E. B. Rynd and Bruno Papsdorf. Relatives and friends attended from Manchester, Stockbridge, Albion, Detroit, Grand Forks, N. D., and Bridgewater Station.

I will be at the United Savings Bank on Saturday, December 17 and each Saturday thereafter until further notice, for the collection of Tecumseh township taxes, dog taxes and fire insurance. I will also accept payments by check or money order, mailed to my residence, 211 West Brown Street, Tecumseh, Mich. (Signed) Lawrence Mohr, township treasurer.

"SECOND EDITION" OF SCRAP BOOK WILL BE PUBLISHED BY REQUEST

Tecumseh Hospital Auxiliary Wins National Congratulations

The Tecumseh Hospital Auxiliary has won rounds of congratulations on a scrap book which it exhibited at a meeting of the American Hospital Associaton in Cleveland and at the state association meeting in Grand Rapids and, as a result of the interest in the book by the two groups, a "second edition" will be prepared and filed with the national office in Chicago.

The book, issued under the caption, "It Can Be Done," was prepared by Miss Elizabeth Dickinson now of Hillsdale College. Miss Dickinson is a member of the Auxiliary and formerly taught in a Ford school here. Briefly, in type and pictures, it tells how the Auxiliary serves Tecumseh Hospital. Accomplishments listed include the establishment of a laboratory at a cost of $2,000 with funds raised through tag days, bake and rummage sales, dances, member fees and a gift shop.

The Auxiliary also has provided the hospital with five incubators for the care of premature babies at a total cost of $395. Another innovation was the installation of an electrocardiograph machine at a cost of $600.

The Auxiliary also provides the services of a seamstress for the maintenance of hospital linens at a yearly cost of $365.

The book also notes that, with the aid of the medical staff, a booklet was edited and published on its 10th anniversary.

Mrs. Dale Bowen, president, and Mrs. Frank K. Smith, of the Auxiliary, have received many congratulatory letters from the American Hospital Association regarding the scrap book.

"The exhibit was a very popular feature and proved of great educational value," Corena McCallum, secretary of the American Hospital Association writes. "As you know, it attracted a constant stream of interest, all looking for ideas and suggestions."

The "second edition" of the book will be filled with the Chicago office, probably this month.

TWO ECONOMIC SYSTEMS

Writing in the American Mercury, David J. Dallin, a recognized authority on the Soviet Union, discusses "The Black Market in Russia." "To the uninitiated," he writes, "the Soviet planned economy is a vast, impersonal clockwork of production and distribution . . . Soviet goods and services worth billions of rubles ideally are supposed to be produced and distributed in the best interests of all of the Soviet Union's 200,000,000 people.

"This is also the impression which the widely publicized five-year plans and records of their fulfillment seek to convey. All published plans, reports and statistics refer to production only, never to the distribution of goods. It is significant that almost all data referring to distribution is hidden behind a curtain of silence and secrecy.

The reason for this is made plain in Mr. Dallin's revealing article. The shelves of the state stores are often bare, and at best a pitifully inadequate collection of goods is offered. As a consequence, the black market is a booming and apparently permanent part of the Soviet economy, and graft is rampant.

Contrast this "planned" economy with the free economy of the United States. We have a distribution system which is perfectly geared to handle our huge production. You see it in every community, from crossroads to metropolis. Its personal representatives, from your point of view, are the retail stores with which you trade, whether they be chains, independents, specialty shops or supermarkets. Their shelves are loaded with a diversity of goods, and the prices are competitive and fair.

This contrast illustrates a great principle. A controlled, state-dominated economy creates scarcity and want. A free economy creates abundance.

The Tower of Babel was 300 feet in height.

NOT IN THE BAG, YET . . . Victory over the swollen Skagit river was far from won as these workers placed sandbags at a weak point in the dike. The crew of volunteer workmen were from Mt. Vernon, Wash. The raging river reached its crest while they frantically fought to restrain it. While one group (foreground) unloaded sandbags from a truck rushed to the scene, another crew farther up the road filled new bags. The river, on the verge of flowing over the dike, is at right.

Miss Violet Balo Is Bride of Gerald Creger

Violet Balo, daughter of Mrs. Caroline Sathmary of 301 West Patterson, and Gerald Creger of 126 South Ottawa, son of Fred Creger, were united in marriage, New Year's Eve, in the Methodist church. Dr. Norman C. MacNaughten performed the double ring ceremony at seven o'clock before the altar which was banked with white chrysanthemums.

As the guests were seated by Charles Bater and Raymond Winzeler, Mrs. Herbert Dillon played a program of organ music. Donald Creger assisted his brother as best man.

The bride, given in marriage by her brother, David Balo, chose white slipper satin for her gown. The fitted bodice was trimmed with seed pearls and designed with long sleeves which ended in points over the hands. The full skirt ended in a long train. A double veil of illusion trimmed in lace was held in place by a tiara of seed pearls.

The bride's only jewelry was a double strand of pearls, a gift of the groom. She carried a pale lavender orchid over a white prayer book.

Mrs. Margaret Perish attended her sister as matron of honor and Mrs. Freda Brighton, sister of the groom, was the bridal aid. Mrs. Perish was gowned in orchid slipper satin fashioned with a tight bodice and bouffant skirt. She wore a matching large brimmed bonnet and carried a cascade bouquet of yellow carnations. Mrs. Brighton's gown was of aquamarine and identical in style to that of the honor matron's. She carried a cascade bouquet of white carnations.

For her daughter's wedding, Mrs. Sathmary chose a magenta dress trimmed with bugle beads. Her accessories were black and she wore a corsage of white carnations.

After the ceremony a reception was held in the church parlors for some 60 guests, who were served by Mrs. Mary Black, Mrs. Charles Bater and Mrs. Lawrence Bater. The bridal table was decorated with a centerpiece of white candles, greens, and silver and white bells, combined to carry out the wedding and holiday motif. The traditional four-tiered wedding cake, made by Mrs. Black, was decorated with pale pink roses. Mrs. Donald Creger registered the guests.

The couple spent the weekend in Adrian. The bride wore a jewel green satin dress, black coat and matching accessories. Later the couple will take an extended trip.

The bride is formerly of Wyandotte where she attended Roosevelt high school. She is now employed by the Ottawa Machine Shop. Mr. Creger attended Tecumseh high school and is employed in construction work at Tecumseh Acres subdivision.

Mr. and Mrs. Creger are residing in their newly furnished apartment at 301 West Patterson street.

POWER NEWS WITH A REAL PUNCH!

*Here's just one part of Buick's three-way power story for 1950—the brand-new F-263 valve-in-head straight-eight. Packing a wallop that makes the SUPER a standout performer of the season, here is still higher compression and still greater power in no greater overall size. You'll get this new engine on all SUPER models, in 124 hp with Synchro-Mesh transmission, 128 hp with Dynaflow Drive.**

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

They're greater in power—higher in compression—a standout in styling—dreams to drive—and now there's a Buick beauty for 1950 to fit practically any budget

No, we just couldn't hold back the whole big Buick line for 1950.

They're too good-looking—too much fun to drive—too jam-packed with stepped-up, higher-compression, ready-to-ramble power—to be kept under cover.

So maybe you've already seen some 1950 Buicks on the highway.

Maybe you've noticed the extra "git up and travel" they have—glimpsed the wide, curving windshields (one piece in most models)—noted, approvingly, that the typical Buick taper is now found in all Buick fenders.

Maybe you've even heard some things...

That there are more than a dozen-and-a-half models to choose from. That there are three power plants in the Buick line—all of higher compression, all stepped up in power.

That all models are big and roomy inside—some rear seats are better than a foot wider than before!—yet in every instance, shorter over-all, so easier to handle, park and garage.

Above all, maybe you've heard of exciting news on price...

That Dynaflow Drive, for instance—standard on ROADMASTER models, optional on all others—now costs 20% less than on 1949 models.

That in the full line—SPECIAL, SUPER and ROADMASTER series—*there is a Buick to fit practically every budget above the very lowest!*

Pictured above is the 1950 SUPER 4-door Sedan, one of the new Buick body types for 1950. At your Buick dealer's are more actual models, the whole story on others.

Hadn't you better see him—right now—and see if you, too, don't find Buick "top choice for 1950"?

LOTS OF LUGGAGE SPACE, plus a high-fashion rear-end treatment, graces the Buick fourback Sedan models for 1950. This is the ROADMASTER, and above is the SUPER version of this much-wanted 4-door, 6-passenger Sedan.

Garden Club Christmas Tea Held On Thursday

The home of Mrs. L. W. Larsen on West Pottawatamie street was the scene of a delightful silver tea, Thursday afternoon, from two to four-thirty o'clock. The Christmas tea is held annually by the Tecumseh Garden Club.

Twenty-seven members and 48 guests assembled in the spacious living room during the afternoon, and, as tea and cookies were enjoyed, listened to Christmas music in a holiday atmosphere, made so by the beautifully lighted and decorated Christmas tree and many white and red poinsettas, artistically arranged.

The silver tea urns were placed on the table, which was covered with chartruese, and Mrs. Thomas O'Hara, the new president, and Mrs. H. E. Kenrick, retiring president, presided at the urns. Red lighted candles flanked a unique centerpiece of trees made of silver balls placed on a mirror. The varied holiday cookies gave a final touch to the refreshment table.

Among the guests were six persons from Adrian, including Mr. and Mrs. Charles Shierson. Mrs. Shierson is retiring president of the Federated Garden Clubs of Michigan.

Mrs. Donald Goddard was chairman of the event and Mrs. R. W. Herrick and Mrs. George Green were her committee. Mrs. M. G. Miller, Mrs. Joe Rice, Mrs. Kennard Wise, Mrs. Kenrick and Mrs. O'Hara were the assisting hostesses.

What Can The People Believe?

When the anti-trust lawyers in Washington filed their suit to put the A&P out of business, they immediately handed out for all the newspapers of the United States a story giving in detail their "allegations" against this company.

When we published advertisements giving our side of the case, they protested, even though they had made, and have continued to make, in newspapers, in speeches and over the radio these charges that would seriously damage our business, if they were believed by the public.

Every week millions of American housewives patronize A&P stores. Many of them would not want to deal with the kind of people that the anti-trust lawyers represent us to be.

We think we have a right to protect this 90-year old business which has made it possible for millions of American families to get more and better food for their money, which is providing high-wage employment for 110,000 Americans and which is helping millions of farmers to improve the methods of distributing their produce.

No answer by us would be necessary if the anti-trust lawyers were always right.

But they, like all other human beings, can be wrong.

In this case we know they are wrong.

They have been wrong before.

In case after case they made charges against A&P which were proved in court to be utterly without foundation.

We will prove that statement right up to the hilt.

The anti-trust lawyers tell the public that they won a previous anti-trust suit against us at Danville, Illinois. They did.

What they do not tell you is that they brought case after case against the A&P in federal courts all over the United States. Before they won this case they suffered three defeats.

The anti-trust lawyers have told everybody about the time that the courts said they were right. We think you are entitled to know about the three times the courts said they were wrong.

Now we are going to tell you about the first one. In future advertisements we will tell you about all of them.

The Washington Bread Case

In April, 1941, the anti-trust lawyers brought a criminal suit in Washington, D. C.

They charged that the A&P, two grocery chain competitors, two labor unions and other good American citizens had conspired to fix the price of bread.

Can anyone imagine any charge calculated to be more damaging to a retail grocery business? They asked millions of people to believe that we were the kind of grocers who would take bread out of the mouths of poor people and make it harder for a wife and mother to feed her family.

These charges were false.

In that case it developed that the A&P and the two competitors who were charged with conspiring with us to maintain high bread prices actually sold bread cheaper than most of the other stores in Washington.

The anti-trust lawyers presented and argued their case. When they were through, Federal District Judge Allen T. Goldsborough ruled that A&P and the other defendants did not even need to put in a defense. He instructed the jury to bring in a verdict of "not guilty."

Judge Goldsborough said to the anti-trust lawyers:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all.

"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."

So here was a case in which the anti-trust lawyers made seriously damaging charges against the A&P, in support of which, in the words of the court, they did not have "any evidence at all."

This was not the only time the anti-trust lawyers made charges against the A&P which the courts said were not true. In future ads we are going to tell you about these other suits. We are not going to duck, either. We are going to tell you about the criminal suit that the anti-trust lawyers won at Danville, Illinois.

The anti-trust lawyers say that they are not attacking "bigness" or efficiency. They have to say that because the courts have decided that "bigness" and efficiency and selling at low prices is not a crime.

But the fact is crystal clear that they only brought their bread suit against the big companies and against the companies that sold good bread at the lowest prices; just as in this current suit they are attacking a big company that sells good food cheap.

We are going to show the American people that the suit to destroy A&P is really a suit against efficiency and against real competition.

The real question involved in this suit is whether businessmen are going to be encouraged to do a better and more efficient job; or whether we are going to let the anti-trust lawyers in Washington blow the whistle on anybody who gets big by giving the people more for their money.

No one can make us believe that it is a crime to try to sell the best quality food at the lowest possible price.

Measle Cases Are On Upgrade

DISEASE CONSIDERED DANGEROUS, ESPECIALLY TO PRE-AGE CHILDREN

Measles is appearing in Michigan at the rate of 60 cases a day, and indications are that it will continue to increase in 1950, Dr. Albert E. Heustis, state health commissioner said today.

Measles is especially dangerous to the preschool child, but its complications can be serious at any age. Measles is one of the most contagious of all acute communicable diseases. No one is immune to the disease who has not had it, except infants under nine months of age whose mothers have had the disease. A doctor should be called at once when a child has been exposed to measles.

Gamma globulin, a fraction of blood distributed to physicians of the state through the cooperation of the American Red Cross and the Michigan Department of Health, can be given to the exposed child to modify or prevent measles. Its use for either purpose hinges on the parent's awareness of the time of their child's exposure and on their calling a physician.

Gamma globulin must be given to the child immediately after exposure to prevent measles and it must be given on the fifth or sixth day after exposure to modify measles. For this reason parents should keep watch of children in the neighborhood and older children in the family for symptoms or cases so that they will know if the preschool child is exposed.

The Michigan Department of Health recommends the modification of measles in all children under six years of age, and prevention of the disease in infants or unwell children. Modification makes the case mild, but the child develops lasting immunity to measles. Prevention of measles through use of gamma globulin gives only two or three weeks immunity.

Children become ill of measles seven to fourteen days after exposure. At its onset the disease resembles a severe cold. There is sneezing, congestion of the eyes, and the mucous membranes of the nose and throat, and a hacking cough. The temperature is usually between 102 and 104 degrees. This stage remains for two to four days. Frequently small bluish white specks surrounded by a bright red rink appear on the mucous lining of the cheeks. These spots precede the true rash of measles by two or three days.

On the fourth day, the cold-like symptoms become more marked, the eyes become more congested and are sensitive to light. Between two and four days after the start of the illness the true measles rash appears, first on the face, neck, behind the ears and on the chest. Later it covers the entire body. The spots which are light pink at first become a deeper brown red and increase in size and number. After the seventh day the rash begins to disappear. A branny type of peeling occurs after the rash has faded.

A person who has measles does not give it during the incubation period, except for three or four days before the rash appears, but during these three or four days the disease is most communicable.

Complications include injury to eyes, ears, glands, throat and brain.

Both people ill of measles and those suspected of having it should be isolated but the home is not quarantined and no restrictions are placed on others living in the house. A warning placard may be placed on the house if the health officer thinks it advisable.

LOCALS AND PERSONALS

Mr. and Mrs. John R. Thompson are in Fort Wayne, Ind., today for the funeral of Mrs. Thompson's brother, Clair Van Aman, 46, of that city, who died suddenly on Monday of a heart ailment.

Mrs. Martha Murphy, who observed her 80th birthday anniversary Monday, is ill at her home on W. Pottawatamie.

RED CROSS FIELD DIRECTORS SOLVE SERVICEMEN'S PROBLEMS

Red Cross services to the armed forces are available wherever U. S. servicemen are stationed. Here a Red Cross field director goes right to a young sailor at work on his ship for the facts he needs to help solve a problem.

The sailor was young. He had finished his home leave in a southern coastal city and was heading back to his California base.

He said goodby to his parents and to an older brother, a marine veteran just returned from service. Then he left by bus.

A few hours later the older brother was killed in an automobile accident. The family appealed to the Red Cross to locate the younger son so he could return home.

Within a short while a Red Cross chapter secretary along the route intercepted the bus, broke the news, and helped the lad get started back home. There the chapter got in touch with the field director at the west coast base and verified the facts for the commanding officer who was being asked to extend the sailor's leave.

Once or more every minute, around the clock last year, the Red Cross performed some service for members of the military forces and their families. Among the nearly three quarters of a million cases handled, a large percentage involved supplying verified information concerning home conditions requiring emergency leave or extension of leave. While the Red Cross cannot grant leave to a serviceman, military authorities depend upon its post field directors and the network of chapters for reports of conditions underlying such leave requests.

Field directors in 364 military installations and hospitals and 1,059 itinerant- and sub-stations in this country and abroad aid servicemen with personal problems that range from babies and budgets to helping straighten out delays that hold up pay or family allowances.

The serviceman has his family problems, marital difficulties, financial strains, and family illnesses—all disturbing to morale.

Field directors, providing 24-hour service at military installations, are pretty much in the same situation as the family doctor. They are routed out of bed at all hours to face any one of a hundred complicated problems. Sometimes it may be to get a report on the condition of a critically ill member of a soldier's family, or to lend him money for an emergency trip home, or to find housing for a family unexpectedly arriving at the post.

Whatever the problem, the serviceman feels free to turn to the Red Cross for help, knowing that he will find a sympathetic friend in the man wearing the Red Cross uniform.

SIX-YEAR REENLISTMENT SPELLS $360 TO MARINES

Washington—A reenlistment bonus of $360 has been announced for marine leathernecks singing up for a new six-year hitch. A four-year reenlistment will be worth $160.

The announcement was made by United States Marine Corps headquarters.

The corps began accepting six-year reenlistments Dec. 13, and after Jan. 1 will discontinue entirely the old practice of accepting two and three year reenlistments. Also beginning Jan. 1, all first-time enlistments will be for four years only.

Rebirth of G.O.P. Michigan Aim

STRATEGY COMMITTEE CHAIRMAN WOULD SHED SHELL OF REACTIONARY LABEL

LANSING—Michigan friends of Arthur E. Summerfield, the Flint chairman of the Republican National Strategy Committee, are convinced that Michigan may yet rescue the national minority party from its current predicament of near total eclipse.

Since a Michigan-born man, Thomas E. Dewey of Owosso, was on the losing end of the surprise election in November, 1948, the situation has more than casual interest.

It has been the belief of Mr. Summerfield, who is the Republican National Committeeman for Michigan, that voters are entitled to a clear-cut choice of issues in the two major parties. Governor Dewey, the Republican national nominee in 1944 and again in 1948, offered a "me-too" attitude with respect to many of Roosevelt's new deal reforms.

As chairman of the national strategy committee of the Republican party Mr. Summerfield has called for an end of agreement with the Democratic party in principle by saying that "we can do it better."

Under the direction of Mr. Summerfield and the state chairman, John A. Wagner of Battle Creek, the state GOP organization did wage a vigorous campaign in 1948, losing only the Governor's Office in a surprise reversal caused more by antipathy of many voters to Governor Sigler than anything else. While Governor Dewey lost in other mid-west states, he did carry Michigan, his home state, by a respectable margin.

It is the thesis of Mr. Summerfield that an important difference has developed between the Roosevelt and Truman administrations. "With Roosevelt we were drifting towards socialism, but with Truman there is no drift—it's a headlong rush," said Summerfield at the strategy meeting in Chicago. "The American people can only sense this, but the members of congress, the governors and the politicians everywhere know it. If the Democrats make any gains whatsoever in the house and senate in 1950, there is likely to be a pell-mell rush to get on the Socialist bandwagon."

The basic predicament of the Republican cause, as interpreted by many students is the fact that many wage-earners and farmers have associated the Republican party as the emblem of "selfish interest" as contrasted to the liberal position enjoyed by the Democrats.

In advocating more benefits for the masses President Roosevelt and his Democratic party successors have identified the Democratic party as the popular liberal cause of the hour. For a good generation there has been a steady movement towards centralization of power in government, both state and national. This trend has been accelerated by two World War experiences, climaxed by a ten-year depression between wars, and recently the historical epochal event of the atomic bomb. Faced everywhere with individual and national insecurity, American citizens have sought to solve the problem of insecurity by going to Lansing and Washington increasingly for answers to these problems.

The result has been that the trend towards centralization of power at Washington has been greatly accelerated in recent years and with new welfare spending programs already approved, together with others advocated, a strong state socialism appears to be in prospect, according to Mr. Summerfield.

In opposing state socialism under an economic planning-type of national administration, Summerfield would place the Republican party more on the side of traditional liberalism in behalf of rights of the individuals. As contrasted to more and more centralized control at Washington, whereby the wants of the individual would be guaranteed by the government from cradle to the grave, the Republican cause would be closely identified with survival of the American free enterprise system as linked to opportunities of the individual.

Whether the Republican party can shed the shell of its reactionary label and assume the role of a liberal leader will be an interesting development in 1950 to appraise.

At any event the "welfare state" may have met a new knight in shining armour.

ELBOW ROOM . . . "Give me a little space." That seems to be the request of Field Marshall Viscount Montgomery as he nudges Warren R. Austin, permanent representative to the United Nations from the United States, during a light moment in their conversation at the Waldorf-Astoria hotel in New York City. They attended the annual dinner of the English-speaking union of the United States.

SWEDEN GETS GIFT OF ATOM SMASHER

Uppsala, Sweden—Theodore Svedberg, Nobel Prize winner for chemistry in 1926, has given Sweden a new atom smasher.

The cyclotron—not yet fully completed — was installed in the underground cyclotron hall of Uppsala.

Around the new cyclotron will be built a new "institute for nuclear chemistry" in this university town where Mr. Svedberg was educated. The cyclotron is described as one of the most powerful in the world.

Radium Cancer Treatment Traced to Accidental Burn

An accidental burn years ago resulted in a discovery which led to the present day treatment of cancer with radium.

Henri Becquerel, a French physicist, was experimenting with radium when it was still quite new. Without thinking, he slipped a tube of pure radium in his waistcoat pocket and left it there for several hours. Eight days later he found an inflamed spot on his body at the point above which the radium had rested. Very excited, he rushed to the Curies, who had discovered radium, and informed them of this new development.

Pierre Curie, in order to make sure that it was actually the radium which produced the irritation, bandaged some radium bromide on his forearm where it remained for several hours. He, too, received a severe burn, which did not heal for six months. Convinced by this demonstration, Curie suggested to H. A. Danlos, a dermatologist at St. Louis hospital in Paris, that radium might be of value in treatment of malignant growths of the skin. Danlos experimented, and reported his new findings in 1904. Soon specialists throughout the world were experimenting with the idea until today radium is one of the accepted methods of treating cancer.

Parade of Progress

Introduction of canned fruits and vegetables was a milestone in the progress of food retailing. Since that time many other changes have been made until today we have in America the world's most efficient system of food distribution. And for more than half a century Kroger has been a leader in bringing greater variety in high quality food products to homemakers at close-to-cost prices.

MARY HAD SOME LITTLE LAMBS . . . They followed her to the International Livestock Show in Chicago, wagging their value behind them—they turned out to be the dearest (in price) in the history of the show. This is the grand champion load of pure bred Southdown lambs to which Mary Butterfield, Chicago, is giving her special attention on behalf of their new owners, Swift and Co. The purchase price was 73 cents per pound, an all-time record for the show. If all lambs brought this on foot, lamb chops would soar in price and mutton would be dear. Maybe they didn't follow Mary to school, but at them prices they don't need educating.

Phyllis Deane Cameron Weds Arnold D. Wilson

Phyllis Deane Cameron, daughter of Mr. and Mrs. Lawrence Cameron of Route 2, Manchester, became the bride of Arnold DeWitt Wilson, son of Mr. and Mrs. Amos D. Wilson of Route 1, Clinton, Thursday evening, December 29, in the Iron Creek church. The Rev. Alvin Brazee read the double ring ceremony and was assisted by the Rev. Edward Escolme.

An archway of white leather entwined with greens was flanked by large baskets of flowers, behind which were burning tapers in candelabra. It was in this setting that the couple spoke their vows. Twin tapers in each window lighted the church.

With Mrs. Amos Wilson seated at the organ Delpha Cox sang "Always," "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride chose white slipper satin for her wedding gown. The basque bodice was styled with a tiny Peter Pan collar of lace, matching lace yoke with a row of tiny satin buttons, and long sleeves which ended in points over the hands. She carried a colonial bouquet of pink and white roses and cascading from it were tiny blue flowers tied into white streamers. To complete the picture the bride wore her mother's bridal veil of illusion.

Patricia Cameron was her sister's maid of honor and the brides maids were Shirley and J. Doris Cameron, both sisters of the bride, and Annabelle L. Wilson, sister of the groom. Of colonial design, the gowns were made with slight trains and each maid carried colonial bouquets of contrasting colors. Patricia was gowned in pastel green and carried pink flowers; Shirley wore lavender with yellow flowers; J. Doris was in aqua with peach flowers and Annabelle wore peach and carried blue flowers.

Richard Haas served the groom as best man and the ushers were David Pratt, John Judge and Lynn H. Wilson.

For her daughter's wedding, Mrs. Cameron selected Navy blue with a corsage of white carnations. Mrs. Wilson wore smoke grey and a white carnation corsage. The bride's grandmother chose teal blue with pink carnations.

After the cermony, a reception was held in the social room of the church to some 150 guests. The four-tiered pedestal cake was topped by a miniature bride and groom. Argyro Caristianos and Dorothy Froelick assisted in serving the guests.

When the couple left on a trip to Indiana and points of interest in Ohio and Michigan, the bride was wearing a blue print crepe with wine coat and grey accessories.

The bride graduated from Clinton high school and attended Michigan State Normal College in Ypsilanti. The groom graduated from Clinton high school and is employed by Hart & Howell in Brooklyn. They will reside temporarily at Evans Lake.

Business Incorporations In October Show Gain

New York—Stock corporations chartered throughout the country during the month of October numbered 6,877, according to Dun & Bradstreet, Inc. This was only slightly higher than the September total of 6,867, while comparison with the Oct. 1948, number of 6,686 showed a rise of 2.9 per cent. Twenty-one of the 48 states bettered their September record of incorporations, while 25 states reported increases over the corresponding month of a year ago.

New business incorporations for the first 10 months of the year to date totaled 70,879, a decline of 12.8 per cent from the 82,267 for the like period of last year, and a drop of 25.1 per cent below the comparable 1947 period with a total of 94,639 company formations. In only two states (Mississippi and South Carolina) were incorporations more numerous than they were in the corresponding 1948 period.

Attendance Contest Is Sponsored By Presbyterians

After challenging the women of the Presbyterian church to an attendance contest, members of the Men's Club began a spirited drive, Sunday, by outscoring their opponents. Although more women than men attended church, the men won after points were totaled. The five-week contest will end January 29.

Because there are more women in the church than men, a point system was agreed upon. Each woman or girl over the age of ten counts four points and each man or boy over the age of ten counts six points. All of those in attendance are counted, whether members of the church or visitors.

At the close of the contest, points will be tabulated. The winner will be that side having the greatest number of points and will be entertained by the losing side at a Valentine party the evening of February 14 in the Fellowship Center.

The challenge was presented to the Women's Association by the chairman of the men's committee, Ernest G. Green, and was accepted by the association at its last meeting. Mrs. Hilda Will is chairman for the women.

The members of the joint rules committee are Mr. Green, men's chairman; H. H. Hanna, LeRoy Titley, Dale Bowen, Bobbie Robison, Mrs. Will, women's chairman; Mrs. Robert Hanna, Mrs. Harold Wilson, Mrs. Ernest Green and Mrs. Kenneth Hall.

TO MEET JAN. 10

The Women's Christian Temperance Union will meet Tuesday, January 10, with Mrs. Emma Day at the home of Mrs Bertha Hoag, at 2:30 p.m.

State Winning Typhoid Battle

ONLY FOUR DEATHS RESULTED IN 1948 FROM ONLY 50 CASES

Michigan has had no new cases of typhoid fever due to a public water supply in the past 15 years and there were but 50 cases and four deaths from typhoid fever in 1948 in comparison with 424 cases and 75 deaths in 1931, the Michigan Department of Health said today in summing up the state's 17-year-old battle against typhoid fever.

When it became known in 1932 that carriers were the main source of typhoid fever in Michigan, the state and local health departments started a systematic search to find these carriers, and undertook a program which emphasized carrier control, safety of public water supplies, complete pasteurization of all milk supplies, proper sewage disposal and a close check of all food handlers to protect Michigan people from the disease.

The 17-year-search has revealed a total of 533 carriers of typhoid fever. There are now 254 known carriers in the state, all of whom are under close supervision of health departments to make sure that they do not transmit their infection to others.

Because the tyhoid fever germ enters the body through the mouth, in food, milk or water, carriers are not permitted to handle food, water, or dairy products intended for public consumption.

In the past, about two or three per cent of those who contracted typhoid fever have remained carriers of the disease. Now chloromycetin, one of the newer antibiotics which is being used in treatment of typhoid fever, may clear up acute cases rapidly enough so that the carrier stage is not established.

No typhoid fever patient is released from health department supervision until three laboratory tests, a week apart, show that there are no typhoid fever germs in his stools. These tests reveal carriers. The identity of a carrier is confidential as long as he cooperates in control measures. Local or state health officers visit him four times a year. He must notify his health officer of any change of address.

Complete removal of the gallbladder, which harbors the germ, is the only method of treating the carrier. It is successful in about 85 per cent of cases.

Control Measures Urged To Halt Cry of 'Mad Dog'

For many centuries the cry, "mad dog," has brought with it a feeling of terror. Now there is little excuse for the continued existence of a disease that causes so much anxiety, suffering and expense as rabies, says Dr. Paul D. Beamer, University of Illinois.

Measures for controlling and eventually eradicating rabies are known and are comparatively easy to carry out. England, Ireland, Norway, Sweden, Australia, Denmark and Holland are free of rabies. Yet in the United States thousands of dollars' worth of farm stock and many valuable dogs are destroyed each year as the result of animals being bitten by infected dogs. The deadly virus causes about 10,000 cases of rabies in animals and humans in the nation every year.

All warm-blooded animals are susceptible to rabies. But dogs, because of their biting habits and their close association with other animals and with humans, are the most common disseminators of the disease. The ultimate suppression and control of rabies in both man and animals therefore is dependent upon adoption of measures that will effectively check the disease in dogs. Such measures require the cooperation of all dog owners, public health and livestock sanitary officials, police officers, veterinarians, physicians and the public in general, Beamer said.

Crude Petroleum Formed By Old Bacterial Action

Many attempts have been made to explain the manner in which petroleum is formed in the earth. Early research indicated that most petroleum originates in the remains of plants and animals which have been deposited on the ocean bottom and which then have been buried by layers of mud or sand. High temperatures and pressures originally were thought to contribute the energy required to convert this material into oil. Investigations about 10 years ago proved, however, that oil is formed at temperatures too low to permit this conversion.

Recently, it has been proposed that bacterial action or the energy from the high-speed particles released by radioactivity may play an important role in converting protoplasm, proteins, fats and other complex substances into the constituents of crude oils. Since radioactive conversion was first proposed about 20 years ago, research by the geology department at M. I. T. has shown that there may be sufficient radioactivity in the materials of oil fields to effect this conversion over a period of 10 million to 100 million years.

Flax Aided Painting

The cultivation of flax dates back to the beginning of history. In the early period flax was grown primarily for fiber. While there appears to have been some knowledge of the so-called drying oils, it was not until about the twelfth century, when oil painting was discovered, that a real appreciation of linseed oil and its properties was realized. The flax crop was introduced into the United States about 1620. The history of the crop in this country is the history of the pioneer, especially during the latter part of the 19th and the early part of the 20th century. The increasingly wide usefulness of linseed oil and the fuller appreciation of its essentially exclusive qualities stimulated improvements in the machinery for expressing the oil from the seed. Linseed oil is highly important not only in the industries but also in art. The priceless paintings of the old masters have to a large extent been preserved because of the lasting properties of this oil.

Built on Seven Hills

Lisbon, capital and largest city of Portugal, with a population of half a million, is built on seven hills and commands a view of the valley of the Tagus river. It has one of the finest harbors in Europe, formed by the mouth of the Tagus river, and does a brisk trade in cork and wines. Lisbon is a city of churches, palaces, museums and parks. Sections of the older quarters have preserved all the character of the past in their 16th century houses with windows of iron screens and latticed balconies. The lower part of the city is built on a plan conceived by the Marquis of Pombal after the disastrous earthquake of 1755. The entrance to the city from the harbor side is formed by Black Horse Square, above which rises the town, tier upon tier on its seven hills.

Made Artistic Tiles

For hundreds of years the manufacturing of ceramic tile was a great art in Persia, and when the Arabs conquered that country in the seventh century one of the things which impressed them most was the tile ornamentation of its temples. The Arabs soon made tiles almost the symbol of their civilization. It is believed that they used Persian workmen to manufacture the tiles for the tomb and mosque of Mohammed at Medina. When they conquered Asia Minor, they sent again to Persia and brought its finest artists in tile to decorate the mosques of the new domain. They also introduced the art of fine tile making to Tunisia, Algeria, Morocco and finally Spain.

JOHN DEERE DEALER to ENTERTAIN FARMERS and THEIR FAMILIES

JOHN DEERE DAY IS January 10

"Roots in the Soil"

starring ROCHELLE HUDSON and RICHARD TRAVIS, is feature picture in BIG JOHN DEERE DAY SHOW

Rochelle Hudson and Richard Travis share star billing in "Roots in the Soil," feature picture to be shown in the Strand theatre in Tecumseh on Tuesday, January 10. The movie headlines the *free* John Deere Day entertainment and educational program for farmers and their families which is being sponsored by Hoyt E. Whelan Co.

"Roots in the Soil" is the story of a small-town bank cashier (Richard Travis) who can't say "no" to anyone with a hard-luck story. His generosity affects the lives of his wife (Rochelle Hudson), his three children, in fact the entire community, though it sometimes back-fires. You and your family will enjoy every minute of this true-to-life story plus the beautiful singing of a chorus of nearly fifty voices.

In addition to "Roots in the Soil," several other new, all-talking pictures will be shown. "What's New in John Deere Farm Equipment"—a preview of new John Deere machines you'll want to know about . . . "Beyond the Price Tag" —the story of the new John Deere Model "MT" Two-Row General-Purpose Tractor with its working equipment for smaller acreages . . . "Farmer of the Year" — an informative dramatized picture on soil conservation . . . "First Choice of Farmers Everywhere"—the story of the John Deere No. 5 Power Mower as written by farmer owners the country over.

According to Hoyt E. Whelan Co., admission to the John Deere Day program is by ticket only. Any farmer who has not received his tickets or needs more can get them free at the Hoyt E. Whelan Co. before the day of the show.

Courtesy Not Only Makes for Safety on th' Highways

It Makes Fur Kustomers in This Hoss-Tradin', Garagin Bisnis

Yuh here a lot o' talk about drivin' safe, bein' courteous to other motorists and pedestrians when yur behind th' wheel. That's good logik, and we preach it ourselves 'cause we know that if it sinks in thru some thick skull it's goin' to save lives.

But we'd like to tell yuh that in this hoss-tradin', garagin' bisnis there's got to be a lot o' courtesy right here in the stabul. We've preached that to our cowboys ever since we started this place, and we're still preachin' it.

Yuh kant keep yur eye on the dollar all a' the time, no suh! Yuh got to give a little and take a little, we says, to make any bisnis klick. Maybe the kustomer isn't right, all o' the time, but we try to make him think that he is, anyhow.

If yuh bring yur hoss to our hoss-pitul for treatment, we want yuh to be treated as good or bettern the hoss. We want to do the operatin' and the treatin' as quick as we kan, and we want to hold down the expenses, 'cause we know that is important too. And here's another thing: We want you SATISFIED when yuh take yuh hoss out o' our place. If she don't work right, if she bucks and wheezes, bring her back. All o' us make mistakes, sometimes, we says, and we want yuh to tell us about ours. The we kin korrect 'em.

We're lookin' for satisfied kustomers and we've got a lot o' 'em. That's how we've stayed in bisnis here for nearly 20 years. We want to stay 20 more, anyway, and we knows there's only one way to do it. Keep 'em happy, we says, and they'll keep comin' back. That's our New Year's Resolution.

Evening School Needs Students

REGISTRATION STILL OPEN IN BOOKKEEPING AND SHOP COURSES

Tecumseh's Public Evening School, which opened Monday evening for registration, still has room for additional students, particularly in the bookkeeping and general shop courses, Neville Hart, director, said today. Registrations in these courses and in others will be accepted next Monday evening at 6:30 at the new high school building, and actual class work will start at 7 o'clock the same evening.

Thirty-six persons enrolled in the school last Monday evening, Mr. Hart said. Seventeen of the number chose a draperies and slip covering course, 10 registered for typewriting classes and nine in shorthand. Still others were interested in bookkeeping and general shop courses but, Mr. Hart said, the number was not sufficient to warrant class operation. If four or five more persons could be interested in these courses they will be offered, he said. Also, he pointed out that persons interested in the other courses that are being taught still may enroll.

"The registration fee for the entire night school course, which runs for 15 weeks each Monday evening, is only $2," Hart said. "This amount does not meet the overhead, of course, but it is intended as a service to the community. We have fixed the number of students in each course at eight as a minimum. Of course, up to 20 may be enrolled. I feel sure that there are many persons who would be interested in the courses being offered who, perhaps, forgot to enroll last Monday evening. It is for that reason that we are again offering another registration next Monday night."

Hart said that next Monday evening the shorthand and draperies classes would meet at 7 o'clock. The typing class will meet at 8:30.

Clinton Cagers Bow To Indians

HIGH SCHOOL BASKETBALL TEAM DEFEATS VISITORS, BY 38-31 SCORE

By Don VanCamp

The Tecumseh Indians came through with a win from their traditional rivals, Clinton, Friday evening on the local court. The final score was 38 to 31. The Indians won their game from accuracy at the four shot line. Tecumseh dropped 14 out of 22 while the visitors could only make 7 out of 13. Three of Clinton's first string left the game on fouls.

Lee Phibbs and Doug McDowell headed Tecumseh's attack. Phibbs picked up four field goals and four gift tosses for 12 points. McDowell was close behind with 10 points from four field goals and two gift tosses.

Little PeeWee Knight, Clinton guard, kept his team in the game with five field goals and five free tosses for a total of 15 points. Jack Feldkamp, Clinton forward, came up with nine points. Tecumseh now has a four to one record which puts them in a second place tie with Hudson and Morenci. The Indians are close on the heels of Blissfield who sports a five to nothing record.

The box score of Friday night's game is as follows:

Tecumseh:	F.G.	F.T.	P.F.	T.P.
McDowell, F	4	2	2	10
Phibbs, F	4	4	2	12

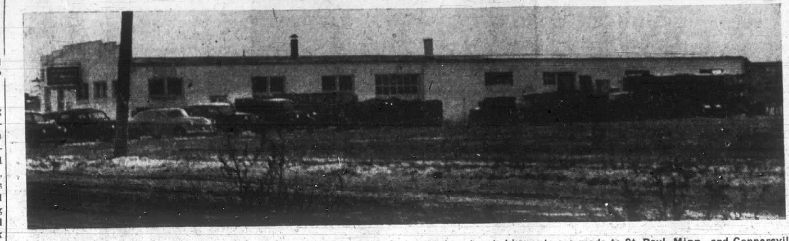
BURIED AT CLINTON

Funeral services were held Saturday afternoon from the Hause Funeral Home in Clinton for George Eli McConnell, aged 83 years, who died January 4 at White Pigeon, Mich. Burial was in Riverside cemetery.

A former resident of Clinton, Mr. McConnell graduated from Clinton high school in 1885. Surviving are the widow Mary of Bay Port, Mich.; three sons, George of Detroit, Millard of New Orleans and Ralph of Flint; 12 grandchildren and three great grandchildren.

Admiral Corporation Enlarges Service Plant Here



Pictured above is the enlarged storage and unit service plant of Admiral Corp., Chicago, on South Evans street to which an addition is now being constructed that will give the corporation 15,000 square feet of floor space. Refrigeration units are rebuilt in the local plant which also maintains unit shipping carriers. Some 14 persons are employed and shipments are made to St. Paul, Minn., and Connersville, Ind. Construction of the 8,000 square foot addition is now in progress at the rear of the building. Robert Manchester is Admiral's resident engineer in Tecumseh and Joseph Brown is the plant foreman. B. W. Mominee Dies Suddenly

WAS FORMER CHIEF OF POLICE AND FIRE DEPARTMENTS; FUNERAL IS TODAY

Burton W. "Fuzzy" Mominee, 68, former chief of police and fire chief, died suddenly Monday at 4 p.m., in his room on South Union street. He had been in failing health for a year.

Funeral services will be conducted from the Collins Funeral Home today (Thursday) at 2:30 p.m. The Rev. Allan L. Ramsay will officiate and burial will be in Brookside cemetery.

Born in Webberville, Ohio, March 20, 1881, Mr. Mominee had lived in Tecumseh for the past 60 years and was in the draying business for some 40 years. He was honorary fire chief, having received a life membership from the department some time ago. He retired from the police department a year ago.

Mr. Mominee was a member of the Fraternal Order of Eagles and St. Peter's Episcopal church.

Surviving are two daughters, Mrs. Lee Randall and Mrs. Leo Aldeslyce; two granddaughters and one grandson, all of Tecumseh, two sisters, Mrs. Dora Bice of Tecumseh and Mrs. Ida Quinn of New York City, one brother, George Mominee of Battle Creek and several nephews, nieces and cousins. His wife, Myrtle, preceded him in death April 21, 1946, as also did a son, Paul, in infancy.

Vestrymen Are Named At St. Peter's Church

Four members of St. Peter's Episcopal church were elected to three year terms on the Vestry at the annual parish meeting held Monday evening, January 9. Those elected are Russell Cooper, Donald Goddard, Ambrose Hamaker and John Zeigler. The vestry will meet Thursday evening, January 12, at 7:30 for the election of officers and the appointment of standing committees for 1950. As a part of the annual meeting the yearly report of the treasurer was given by George McCombs and the budget for 1950 adopted.

The rector's report on the state of the parish was given by the Rev. Allan L. Ramsay, and parish organization reports of the 1949 work accomplished were given as follows: Altar Guild, Mrs. L. W. Larsen; Choir, Mrs. John Smith; Daughters of St. Peter, Mrs. Lynn Hubbard; Lyster League, Mrs. Helena Brollier; Young Married People, Mrs. Charles Manley; Sunday School, Mr. Ramsay for Mrs. Laidlaw, superintendent.

As the final business of the evening delegates and alternates to the 117th annual Diocesan Convention were elected as follows: Russell Cooper, Donald Goddard and Ambrose C. Hamaker the delegates and the alternates are Charles O. Butler, L. W. Larsen and John Zeigler.

VALENTINE PARTY IS PLANNED BY LEGION

Some 35 members of the American Legion Auxiliary met Monday evening in the Legion Home. It was voted to donate $25 to the American Legion Hospital at Grand Rapids and it was reported the auxiliary has 121 paid up members. The quota is 151 and the officers are urging all those who have not paid their dues to do so. A member is considered delinquent after January 31.

Plans were discussed for a Valentine party with the Legion. Entertainment was charades and Mrs. Madge Boyd and Mrs. Tony Baaske headed the refreshment committee.

Mrs. Mae Dickinson is chairman of the program for February, which is "Americanism."

New Student Song: Yes, We Have No Piano

Tecumseh high school students might well paraphrase a one-time popular song in this manner: "Yes, we have no piano."

That, briefly, is one of the difficulties both the student body and the faculty are "enjoying" since the opening of the new $400,000 high school on North Maumee street.

Two weeks ago, Mrs. Ray Sluyter, president of the Parent-Teacher Association, appealed to residents for the contribution of a used piano. The one formerly used was left at the old Central Building and now a new or different one is needed at the new school.

But to date no one has contributed a piano. There are probably many of them in storage in Tecumseh—just gathering dust.

If someone should desire to donate a used piano to the school it would be greatly appreciated. A phone call to Earl H. Place, superintendent, or to Mrs. Sluyter will bring the drayman.

Mrs. Ella Perkins, 90, Is Buried At Cambridge

Funeral services were held Monday afternoon from the Dunn Funeral Home in Onsted for Mrs. Ella Perkins, 90, who died Friday at 11:30 a.m. in her home near Tecumseh. The Rev. B. O. Bashore officiated and burial was in the Cambridge Junction cemetery.

Born, March 5, 1859, near Ridgeway, the daughter of Thomas and Phoebe Allison, she married Solomon Mangus July 2, 1880, and he died in 1908. Eleven children were born to this union. She is survived by two daughters, Mrs. Anna Dorlell of Adrian and Mrs. Mabel Smith of Manitou Beach, four sons, Ray Mangus of Onsted, Arthur Mangus of Adrian, Horace Mangus at home and Howard Mangus of Tecumseh, 25 grandchildren and several great-grandchildren. She was preceded in death by five children, Walter in infancy, Ernest, Emma, Mrs. Hazel DeVee and Mrs. Irene Ridge.

In 1920 she married David Keifer, who died in 1936 and in 1940 she married Alfred Perkins who died in 1947.

Hospital Auxiliary Says Thanks For Assistance

The Tecumseh Hospital Auxiliary today expressed its appreciation to various persons for their efforts in helping to make the recent holiday ball a success. Included were the personnel of the Legion Home, who assisted with the decorations and cleaned up after the dance, A. A. Musch, who donated all of the Christmas greens used and Oscar Shonsheck, who assisted with the decorations.

The decorating committee was composed of Mrs. H. H. Hanna, chairman; Mrs. R. C. Limes, Mrs. F. G. Purcell, Mrs. Russell Carey, Mrs. Joe Rohweder and Mrs. Richard Dustin.

The treasurer reports the total proceeds from the dance are $286.32, which will be used to air condition the delivery room at Tecumseh hospital.

FORMER RESIDENT DIES

Mrs. Luella Sutherland Cook, a former Tecumseh resident, died at her home in Lake City, Mich., Thursday, December 29, after several months illness. She is survived by a daughter, Mrs. Arthur Talsma of Grand Rapids, two grandchildren, Merlin Talsma of Grand Rapids and Mrs. Robert Stanley of Hastings, and several nieces. Funeral services were held Saturday, December 31.

Open House At New High School

INSPECTION OF NEW $400,000 SCHOOL WILL TAKE PLACE OF P.T.A. PROGRAM

Tecumseh's new $400,000 high school building, heretofore seen by only a few hundred students and a mere handful of other residents, will be open for village-wide inspection, starting at 8 o'clock this evening. The "open house" is being sponsored by the Parent-Teacher Association of which Mrs. Ray Sluyter is president.

"While this is a Parent-Teacher meeting," Mrs. Sluyter emphasized, "that does not mean that the public generally is not invited to the open house. All of us are interested and are proud of our new high school building and, we want everybody to come and see it."

Officers of the Parent-Teacher Association and members of the high school faculty will be on hand at the school tonight to act as guides and to explain the many modern features of the new 20-room structure.

"We feel," Earl H. Place, superintendent, said, "that Tecumseh now has one of the most modern high school buildings in all of Southern Michigan. We, of the faculty, are very proud of the building, and we know that the students appreciate it, too. We will be very happy to have anyone who desires to do so, visit us tonight."

The new high school, ground for which was broken on December 3, 1948, was occupied for the first time on January 3, 1950, exactly 13 months later. While some plumbing and wiring still must be done, the building, generally speaking, is finished. Some of the classrooms, such as the laboratory and domestic department, still lack equipment. However, this material is in transit.

A formal dedication of the new building will be held later, probably in the early spring.

Mabel Lockwood Wins Camera Club Contest

The Indians Snappers Camera Club met Monday evening at the Camera Shop, with a good attendance, John Saling, president, presided and the 10 entries in the print-of-the-month contest were judged and points awarded. First prize was awarded for a picture of Niagara Falls taken from a boat, Maid of the Mist; second prize winner was a snap of Skyline Drive in Pennsylvania, and third prize winner was of the White House in Washington, D. C. All three pictures were taken by Miss Mabel Lockwood.

An interesting and instructive discussion was held on the use of light meters, after which Mr. Saling showed a moving picture entitled "What Makes A Fine Watch Fine."

Leon Rosacrans will show his Main Street movie at the March meeting.

1,070 ARE ENROLLED IN THE PUBLIC SCHOOLS

One thousand and seventy pupils are now enrolled in the Tecumseh Public Schools, Earl H. Place, superintendent, advised the board of education, in session Tuesday evening. Of that number, 125 are at West Branch, 462 at the Central building, 37 at Brownville and 446 in the new high school.

The board inspected the new school building and approved plans for the "open house" to be held tonight. Current bills were audited and ordered paid and routine reports were read and placed on file.

I will be at the United Savings Bank on Saturday, December 17 and each Saturday thereafter until further notice, for the collection of Tecumseh township taxes, dog taxes and fire insurance. I will also accept payments by check or money order mailed to my residence, 211 West Brown Street, Tecumseh, Mich. (Signed) Lawrence Mohr, township treasurer.

Rev. Edward Green To Speak Here On Sunday

In observing the 15th anniversary of his ordination to the priesthood, the Rev. Canon Edward R. A. Green of St. Paul's Cathedral, Detroit, will celebrate the holy communion and preach at 11:15 a.m. Sunday, January 15, in St. Peter's church, Tecumseh.

Ordained on January 17, 1935 by the late Bishop Page, the Rev. Mr. Green was rector of St. Peter's until June, 1941 when he became rector of St. James Church, Sault Ste. Marie, Michigan. In February of 1949 he became canon pastor of St. Paul's Cathedral, Detroit.

Edward Reeves Is Crash Victim

FORMER RESIDENT FATALLY HURT IN HEAD-ON COLLISION ON M-52

Funeral services were conducted Tuesday afternoon from the Braun Funeral Home in Adrian for Edward Reeves, 65, former Tecumseh resident, who was fatally injured in an automobile accident, Saturday afternoon about 3:30 p.m., on M-52, seven miles north of Adrian. The Rev. A. H. Wallschlaeger officiated and burial was in Allen, Mich.

The accident occurred when a truck owned by the Chisholm News Agency of Adrian, going north, skidded on the ice, crossed to the left lane and made a head-on collision with a car being driven south by Mr. Reeves. Melvin Dye, 18, of Adrian, was the driver of the truck and was bound for Ypsilanti to pick up Sunday newspapers. State police of the Clinton post investigated the accident.

Mr. Reeves, who suffered a deep throat cut, was removed by ambulance to Tecumseh hospital. He was dead on arrival. Mr. Dye suffered only a slight bump on the head.

Mr. Reeves had been employed for 29 years as a member of the section crew of the Detroit, Toledo & Ironton railroad. He was born in Milan township, March 7, 1885, the son of Theodore and Matilda Reeves of Azalia. He married Miss Laura Aiston of Milan June 14, 1905, and they moved to Tecumseh two years later. He was employed at the Fisher gravel pit here for several years. The family moved to Adrian 14 years ago.

Survivors include the widow, Laura; his mother, Mrs. Matilda Reeves of Hamilton, Ohio; a brother, Alfred of Tecumseh; a daughter, Mrs. Raymond Austin of DeKalb, Ill.; four sisters, Mrs. Charles Lewis of Adrian, Mrs. Charles McDaniels of Indianapolis, Mrs. George Dobbins of Hamilton, and Mrs. Janet Truesdale of Detroit; and two grandchildren. A son, Edward, who formerly lived in DeKalb, was fatally injured in an automobile accident in 1940.

Bank Officers Are Reelected

DIRECTORS ALSO RENAMED AT ANNUAL STOCKHOLDERS MEETING, TUESDAY

Officers and directors of the United Savings Bank of Tecumseh were reelected at the annual meeting of stockholders and directors, held Tuesday afternoon in the banking offices here.

The stockholders reelected these directors: Guy E. Belding, John R. Thompson, W. E. Swick, Rollo G. Conlin, Lester C. Rogers, E. M. Campbell and P. C. Satterthwaite.

At a meeting of the directors immediately following, these officers were reelected: Mr. Belding, president, Mr. Thompson, vice president and cashier, Glen VanDenbergh, Bernice Duncan and Elmer Eberhardt, assistant cashiers.

Dr. Robert J. Bowers To Open Offices Here

Dr. Robert J. Bowers of Mackinaw Island, will open offices in the Ford Building here on Monday for the practice of optometry. A suite of rooms on the second floor of the building is being remodeled and redecorated to suit the new doctor's needs.

Dr. Bowers is a graduate of the Northern Illinois College of Optometry and also of Hillsdale College. He served three and a half years in the medical division of the U. S. Army, being stationed in Germany. Dr. Bowers' father, Dr. M. H. Bowers is resident physician on Mackinaw Island.

Hospital Gets College O. K.

AMERICAN COLLEGE OF SURGEONS LIST TECUMSEH FOR "PROVISIONAL APPROVAL"

The American College of Surgeons has awarded Tecumseh Hospital Provisional Approval for the year 1949, it was revealed at the annual meeting of the Board of Regents, held last month. The award indicates the hospital has complied satisfactorily with the fundamental requirements that assure the best care of the sick and injured.

The American College of Surgeons, representing some 16,000 leading surgeons in the United States, Canada and other countries, grades hospitals according to one of three ratings: 1. Fully Approved—the hospital has met all of the requirements and is carrying them out in an acceptable manner. 2. Provisionally Approved—the hospital has accepted the requirements and is endeavoring to put them into effect, but for lack of time or other acceptable reasons has not been able to do so in every detail. 3. Not Approved—the hospital has not met the requirements in a satisfactory manner.

The fundamental principles for approval of a hospital by the College are as follows: 1. Modern physical plant. 2. Clearly defined organizations, duties, responsibilities and relations. 3. Carefully selected governing board with complete and supreme authority. 4. Competent chief executive officer or administrator. 5. Adequate and efficient personnel. 6. Organized medical staff of ethical, competent physicians and surgeons. 7. Adequate diagnostic and therapeutic facilities under competent medical supervision. 8. Accurate, complete medical records. 9. Regular group conferences of the administrative staff and of the medical staff. 10. A humanitarian spirit — the primary consideration being the best care of the patient.

Dr. Malcolm T. MacEachern of Chicago, director of the college, declared that only 89 hospitals qualified for approval after the first survey in 1918 and the latest approved list includes 3,284 hospitals.

De Soto And Plymouth Cars Are On Display

Tecumseh motorists are getting another look at the new 1950 model automobiles this week, the latest cars to be announced being Plymouth and DeSoto at the Ray Weatherman, Inc., sales, South Evans street.

"We will have the new DeSoto and Plymouth cars for display today," Mr. Weatherman said, "and they are new from bumper to bumper for 1950. There are many revolutionary features in both of the new cars which must be seen to be appreciated."

Plymouth and DeSoto are the only new cars to go on view here this week. Last week, Chevrolet announced its new line and earlier Buick and Ford made their displays.

HIGH SCHOOL STUDENTS ENJOY FRIDAY DANCE

Some 125 students from Tecumseh and Clinton high schools enjoyed dancing to the music of the Chieftains orchestra following the basketball game, Friday evening. The music was furnished through the courtesy of the American Federation of Musicians Recording and Transcription Fund. Kenneth Herrick is manager of the Chieftains, Local 387.

Friday evening's dance was the fourth free dance sponsored by the board of education. Others will be held January 20 and February 10 and 24.

Town Hall Will Meet Jan. 24th

DR. R. H. FIFIELD TO SPEAK AT OPENING SESSION OF CIVIC GROUP

Dr. Russell Hunt Fifield, assistant professor of political science at the University of Michigan, will be the speaker at the opening meeting of Tecumseh Town Hall, Tuesday evening, January 24, at the Central High School Building. Town Hall is under the sponsorship of the board of education with Neville Hart, high school instructor, as the director.

Dr. Fifield, who is widely known in educational circles, spent the summer of 1949 in Western Europe, traveling and studying in Italy, France and England. His subject here will be, "The European Situation With Observations While Traveling Through England, Italy and France."

Dr. R. H. Fifield

"We consider ourselves very fortunate to have obtained Dr. Fifield as the initial speaker on the 1950 Town Hall series," Mr. Hart said today. "The Doctor is much in demand as a speaker and we have had him booked for this engagement for several months."

Aside from being an educator and lecturer, Fifield also is an author.

Town Hall here is operated by the several civic groups in Tecumseh and admission to the programs is without charge. The expense of the operation is borne entirely by the civic groups.

Products Cagers Lose In Ft. Wayne

EXCITING BATTLE FAVORED LOCALS UNTIL LAST MINUTES OF PLAY

Traveling to Ft. Wayne, Ind., the Tecumseh Products basketball team lost to General Electric, Monday evening, 61-54. In an exciting game Products led the scoring until the last few minutes of play, when the powerful G.E.'s forged ahead to win.

Good ball was played throughout the game and the loss was not due to lack of cheering, for nine persons from Products accompanied the local lads there and made up the Tecumseh rooting section. They were Harold Wolf, Luther Kemp, Frank Owen, Ray Schlegel, Ernie Maschino, Elmer Buehrer, Victor Humble, John Sherman and Tim Neill.

Members of the team are Fred Oberlin, coach, Clayt Schmidt, Hugh Sutton, Heinie Heininger, Clyde Gunder, Stu Costigan, Bob Bentley, Glenn Fries, John Pagel, Frank Horton, and Junior Stark.

Tuesday evening the team played at Norwalk, O., Wednesday evening at Ashland, O., and Thursday at Jackson in regular league play. M. W. Wilson accompanied the team on the trip, which R. W. Herrick sponsors every year.

MUSICAL AMUSEMENT DEVICES LICENSE CUT

The license fee on mechanical amusement and mechanical musical devices was reduced to $15 in a new ordinance adopted by the village council, in session Tuesday evening. Heretofore, under a former ordinance, the license on the first mechanical amusement device was $250 and for additional devices $5. On musical devices, the license on the first machine was $150 and for additional machines $5.

The only other business to come before the council was routine. Current bills were audited and ordered paid and reports were read and placed on file.

HONEST MARKET

People are still talking about high prices, even though the upward spiral seems to have leveled off in most lines. That's natural human trait—we look back ten or fifteen years to when prices were far lower and wonder why the change has been so great.

A good many consumers probably still think that present-day prices are caused, in large part, by big profits. Yet facts have been published, covering a long list of consumer enterprises, which contradict that idea completely.

Meat is a good example, inasmuch as meat prices have come in for a great deal of comment from time to time. The nation's meat is handled by thousands of packing houses which perform the vital job of turning livestock on the hoof into meat products which are ready for the butcher shop. In other words, the packers bridge the wide gap between producer and consumer. And, believe it or not, their charge for doing that is incredibly modest. Last year $3 leading packers earned an average of about a penny on each dollar of sales. Putting it another way, their average profit was about one-half cent a pound on the dressed weight of all meat sold.

Of late, the price of certain kinds of meat, notably pork, has dropped sharply. It did that simply because the supply-demand situation has become more favorable to the consumer. In a free market, prices find their own level. Natural economic forces—not individuals or businesses—drive them up and down.

This is true of the prices charged for everything, except when government acts as a price-fixer. The free market is the most honest and responsive market ever devised.

Private Opinion

Several times the young draftee addressed the colonel as "Captain."

Then, doubts rising, he asked, "You are a captain, aren't you, sir?"

"Well," said the colonel, "I was once . . . but I'm not any more. I'm just a colonel now."

"Too bad," replied the youngster, sympathetically. "I think, I suppose?"

Painting Bee Planned At The Baptist Church

A painting bee will be held at the Baptist church, Monday evening, January 16, when the new chairs and tables of the primary room will be painted as a part of the redecorating plan. This was decided at the meeting of the Happy Home Builders class, which was held Monday evening at the home of Mr. and Mrs. Richard Carter of Tipton.

It was also voted to meet at the church this week Wednesday and Thursday to assist with the cleaning of the kitchen and dining room, and to cooperate in the bake sale to be held at Manna's insurance office Saturday morning, January 14. The proceeds of the sale will be used to purchase the new tables for the primary room.

Mr. and Mrs. Fred Bryan were in charge of the entertainment. The next meeting will be held at the home of Mr. and Mrs. Bryan in Britton, with Mrs. Dow Bilby in charge of the program.

O-JIB-WA BITTERS HELPS MECHANICS RHEUMATISM

No matter what your position in life or what type of job you have, you can't do your best work while suffering with agonizing pains.

If you suffer with Rheumatism and Arthritis and find that it continues to get worse, and are afraid that someday you will be an arthritis cripple, heed the words of Mr. George Ruleau, 30 years a resident of 206 N. Cedar Street, Manistique, who also had this fear before he discovered O-JIB-WA BITTERS and its wonderful benefits.

Geo. Ruleau

Couldn't Even Hold a Hammer

"The fear of being completely crippled with Rheumatism and Arthritis, is one that I have experienced for I was in such bad shape that I didn't know what to do. I was afraid I was going down completely. I am a mechanic and steam shovel operator, and as you know this is hard work. When Rheumatism settled into my hands, knees and back, it was almost impossible for me to do my work. My hands were so weak and crippled I couldn't even hold a hammer, and many are the times after working under a car, my back and knees would stiffen up, and I just couldn't get up without help. In spite of the fact that I had all my teeth pulled, and tried many other medicines, I didn't get any better. Terrible gas, indigestion and weak kidneys added to my miseries, and the thought was always present that it wouldn't be long before I couldn't work at all."

Now Completely Better

"I read about other peoples experience with O-JIB-WA BITTERS in my local paper, and decided to try it as I had little to lose, and am sure glad that I did. By the time I had taken O-JIB-WA a week, I was encouraged as I noticed a little improvement. I continued to get better, and although it has taken five months, now I am completely free of all pain and stiffness. I am able to do my work without difficulty. O-JIB-WA has changed my health completely, as I don't suffer anymore from indigestion or gas and can eat anything without distress. I personally know many other enthusiastic users of O-JIB-WA BITTERS and like myself they are glad to recommend this great medicine."

HERE ARE THE FACTS!

No medicine being sold today for Rheumatism and Arthritis has received such public acclaim and enthusiastic recommendation by its users than O-JIB-WA BITTERS. The reason for this is because O-JIB-WA is not just a plain deodorizer as are so many tablets on the market today, containing primarily aspirin and salicylates. O-JIB-WA works through the blood stream and loosens stiff joints to relieve the distressing pain, even when the stiffness has become deep seated. O-JIB-WA BITTERS has a tonic effect on the stomach, liver, kidneys and nervous system. O-JIB-WA is quick in action and in most cases aids in correcting the cause of these horrible agonies. Regardless of what you have tried without results, you owe it to yourself to try this great all herb medicine. Don't give up hope. Don't put off. Give O-JIB-WA BITTERS a chance to help you. This Sleek 4-Door 6-Passenger Tourback Sedan heads a line-up of six smart SUPERS, all powered with the surging new F-263 straight-eight engine, very latest word in valve-in-head lift and life.

"FASHIONED for every taste— Priced for every BUDGET"

Look over the 1950 Buick line, which these two high-fashioned honeys represent, and decide for yourself if that's truth or just talk.

Nineteen—Yes, 19—smart new and varied models to choose from, and all with the eye-catching styling of bold-lined bumper-guard grilles, sleek tapering fenders, the over-all look of a jet plane in flight.

Three full series—SPECIAL, SUPER and ROADMASTER—with SPECIAL models available in both standard or de luxe finish.

Three separate power plants—in five horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-heads—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road.

Four wheelbases—all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess galore, with rear seats as much as 13 inches wider.

Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady going of torque-tube drive—plus Safety-Ride rims for comfort plus control.

Then look at prices—do they really fit *any* budget?

They range from the fine-car level of the ROADMASTER down to just-above-the-lowest figures on the SPECIAL. But even these are so little above anything else—buy you so many more years of happy use—and give you a car of such consistently-better trade-in value—that you'll find Buick reachable by buyers in any price range.

So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the "deal" is right, and a signed-up order steps you up to that Buick you've always dreamed about!

Recent guests of Mrs. Kathryn Adams were W. E. Heckman of East McKeesport, Pa., Charles Adams of Chicago, Mr. and Mrs. E. W. Heckman and family, Mr. and Mrs. Russell Yokum and family of Brooklyn and Mr. and Mrs. Robert Adams.

Rose T. Vincze Weds Richard Lorenz, Britton

Rose T. Vincze, daughter of Louis Vincze of Route 2, Tecumseh, and Richard Lorenz, son of S. John Lorenz of Britton, were married Sunday, January 1, in the Christian Congregational church in Britton. The Rev. Harry F. Rogers read the double ring service at 2:30 o'clock.

Rosemary Gilmore, organist, played a program of nuptial music as the guests were seated by David Lorenz, brother of the bridegroom, and Peter Vincze, brother of the bride. Wilmer Lorenz was his brother's best man.

For her marriage the bride chose a glen plaid suit with brown accessories. One yellow and two brown orchids were combined for her corsage.

Attending her sister-in-law as matron of honor, Mrs. Mary Vincze wore a gray checked suit with black accessories and a corsage of yellow roses.

After the ceremony a reception was held in the American Legion hall. The four-tiered cake, topped with a miniature bride and groom was cut by the bride's sister, Mrs. Helen Schnable. Rhoda Robinson assisted with the serving.

Mr. and Mrs. Lorenz are residing in their apartment at 311½ West Cummins St., Tecumseh. The bride attended the Macon Ford Schools and the groom graduated from Britton high school in 1944. He is owner and operator of the Lorenz Service Station in Britton.

CLINTON

A public concert will be presented by the Clinton high school band, Sunday, January 15, at 2:30 p.m. in the school gymnasium. Mrs. Lois Derr, director, has resigned her position, effective January 20 and before that time the Band Boosters Club will hold a potluck supper in her honor.

Jack E. Warner, lay-minister at St. John's Episcopal church, John Truesdale and Robert Winder attended a dinner at Jackson, last week, given by the Rt. Rev. Richard S. Emrich, Bishop of Michigan.

Mrs. H. M. Hoag has returned from after visiting her brother, Willis Barnes and wife of Toledo.

Recent guests of Mr. and Mrs. Clyde Greenfield were Mr. and Mrs. Robert Jackson and daughter of Niles and Mr. and Mrs. Don Corwin and son of Grand Rapids.

Taft, an ex-president, swore Herbert Hoover into office as president.

Prince Albert of England composed songs, church music and an opera.

A & P Charges Suit Is Slap At Real Competition

The Great Atlantic & Pacific Tea Company charged today that the current anti-trust suit against the company is really "a suit against efficiency and against real competition."

The company announced its intention of running a series of advertisements telling about previous suits brought against A & P by the anti-trust lawyers in which the charges were proved to be false.

"In case after case they made charges against A & P which were proved in court to be utterly without foundation," the first ad of the series stated.

Last week's ad cited one such suit in 1941 in which the company was cleared of charges of conspiracy to fix bread prices. Under the caption "The Washington Bread Case," the decision of Federal Judge Allen T. Goldsborough is quoted:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you there was not any evidence at all . . . Honestly, I have never in my forty years' experience tried a case that was as absolutely devoid of evidence as this. This is the honest truth. I have never seen one like it."

The food chain declares that while "the anti-trust lawyers say they are not attacking 'bigness'" they brought this bread suit against only the big "companies that sold good bread at the lowest prices, just as in this current suit they are attacking a big company that sells good food cheap."

"The real question involved in this (present) suit," the ad says, "is whether businessmen are going to be encouraged to do a better and more efficient job; or whether we are going to let the anti-trust lawyers in Washington blow the whistle on anybody who gets big by giving the people the most for their money."

The food chain points out that it was forced to carry out its present newspaper campaign to protect its business against the charges which the anti-trust lawyers were making in press releases, in speeches and on the radio.

". . . Charges," says A & P, "the would seriously damage our business if they were believed by the public."

The ad states that the anti-trust lawyers "have been wrong before," and "in this case we know they are wrong."

The company declares: "The anti-trust lawyers tell the public they won a previous anti-trust suit against us at Danville, Illinois. They did. What they do not tell you is that they brought case after case against the A & P in federal courts all over the United States. Before they won this case they suffered three defeats."

In conclusion the ad states the company will tell about the other suits. "We are not going to duck, either. We are going to tell you about the criminal suit that the anti-trust lawyers won at Danville, Illinois."

PFC. WILLIS McKENZIE IS NOW IN JAPAN

With the Eighth Army in Osaka, Japan: Private First Class Willis E McKenzie, son of Mr. and Mrs. Henry McKenzie of 229 East Cummins Street, Tecumseh, Michigan, has just returned to his unit after participating in a 22 day field maneuver which was held at Mt. Fuji.

The maneuver participated in by 1900 troops was highlighted by a field firing exercise combining all the modern infantry weapons of his unit.

Private First Class McKenzie is presently assigned to Company E 27th Infantry Regiment. The 27th Infantry is part of the 25th Infantry Division, and is stationed at Camp Sakai, Osaka, Japan.

Enlisting in the Army at Tecumseh on November 13, 1947, McKenzie took his basic training at Fort Ord, California, and arrived in Japan on May 15, 1948.

MACON

Mrs. Olive Easlick

Word has been received by Macon relatives and friends of the death of Mrs. Olive Easlick, aged 91 years, who died Friday, January 6, 1950, at 10 p.m., after a long illness in the home of her daughter, Mrs. Pearl Dillon with whom she lived in Milford, Mich. Mrs. Easlick was born in Saline township and lived in the Saline-Macon vicinity most of her life. She was a member of the Saline Willing Workers Club and for many years was a loyal member of the L. O. T. M. of Macon. Her survivors are two daughters, Mrs. Dillon, with whom she lived, and Mrs. Minta Pocklington of Macon township. Her husband, one son and a daughter preceded her in death.

Funeral services were held Tuesday, January 10, at the Niblack Funeral Home in Britton.

Mr. and Mrs. Charles Bigelow will entertain the Community Club at a cooperative dinner at 12:30 Tuesday, January 17.

The Macon Town 4-H Club held its meeting in the basement of the Methodist church Monday evening. The girls with Mrs. Paul Kollar, leader, busied themselves with sewing and the boys led by the assistant worked at handicraft. Lunch was served.

Mr. and Mrs. Herbert Morden and family have moved to the George Schumaker farm on the Saline road, northeast of Macon, which they have bought.

Mr. and Mrs. Fred Gillen have purchased the village property formerly owned by Mr. and Mrs. Herbert Morden and took possession Saturday.

Mr. and Mrs. Charles Wheeler of Tecumseh have purchased the Mr. and Mrs. Fred Gillen property.

Robert Osborne has moved to the village property which he bought of Mr. and Mrs. Knudson and the latter have moved to the farm south of the Culbertson schoolhouse which they have bought.

Lewis W. Collier who has been ill for several weeks is still confined to the house. Doris Bilby of Billington's Corners, granddaughter of Mr. and Mrs. Collier, spent the weekend with them.

Mr. and Mrs. George Younglove and son of Detroit were recent guests of Mrs. Jennie Younglove.

Mr. and Mrs. Clayton Bigelow spent Saturday at Willow Run, guests of their son Clayton, Jr., and family.

Recent guests in the home of Mr. and Mrs. Carl Hawkins were Mr. and Mrs. Earl Dolph and family of Ypsilanti, Mrs. Rosa Hawkins of Flint and Miss Gertrude Hawkins of Clinton.

Mr. and Mrs. Ned Hawkins and family have returned to their home in Melvindale following a visit with Mrs. Hawkins parents, Mr. and Mrs. Isamel Kittle.

COLOR PICTURES

Removal Of Rest Room Will Be Investigated

At the annual sewing day of the Tecumseh Monday Club, held this week at the home of Mrs. Donald Goddard, 21 diapers, three shirts, six gowns and two blankets were made by the 35 members and guests in attendance. These items, plus a can of baby powder, will be given to Mrs. John Thompson, president of the welfare committee of Tecumseh.

A committee was appointed to investigate the removal of the village rest room and what the funds which were willed to maintain it are being used for.

A potluck dinner at noon preceded the business meeting. Several communications were read, including one from Dr. H. C. Huntley in regard to the mental health of children. Letters of thanks were read from Mr. and Mrs. W. J. Bruce and Mrs. Mabel W. Cleverdon, a director of children's work, for the layette sent to her last year.

Mrs. Goddard, president, gave a report of the Christmas gifts delivered to the infirmary. At the February 6 meeting a collection of gifts for the inmates at the infirmary will be taken. A collection of items suitable for a baby's layette will be held at the January 25 meeting.

Mrs. John Wintersteen, Mrs. Mabel Beardsley and Miss Bel Plummer were reinstated into the club.

RIDGEWAY

Mr. and Mrs. Arland Lidster of Blissfield announce the engagement of their daughter Florine, to Donald Baker, son of Mr. and Mrs. George Baker of Ridgeway.

To picture 200 pounds of man riding "piggy back" on Harold Wolf is not easy . . . but that's just what happened Monday evening when the basketball teams of Tecumseh Products and General Electric clashed at Ft. Wayne, Ind. Mr. Wolf and eight of his cohorts accompanied the local lads to Ft. Wayne to act as the team's rooting section. In the midst of the fun Mr. Wolf told a GE official he would ride him "piggy back" around the gym floor IF GE won . . . It so happened GE did win and Wolf, who rarely fails to keep his word, hoisted the official up on his back . . . and away they went! According to those who witnessed it, it was quite a sight!

Meeting Tuesday afternoon with their leader, Mrs. A. L. VanWinkle, members of Red Rose Brownie troop No. 1 elected new officers as follows: President, Nanette Walper; vice president, Katherine West; secretary, Joanne Wing, treasurer, Carol Ross . . . The girls entertained their mothers at a Christmas party recently. Each presented her mother with a gift and refreshments were served by members of the Garden Club, who sponsor the troop.

Farm Discussion Group Meets At Grange Here

Thirty farmers met at the Tecumseh Grange Hall, Tuesday evening, to organize a farm discussion group, under the leadership of Earl Pennington. The meetings are to be held each Tuesday evening at 8 o'clock for eight weeks and all interested farmers are invited to attend.

Tuesday evening the topics discussed were "Farm Subsidies," "The Brannan Plan" and "The Use of Fertilizer." The topic for January 17 is "Forage Crops."

The regular meeting of the Grange will be held this (Thursday) evening beginning with supper at 7 o'clock. The Pittsfield degree team will exemplify the third and fourth degree on a class of candidates.

LOCALS AND PERSONALS

John R. Zeigler was summoned to McVeytown, Pa., by the death of his father, W. O. Zeigler, which occurred early Tuesday morning at his home there. Funeral services were to be held today (Thursday). Surviving Mr. Zeigler besides his son, John R., are his widow, two daughters and one other son.

Mr. and Mrs. Russell Thurlby returned home last week from Corpus Christi, Texas, where they visited her son, John W. Pennington and family, for ten days.

PAUL D. STEFFENS BURIED AT CLINTON

Funeral services were held Tuesday afternoon from the Hause Funeral Home in Clinton for Paul D. Steffens, 71, who died Saturday at the Roberts Rest Home in Parma, where he had been a patient a year. The Rev. H. R. Sullivan officiated and burial was in Riverside cemetery.

Mr. Steffens was formerly a Clinton resident and for many years had been a machinist in automotive tool shops in and near Jackson. Surviving are a brother Henry of Battle Creek, five sisters, Mrs. J. Atkinson of Los Angeles, Mrs. Del Moulton, Mrs. Lee Patterson and Miss Eloda Steffens, all of Jackson, and several nieces and nephews.

U. M. COACH SPEAKS

Don Robinson, assistant football and baseball coach at the University of Michigan, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Breen House. Mr. Robinson was accompanied by Ira Smith, registrar at the University. He discussed football generally and predicted that Michigan would have another winning team in 1950.

Dr. Eldred Frohnapfl, Blissfield Rotarian, was a guest of Dr. C. N. Brodersen.

DAUGHTER ENGAGED

Mr. and Mrs. Percy Cadmus of Route 2 announce the engagement of their daughter, Eleanor Mae, to Donald Mueller of Macon. A senior at Adrian College, Miss Cadmus will graduate this June.

Special Meetings Are Being Held By Friends

The Rev. and Mrs. Earl Smith of Damascus, Ohio, both accomplished singers, are conducting meetings at the Tecumseh Friends church, this week, each evening from Wednesday through Sunday, beginning at 7:45 p.m.

The Rev. and Mrs. Smith have an electric organ and solovox and include much music in their services. The public is invited to attend.

Sunday morning at the 10:00 service the visitors will be in charge, as well as in the evening at 7:45. The Smiths will also appear on the Quaker Gospel Hour over WABJ at 8:45 a.m., Sunday.

Franklin Quotation Is W.C.T.U. Program Theme

Ben Franklin once wrote: "Temperance puts coals on the fire, meal in the barrel, flour in the tub, money in the purse, credit in the country, contentment in the house, clothes on the children, vigor in the body, intelligence in the brain and spirit in the whole constitution." It was on this theme that an interesting program was presented at the meeting of the W.C.T.U. held Tuesday afternoon with Mrs. Emma Day at the home of Mrs. Bertha Hoag.

There was a good attendance. Mrs. Jessie Brown presided over the business meeting and led in devotions. Several new members were admitted into the organization.

FRIENDLY CLASS

The Friendly Class of the Friends Sunday School met Tuesday evening at the home of Mrs. Richard Woodcox, with a good attendance. As leader, Mrs. Edward Escolme conducted several games and quizzes. In conclusion refreshments were served by Mrs. Perry Hayden and Mrs. Pete Holmes.

How About A Delicious Fresh Strawberry Short Cake?

Would your family enjoy a fresh strawberry shortcake for dinner tonight—or some other evening soon?

You can serve one—and do it economically, too—if you get your berries from our frozen foods locker. And, of course, strawberries are only one of the delicious fruits and vegetables you'll find in our locker.

Surprise your family — serve them a taste-tempting strawberry or raspberry shortcake soon.

There's no waste, you know, when you buy frozen foods.

Miss Sarah Jane Heilman Weds Alfred R. Pope, Jr.

Sarah Jane Heilman and Alfred R. Pope, jr., were united in marriage Friday evening, January 14, in the home of the bride's parents, Mr. and Mrs. E. C. Heilman at 311 South Pearl street. The Rev. Donald C. Wilson read the impressive double ring service at seven o'clock in the presence of 20 relatives and close friends. Mrs. Ethel Pope of Adrian is the mother of the groom.

Blush pink imported Swiss satin was chosen by the bride for her wedding gown, which was styled with a fitted bodice fastened with a row of self covered buttons, long fitted sleeves, and full skirt with a bustle effect. A rope of matching satin held her white ostrich plume headdress and she carried a bouquet of white orchids and pink camellias. Mr. Heilman gave his daughter in marriage. The couple was unattended.

After the ceremony a reception for 200 guests was held at the Tecumseh Country Club. Tall pink tapers and bouquets of blush pink carnations, camellias and gladioli decorated the rooms. Guests from Wabash, Ind., Toledo, Fowlerville, Ann Arbor, Adrian, Sand Lake, Clinton, Macon and Tecumseh were received by Mrs. Ethel Pope, Mr. and Mrs. Heilman and Mr. and Mrs. Pope. Mr. and Mrs. Jack Curtiss, Mrs. Beth Ripley and Donald LaBounty were the hosts and hostesses. Mrs. H. H. Hanna was in charge of the guest book and those assisting in serving were Mrs. John W. Page, Mrs. Norman Trada, Mr. and Mrs. Clair Ramsay and Glenn Teller.

For her daughter's wedding, Mrs. Heilman chose pearl gray crepe with black accessories and a corsage of red American Beauty roses. Mrs. Pope wore peacock blue with black accessories and a corsage of pink Talisman roses. Mrs. Estella Davis, grandmother of the bridegroom, wore green with black accessories and a corsage of yellow Talisman roses.

When Mr. and Mrs. Pope left on a trip through northern Michigan, both were wearing identical suits of pearl gray gabardine. The bride's accessories were in green and natural tan and she wore a black onyx diamond set lavaliere, a gift from the bridegroom.

A graduate of Tecumseh high school, the bride is now local manager of the Western Union Telegraph Company. Mr. Pope graduated from Whitmer high school near Toledo, served four years with the marines and is now a member of the Tecumseh police department. They will reside at 311 South Pearl street.

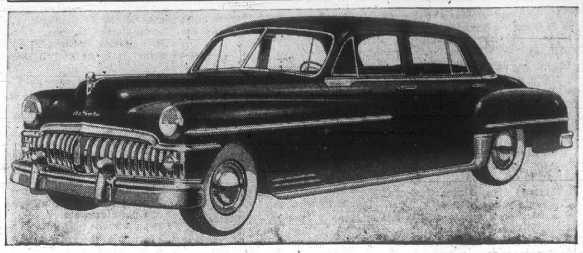
De Soto Announces Brand New Model



De Soto announced a brand new model that went on display at Ray Weatherman, Inc., local De Soto-Plymouth dealers on Tuesday. The new De Soto introduced a long list of new style and performance features. The rear of the car is completely new with sweeping, peak-crowned fenders; a wider, lower window 33% larger; a deeper, lower, more protective bumper; and relocation of the combined tail lights, stop lights, and directional turn lights. The newly designed grille is lower and new combined circular parking lights and turn signals are set into it. The hood ornament is a new beautifully sculptured bust of De Soto. Interior styling is luxurious. In the forefront of mechanical advances are new and larger hydraulic brakes. No car in America will have larger brakes. The 112-horsepower, high-compression engine combines with Tip-Toe Hydraulic Shift and gyrol Fluid Drive to give excellent performance and "lets you drive without shifting."

Plan Two New 4-H Programs

FARM MECHANICS, TRACTOR MAINTENANCE TO BE STUDIED BY YOUTHS

In 1950 two 4-H farm mechanics programs will be conducted in Lenawee county. One of these is the 4-H tractor maintenance program and the other a 4-H farm machinery program. The latter is a newly developed project particularly well adapted to Lenawee. Organizational meetings for each of the county 4-H groups have been planned, and schedules are as follows:

Britton area—Britton high school—Wednesday, January 4, 8 p.m.; Sand Creek area—Hayward's Implement Co., Sand Creek, Monday, January 9, 8 p.m.; Tecumseh area, Hoyt Whelan Co., Tecumseh, Wednesday, January 11, 8 p.m.; Adrian area, County Courthouse, Adrian, Monday, January 16, 8 p.m.; Morenci area, Graf International Sales Co., Morenci, Wednesday, January 18, 8 p.m.; Hudson area, Lawrence Dillon, Hudson, Monday, January 23, 8 p.m., and Blissfield area, Wilt-Knoblauch, Blissfield, Monday January 30, 8 p.m.

All boys of the county interested in carrying either the 4-H tractor maintenance or farm machinery maintenance projects are urged to attend the organizational meeting for their respective communities. Dads are also invited to attend. At each organizational meeting, it is planned to outline the two programs to be offered this year. All 4-H books and other literature will be distributed at the time of the meetings. A detailed account of the newly developed 4-H farm machinery program will also be given. A third year project in tractor maintenance has now been developed and will be discussed.

The farm tractor and machinery projects are designed to increase the skill of 4-H members in operating and maintaining farm tractors. It is a program of better care, not repair. Better care means longer wear and reduced operating costs.

All boys of the county between the ages of 12 and 21 are invited to attend the meetings being planned for the coming winter months. Members enrolling in the tractor maintenance project must be at least 12 years of age. Any boy of the county who is at least 15 years of age is eligible to participate in the newly developed farm machinery program. Members who wish to carry the farm machinery maintenance project do not have to have completed the available farm tractor projects in previous years, but must be 15 years of age or over. Any boy of the county who is interested can join any of the 4-H tractor or farm machinery groups of the county. Perhaps some of you boys who have never been a 4-H member beforehand would enjoy either of these two project programs.

The 4-H Farm Tractor Program offered this year is divided into three separate project years. First year members cover the subjects of safety, a study of the operator's manual, air cleaner service, cooling system service, spark plug, wiring, and battery service, fuel intake, carbureting, engine and general lubrication. The second year project includes: Cleaning and inspection the tractor and valve service, servicing the tractor electrical system, periodic servicing of thermostat, water pump and cooling system, periodic servicing of the air cleaning equipment, fuel conservation practices, lubrication of transmission and final drive, servicing and adjusting the steering gear and front wheel bearings, care of rubber tires. In the third year project the work covers: serving as junior leader, tractor service and cost records, trouble shooting and when to call in a competent serviceman, belt power application, drawbar power application, storage and handling of fuels and lubricants, winterizing or storing of tractor and other farm engines, organizing and judging demonstrations, and contests.

In the 4-H farm machinery project boys will cover the following phases: the plow, tillage tools, seeding and fertilizing equipment, cultivating and spraying equipment, forage machinery, combines, corn pickers.

CLINTON

Mrs. Nita Phillips, co-owner of the Clinton Theatre with her sister Alice Mayhew, is moving to this community to make it her home following the death of her husband, who was a physician and surgeon in Bronson, Mich. Mrs. Phillips will give the theatre her personal management and is already installing new projection equipment and screen and a new popcorn machine. Other improvements are being planned.

TO PRESENT CANTATA

Jack Tonneberger, choir master and organist of Augsburg Lutheran church, Sylvania Ave., and Rollin Rd., Toledo, will present the cantata "When The Christ Child Came," Sunday afternoon at four o'clock. A combined choir of 60 voices will participate.

The cantata was originally scheduled for Christmas Eve but Mr. Tonneberger became severely ill and could not appear at that time.

PEDESTRIAN CARE URGED IN JANUARY

Crossing streets between corners is the most dangerous mistake a pedestrian can make, especially on January's icy streets. After noting that 27 percent of all fatal pedestrian accidents occur during mid-block crossings, Bob Donald of Detroit's Cass Technical high school, drew this prize-winning poster "Cross Only at Corners" for the 1949 AAA National Safety Foster Contest. Over 9,000 of the posters and 26,000 safety lessons were distributed to Michigan schools by Automobile Club of Michigan for use during January.

BAPTIST LADIES UNION HOLDS ALL-DAY MEET

The Ladies Union of the Baptist church met Thursday at the home of Mrs. Faye VanValkenburg for an all-day White Cross work meeting, with Mrs. Floyd Bryan in charge of devotions.

During the business meeting it was voted to clean the kitchen and dining room of the church this week Wednesday and Thursday. It was also decided to cooperate with the younger women of the church to hold a bake sale at Hanna's Insurance office, Saturday, January 14, the proceeds of which will be used to buy new tables for the primary room.

The next meeting will be held at the home of Mrs. Fred Sheldon instead of with Mrs. R. H. Hewlett as previously announced.

From where I sit ... *by* Joe Marsh

Why Scoop No Longer Works Here

Scoop Blake paid us a friendly call at the *Clarion's* office last week and we were talking about when he was a reporter here.

"Remember how mad I got when I found out you were writing that election story right from your desk?" I asked him. "And how I made you get out and learn what a sheriff's job was all about?"

"I sure do, Joe," said Scoop. "I want to thank you for teaching me the 'hat-trick'—putting on my hat and finding out the facts, that is." Then we both had a good laugh because he found out so much that darn if he didn't run and get elected sheriff *himself!*

From where I sit, we should find out the facts before we try to talk about anything. When we do, we're inclined to be more tolerant . . . we're apt to understand a little more about the other fellow's preference for, say, his political candidate or for a temperate glass of beer now and then. I say, if you don't want to get tripped up, don't leap to conclusions!

DO YOU KNOW
WHAT MAKES YOUR WATCH TICK?

You might answer the question: "What makes your watch tick?" by saying that all watches tick—that's as it should be.

But, there's a reason why watches and clocks do tick—and we know the reason.

If your timepiece is not ticking properly — if it stops, loses or gains time, it should be coming to us for repair.

We do all of our own work, and its fully guaranteed. Our prices are modest, too.

Remember! If its ticks your timepiece needs, we have 'em.

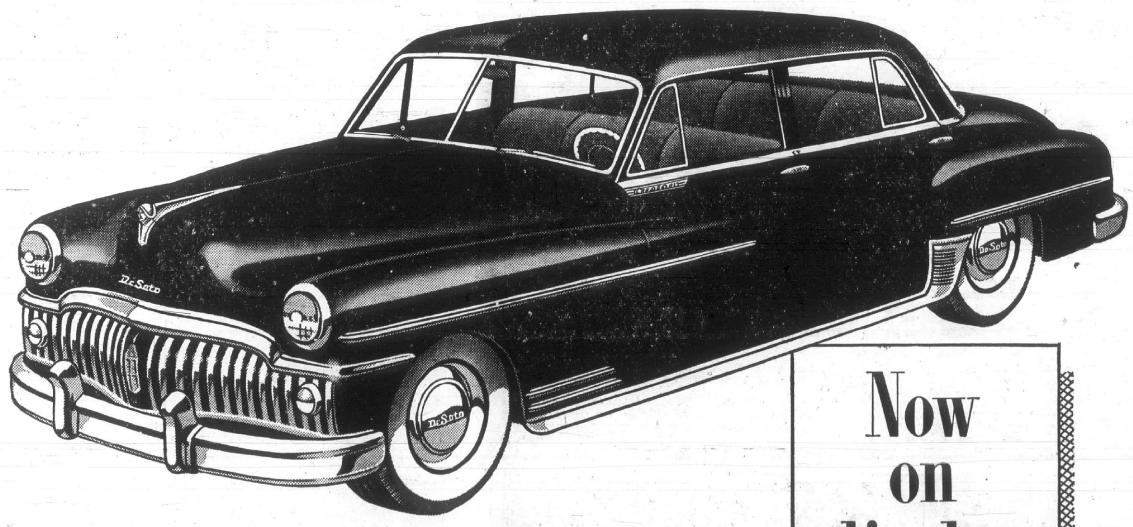
Announcing the NEW DESOTO



Here's the best-looking new car of them all! It's the *new* De Soto, designed to give you more room, more comfort, more visibility, more safety and more lasting satisfaction than any car you ever owned. Here's the car designed with YOU in mind.

It's brand-new . . . not just a few changes. It's waiting for you to come and admire it from handsome new front grille to taillights. And it's waiting for you to come and ride in it.

It lets you drive without shifting. It has a terrific high-compression engine, bigger-than-ever brakes, weatherproof ignition, feather-light steering. It's quality engineering at its best. Yet it is excitingly easy to buy and amazingly economical to operate.

No matter which make of car you thought you *might* buy this year, make yourself this promise . . . "I will drive a De Soto before I decide." Let us arrange a demonstration.

Michigan Mirror

Non-Partisan News Letter

(Special to The Herald)
By Gene Allerman

As a step toward contributing to trained physicians to Michigan, President David D. Henry of Wayne University, Detroit, has asked Governor Williams that a request for $3,000,000 be presented at the 1950 special session of the state legislature for construction of a Medical Science building. The structure would make possible an increase in the medical enrollment of approximately 50 per cent.

Harry Henderson, member of the State Liquor Control Commission, is backing a plan for remedial action for alcoholics. Drinkers at bars would be invited to contribute coins for establishment of a clinic for chronic drunkards. George W. Hood, spokesman for the Metropolitan Detroit Committee on Alcoholism, has estimated that 136,700 excessive drinkers reside in Michigan. Hood says there are 40,000 drinkers in Detroit industry. By losing an average of 22 working days a year, they cost the factories nearly $2,250,000 annually.

The Michigan Police Journal recently stated that "the most tragic aspect of the problem of alcoholism in this country is the rapid increase of excessive drinking among those in the lower age bracket." This publication for Michigan Police Chiefs quotes the Reverend Ralph S. Pfau, lecturer who has spent two years working among members of Alcoholics Anonymous. The average incident has dropped from 38 to 33 years in the past five years, states Pfau.

Another quote from the Police Journal: "Meanwhile in Detroit the number of drunks brought into Recorder's Court each day continues at a rapid pace. During the first two weeks of October while Recorder's Judge Paul E. Krause handled the early sessions, he heard an average of 50 drunk cases daily."

Little wonder then that the Michigan Table-Toppers, statewide organization for the beverage industry, has endorsed this program of Commissioner Henderson to do something about the growing problem of alcoholics.

Also studying the alcoholic problem is a committee of the legislature headed by Representative T. Jefferson Hoxie, St. Louis. Other members included Reps. Peter J. Kelly, Detroit; Glenn B. Robinson, South Haven; Homer L. Bauer, Charlotte; and Earl Hebert, Ecorse.

Another post-war problem: More classrooms and more teachers — both of which will require more tax money — will be needed by Michigan public schools during the next five years, according to the State Department of Public Instruction, Lansing. Present school enrollment is estimated at at approximately 1,000,000; will rise by 1956 to 1,200,000. Needed in 1950: 333 additional classrooms.

Total debt of governments in Michigan — state, county, cities, school districts, villages and townships — are $850,000,000 or about $119 for each inhabitant. Interest on the debt is about $45,000,000, all of which are paid by taxpayers.

Taxes of Michigan governments amount to $816,000,000 or a $531 per capita cost to each citizen annually. Michigan citizens and corporations pay to Uncle Sam $2,564,512,168 to the U. S. Treasury, while Michigan received back from Washington $59,170,000.

Who pays for these taxes? One-fourth of the current cost of a Michigan-made automobile is the hidden cost of taxes. It is estimated that each family in the United States last year paid a total of $317.18 in corporate income tax alone. The tax on tobacco averaged $44.63; retail sales, $48.55; gasoline, $49.02; and liquor, $68.64. Hidden taxes will be found in the price of nearly everything the wage earner buys today. In the aggregate, the total is far more than income taxes. And yet the illusion exists that only the rich and big corporations pay the major part of federal and state taxes!

Equivalent to an increase in wages will be the 1950 decline of living costs, now forecast by economists. From the all time high of September, 1948, living costs dropped 3 per cent in 1949. A further fall of 2 to 3 per cent is anticipated for 1950. Farm price decline will be limited by federal supports.

FINLAND MOVES NEARER RECOVERY

Helsinki—Prime Minister Karl A. Fagerholm says Finland is well on its way to postwar recovery.

In a Finnish Independence-day speech he said Finland can look forward to the day when the last installment will be paid on its war reparations.

Under its peace treaty with the Soviet Union signed in Paris in 1947, Finland undertook to pay $300,000,000 in gold in reparations to Russia within six years, later extended to eight years.

The prime minister said the day is in sight when displaced persons will have their own homes and war-ravaged areas would all be rebuilt.

He called on warring factions among Finland's political parties to pull together for the general welfare of the nation.

LEAGUE TO MEET

The Baptist Junior League will meet Tuesday evening, January 17, at the home of Mrs. Lyle Grigg with Mrs. B. O. Bashore as assisting hostess. Mrs. Llewellyn Sisson is in charge of the program entitled "Builded Together In Him For a Better America." Mrs. Elizabeth Wing will have devotions.

More Than 1,000 Visit High School

PARENT - TEACHER ASSOCIATION SPONSORS "OPEN HOUSE" ON THURSDAY

More than 1,000 persons, some of them coming from distances as far away as Toledo and Milan, visited Tecumseh's new $400,000 high school last Thursday evening when an "open house" program was sponsored by the Parent-Teacher Association.

"We heard nothing but enthusiastic approval of the new building," Earl H. Place, superintendent, said.

Officers and members of the Parent-Teacher group acted as guides for the visiting hundreds and every room in the new structure was thrown open for inspection. Members of the faculty were on hand, also.

Mrs. Lawrence Price assisted by room mothers from grades two, three and four served punch and cookies to the guests in the cafeteria of the school. Free "cokes" also were dispensed.

"The open house will not take the place of the official dedication of the building, which probably will come in the spring," Mrs. Ray Sluyter, president of the P.T.A. said. "However, we felt that local residents were anxious to see the new school and I am sure that we were right inasmuch as more than 1,000 made the inspection."

The new school, constructed in 13 months, was opened for classes following New Year's. It accommodates all members of the junior and senior high schools. The old Central Building has been given over entirely to elementary students and this month, for the first time in four years, all public school pupils are meeting in public school buildings. Heretofore, because of crowded conditions, some elementary classes were meeting in churches and the public library.

Presbyterians To Seat Elders

OFFICERS TO BE INSTALLED AT CHURCH SERVICE ON SUNDAY MORNING

The new elders of the Presbyterian church session, elected at the annual meeting of the congregation and corporation, which was held last week Wednesday, will be ordained and installed during the morning service, Sunday, January 22, at 11 o'clock. They are Clair Rozelle, H. H. Hanna and Earl H. Place. J. W. Spafford, a previously ordained elder, was returned to the session at last week's meeting.

The new trustees elected are Donald T. Nixon, re-elected for another three year term; James Elliott and J. C. Beardsley. LeRoy Titley was elected to fill one year of the unexpired term of the late Clair Dickinson.

The building committee, which planned and executed the building of the Fellowship Center, was again commended for its work and officially dismissed. The building fund committee will continue with its work.

Reports of the various organizations of the church were given. For the second successive year, the church went over the top in meeting its general assembly quota to the work of the four boards of the church, including missions and Christian education, the amount of approximately $2200 having been raised.

The meetings of the congregation and corporation were preceded by a potluck supper, which was well attended.

Funeral Services Monday At Tipton For R. Ellis

Funeral services were conducted Monday afternoon from the Tipton Community Church for Richard Ellis, who died Friday morning at the home of his daughter, Mrs. Kenneth Couture, northwest of Clinton. The Rev. W. N. Taylor officiated and burial was in Tipton cemetery.

During the service Mrs. Clifford Hardy sang two solos, accompanied by Mrs. Harold Every. The bearers were Lester McComb, Doc Edwards, Charles Kotts, Herbert Munger, Herman Titley and Fred Aylesworth. Friends and relatives attended from Manchester, Tecumseh, Detroit, Montpelier, Ohio, Jackson, Romulus, Clinton, Adrian, Deerfield, Sylvania, Ohio, Ottawa Lake, Britton and Tipton.

Born August 8, 1871 at Colbatch Bishops, Castle, England, Mr. Ellis came to this country 43 years ago. He engaged in farming north of Tecumseh and retired three years ago. He was a member and deacon of the Tipton church.

Surviving are his widow, Mrs. Lillie Ellis; two sons, Richard of Tecumseh and Jack Haynes of Detroit; two daughters, Mrs. Frank Heinzman of Montpelier, Ohio, and Mrs. Couture; a brother, Thomas Ellis of Romulus; five grandchildren and two great grandchildren. One son died in 1939.

Polio Dance To Be Held, Feb. 10

ROTARY CLUB SPONSORS ENTERTAINMENT; SEEKS $1,000 FOR MARCH OF DIMES

A Polio Ball, from which the entire proceeds will be turned over to the March of Dimes, will be sponsored by the Rotary Club here on Friday evening, February 10, at the American Legion Memorial Home. Tickets for the dance, issued with a $3 contribution to the Polio Fund, are now being distributed by a special Rotary committee under the direction of M. P. Partridge.

"Because Rotary sponsors a crippled children's aid program, we believe that it is entirely fitting that we should, this year, sponsor the March of Dimes drive in Tecumseh," Mr. Partridge said. "We hope, through the dance and through other contributions, to raise at least $1,000 in Tecumseh for the Polio Fund."

Partridge said that the Legion ballroom is being contributed and that music will be furnished by the Tecumseh Products Chieftains. The band also is contributing its services. "There will be little if any expense connected with the staging of the dance which means that nearly 100% of the proceeds will go to the Fund," Partridge declared.

Last year, Tecumseh contributed a little over $400 to the Fund. Because of the increase in the number of infantile cases in the county and nation-wide last year, all polio reserves are badly depleted. At least $15,000,000 is needed in the nation to cope with the disease.

John C. Cameron is again the district chairman of the polio drive locally and in the Britton-Ridgeway area, Elmer Eberhardt is the chairman. Mr. Cameron said that the canvassers would again be placed in the several business houses to collect contributions,

NO SCHOOL, FRIDAY

Friday will be a free day for the students of the Tecumseh public schools but the teachers will work as usual, Earl H. Place, superintendent, said today. Semester examinations are being completed today and tomorrow the teachers will correct papers and record standings. The second semester of the school year starts on Monday.

"WHO" Said The Arctic Owl To His Captors

Pictured above is a Canadian Arctic snowy owl, captured on the Ridge Road near Macon last week by Edgar Clark, Ford Farms superintendent, and his assistant, Harry Downing of Britton. The owl had a wing-spread of 61 inches, was tame and fat. After showing the bird to a few of his friends, Mr. Clark released it on his Macon farm. Holding the owl above are Clark, left and Downing, right. (Herald Photo)

Defective Pipe Blamed For Fire

$1,500 LOSS AT J. E. WALDEN RESIDENCE, MONDAY; TWO OTHER FIRES

Damage from fire and smoke at the J. E. Walden residence on Murphy Rd., was estimated at $1,500 after the Tecumseh fire department was summoned at 10:45 a.m., Monday, when flames were discovered in the second story of the house. The fire, confined to the upper story by firemen, was caused from a defective stove pipe.

Firemen were summoned to the Bills apartment house on East Kilbuck street Sunday at 6:50 p.m., when paper in a cabinet caught fire. The cabinet was located in the bath room and the cause of the fire is unknown. There was some smoke damage.

Saturday at 1:20 a.m., a pickup truck parked on East Chicago Blvd., and owned by Walter Shay caught fire due to defective wiring. Local firemen were summoned and extinguished the blaze. There was no damage to the truck.

Girl Scouts To Show Movie

UNIFORM FUND IS ESTABLISHED AND USED SCOUT UNIFORMS ARE NEEDED

"Troop Leadership and Organization" is the title of the movie which the Tecumseh Girl Scout Association will show to the public next Thursday evening, January 26. The time and place of the showing will be announced in next week's issue of The Herald.

At a special meeting held Wednesday evening, January 11, at the Scout cabin a uniform fund was established with Mrs. Owen Partridge as chairman. The fund is for the use of the Scouts in turning in serviceable used uniforms for resale through the Association. Anyone having used Brownie or intermediate Scout uniforms for sale should contact Mrs. Partridge.

It was approved by the Association that gifts given in the name of the association must be unanimously approved by all members in meeting. It was clarified and voted upon to provide all official Girl Scout pins, emblems, proficiency badges and other awards due both adults and youngsters.

Mrs. Clifford Cameron was appointed chairman of an investiture service to be held Wednesday, March 1, for all new leaders and committee women. At this time they will be presented with their registration cards and pins from the association.

Mrs. Truman Rentschler reported that the constitutional revisions will be presented at the next meeting for the group's approval. The February meeting of the association was postponed so the next meeting will be held March 1.

"MR. PINKY" SPEAKS

Robert Reitz of radio station WABJ entertained the Tecumseh Exchange Club at its regular dinner meeting, Monday evening. Better known as "Mr. Pinky" to radio listeners, Mr. Reitz gave the history of many old time melodies after which he played them on the piano. K. D. Hall introduced the speaker.

Reginald Dixon was accepted as a new member of the club. Following the meeting the board of control met.

First Robin Of 1950 Is Sighted In Tecumseh

Yes, folk, Spring must be just around the corner.

Despite last week's typical Michigan weather, including near zero temperatures, rain, wind, snow, sleet and sunshine, Spring can't be too far away if the birds know anything about it.

Tuesday, Mrs. Lester Coller, 207 North Van Buren street, reported seeing Tecumseh's first robin in 1950. He was playing in the Coller yard and was singing merrily.

Britton Nurse Traffic Victim

MISS VIOLA GRAHAM, 40, FATALLY INJURED IN ACCIDENT NEAR TOLEDO

Funeral services were held from the Niblack Funeral Home in Britton Wednesday afternoon for Miss Viola Graham, 40, who was fatally injured at 9 o'clock Sunday evening when she was struck by a car driven by James Akers, 25, of Walbridge, O. The accident happened three miles south of Toledo on Juilliard Road.

Police said that Miss Graham was walking in the road and was not seen by Mr. Akers until it was too late to avoid the mishap. The woman was dead on arrival at St. Vincent's Hospital, Toledo. Akers was not held.

Miss Graham had been working at Riverside Hospital, Toledo. She was a graduate of St. Vincent's Nurses Training School in 1930 and she formerly had been employed there.

Surviving are her father, Clarence Graham of Britton; two sisters, Mrs. Ocey Foss of Britton and Mrs. Edna Ostrand of Detroit; four brothers, Clarence, jr., of Britton, Clifford of Monroe, Floyd of Holloway and Herbert of Toledo. Her mother, Mrs. Ida Graham, preceded her in death.

TEEN AGERS DANCE

Another teen-agers dance will be held Friday evening at the high school gymnasium, following the basketball game. Music will be furnished by the Tecumseh Products Chieftains and is donated. This is another in a series of school dances for which the Chieftains play without renumeration.

Snowy Owl Is Captured Here

A snowy owl from the Canadian Arctic, believed to be one of some 500 of the birds that have made a strong invasion of Michigan, was captured last week on the Ridge Road near Macon by Edgar Clark, superintendent of the Ford Farms in this area, and his assistant, Harry Downing. The owl, which measured 61 inches in wing-spread, has been released on Mr. Clark's Macon farm.

"The owl showed little resistance when we caught it," Clark said. "We were driving along the Ridge Road when I noticed it sitting in the ditch in the snow. We stopped and with little effort put it in our car."

According to the Michigan Department of Conservation, the invasion of the owls from the Arctic is now past its peak. Some of the birds—it is thought that at least 500 or 600 found their way to Michigan—have been shot and, like the one found by Clark, all of them have been fat.

The Conservation Department says that a short supply of lemmings, mice and ptarmigan in Canada can be blamed for the owl's trip to Michigan in such large numbers. The birds feed principally on field mice, rats, rabbits and an occasional chicken or a crippled wild duck.

Conservation officers say that the snowy owls have been reported in at least 56 of Michigan's 83 counties. This year's flight south, according to Charles T. Black, department biologist, lasted longer than the one in 1934, when it is believed that some 1,500 came to Michigan. Of that number about 900 were shot. It is thought that the owls that survive Michigan's winter will return to their native Canada in the spring.

The snowy owl is larger than the owl known to Michigan and is predominantly white in color. It has no ear tufts or "horns" and flies a lot in the daytime. It inhabits marshes and farm land and is usually unafraid.

In its native north the owl seldom sees humans and that, it is said, is one of the reasons it has little fear for man.

Quiz Program Enjoyed By Wit, Wisdom Club

Mr. and Mrs. Ellsworth Collins entertained the Tecumseh Wit and Wisdom Club, Monday evening, assisted by Mr. and Mrs. Faye VanValkenburg.

About 40 members and guests enjoyed a quiz program conducted by C. D. Branigin. Mrs. O. W. Laidlaw, Miss Ruth Harding and Earl Place acted as a panel of judges.

In conclusion delicious refreshments were served and a social time was enjoyed.

The next meeting will be held at the home of Mrs. Hoyt Whelan, with Dr. and Mrs. W. H. Mast and Mr. and Mrs. C. D. Branigin assisting.

First Town Hall Meet on Tuesday

UNIVERSITY PROFESSOR, AUTHOR AND LECTURER TO DISCUSS EUROPE

"The Situation in Europe With Observations While Traveling Through England, France and Italy," will be the subject of an interesting address here next Tuesday evening, by Dr. Russell Hunt Fifield at the initial meeting of Tecumseh's Town Hall. The program, which starts at 8 o'clock, will be held in the auditorium of the Central School Building. Admission is free to the public.

"Town Hall does not charge an admission to its programs in Tecumseh," Neville Hart, its director, said. "Town Hall here is sponsored by the public schools and the cost of the project is underwritten by the civic groups of the village. Residents are indeed fortunate to be able to attend the several programs without expense."

Dr. Fifield is an assistant professor of political science at the University of Michigan and he is widely known in educational circles of the mid-west. During the summer of 1949 he spent several months traveling in Western Europe and in England.

Fifield is a native of Maine and obtained his doctor's degree in 1942. He is a specialist in historical research and during 1944-45 he was connected with the U. S. Department of State, working on Far Eastern aspects of papers relating to foreign relations of the United States. He later was named a vice consul of career and secretary in the diplomatic service and assigned to the consulate general at Hankow. He traveled extensively in China.

Indians Ready For Pittsford

MEET VISITORS ON COURT HERE, FRIDAY; DEFEAT HUDSON, 42 TO 39

By Don VanCamp

Tecumseh high school cagers are now tied for second place in the LCAA league as a result of losing to Blissfield on the local court, Tuesday evening, by a score of 35 to 32. The Indians meet Pittsford here Friday night for the second league event of the week.

The Tecumseh Indians took undisputed possession of second place in the L.C.A.A. race, Friday evening, by downing Hudson 42-39, at Hudson.

The Indians had to come from behind and Hudson counted a 27-18 lead by half time. Tecumseh's defense in the first half seemed to leak like a sieve but when Hudson came back the second half they found a brick wall. The Hudson players could not get in close enough for a good shot and were held to three points in the third quarter.

The Hudson fans might find comfort in blaming Friday the 13th as their jinx. The Tigers collected 13 field goals, 13 free throws and 13 personal fouls. Their total points were 39.

Lee Phibbs was high scorer for the Indians with 12 points and Owen Campbell, Tecumseh guard, collected nine. For Hudson Gene Deuel was high with 14 points, 10 of which he got on free throws. Culver was next high with nine.

Hudson reserves did much better than their big brothers. They beat Tecumseh reserves 32-27. Bob Abraham was high scorer for the winners with eight points. Sisson collected eight points for the losers.

Tecumseh will play host to Pittsford Friday night. The reserve game starts at 7:

BURTON W. MOMINEE BURIED IN BROOKSIDE

Funeral services were conducted Thursday afternoon from the Collins Funeral Home for Burton W. Mominee, who died suddenly January 9. The Rev. Allan L. Ramsay officiated and burial was in Brookside cemetery. The bearers were Harry, Dale and Paul Mominee, Robert Rutherford, Harold Davidson and Calvin Rickard. Members of the Tecumseh police department were honorary bearers.

Friends and relatives attended from New York City, Toledo, Battle Creek, Flint, Pontiac, Manchester, Dundee, Macon, Holloway, Britton, Ridgeway, Tipton and Tecumseh.

Birtle E. Miller, 64, To Be Buried, Saturday

Birtle E. Miller, 64, died suddenly at his home, 320 North Pearl street, Tuesday evening at 11:55. Death was due to a heart attack.

Mr. Miller was born January 31, 1886, at Fulton, Michigan, the son of George and Dora Miller. He was married July 11, 1908, to Myrtle DeMoss of Lake City, and they moved to Battle Creek where they lived for about 30 years. They then moved to Adrian, living there for five years. They moved to Tecumseh last September. Mr. Miller was employed at the Tecumseh Products Co., as a machinist.

Surviving are the widow, two sons, Arol of Adrian and Merlin of Battle Creek, a daughter, Mrs. Daisy Head of Tecumseh, a sister, Mrs. Wm. Wilson of Adrian and a brother, Delbert of Montana. Also, 18 grandchildren survive.

Funeral services will be held Saturday afternoon at 1 o'clock from the Braun Funeral Home, Adrian, the Rev. A. H. Wallschager of the Methodist church officiating.

I will be at the United Savings Bank on Saturday, December 17 and each Saturday thereafter until further notice, for the collection of Tecumseh township taxes, dog taxes and fire insurance. I will also accept payments by check or money order, mailed to my residence, 211 West Brown Street, Tecumseh, Mich. (Signed) Lawrence Mohr, township treasurer.

WILL CONGRESS SELL OUT?

The new session of Congress may do much to decide whether we are to continue down the road that ends in statism and dictorial government, or whether we are to reaffirm the principles and the ideals that made us a great, free and prosperous people.

A determined effort is being made to fasten the welfare state idea upon the country. Congress will be asked to appropriate billions for cradle-to-the-grave security measures—all of which, of course, would be compulsory. The only logical reasoning behind proposals of this character is that the American people are no longer capable of taking care of themselves, that independence, thrift, self-reliance and pride are obsolete virtues, and that we must follow the sorry example of near-bankrupt England and dictator-ridden Russia.

An equally determined effort will be made to extend government ownership and domination of industry and enterprise. This naturally goes hand in hand with the welfare state—the cloth is cut from the same bolt.

It is also possible that an effort will be made to increase the tax rates—despite the fact that they are excessively heavy now, cut deep into the purchasing power of every individual, and make it difficult and in some cases impossible for enterprises to obtain the investment capital they need. That is particularly true of new and smaller companies.

The basic issue was well put by General Eisenhower when he said, "Government ownership or control of property is not to be decried principally because of the historic inefficiency of governmental management . . . . Its real threat rests in the fact that, if carried to the logical extreme, the final concentration of ownership in the hands of government gives to it, in all practical effects, absolute power over our lives." That fine statement should be on every Congressman's desk. We have come nearer than we realize to giving government such power.

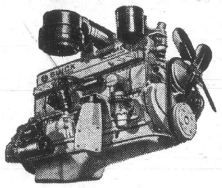
HOTTEST ENGINE NEWS of 1950

That's the word spreading about Buick's brand-new F-263 valve-in-head engine, already proving itself in the hands of new SUPER owners



CALL it if you will the biggest power-story of the year. Call it another triumph in Buick's long history of coming up with car performance beyond compare.

But, sir, when you step into the sleek-lined traveler pictured here—*hang on to your hat.*

For you'll be riding behind a power plant that is not only new but a major sensation of the 1950 season.

You'll be commanding the very latest word in valve-in-head power—the newest accomplishment of the organization with the country's longest stretch of experience in this engine design.

Here every fist-size fuel charge now delivers a huskier wallop. Shorter, lighter connecting rods mean that pistons flash with faster and livelier action.

Heavier crankshafts, floated on bigger, more rugged bearings, take this greater load and transmit its stepped-up surge to the drive shaft and rear wheels.

And you, behind the wheel, wreathe your face in smiles at the lift you find! At the trigger-quick take-off—the mile-eating cruising stride—your easy disdain for the passing gas pumps.

You and your SUPER are really stepping out—and Buick's good name as "a sweetheart on the road" gains still more lustre.

Nor is road-thrill the only blessing this new power plant brings. Simpler design makes service easier, so upkeep diminishes as a problem. Hydraulic valve-lifters keep valves properly seated for efficient operation—and for quiet unbroken by tappet noise.

And you can have this power either with Buick's easy-shifting Synchro-Mesh transmission or the silken luxury of Dynaflow Drive.*

Either way, this SUPER is certainly something to see. To this top-notch new power it adds style and room, comfort and a wide outlook, soft easy stride and handier new over-all length.

Even the price justifies a prompt trip to your Buick dealer to learn more about Buick for 1950. You'll soon see why so many folks are already saying, "Whatever your price range—*better buy Buick!*"

**Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.*

Features like these mean BUICK'S THE BUY

***HIGHER-COMPRESSION** Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING,** with bumper-guard grilles, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY,** close-up road view both forward and back • **TRAFFIC-HANDY SIZE,** less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE,** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **DYNAFLOW DRIVE** standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • **NINETEEN MODELS** with Body by Fisher • **WIDE CHOICE OF EQUIPMENT** adding flexibility to prices that bracket every price range above the lowest.

Non-Partisan News Letter

(Special to The Herald)
By Gene Allcman

Drums are being beaten again to ease the traffic bottleneck at the Straits of Mackinac by building a bridge. Who would pay for it? Everybody and nobody.

Linking the lower and upper peninsulas of Michigan in this fashion has been a dream of Northern Michigan resort interests, engineers, and politicians for many years. During the highway department regime of Murray D. Van Wagoner, a bridge authority was created by the legislature. A causeway to the bridge was half-completed in 1941 on the St. Ignace side at a cost of around $1,000,000.

World War II intervened, and the project was sidetracked.

Now, under the inspired leadership of Stewart Woodfill, president of the Mackinac Island Grand Hotel, it has been revived. Governor Williams has been asked to include it in his call for the 1950 special session of the state legislature starting March 15.

"The Mackinac Bridge Citizens Committee," of which Mr. Woodfill is chairman, estimates the Straits bridge could be built for approximately $50,000,000.

One-half of this amount — $25,000,000 — would come from the U.S. Treasury at Washington. Would this sum come out of the state's allocation of federal aid for state highway construction? Or would the amount be appropriated outright by Congress as a grant for a local improvement?

The committee's literature states that "the highway from Detroit to Sault Ste. Marie, via the Straits of Mackinac, is one of the few highways in the United States that has been designated by the Congress as part of the Interstate highway system of the United States." Furthermore, the federal government may grant 50 per cent of the cost of improvement of these interstate highways, it is explained.

Thus the assumption is clearly given that the $25,000,000 federal grant for building the Straits bridge would come out of Michigan's federal aid for highways. The bridge would be constructed in lieu of new highways elsewhere.

The committee also throws out the possibility that Congress might authorize outright grants of money for local improvements, such as a Straits bridge.

The remainder of the bridge cost—also $25,000,000—would be financed by a toll paid by motor vehicle users — automobiles, trucks and motor busses.

The Citizen's Committee estimates that a minimum of 1,000,000 motor vehicles would use the bridge during its first year—say 1955. The $25,000,000 share of the bridge cost, when financed by self-liquidating bonds bearing 4 per cent interest, would impose an interest load of $1,000,000 in the first year. The toll revenues would total $1,900,000. Maintenance and operation would cost $300,000. So around $600,000 would be available the first year to retire bonds.

To review the plan, the financing would be accomplished by $25,000,000 from the U.S. Treasury—either in federal aid for highways and hence as a substitute of new roads elsewhere or as an outright gift—plus $25,000,000 in bonds to be paid off by bridge tolls.

At a time when billion dollar treasury deficits have reoccurred with clocklike regularity at Washington for 16 out of 18 consecutive years, $25,000,000 does not seem to be much money.

This thing called "federal aid" has the magic of being everybody's money. Like state aid, it lacks local responsibility; it possesses the lure of being a gift. Both federal aid and state aid infers that everybody pays the freight. If you don't get your share, someone else will. If we don't take money for a local postoffice, then this money will be spent elsewhere.

You are familiar with the ring-around-the-rosey story of tax money from Washington and Lansing.

As to the engineering feasibility of the bridge, the revived bridge authority would provide the technical answer.

So there you have the story in a nutshell.

As for every project that calls for more government spending, the taxpayer—rich and poor—must ultimately foot the bill. That goes for a Straits bridge.

TIPTON

The Pythian Sisters met last week Wednesday evening and during the business meeting Mrs. Richard Platt and Mrs. Garrett Linger were initiated into the temple. Some 50 members were in attendance.

The Knights of Pythias and Pythian Sisters will hold a joint installation at the hall, this (Thursday) evening, at 7:30, when a cooperative supper will be served.

The Past Chiefs Club met last evening at the home of Mrs. Lester Munger with Mrs. Henry Ruesink as the associate hostess.

A group of friends surprised Harold Smith, jr., recently at the home of his parents, Mr. and Mrs. Harold Smith, in celebraton of his birthday anniversary. Guests included Mr. and Mrs. Virgil Boles and Merrill, Mr. and Mrs. Carey Jenkins and Joy Elaine and Jerry Harold Foler, Davis Crisp, Norman Harrington, Beverly Brown, Edna Hutchins and Joyce Tipton.

Mr. and Mrs. Lamont Simmons and Sandra spent a weekend in Memphis, Tenn., recently.

Here Is Another Time The Anti-Trust Lawyers Were Wrong!

Ever since the anti-trust lawyers filed their suit to put A&P out of business, they have been making, in the newspapers and over the radio, various "allegations" about how they think this company does business.

Please remember that "allegations" are charges that have not been proved.

In this case they will be disproved.

There have been times in the past when the anti-trust lawyers made very damaging "allegations" about this company that the courts eventually decided were utterly without foundation.

In our last advertisement we told you about the time the anti-trust lawyers charged that A&P, two other food chains and two labor unions conspired to fix the price of bread in Washington, D. C.

And yet, when this case came to trial, it was revealed that the defendants were actually selling bread cheaper than most other stores in Washington, and that there was absolutely no evidence that they had ever engaged in any such "alleged" conspiracy.

That was the time Federal Judge T. Alan Goldsborough instructed the jury to bring in a verdict of "not guilty."

It was the time he said to the anti-trust lawyers:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all.

"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."

But this was not the only time that the anti-trust lawyers made such serious "allegations" against A&P which were false.

Again, and still again, they brought cases against A&P and suffered defeat.

As we have said, we think you are entitled to know about these other cases. And now, we are going to tell you about the *second time* the anti-trust lawyers were wrong.

The North Carolina Potato Case

In December, 1941, the anti-trust lawyers brought a criminal suit in Wilson, North Carolina.

They charged that A&P's fresh fruit and vegetable buying subsidiary, and other good American citizens, had conspired to fix and depress prices paid farmers for potatoes in North Carolina, Virginia and Maryland.

Can anyone imagine any charge calculated to be more damaging to a retail grocery business that must rely on farmers, day after day, for the food we distribute to our customers?

In this case the anti-trust lawyers gave a story to the newspapers, telling millions of farmers that we were the kind of people who would force their prices down, deprive them of a decent income, and lower their families' living standard

These charges were false.

They made these charges despite the fact that it has always been A&P's policy to pay our farm suppliers fair market prices for all produce; to aid agriculture through better distribution of its products; to narrow the spread between farm and retail prices; and to help farmers build better markets for their products.

That is why many thousands of farmers all over the country are now coming to our support.

When the case finally came to trial, the anti-trust lawyers put on as their first witness a potato expert of the U. S. Department of Agriculture.

This expert, who was the anti-trust lawyers' own witness, testified that contrary to the anti-trust lawyers' "allegations," the defendants made every effort to help the Department of Agriculture in its efforts to aid the potato farmer in better marketing of his products and in getting a better price for his products.

When the anti-trust lawyers had put in their evidence and argued their case, Federal Judge C. C. Wyche directed the jury to bring in a verdict of "not guilty."

Judge Wyche said to the anti-trust lawyers:

"I have studied this case from the very outset. In my opinion there is no testimony produced from which it can reasonably be inferred that the defendants entered into a combination to depress or lower the price of potatoes.

"I might say that I never tried a case in my life where a greater effort, more work, more investigation had been done, combing almost with a fine-tooth comb to gather evidence, as was done in this case.

"But, as was said a long time ago, you can't make brick without straw, and you can't make a case without facts."

So, here was a case in which the anti-trust lawyers made seriously damaging charges against A&P in which the Judge decided that there were no facts to support those charges

That is why we say the anti-trust lawyers can be wrong and have been wrong.

That is why we say that they are wrong again, just as they were wrong in the Washington bread case and the North Carolina potato case.

We are going to show the American people that the suit to destroy A&P is really a suit against efficiency and against real competition.

The real question involved in this suit is whether businessmen are going to be encouraged to do a better and more efficient job; or whether we are going to let the anti-trust lawyers in Washington blow the whistle on anybody who gets big by giving the people more for their money.

No one can make us believe that it is a crime to try to sell the best quality food at the lowest possible price.

Vaccination Of Dog Is Urged

RABIES IN ANIMALS ON GAIN IN MICHIGAN, HEALTH DEPT. WARNS

Rabies in animals is increasing in Michigan, the Michigan Department of Health warned today in urging that all dogs be vaccinated.

Early spring is the time when rabies is most rapidly spread among animals.

Now is the time to have your dog vaccinated — to protect his life, your life and the lives of your family, the Department warned. Many veterinarians are offering special rates on dog vaccinations at this time.

Some counties require that dogs be vaccinated for rabies before they can be licensed. Under a 1949 law, any county board of supervisors can require dogs to be vaccinated before they are given licenses, whether or not there is a case of rabies in the county and whether or not the county is quarantined.

Compulsory vaccination of dogs, the impounding of all stray dogs, and the quarantine of dogs in infected areas are the only protection against rabies for either man or his animals.

Rabies in animals is hydrophobia in humans. Man gets the disease from a bite or the saliva of an infected animal. Since rabies is increasing, any person bitten by an animal should go to his physician at once. Not only dogs, but cats, cows, horses, squirrels, skunks, foxes and other warm-blooded animals contract rabies and can give it to humans.

For additional information on rabies ask for the pamphlet, "Protect Yourself, Your Family and Your Dog Against Rabies," from your local health department or from the Michigan Department of Health, Lansing 4, Michigan. Either of these departments will assist in planning for rabies control in your community.

Down on the Farm

A farmer gave a job to a seedy looking individual who had assured him that he never got tired. When the employer went to the field where he had put the tramp to work he found the latter lolling on his back under a tree.

"What does this mean?" he demanded. "I thought you were a man who never got tired?"

"I don't," responded the tramp, calmly. "This doesn't tire me."

There still is room in the bookkeeping and shop classes for more students, he said, but after next Monday evening at 6:45 it will be too late for further enrollment, he declared.

Classes and registration is at the new high school on North Maumee street. All classes meet each Monday evening and the course continues for 15 weeks. The registration fee is $2.

At present, Mr. Hart said, there are 18 enrolled in the shorthand classes, 15 in typing, nine in bookkeeping and 11 in the shop class. In the slip covers and draperies class there are 23 enrolled.

Miss Marie McWilliams Bride Of Lauren E. Gall

Miss Marie L. McWilliams, daughter of Mr. and Mrs. W. J. McWilliams of Britton, and Lauren E. Gall, son of Mrs. Nellie Gall of Britton were united in marriage Wednesday evening, January 11, at the Bethel Tabernacle in Britton. Rev. E. H. DuBois read the single ring service.

The bride, given in marriage by her father, was gowned in rayon marquisette over white satin, lace motiff trim with princess bodice, full skirt ending in long train. Her finger tip veil with lace trim. She carried a bouquet of Jona Hill roses and white carnations, and wore a silver cross, a gift of the bridegroom.

Alyce Prielipp, niece of the bride, attended her aunt as maid of honor. She was dressed in gray green satin with yoke of Marquisette and carried a bouquet of yellow carnations fashioned in horseshoe shape with green streamers. Bridesmaids, Miss Sally Prielipp, niece of the bride, wore pink marquisette over pink satin, lace bodice trim with peplum, carrying white carnations with pink streamers. Miss Ann Henry, classmate of the bride, wore a gown of blue marquisette over blue satin and bodice trim identical to the other bridesmaid. She carried pink carnations with blue streamers. Louise Stutesman, niece of the bride, acted as ring bearer. She was dressed in pink taffeta with lace trim and carried a pink ribbon and lace trimmed heart-shaped pillow holding the ring. The little flower girl was Mary Alice Stutesman, also niece of the bride, who wore blue taffeta with lace trim. She carried a basket filled with pink and white carnations and pink snapdragons.

Lynn Reese of Milan, cousin of the bridegroom, served as best man. Ushers were Wayne Filter of Britton and Benjamin McWilliams of Petersburg, brother of the bride.

Mrs. C. King of Petersburg as pianist, played the traditional wedding march. She also accompanied Mrs. Eula Mae McWilliams, sister-in-law of the bride, who sang "Because," "Ah, Sweet Mystery of Life," and "The Lord's prayer," during the ceremony.

The bride's mother chose a brown lace gown for her daughter's wedding with a corsage of yellow roses. Mrs. Gall chose a blue crepe two-piece gown with a corsage of red roses.

A reception was held immediately following the ceremony at the I.O.O.F. hall with 250 guests attending. A four-tiered wedding cake was served by Mrs. Alice Baliff of Adrian, sister of the bride. Mrs. Myrtle Prielipp, sister of the bride, presided at the silver service. The guest book was in charge of Mrs. Helen Beach, sister of the bride.

The bride is a graduate of Blissfield high school in 1948 and is employed by The Michigan Associated Telephone Co., at Tecumseh. The bridegroom graduated at Britton in 1947. They will make their home on a farm southwest of Britton.

Guests attended from Tecumseh, Dundee, Detroit, Blissfield, Holloway, Deerfield, Saline, Ann Arbor, Cone, Milan, Adrian, Petersburg and Britton.

Mrs. Rena Hubbard was appointed chaplain for this year. Refreshments were served to the 15 members present by the hostesses.

Should Have Waited

"What caused this smash-up?" demanded the cop, who had arrived just after the accident.

"I am responsible," groaned the man, bruised and bleeding, as he climbed out of his demolished bus.

"Yeah?" growled the cop. "What was the big idea?"

"I just guessed wrong," explained the man, "the lady in the car ahead actually turned the way she had signaled."

Voters Are Urged To Dig In For Their Party

R. Douglas Stuart, vice chairman of the board of the Quaker Oats Company, Chicago, and new treasurer of the Republican National Committee, today urged company employees in all parts of the country to "dig in and work for the party of your choice, as I am attempting to do for mine."

Stuart's statement was made public by D. T. Nixon, Quaker manager here, who reported it was contained in a personal letter mailed today to all local employees.

"Such activity," Stuart's letter continued, "is our duty as citizens. Too few of us are accepting the full responsibility of citizenship."

Stuart told company employees that he has no political ambitions, but took the GOP job with the hope he could help serve the country—"a country which has always had at least two strong political parties to check and balance each other."

In the last Presidential election, he continued, barely half of the eligible voters did vote. He asked all Quaker Oats employees to make themselves familiar with the issues in this year's national, state and local elections and "work and vote for whatever you really believe in."

The fox trot was named after a New York dancing instructor.

"$2,137.86 is a lot of money!

AND THAT'S HOW MUCH BLUE CROSS COVERED ON MY HOSPITAL AND MEDICAL BILLS, THE LAST TIME I WAS ILL."

Mr.— spent 120 days in the hospital. Blue Cross Hospital Plan covered the $1,967.86 hospital bill in full—including $645.00 for drugs!

In addition, Blue Cross Surgical Plan paid the doctor $170 for the two surgical procedures involved.

Altogether, Blue Cross covered $2,137.86 in hospital and medical bills. And that's a lot of money!

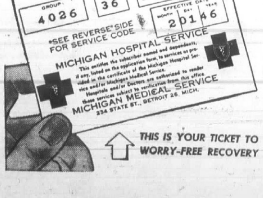
(Case No. 8-D49921-115 in Blue Cross Files)

Protection like this is worth so much more than the few cents a day you now pay for it.

Remember—chances are 1 in 9 *you* will go to a hospital this year! And unexpected hospital and medical bills can be financially disastrous. That's why you and your family cannot afford to be without BLUE CROSS—Michigan's only completely *non-profit, voluntary health-care plan.* The few cents a day it costs may save you hundreds of dollars in time of accident or illness.

No other health-care plan offers so much for so little.

BLUE CROSS Hospital Plan covers a broad range of benefits (up to 120 days of care) in any of the 176 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.



BLUE CROSS Medical-Surgical Plans pay liberal amounts for stated surgical procedures —pay for doctor's visits to the hospital in non-surgical cases. *Just knowing payments will be made toward your doctor's bills is worth many times the low cost of these plans!*

Talk over with your employer how your company can make Blue Cross available to you.

Or ask your friends who are BLUE CROSS members. BLUE CROSS is available to employed people *without* physical examination or health statement, through the group enrollment plan.

Home Builders See Record '50

UNUSUALLY ACTIVE MONTHS AHEAD FOR THE CONSTRUCTION OF HOUSES

Michigan home builders are looking forward to another record home construction year in 1950.

According to Hirtus E. Alles, executive secretary of the Michigan Association of Home Builders, which is sponsoring a conference in Grand Rapids, February 1-3, prospects for 1950 are unusually bright.

"The volume of new homes built in 1949 has far exceeded the earlier expectations of the home building industry," said Alles. "This huge production of lower priced homes for those of modest incomes is in line with the plans laid down by this industry at their meetings of previous years.

"A relatively higher degree of activity will be found in the usually slower months of winter and spring. While the number of large projects in the big cities are more spectacular and attention-getting, it is an interesting fact that the smaller builder still is the back-bone of the industry. Well over three-fourths of the over one million homes built in 1949 in the U. S. can be credited to those who build less than six homes per year."

Builders from every part of Michigan will meet at Grand Rapids for three days to discuss the ways in which they can bring to their own community the newest and best in home construction. This meeting will be open to everyone interested in building of homes. Many manufacturers will have displays of the newest materials and home equipment with experts on hand to give builders every assistance in using the time-saving and cost reducing new methods in building the best homes ever offered.

Residential building in smaller communities has the best prospect of increased volume in the coming several years. Expansion of the industry in this respect is being aided through the activities of the Michigan Association of Home Builders. Use of better materials, better construction methods and more liberal financing is being encouraged through their efforts.

Mr. Alles states that the smaller builder, who will avail himself of the opportunities offered him to keep up with the latest developments, can always deliver to his customers anywhere in Michigan as good a house and at as low a cost as the biggest big city builder.

GUILD MEETING

The World Wide Guild of the Baptist church will meet this (Thursday) evening at the home of Barbara Hall in Herrick Park at 7 p.m. Initiation will be included in the program.

Officers Are Named By Hospital Auxiliary

Mrs. Dale Bowen was re-elected president of the Tecumseh Hospital Auxiliary, when that organization met recently at the home of Mrs. Willis Porter. Other officers named are: First vice president, Mrs. Paul Keyser; second vice president, Mrs. Gertrude Schneider; secretary, Mrs. Robert Fuller; treasurer, Mrs. Frank Smith; corresponding secretary, Mrs. Robert Hanna. Mrs. Joe Rohweder was chairman of the nominating committee and all names presented were unanimously elected.

Annual reports were given by the officers and various committees. Refreshments were served by the hostess assisted by Mrs. Ronald Harris and Mrs. Richard Limes.

It was previously reported that the proceeds from the recent dance sponsored by the Auxiliary were to be used to air condition a room at Tecumseh hospital. This was in error as no action has been taken as to what the funds will be used for.

MONDAY CLUB TO HEAR MRS. ARIJS FRIEMANIS

The Tecumseh Monday Club will meet next week, January 23, at the home of Mrs. Hilda Will, with Mrs. Fred Marsh, Mrs. E. A. Collins, Mrs. Guy Pocklington, Mrs. Floyd Bryan, Mrs. Jeanie Satterlee and Mrs. Harry Hoffman assisting.

Mrs. Glenn VanDenbergh is leader of the program which will be "A Displaced Person's Own Story." Mrs. Arijs Friemanis, formerly of Latvia, has been engaged to speak.

GUILD TO MEET

The Methodist Guild will meet Tuesday at 8:30 p.m., at the home of Mrs. Elven Duvall, with Mrs. John Cameron assisting. Mrs. Truman Rentschler will present the program.

Motion made by Porter supported by Driscoll that Ordinance relative to license for Mechanical Musical and Amusement devices be passed and adopted as read.

Ayes: McCombs, Driscoll, Sluyter, Beach, Porter.

Nays: Ousterhout.

Motion carried.

ORDINANCE NO.

An ordinance to regulate and license mechanical, musical and amusement devices, providing for license fees for same, and penalties for the violation thereof.

THE VILLAGE OF TECUMSEH ORDAINS:

Section 1. On and after the effective date of this ordinance, no person, firm or corporation shall engage in the business of operating or permiting the operation thereof in its place of business, any mechanical or amusement device, or any mechanical musical device which is operated for a consideration, monetary or otherwise, within the limits of said village, without first having secured a license for such device or devices from the Village Clerk, as hereinafter provided.

Section 2. The license fee for each mechanical amusement device and for each mechanical musical device shall be the sum of Fifteen and no/100 ($15.00) Dollars per year or fraction thereof, to be paid the Village Clerk by the operator thereof or by the owner or occupier of the premises in which such device or devices may be placed.

Section 3. Any person, firm or corporation desiring to obtain a license for said device or devices, shall make application for same to the Village Clerk upon forms provided by said Clerk, and shall state under oath or affirmation such facts as may be required for, or applicable to, the granting of such a license.

Section 4. The license year shall begin February 1 in each year and shall terminate at midnight on January 31 of the following year.

Section 5. Provided, however, that before issuing such license, the Village Clerk shall ascertain that all personal property taxes due on said device or devices have been paid and no license shall issue where such tax has not been paid. If the application for such license is approved by the Village Chief of Police, it shall become immediately effective.

Section 6. Any license issued under this ordinance may be suspended or revoked by the Mayor for cause. Licensee shall have a right to a hearing before the Village Commission on any such action of the Mayor provided a written request thereof is filed with the Village Clerk within five days after receipt of said notice of said suspension.

The Village Commission may confirm such suspension or revoke or reinstate any such license. This action taken by the Village Commission shall be final, and upon the suspension of any license, fees for same shall not be refunded. The term "cause" as used in this ordinance, shall include the doing of any act contrary to the health, morals, safety or welfare of the public, and shall include the using of any of the aforesaid devices for gambling purposes.

Section 7. Licenses issued under this ordinance shall not be assignable or transferrable. Each licensed device shall have attached thereto in some prominent place, a license or permit sticker in such form as to be approved by the Mayor.

Section 8. Any person, firm or corporation, violating any of the provisions of this ordinance, shall upon conviction thereof before a court of competent jurisdiction, be punished by a fine of not exceeding one hundred ($100.00) dollars and costs of prosecution, and in default thereof, be imprisoned in the County Jail of the County of Lenawee for a period not exceeding ninety (90) days or by both such fine and imprisonment, in the descretion of the Court trying the same.

Section 9. All ordinances heretofore passed in conflict herewith are hereby repealed.

Section 10. This ordinance shall become effective twenty (20) days after publication.

Passed and ordered published the 10th day of January, A. D. 1950.

Marvin Watkins, President
Wade L. Jones, Clerk

Moved and supported that Police Report be accepted and placed on file.

Ayes: McCombs, Driscoll, Sluyter, Beach, Porter, Ousterhout.

Tecumseh Will See "Iron Lung"

MARCH OF DIMES COMMITTEE SEEKS $1,000 GOAL AS COMMUNITY GIFT

Using the slogan, "A Dime May Keep Your Youngster in the Running," solicitors for contributions in the 1950 March of Dimes in Tecumseh were leaving no stone unturned today in an effort to swell the community's gift to at least $1,000.

Here, briefly, is the campaign that will continue through February 10 in an effort to boost the March of Dimes' treasury.

Well over 100 canisters are being carefully located in stores, clubs, the public schools and other places, making it easy for contributors to drop in their dimes and dollars.

A dance, sponsored by the Rotary Club, will be staged in the American Legion Memorial Home, Friday evening, February 10. Admission is a $3 contribution to the Polio Fund.

An iron lung from the University of Michigan will be on display in Tecumseh on Saturday, January 28, from 1:30 to 4 p.m., to make residents conscious of the type of expensive equipment necessary in the treatment of the dread disease. The "lung" will be brought here in the Legion's 40 & 8 Boxcar from Adrian and will be located on Chicago boulevard near the intersection of Evans street.

Letters and personal contacts to groups, organizations, lodges, clubs, etc., are reminding them that the Polio Fund is in need of cash.

John C. Cameron, general chairman of the Fund drive here, was optimistic today in his prediction that Tecumseh would "come through" for the March of Dimes. He pointed out that last year, without a thorough campaign, Tecumseh's gift amounted to over $400.

"There is no doubt," Mr. Cameron said, "but that it is generally realized that polio dealt Lenawee and Michigan a severe blow during the past year. Nation-wide, the blow was terrific, too. Local, state and national funds have been badly depleted and now we must prepare for next year when a similar outbreak of infantile may sweep the country."

Cameron pointed out that Lenawee county received in aid from the national Polio Fund far more money than it took in last year for the treatment of infantile cases.

M. G. Partridge, chairman of Rotary's committee sponsoring the dance and the March of Dimes, declared that tickets for the dance on Friday evening, February 10, were being well received.

"Many folk who know they cannot attend the dance are purchasing tickets by way of contribution," Mr. Partridge said. "They realize that we need funds badly in this war against infantile and we never know when that need is going to strike close to home."

Partridge said that all of the proceeds of the Rotary dance would be turned over to the Polio Fund. The American Legion is donating the use of the hall for the party and music is being contributed by the Tecumseh Products Chieftains.

High School Seniors Sponsor Program of Magic

A program of magic by the nationally famous James Reneaux, will be presented at the Central school auditorium here, Wednesday evening, February 1, at 8 o'clock. The entertainment is sponsored by the senior class of the high school in an effort to raise money to make the annual graduation trip to Washington in June a reality.

Mr. Reneaux started his study of magic at the age of six and has trained under some of the world's best instructors. His show is praised for its originality and is considered to be one of the best of its kind. Many of his illusions are patterned after ancient mysteries of the Orient.

FUNERAL SERVICES HELD

Funeral services were conducted Thursday afternoon from the Wesleyan Methodist church in Waldron for Mrs. Deane Emens, 37, who died January 16, from a cerebral hemorrage. Burial was in the Prattville cemetery.

Mrs. Emens, who was a resident of Prattville, is survived by her husband, four sons, William, Thomas, Robert and Phillip, who was born January 10; her parents, Mr. and Mrs. Oren Fiddler; six sisters, including Mrs. Paul Wolf of Tecumseh, and two brothers of Ohio. She was a member of Wesleyan church.

68 Are Enrolled In Night School Classes

Sixty-eight students are enrolled in Tecumseh's Public Night School Neville Hart, director, said today Registration for the courses is now closed. The school will continue for 13 more weeks, meeting each Monday evening in the new high school.

Courses being taught at the school this year include: Bookkeeping, shop, typing, shorthand and slip covers and draperies.

Mr. Hart said that this year's night school enrollment is the largest in Tecumseh's history.

War Or Peace Is Up To U. S.

STATE DEPARTMENT'S EUROPEAN PROGRAM DEFENDED BY U. M. PROFESSOR

The United States is faced with either war or peace and in the event of another war this nation will not enjoy a "breathing spell" before entering hostilities, Dr. Russell H. Fifield told members of Town Hall here Tuesday evening, speaking in the Central School auditorium. About 100 persons were in attendance.

Dr. Fifield, a professor of political science at the University of Michigan, was a member of the State Department in the 40's and served in China and Formosa. He has traveled extensively in Europe and England.

Eventually, the Doctor believes, the United States will recognize the Chinese communist government. He said that Chang's government in China is very, very weak. He defended the State Department's foreign aid program in Europe, declaring that the war potential in Europe is far greater than in Eastern Asia. To contain the Soviet Union and to keep it from expanding over the world is the ultimate goal of the U. S. foreign policy, he said.

Fifield discussed the Atlantic Pact and pointed out the moral obligation involving the United States. Small nations in the pact, he said, expect U. S. aid in time of need.

The Marshal Plan is working in Western Europe, the speaker said, and he believes that Russia's progress there has been stopped as a result of the program. The United Nations, he thinks is weakening.

The second meeting of Town Hall will be held on Friday evening, February 24, when D. Hale Brake, treasurer of the State of Michigan, will be the speaker. Mr. Brake's subject will be, "The Citizen's Job."

Mr. Brake is a forceful speaker. Some weeks ago he addressed a joint meeting of the Rotary and Exchange clubs here.

High Band Members To Undergo Strobocon Test

The Strobocon, a scientific electrical instrument used to determine the accuracy of a person while playing the scales on a musical instrument, will be at Tecumseh high school, Monday of next week, Clare Camburn, band director, said today.

Each band student will be tested with the device on Monday and his playing will be registered on a chart. The student will then be asked to take his instrument home and attempt to correct his inaccuracies. On Friday another test will be made and again the results will be recorded on a chart. The two charts will be compared to learn how much progress had been made.

"The tests should improve the band considerably," Mr. Camburn said, "and it definitely will make the members more conscious of their weak points." Mr. Camburn will operate the device.

Local Veteran Gets State Post

LOUIS S. SCHNEIDER CHAIRMAN OF AMERICAN LEGION YOUTH ACTIVITIES

Louis S. Schneider was named chairman of the youth activities committee of the American Legion. It was announced by R. Gerald Barr of Port Huron, commander of the Legion in Michigan. Mr. Schneider is a member of Underwood-Orr post of Tecumseh.

At the regular meeting of the local post, Thursday evening in the Legion Home, Harry Schaefer, a representative from the Legion national headquarters, delivered an address concerning the Hoover Commission, and urged veterans to write their congressmen asking them not to disband the Veterans Administration.

C. W. Howe, chairman, reported about 50 men enrolled in the blood bank. Two men donated blood recently for Mrs. Clyde Drewyor, who is a patient in a Detroit hospital. Her condition is satisfactory. Dale Tingley was reported as having had a heart attack and is resting at his home.

The post voted to send $25 to the Veterans Facility committee for aid of veterans at the Michigan Veterans' hospital in Grand Rapids. The auxiliary had previously voted a like amount. The present 1950 membership is 180.

During the business session annual reports of the Legion Memorial Home Association were read and Waldo Mohr was elected as a new member of the board to succeed Louis S. Schneider.

Fog Is Blamed In Two Mishaps

DRIVERS ESCAPE SERIOUS INJURY IN ACCIDENTS ON ROGERS ROAD

Fog and a halted freight train accounted for two accidents within an hour, early Monday morning, at the Wabash crossing at Rogers Road near Holloway. Both motorists involved were from Toledo and were not seriously injured.

Charles Schwab, 28, was driving north at 5:20 a.m., in a fog when he saw the westbound Wabash freight blocking the road. He was unable to stop and his car was struck by an eastbound Wabash freight. An instant before the crash he jumped from his car, which was wrecked completely after being dragged 40 feet down the track.

Park D. Shaw, 35, was driving north an hour later and ran into the side of the westbound train. He escaped serious injury. The front end of his car was damaged extensively.

Public Is Invited To Attend "Anthem Night"

The public is invited to attend "Anthem Night" at the Methodist church, Sunday evening, January 29, at 8:15, when a program of anthems will be presented by the church choir, under the direction of Glen Gould with Mrs. Herbert Dillon at the organ.

Solos will be sung by Mrs. J. M. Mulvaney, Miss Nadine Carney and Wilfred Waldron, jr., and a special duet will be rendered by Miss Carney and Miss Nita Spangler. There will be other special and well-known selections to fill out a well-rounded program.

TO CONFER DEGREE

Tecumseh Lodge No. 69, F. & A. M., will confer the third degree, Friday evening, January 27. Dinner will be served at 6:30 p.m., followed by the work.

A Victim of Polio

She does not stand alone, this little victim of polio, symbol of the thousands who have been stricken. Backing all those who need help is the National Foundation for Infantile Paralysis. Indeed, through the National Foundation, thousands of little children are aided annually by the American people's contributions to the March of Dimes. Your help is vitally needed in the 1950 March of Dimes.

$500 For Polio Goal At Britton

SKATING PARTY AND DANCE INCLUDED IN MONEY-MAKING PROGRAM

BRITTON—The drive for the March of Dimes has been officially opened, George J. Wald has been appointed drive chairman by Elmer Eberhardt, drive director.

The chairman has appointed the following co-chairmen to act as coordinators in the various sections of the community: A. Spohr, in charge of the business concerns. Mrs. G. Prill and Mrs. D. Forsyth, churches and town residence. Mrs. E. Pennington and Mrs. K. Thornberry, Ridgeway township and Farm Bureau members. E. Bush and Mrs. M. Swick, Macon township and Farm Bureau members. Gene Mackey and Tom Culbert, school students.

An extensive program is planned including a charity skating party, and party and a big dance. A professional orchestra has consented to donate their services. The dance has tentatively been set for Thursday, February 16 from 9 to 1 a.m. Negottoations are underway to obtain the use of the Tecumseh Grange for this dance. Admission to the dance will be by donation.

The committee has set $500 as its campaign goal. With polio having left its mark so indelibly on the community this year it is the feeling of the committee that this goal will be readily reached.

HOSTESSES ARE NAMED FOR CLUB LADIES DAY

The hostesses for Ladies Day at the Tecumseh Country Club, Wednesday, February 1, are Mrs. W. T. Claxton and Mrs. G. E. Rogers, both of Britton. For reservations call Mrs. Dalton Walper, phone 241, before Tuesday noon.

Fifty ladies attended the luncheon last week, January 18, with Mrs. Louis Schneider and Mrs. L. W. Larsen as hostesses. Nine tables were filled for canasta, at which Mrs. Vincent Haight was awarded first prize and Mrs. Robert Fuller, second prize. Mrs. B. B. TurnBull won the prize at bridge.

Book Review Enjoyed By The B. & P. W. Club

An entertaining review of the book 'Cheaper By The Dozen" was given by Mrs. A. W. Porter at the regular monthly meetiug of the Tecumseh Business and Professional Woman's Club, following a delicious chop suey supper in the Presbyterian Fellowship Center, Monday evening.

Mrs. Porter uncovered one of her hidden talents by ably presenting the highlights of the book in an amusing fashion. A past president, Mrs. Porter was introduced by Mrs. Howard Truesdale, leader of the Past Presidents Night program.

During the business meeting Mrs. Mills Swick was appointed chairman of the radio program which will be presented April 6 over the "Homes in Harmony" program with Aileen Lindbert on WABJ. Thirty-six members were in attendance. The hostesses were Mrs. Marvin Watkins, Mrs. Leon VanValkenburg and Miss Winifred Finisey.

INFANT IS BURIED

A prayer service was held Wednesday from the Jenter Funeral Home in Manchester for Linette Ann Luckhardt, infant daughter of Mr. and Mrs. Allie Luckhardt, who died that day. She was born at Tecumseh hospital Tuesday, January 17. Surviving are her parents, a sister Suzette, grandparents, Mrs. Flora Luckhardt of Wamplers Lake and Mr. and Mrs. Earl Taylor of Britton. Burial was in the Manchester cemetery.

CANCER PROGRAM

A cancer program, sponsored by the Clinton V. F. W. Auxiliary, will be held Tuesday, January 31, in the Clinton Methodist church, to which the public is invited. The program, which will begin at 8 p.m., includes a film and lecture on "Cancer."

TO MEET TONIGHT

Mrs. Russell Hall will entertain the auxiliary of Hall-Slater post V.F.W., today (Thursday) at 8 p.m.

Adrian College Officer To Speak To Exchange

Edmond H. Babbitt, vice president of Adrian College, will be the guest speaker at the regular dinner meeting of the Tecumseh Exchange Club, Monday evening, January 30. A good attendance is desired.

At this week's meeting a discussion was held on a project for the coming summer. Several good suggestions were heard but nothing definite decided upon. Two new members, James Spooner and William Mudge, were received into the club. M. G. Partridge was the guest of his son Owen and spoke briefly on the March of Dimes drive.

Fellowship Is Church Theme

PRESBYTERIANS TO OBSERVE YOUTH PROGRAM; OTHER MEETINGS PLANNED

The Presbyterian church will observe Westminster Fellowship Sunday, this Sunday, January 29, when the young people will participate in the morning service at 11 o'clock.

The junior choir will sing a special anthem directed by Mrs. Sam Sisson. Four members of the senior high fellowship will take part in the service, namely, Joyce Smith, Pauline Bagshaw, Dave VanWinkle and James Colson. The Rev. Donald C. Wilson will speak on "Apples of Gold."

The senior Westminster Fellowship of the Presbyterian church is sponsoring the junior high Fellowship, which will hold its second meeting this Sunday evening, January 29, at 6 p.m., under the direction of James Colson. All young people through the eighth grade are invited to attend.

Earl H. Place, superintendent of schools, will be the guest speaker at the regular meeting of the senior high Westminster Fellowship, Sunday, January 29, at 7 p.m. Mr. Place will use as his subject, "Should I Go To College?" Refreshments will be served in conclusion.

Last Sunday evening the group melted wax and soap scraps. Two pans of soap and 142 wax candles were made and are being shipped to Church World Service for use overseas.

Club Women Hear Resident Of Latvia

DISPLACED PERSONS STORY IS TOLD AT MONDAY CLUB SESSION

Mrs. Arijis Freimanis told a displaced person's own story when she addressed the Tecumseh Monday Club, which met Monday afternoon at the home of Mrs. Hilda Wilk. A native of Saginda, Latvia, the speaker told of her own experiences, as well as those of her husband and their four children, during and after World War II. The Freimanis family is living at the home of Rev. and Mrs. Edward Escolme.

Mrs. Don Goddard, president, opened the meeting. Mrs. Perry Hayden gave a religious thought and Miss Edith Ingersoll related several interesting current events. Mrs. George Wittrup was admitted into the club as a new member. A collection was taken for the March of Dimes.

For those who did not bring their infirmary gifts to the meeting, Mrs. Goddard will accept them within two weeks at her home. More gifts for inmates at the county infirmary will be brought to the next meeting. The committee named to investigate the closing of Tecumseh's public rest room submitted a report and announced that more details would be forthcoming after further investigation.

Committees were appointed to gather articles for the federated state meeting scrap book and to arrange to assist a needy family overseas.

Tea was poured by Mrs. Joe Rice and Mrs. Ronald Harris to 55 members and guests. The co-hostesses were Mrs. Fred Marsh, Mrs. E. A. Collins, Mrs. Floyd Bryan, Mrs. Harry Hoffman, Mrs. H. H. Hammel and Mrs. Jeanie Satterlee.

NOTICE

I will be at the United Savings Bank on Saturday, December 17 and each Saturday thereafter until further notice, for the collection of Tecumseh township taxes, dog taxes and fire insurance. I will also accept payments by check or money order, mailed to my residence, 211 West Brown Street, Tecumseh, Mich. (Signed) Lawrence Mohr, township treasurer.

Saline Is Host At Legion Meet

400 ATTEND CONVENTION THERE, SUNDAY; TECUMSEH HOST IN APRIL

Some 400 members of the American Legion and Auxiliary attended the Legion's Second District convention at Saline, Sunday. The William B. Lutz Post of Saline acted as host with Lawrence Deede, commander, presiding. Mrs. Lee Robinson, president of the Saline Auxiliary, was the hostess. Sessions were held in both the Legion hall and at the high school and the 6:30 dinner and program was in the new Legion home.

The principal address was by Harry Schaefer of the National Legion Headquarters who spoke on the policies of the Hoover Commission. Mr. Schaefer urged that veterans write to the congressmen and senators opposing the disbanding of the Veterans Administration.

Harmon Wright of Monroe is the commander of the Second District and Mrs. Lee Taylor of Brooklyn is district president of the Auxiliary. Mrs. Taylor introduced a new money-making project, a beautiful afghan, made by a Toledo resident and member of the Brooklyn post.

The Dundee Auxiliary won top award for the greatest percentage gain in membership during the year. The W. C. Stark Post, Adrian, received honorable mention.

The date of the next district meeting was set for April 23 in Tecumseh.

Among those attending from here were Mr. and Mrs. Louis Schneider, Mr. and Mrs. Vern Manwaring, Mr. and Mrs. John Snyder, Mrs. Charles Howe, Mrs. Hilda Will, Harold Easton and Tom Gallant.

Pittsford High Bows To Indians

LOCAL CAGE TEAM DEFEATS VISITORS, 52-21; TIED FOR SECOND PLACE

(By Don VanCamp)

The colorful Tecumseh cagers took Pittsford "down the river," Friday evening, in a clash on the local court, by the score of 52 to 21. The Indians are second in line for the LCAA championship with six wins and two losses.

Tecumseh started off fast in the first quarter as they outscored Pittsford nine to six. Using the fast break, Tecumseh wore down the Pittsford defense, but as far as their own defense was concerned, Pittsford couldn't get close enough to make a run-in shot. The second quarter proves that, since Pittsford was outscored 11 to two. The score stood at half-time, 20 to eight.

The Indians came back in the third quarter just as hot as before as they outscored the visitors 17 to five. At the end of the third

LOCAL KNIGHTS AT ANN ARBOR MEET

Eight members of Tecumseh lodge No. 190, Knights of Pythias, attended the southeastern area meeting held in the K. of P. hall in Ann Arbor, Tuesday evening. They were Walter Hiser, Carl Kempf, Carl Thompson, Luther Wood, M. W. Mathews, Art Bowser, Henry Kempf and Art Harding.

Kenneth Buckley of Muskegon, grand prelate of Michigan, conducted a school of instruction for subordinate lodge officers, which was found helpful. Lunch was served in conclusion by Ann Arbor lodge, No. 44.

The next meeting will be held in Tecumseh in April.

BAPTIST UNION TO MEET FEBRUARY 2

Mrs. Fred Sheldon will entertain the Baptist Ladies Union at an all-day meeting, Thursday, February 2, beginning at 10 a.m. A potluck dinner will be served at noon with the men as guests. Mrs. Arijis Freimanis, a displaced person formerly of Latvia, will speak at two o'clock and all members and friends interested are invited to attend at that time. The remainder of the day will be filled in with White Cross sewing. Mrs. Sheldon is in charge of devotions.

WINS COLLEGE HONOR

Miss Maureen McLain, daughter of Mr. and Mrs. Elliott F. McLain, has been selected for membership into Albion College chapter of Alpha Phi Gamma, national honorary journalistic fraternity, and will be initiated next semester. Maureen, a junior journalism major, is managing editor of the college weekly, "The Pleiad" and is also a staff member of the yearbook, "The Albionian."

YES, THOSE WERE THE DAYS, BACK IN THE YEAR 1913

Can You Remember when Mom 'Tangoed' in an Immodest Dress?

Hey, pop, when you were courtin ma did you sport a new Detroit Electric car with chain drive and solid tires? You were probably considered "dashing" in your $3.50 overcoat from Steinberg's loan office and mom's eyes must have sparkled when you slipped that $3.00 solid gold wedding ring on her finger, believing it cost you $5.00 at an uptown store. And, mom, were you one of those women who did the tango in an "immodest" dress with short skirt?

This may have been one of today's young men asking these questions if he chanced upon an issue of the Detroit News dated Friday, February 13, 1913, as did C. B. Brock of West Logan St. Recalling those days of 37 years ago when 30 room rooming houses sold for $1,650 up and city horses were pavement-sore, Mr. Brock left the tattered, brown-with-age paper at The Herald office this week.

Electric cars were popular, according to the classified ads, one of which read as follows: "Trade your old gas car for this fine electric coupe." Today the "old gas car" is a masterpiece of American ingenuity and the "fine electric coupe" is an oddity.

With the coming of the automobile, pavements were laid and many a fine horse was sold cheap because it was "pavement-sore." A club was formed for the emancipation of horses from the slavery of cruel and neglectful masters. It was said "the second campaign is progressing slowly but is having a great educational effect upon the city."

An item of local interest stated it was being considered to move the D. T. & I car shops back to Tecumseh. Eight years before that the shops were moved to Napoleon, O., and according to the opinion of railroad men, the logical point between Detroit and Lima was Tecumseh.

The tango was just coming into popularity. A Paris correspondent expressed shock when she described a holiday ball which she attended. "Out of a hundred women," she writes, "ninety looked undressed. No skirts below the knees, but just a suspicion of skimpy drapery; no corsage above the high waistline, except a thin veiling of mousseline, outlined in fur or beads . . . Frankly, I thought it ungraceful and unnecessarily transparent." Summing up her observations the writer said, "It is hoped that February will change things, but one grows pessimistic, for the tendency of the age in dress, art, and everything is toward all things bizarre. Oh, for a wave of sanity and beauty to cross the feminine mind and so give us back that lost treasure—the really beautiful woman." That was 37 years ago!

The U. S. Treasury deficit was $21,842,287, confectioneries sold for $450, four rooms of furniture could be purchased for $100, and iron beds brought $1.98. Girls could have beautiful, lustrous, fluffy hair, free of dandruff, for 25c and "The Ghost Breaker" could be seen at the Washington by buyers of Butter-Flake bread.

Reminiscing, mom and pop say —just as the parents of 1987 will after reading an issue of 1950 vintage—"Those were the good old days!"

LABOR UNDER SOCIALISM

No group has a greater interest in maintaining the free enterprise system—and private ownership of our industries—than labor. Only in our much-reviled capitalist economy are labor's rights, privileges and powers protected. In a socialist economy, the worker is simply a tool of the state, to be used as ruthlessly as his masters desire.

The Christian Science Monitor has been running an extremely revealing series of articles on Russia, by Edmund Stevens, who was the paper's Moscow correspondent for years. One of the articles dealt with labor and the trade unions. Mr. Stevens said, in part, "Everyone who works, down to the last ditch digger, is being prodded and cajoled constantly into working at a faster pitch . . . One of the main agencies, but by no means the only agency, for getting the Soviet worker to work harder and longer is the Soviet trade union. The Soviet trade union has nothing in common but the name with trade unionism as conceived and practiced in western countries. . . .

"While, on paper, the Soviet trade unions are pledged to represent and defend the workers' interests . . . those provisions have about as much meaning and application as the civil liberties guaranteed in the Soviet Constitution. The actual power of decision resides elsewhere, beyond recourse. The strike weapon, labor's effective defense against arbitrary power, is as utterly outlawed as it was in Nazi Germany or Fascist Italy. . . . The Soviet trade unions . . . . function primarily as an enormous, well-oiled nationwide machine for transmitting to the great working masses the endless official ballyhoo campaigns aimed at keeping the worker constantly pepped up so that he will exert his utmost effort."

Mr. Stevens then went on to describe some of the methods used to get the last ounce of sweat out of the workers, and concluded, "The workers, engineers, and technicians conform, though the whole thing is, of course, strictly 'voluntary.' They well know the price of nonconformity."

Russia provides an extreme example—socialist dictatorship in its fullest flower. Yet the same trend is evident where socialism of a "moderate" variety exists. In England, for instance, more and more restrictions have been placed on the freedom of workers, and the trade unions are being used as instruments of governmental policy. Men and women in the key industries cannot change jobs without governmental permission, and when that situation exists, free labor no longer exists.

It all comes back to a single fact. Free enterprise and free labor are seeds from the same pod. When one is destroyed, the other dies too.

Miss Patricia A. Pelton Weds Marvin L. Barber

Saturday, January 21, Miss Patricia Ann Pelton, daughter of Mr. and Mrs. Rolph L. Pelton of Toledo, became the bride of Marvin L. Barber, son of Mr. and Mrs. Burnell B. Moon of Tecumseh, in an impressive double ring ceremony at St. Clements Church, Tremainsville Rd., Toledo. At 12 o'clock noon the Rev. Fr. F. M. Bittman performed the ceremony before the altar which was decorated with large baskets of white gladioli and carnations.

Of heirloom slipper satin, the bride's gown was unbroken in sweep from the Queen Anne collar to the widespread train. A lace veil fell from a crown of tiny orange blossoms and the bride carried a bouquet of white roses. Mr. Pelton gave his daughter in marriage.

Preceding the bride to the altar were Mrs. Robert Smith, matron of honor; Miss Donna Morrill, Miss Marcia Jennewine, a cousin of the bride, and Mrs. Howard Berman, bridesmaids; and Miss Lynda Sue Pelton, the bride's sister, flower girl. David Jennewine, cousin of the bride, was the ring bearer. All are of Toledo.

The attendants' gowns were fashioned with sweetheart necklines with stand-up collars, fitted bodices and full hoop skirts. The matron of honor wore ice green satin and the bridesmaids were in light orchid satin. The little flower girl was gowned in dull gold satin. All carried bouquets of white bebo mums and wore small white headdresses of ostrich tips.

Mrs. Oscar Venia played a program of organ music as the guests were seated by Eugene Birtwistle of Toledo, and Donald Purkey and Gene Tuckey, uncle of the groom, both of Tecumseh. Donald Kryzaniak of Manchester was the best man.

For her daughter's wedding, Mrs. Pelton selected a dress of aqua tissue faille with long wing sleeves. Her hat was of matching aqua and she wore a corsage of pink rosebuds. Mrs. Moon wore a gown of navy blue lace and crepe with matching hat and a corsage of pink rosebuds.

At eight o'clock in the evening a reception for about 400 guests was held in the Secor Armory. Mr. and Mrs. Walter Powers, Mrs. Donnell and Mrs. K. Westenhouse assisted with the serving. The four-tiered wedding cake was topped with pink and white bells. The Chieftains orchestra furnished music throughout the evening.

When the couple left to spend a week in Virginia, the bride was wearing a beige and brown pink check suit with beige blouse and hat and brown accessories, including a mouton fur coat. Upon their return, the couple will reside at 113½ East Chicago Blvd., Tecumseh.

The bride graduated from Whitmer high school in Toledo and has been employed in the credit office at Lamson's department store there. The groom, a graduate of Tecumseh high school, is assistant employment manager at the Tecumseh Products Co.

ONE of the grandest things about your Buick is the way you can ignore the season—chew your way through gravel and dust alike, splash through the wet stretches, snug and secure even on slippery pavements.

But bear this one thought in mind...

Rough road conditions call for special attention to your lubricants. Tires should be checked for correct inflation—for deep, clean tread that bites on a slick surface. Brakes won't stop you with a sure and gentle touch if the master cylinder needs more fluid, or if an air-bubble has worked itself into the line. These things, *and more,* should be checked to keep your Buick at its best.

If that sounds like more than one thought to bear in mind—just drive into our shop and tell the man, "*LUBRICARE,* please."

Our winter Lubricare treatment covers all these points—with specially trained mechanics following factory specifications as they go over your car from end to end.

Drive in this week, why don't you? The price is surprisingly low. The peace of mind is priceless.

Hoosier Cornhuskers Will Be Seen Here, Feb. 3

The Original Hoosier Cornhuskers, one of America's foremost radio shows, will appear in person at the Central School Building Friday, February 3, at 8 p.m. The Tecumseh chapter, Future Farmers of America, has arranged for the appearance to raise funds to purchase a tractor, which will be used for the many farm operations they have planned for the future.

The show promises to bring a wide variety of American folk, hillbilly and western songs, along with instrumental specialties, novelties and a host of "side splitting" comedy, displayed in a genuine "down to earth" fashion.

Featured on the show will be Bobby Homan, the golden voiced Cowboy singer; Dari Fox, the Paulding County fox hunter; Grandpap, the grand old man of dry wit and humor; Al Pettit, with his accordion and Pete Smith, the big Professor.

David Locke is instructor of the local F. F. A.

GRANGE TONIGHT

The regular meeting of the Tecumseh Grange will be held this (Thursday) evening, preceded by a potluck supper at seven o'clock. The North Adrian Grange will bring the traveling gavel and the visiting Grangers will bring pie.

A dance for Grange members and friends will be held Saturday evening, January 28, as a benefit for the polio fund.

quarter, the final outcome was certain.

The Indians were not to be stopped. Flashy forward Doug McDowell dropped in 11 field goals and two free throws for a total of 24 points. VanWinkle, Phibbs and Bowen each collected six for second place in the scoring. Ray Simons was high point man for Pittsford, collecting four field goals and one free throw for a total of nine points. Brown was only five points behind his teammate with four. When the final whistle blew, Tecumseh was on top, 52 to 21.

The Tecumseh reserves were also victorious, downing Pittsford reserves 22 to 17. High point men for Tecumseh were Breitenwischer and Baker, each collecting six points. For Pittsford reserves, Shirey was high point man with eight.

Tomorrow night the Indians will tangle with Addison on the Addison hardwood, reserve game starting at 7:15 p.m.

Local Youth To Attend Institute In Ann Arbor

Several youth of the Methodist Church will attend the annual midwinter institute of the Methodist Youth Fellowship of the Ann Arbor district, which will be held in the Methodist Church at Newburg, Mich., Friday evening and all day Saturday of this week. Those attending are Donna Burleson, Audrey Cook, Beverly Hay, Dwaine Hay, Sally Rentschler, Virginia Snyder and Nita Spangler.

Nearly 300 youth are expected to attend the institute. They will be overnight guests in the homes of the youth in that community. Their program will consist of Christian fellowship, especially during meals; directed recreation, devotions, and inspirational talks on evangelism and world friendship. The intention of the institute is to direct the thinking of the youth on ways to keep the peace at home and around the world.

Local Friends Church Wins Attendance Contest

Members of the Tecumseh Friends Sunday School were entertained by the Raisin Friends Sunday School members, Tuesday evening, as a climax to the recent attendance contest, which the latter school lost.

About 95 from the local church were greeted by an original song of welcome by the Raisin church. After group singing, the "mummers" quartet entertained with a song "Lead Kindly Light." In a Bible quiz spelling contest, with the teachers and officers of one Sunday school against the other, the Tecumsehites won. A humorous skit, "The Crooked Mouth Family," kept the audience of some 160 persons in laughter continuously. To close the program the Tecumseh Sunday School members sang their theme song of the contest.

Refreshments of ice cream, wafers and coffee were served in the new basement of the church.

About The Folk You Know

Sylvia and Marilyn Helzerman were the guests of honor at a dinner and theatre party given by their mother, Mrs. Ralph Helzerman, Tuesday afternoon and evening in celebration of their birthday anniversaries, which occurred Monday. It was Sylvia's 12th birthday and Marilyn's ninth. After meeting at the Helzerman home the 25 guests were taken to the Tecumseh Country Club where they enjoyed dinner and games. The sisters opened many nice gifts. To conclude an evening of merriment the girls attended the theatre.

In celebration of the birthday anniversaries of Harold Anderson, Mrs. Donald Filter, Robert Retter and Judy Sue Johnston, which occur in January, Mr. and Mrs. Harold Anderson entertained at a family dinner, Sunday. Mr. and Mrs. Donald Filter and daughter of Celina, O., and Mr. and Mrs. Robert Retter and sons of Clark Lake were out of town guests.

Jerry Wolf, son of Mr. and Mrs. Paul Wolf, celebrated his 10th birthday with his friends at the Seventh Day Adventist school, Monday. Mrs. Wolf furnished the ice cream and cake and the children did the rest!

Mrs. Harvey Robinson was surprised on her birthday anniversary when employees of the Gray Mill arranged a party, Thursday evening. Twelve persons were in attendance. At the close of an enjoyable evening lunch was served.

Mr. and Mrs. Edwin Swift entertained, Saturday evening, honoring their daughter and husband, Nora Lee and Charles Lewis of Milan, whose marriage occurred during the holiday season. After games were played the honored couple opened many lovely gifts. Refreshments were served and the guests, who attended from Tecumseh, Adrian, Holloway, Britton and Milan, gathered in the basement recreation room to play euchre and canasta.

Mrs. E. B. Kimball and daughter Kathy, who came from Houston, Texas, to surprise Mrs. Kimball's parents, Mr. and Mrs. William Boyer of Adrian, on their 50th wedding anniversary, which occurred Jan. 16, will leave for their home Tuesday . . . The Kimballs formerly owned and operated the Brookside Grocery and now have a grocery and drive-in business in Houston . . . Mrs. Kimball has been visiting friends in Tecumseh during her stay.

Delegates elected by the members of St. Peter's Episcopal Church will attend the 117th Annual Convention of the Diocese of Michigan next Wednesday and Thursday, February 1 and 2, in St. Paul's Cathedral, Detroit. Those to attend are Russell Cooper, Glenn Driscoll and A. C. Hamaker, delegates, and the Rev. Allan L. Ramsay, rector. The convention opens at 10 a.m. with a service of holy communion and installation of deans of the convocation with the Rt. Rev. Richard S. Emrich, bishop of Michigan, officiating.

The business session follows through the first day and concludes with the convention banquet in the Masonic Temple at which time the Bishop of Southern Ohio, the Rt. Rev. Henry Wise Hobson, will speak. For the fifth year the Rev. Allan Ramsay will act as assistant secretary of the convention and chairman of the committee on lay credentials. The women of the church will hold their annual convention at the same time but will convene in the Woodward Avenue Congregational church.

Garden Club Holds Its Regular Meeting

Mrs. Lyman Curtiss entertained the Tecumseh Garden Club at her home, Friday afternoon. About 25 members were in attendance.

During the business meeting it was voted to give $5 to purchase seeds for the Navajo Indians. An interesting program on "Compost" was presented by Mrs. Neil Pearson.

Refreshments were served from a lace covered table centered with an arrangement of white chrysanthemums and yellow daffodils, flanked by yellow candles. The assisting hostesses were Mrs. George Wittrup, Mrs. Waldo Mohr and Mrs. Grace Coffey.

The next meeting will be held at the home of Mrs. Leon Rosacrans.

BRITTON

The Congregational Christian church of Britton held a reception Friday evening, January 20, in honor of Mrs. Jennie Smith, who is retiring as clerk of the church after 33 years in that office. A large group of friends and Mrs. Smith heard tributes to her long service. Ned Brown spoke for the Board of Trustees, Mrs. Effie Gibson for the Church School and Mrs. Flora Exelby for the Ladies Aid Society. Mrs. J. C. DeRemer of Rosewood, O., first lady of the parsonage from 1912 to 1928 gave a very interesting account of those years when Mrs. Smith began her service to that office.

Rev. H. P. Rogers, present pastor of the church, read a letter of recognition from Dr. Harold Skidmore, superintendent of Michigan Congregational churches, praising the fine cooperation Mrs. Smith had given the state office through the years.

William McElroy, who succeeds Mrs. Smith as clerk of the church, spoke for the Board of Deacons and made the presentation of a gift from the church to Mrs. Smith, who responded very fittingly.

The entertainment consisted of readings by Mrs. Norris Dartt, impersonations by Miss Arcelia McElroy and a trumpet solo by Verne Gripton.

Hostesses and committee on arrangements for the reception were the wives of the members of the Board of Trustees.

Weekend guests at the home of Mr. and Mrs. Frank Hoagland were Mr. and Mrs. A. R. Musson and family of Rochester.

Mr. and Mrs. Forrest Barrett and family spent Sunday afternoon and evening in Lincoln Park at the home of Mr. and Mrs. Edward Rudel. They attended the baccalaureate service where Edward Rudel, jr., is a graduate of Lincoln Park high school.

Twenty-five boys and girls gathered Saturday afternoon to help Larry Patterson celebrate his eleventh birthday anniversary. The afternoon was spent skating on a pond near his home and later the group returned and were served refreshments by Mrs. Patterson. Larry received many nice gifts.

Mrs. James Vershum will entertain the Macon Extension Club, Friday afternoon at her home. The members plan to exchange recipes and apron patterns.

Mr. and Mrs. Charles Patterson, Jack and Larry, were Sunday guests of Mr. and Mrs. Clarence Starkweather in Ypsilanti.

Those attending the hockey game in Detroit Sunday were Mr. and Mrs. Harold Gibson, Mr. and Mrs. Freddie Miller, Mr. and Mrs. Clarence Schroeder, and Mr. and Mrs. John Billou. Later the group called at the home of Mr. and Mrs. Harry Clisdale.

Mrs. Ida Miller, who has spent the last five weeks with relatives in Adrian, has returned to her home here.

Richard Croll, Mrs. H. J. Schott and Nancy accompanied Mr. and Mrs. Douglas Hintz to East Lansing, Sunday, where they called on Vaughn Schott and Robert Croll.

Baptist Primary Room Is Being Redecorated

Painters and paper hangers are busy at the Baptist church redecorating the primary room, which also doubles as a dining room, and the kitchen. Monday evening, members of the Happy Home Builders class, who are showing a real interest in the project, gathered at the church for another painting bee.

The primary department has grown steadily so it was necessary to purchase several dozen new chairs. These are of blond oak and the new tables, designed by the pastor, the Rev. B. O. Bashore, and constructed by Dow Bilby, are being finished the same color. The old chairs are being painted in pastel shades.

A committee of women from the various organizations of the church selected the wall paper and the remainder of the furniture and woodwork will be finished to harmonize with the pattern.

The money for the redecorating project is being raised by all of the women's organizations cooperating in bake and rummage sales, and money-making parties, as well as donations. Anyone interested in assisting in the project may contact the church treasurer or Mrs. Faye VanValkenburg, primary department superintendent.

New Officers Named By Presbyterian Women

New officers of the Presbyterian Women's Association were elected at the annual meeting of that organization, held last week Wednesday evening in the Fellowship Center. Officers named are: President, Mrs. H. W. Truesdale; first vice president, Mrs. Frank Smith; second vice president, Mrs. C. Raymond Puffer; recording secretary, Mrs. Harold E. Wilson; corresponding secretary, Mrs. Ernest Lamkin; treasurer, Mrs. Mahlon Sebring.

Mrs. John R. Lott, retiring president, spoke briefly and welcomed the new president who announced the following committee chairmen: hostesses, Mrs. M. G. Partridge; flowers, Mrs. Glenn VanDenbergh; maintenance, Mrs. LeRoy Titley; by-laws, Miss Ruth Harding; publicity, Mrs. Harold Wilson; membership, Mrs. C. R. Puffer; auditing, Miss Marie Koernig; finance, Mrs. Mahlon Sebring; nominating, Mrs. John Lott; sunshine, Mrs. Fred Marsh; kitchen, Mrs. Lee Purkey.

The Florence Weld Mission Guild was in charge of the program which opened with devotions by Mrs. E. E. Davis. Mrs. A. Merz sang "Just For Today" and Mrs. F. C. Dickinson reviewed parts of the study book "Japan."

In conclusion tea was served by Mrs. W. D. Hite and her committee from a lace covered table, which was attractive with flowers, candles and a silver tea service. Mrs. Lott and Mrs. Truesdale poured.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church met last week Wednesday in the church parlors with six members in attendance. Routine business was discussed followed by a program of readings by Mrs. Mertie Warling and Mrs. H. H. Loveland.

B. O. BASHORE, Pastor

Every human being worships. What we worship depends perhaps upon what we believe is helping us most. To know God and to believe in Him with a deep and abiding faith is made possible only by regular worship. We invite you to attend church Sunday to learn the difference between pleasure, which is only for a season, and joy, which can be everlasting. Church School, 10 a.m. Morning worship, 11 a.m.; radio broadcast, WABJ, 11:30 a.m. Junior Church for children through the kindergarten, 11 a.m. B. Y. P., 7:30 p.m. Choir rehearsal, Wednesday evening, 7:30 p.m., Mrs. Harley McConnell, directing. We invite you to note the progress being made in the redecorating of the primary room. This is being made possible by the various organizations of the church who are raising money and by individuals who are donating their time and talents and/or money.

Cooks With Experience

Know Genuine Values

You can't fool a housewife with years of experience in cooking when it comes to food values.

And we're very happy to tell you that we have hundreds of "experienced cooks" who make our store their shopping headquarters.

We believe that is a fine recommendation for the quality foods that we sell.

ONSTED

Ehlinger—Gumper

Miss Rosemary Gumper, daughter of Mr. and Mrs. H. M. Gumper of Jackson, and Carl Corwin Ehlinger, son of Mr. and Mrs. Corwin B. Ehlinger of Onsted were married January 14 at 3 p.m., at the home of the bride's parents, by the Rev. J. W. Wimberly, pastor of the First Presbyterian church, Jackson.

Maryann Gumper, sister of the bride, and Gerald Oswald of Brooklyn were the attendants.

After spending a month in Florida, the couple will reside in Jackson.

Pfc. and Mrs. Donald D. Shultis were honored at a reception and miscellaneous shower held at the Springville church parlors, last week Wednesday evening for about 65 relatives and friends. Mrs. Alfred Lapham, Mrs. Charles Wooden, Mrs. Paul Toland and Mrs. Charles Shultis were the hostesses. An appropriate program was presented and refreshments were served. A four-tiered wedding cake was the gift of Julius Shultis, grandfather of the groom. The honored couple received many gifts. Pfc. Shultis returned to Barksdale Field, La., Saturday, and Mrs. Shultis will remain in Philadelphia a short time before joining her husband.

Mrs. Hazel Shutes of Adrian is assisting Miss Myrna Bugbee at the Springville school district No. 1. The enrollment is now 49 and more are expected March 1.

Some 40 men and women attended the first meeting of the Adult Evening Classes at the Onsted Community School, last week. An educational movie preceded the organizing of classes. The men are studying "Soil Management," and the women knitting, with Mrs. W. J. Eng as instructor.

James Marr attended the Grange Deputy conference in Lansing, last week.

HOLLOWAY

Mrs. Ethel M. Haynes of Detroit spent the weekend with Mr. and Mrs. Edward Mitchell and daughter.

Mr. and Mrs. Milton Opel and son have moved from the Mitchell residence to an apartment in Deerfield.

Ron Beaverson of Detroit spent the weekend with Mr. and Mrs. Alton Wellnitz and children. The occasion marked the second birthday of Timmy Wellnitz.

Mr. and Mrs. Melvin Sells and children of Toledo were Sunday evening guests of Mr. and Mrs. Paul Kopke and children.

There is an active attendance contest being held each Sunday in the Holloway Presbyterian church. The Winner Class and the Volunteer Class are the rivals.

Mrs. Harry Edwards spent Friday and Saturday visiting relatives at Columbia City, Ind. She was accompanied by Mrs. Arthur McElhiney of Tipton.

The choir of the Holloway Presbyterian church will meet this week on Wednesday evening at 7:30 with Mr. and Mrs. Clark Sinclair.

Mr. and Mrs. Paul Kopke and children were Sunday dinner guests of Mr. and Mrs. Wilson Edwards and family of Toledo.

Mr. and Mrs. Joe Glenn and children of Wayne spent the weekend visiting Mr. and Mrs. Ken Kopke.

Miss Ruth Gallaway of Chicago, Ill., and Miss Janet Gallaway of Lansing were weekend guests of Mr. and Mrs. Lawrence Gallaway.

Mrs. Matt Lunn was installed as elder in an impressive service Sunday at the Holloway Presbyterian church. The Rev. Donald Wilson of Tecumseh conducted the service.

Mr. and Mrs. John Buehrer of Adrian were Sunday guests of Mr. and Mrs. Raymond Kahle and family.

Mr. and Mrs. Glenn Harrison and daughter of Clinton spent Sunday with Mr. and Mrs. Elmer Harper and family.

Mrs. Dale Mitchell was pleasantly surprised Sunday evening when 25 friends and relatives came to help her celebrate her birthday. A co-operative supper was served and a large decorated birthday cake centered the table. The occasion marked the birthday of Harold Johnston also. The two received congratulations and gifts from those present. Guests were from Adrian, Holloway and vicinity.

From where I sit ... *by* Joe Marsh

Give Us Back Our Sidewalks, Slim!

I wrote that over an article in the *Clarion* last week, but I didn't like doing it. After all, the man it was aimed at — Slim Henderson — is a good friend of mine.

Slim came into quite a windfall last month, and bought the old Clarke place. The deed gave him title to *all* the land—right down to the street. Then Slim started to take up the sidewalk to make his lawn look better.

I felt it wasn't fair to the town and said so in my article. Next morning Slim comes around and wants to know what I mean—getting folks riled against him. I felt ornery myself, and we had quite a set-to over the whole business.

From where I sit, that was foolish. Once we'd cooled off (over lunch and a bottle of beer at Andy's Tavern), Slim decided the sidewalks should stay—for the common good and I promised next time I'd take a good look at the other fellow's point of view before writing any articles about him!

Big Ticket Sale For Polio Dance

ROTARY - SPONSORED DANCE NEXT WEEK FRIDAY TO BE WELL ATTENDED

If all of those who have purchased tickets attend, well over 300 will be on hand next week Friday evening, February 10, for the Rotary-sponsored Polio Ball, to be held in the main auditorium of the Legion Memorial Home. Profits from the dance will be turned over to the Infantile Paralysis Fund.

"Ticket sales for the dance are very good," Glenn H. Kohler, one of the sub-chairmen, said today. "With the dance more than a week away we believe now that well over 150 couples will attend."

Music for the dance is being donated by the Tecumseh Products Chieftains. The use of the Memorial Home is donated by the Legion.

The Rotary Club this year is sponsoring the March of Dimes campaign in Tecumseh assisting John C. Cameron the district chairman. Every effort is being made to bring this community's gift to more than $1,000 in the local drive.

"We feel quite optimistic about reaching our goal," Mr. Kohler said. "We have in sight at the present time about one-half of the amount and we are quite confident that the balance can be subscribed by next week Friday."

M. G. Partridge is general chairman of the Rotary committee in charge of the fund-raising campaign.

Canisters in the form of miniature iron lungs may be found in most every store making it possible for everyone to contribute dimes, quarters and dollars to the fund.

"This is a very worthy cause," Paul Ahleman of Adrian, county March of Dimes chairman, said in appealing to local Rotarians to assist in the campaign. "It takes money to fight polio and last year our resources and those of the national treasury were badly depleted because of the heavy drain and the increase in polio cases. We must prepare now for next year when, should polio strike hard again, even more funds will be needed."

Hundreds of local residents saw one of the iron lungs used in the treatment of polio when it was brought here last Saturday afternoon by the American Legion of Adrian. The lung, in the Legion's 40 & 8 boxcar, was on display in the downtown district for several hours. Later it was taken to Clinton.

Funeral Services Held For Laton Larzalere

Funeral services were conducted Saturday afternoon from the Hause Funeral Home for Laton Larzalere, 65, of east of Evans Lake, who died last week Wednesday at University hospital, Ann Arbor, where he had been a patient two weeks. Lay minister Jack Warner officiated and burial was at the Reynolds Corners cemetery.

Mr. Larzalere was a lifelong resident of the Clinton vicinity and for some time had been employed in a small institution, where he will the Clinton Machine Company. His wife Flora died nine years ago. Surviving are two daughters, Mrs. Rawdon Nortley of Franklin township and Mrs. Albert Norcross of Detroit, one sister, Mrs. Fred Miller of Manchester and two grandchildren.

Grange Dance Nets $165 For Polio Fund

Joining in the drive to raise funds for the March of Dimes, the Tecumseh Grange sponsored a polio benefit dance at its hall, Saturday evening, and realized a profit of $165.15, which will be divided equally among Macon, Ridgeway and Tecumseh townships.

No admission charge was made but the 200 Grange members and friends in attendance donated generously to the worthy cause.

24 PAIR OF SCUFFS MADE FOR VETERANS

Twenty-four pair of scuffs for hospitalized veterans were made by members of the auxiliary of Hall-Slater post, V.F.W., who met Thursday evening at the home of Mrs. Russell Hall.

During the business meeting it was voted to hold a bake sale, Friday, February 3, at 3 p.m., at Hanna's Insurance Agency, the proceeds of which will go to the March of Dimes. To raise funds to purchase a banner a plastic party will be held in the post rooms, February 16, at 8 p.m.

At the close of the evening, Mrs. Hall served refreshments to 18 members.

DEPARTING SHAH'S VISIT A SUCCESS . . . Princess Fatemeh, sister of the Shah of Iran, Grover Whalen and the Iranian ruler, Mohammed Reza Polevi, enjoy a cup of coffee before the Shah and his sister boarded a plane at New York for their homeland. The Shah made it plain that he considered his six-weeks' tour of the United States a success. The young monarch spoke of an understanding having been reached between two sides seeking truth and honesty. He said America, by listening with sympathy to the problems of other nations, creates the hope that "together we might find a much happier world in the future."

Main Street In 1887 Seen On Postcard

A picture postcard with a main street scene of Tecumseh, postmarked March 8, 1887, was found last week in the old waterworks building by John Kopka. The card is watermarked and yellow with age but still bears the one-cent stamp with which it was posted.

Though the store fronts have naturally changed considerably, the buildings pictured are easily recognized. The photo was taken facing east on West Chicago Blvd., and the horse-drawn carts and buggies hitched to posts along the dirt thoroughfare show that Tecumseh was bustling with activity, even 63 years ago.

The card was addressed to Miss Lena F. Smith of Miami, Fla.

Chamber Plans Annual Banquet

THREE NEW DIRECTORS WILL BE ELECTED; BOARD HOLDS MONTHLY MEET

The annual banquet of the Tecumseh Chamber of Commerce will be held, probably early in March, following the election of three new members to the board of directors. Voting in the election will close on February 15.

The directors, in regular meeting Tuesday evening, empowered the president to choose a committee to place in nomination the names of six members for directors posts. The three nominees receiving the highest number of votes will be declared elected.

Directors retiring with the coming election are E. A. Collins, W. Gilman and Earl L. Wickwire. Other members of the board are L. P. Williamson, C. O. Butler, R. H. Moore, Wm. Bruce, Mrs. Geo. French and K. D. Hall.

Voting, as in the past, will be by mail and by ballot. Printed ballots bearing the names of the six nominees will be mailed to members February 10 and these ballots must be returned by noon on February 15 to the Chamber offices.

Ronald Harris, secretary, submitted his monthly report to the board and outlined a tentative program of late winter and early spring activities. The board authorized payment of $400 for the purchase of canvas at Recreation Center. This canvas is used to surround the field during athletic events and other entertainments.

At Tuesday's meeting, Mr. Butler, vice president of the Chamber, presided in the absence of Mr. Williamson who is vacationing in Florida.

YOU MUST REGISTER FOR VILLAGE ELECTION

Voters who have not cast a ballot in the Tecumseh Village elections in the past two years must register with the village clerk if they desire to vote in the forthcoming March election, Wade L. Jones, clerk, said today. The registration books are now open and the last day for registration is February 21.

Anthem Night Is Observed

METHODIST CHOIR PRESENTS PROGRAM UNDER DIRECTION OF GLEN GOULD

The Methodist choir, under the direction of Glen Gould with Mrs. Herbert Dillon as organist, sang to an interested and appreciative audience, Sunday evening, when it observed "Anthem Night."

For its program, the senior choir chose the favorite anthems which it had sung during the worship service during the past fall and winter seasons. The junior choir sang "Be Thou My Vision," an ancient Irish tune arranged for young voices by LeRoy B. Campbell.

While Mr. Gould feels very strongly that choral singing is one of the best methods of teaching cooperation, he did assign soloists to Mrs. J. M. Mulvaney, Wilfred Waldron, jr., and Miss Nadine Carney. For an organ solo, Mrs. D'llon played Handel's Concerto No. 11, G Minor (first movement).

Since the choir sang the works of composers from many lands—an idea in line with the thinking of the Woman's Society of Christian Service concerning its work around the world—the members of the society were hostesses during the fellowship hour in the social room to all who attended the program. Members of the Methodist Youth Fellowship served the guests with fruit punch and "kifels" and acted as ushers during the program of music.

The choir members presented Mr. Gould with a "farewell" gift in appreciation of his work. He is entering the University of Southern California immediately to work on his master's degree in music.

State Treasurer To Be Town Hall Speaker Here

The second in the series of Town Hall meetings will be held in the Central School auditorium on Friday evening, February 24, with D. Hale Brake, treasurer of the State of Michigan as the speaker, Neville Hart, director, said today.

"The Citizen's Job," will be the subject of Mr. Brake's address and it is expected that he will enlarge upon Michigan's tax structure as it affects the citizens generally.

Brake is an able speaker and is thoroughly familiar with the state's tax problems. He has spoken here before, recently before a joint meeting of the Exchange and Rotary Clubs at Grange Hall.

Ralph S. Cummings Is Buried In Brookside

Funeral services were conducted Tuesday afternoon from the Green Funeral Home for Ralph S. Cummings, aged 75 years, who died Sunday morning at the veterans hospital in Dearborn, where he had been a patient for ten months. The Rev. Edward Escolme officiated and burial was in Brookside cemetery. The bearers were Fred Marsh, Lyman Ousterhout, Floyd Russell, Garland Gove and Edwin Knapp and Stanley Jenkins of Manchester.

Born in Tecumseh, Mr. Cummings resided on a farm northwest of town. He was a veteran of the Spanish-American War.

Surviving are one daughter, Mrs. Ferris Cleveland; two sons, Marvin of Michigan City, Ind., and Merle of Grass Lake; seven grandchildren and two great-grandchildren.

Convention Delegates Return From Detroit

After attending the 117th annual convention of the Diocese of Michigan which opened at 10 a.m. yesterday, in St. Paul's Cathedral, Detroit, the delegates from St. Peter's Episcopal church have returned to Tecumseh. Meeting at the same time was the convention of churchwomen attended by Mesdames Russell Cooper, Donald Goddard and A. C. Hamaker and the sessions for women were held in the First Congregational Church, Detroit.

After the opening service in the Cathedral the delegates from 125 parishes and missions in the Diocese of Michigan gathered in Cathedral Hall for the business session. Official delegates from St. Peter's were Russell Cooper, Donald Goddard (not Glenn Driscoll as erroneously reported last week), and A. C. Hamaker. The rector of St. Peter's, the Rev. Allan L. Ramsay, will return later today after completing his duties as assistant secretary of the convention and chairman of the committee on lay credentials.

In addition to the delegates to the convention Mr. and Mrs. L. B. Hum attended the convention banquet held in the Masonic Temple in Detroit at which time the Rt. Rev. Henry Wise Hobson, bishop of Southern Ohio, spoke on the advance work to be done by the church both at home and overseas.

Court Of Honor For Cub Scouts

AWARDS PRESENTED AT "ROUND TABLE" MEET; CHURCH SERVICE, SUNDAY

Cub Scout Pack No. 4 held its monthly meeting at the Baptist church, Monday evening. The theme of the meeting was "Strengthening the Arm of Liberty" and was portrayed by the Cubs in a scene from King Arthur and the Knights of the Round Table.

Each Cub was armed with a sword and shield. Representatives from each den comprised a court of honor which gave the awards to the Cubs who had met the necessary requirements for advancement.

Awards were given as follows: Promotion to Wolf rank, Dillard Atkinson, Billy Fielder, Gregg Mason, Eddie Rozelle; promotion to Bear rank, Ken Davison, Ray Miller, David Elliott, John Elliott, Barry Packard.

In addition further awards for extra proficiency were given to the following: Eddie Rozelle, gold and silver arrow; Barry Packard, David Champanois, Charles Hand, Teddy Kempf, John Dewey and Jerry Munger, gold arrows; Gary Cameron and Terry Holdridge, silver arrows.

Service stars were issued to the following ten boys for having completed more than one year of successful cubbing: Dean Andrews, Mars Cameron, Ken Davison, Freddie Deaner, Allan Dickinson, Terry Holdridge, Bruce McDowell, John Naser, Roger Palmer and Nicky Touborg. Only 14 of the present group of 75 are veteran cubs of more than one year standing. They received their service stars at an earlier date.

The entire Cub pack is to assemble next Sunday, February 5, at 10:50 a.m., at the Baptist church to attend services. The Cubs will appear in uniform.

The next Pack meeting will be held February 27 and will feature a potluck supper.

Three New Members Elected To Rotary

DR. BABBITT OF ADRIAN COLLEGE, SPEAKS ON "TRENDS IN EDUCATION"

Three Tecumseh business men were admitted to membership in the Rotary Club Tuesday evening, following dinner at the Legion Memorial Home. The new members are Claud Helms of the Helms Furniture Store, Gale Fisher, of Fisher Pontiac Motors and Albert Merz of the Tecumseh Farm Equipment. The introductory ceremonies were in charge of the Rev. Allan Ramsay.

Dr. Edmund H. Babbitt, vice-president of Adrian College, was the guest speaker discussing "Trends in Education."

"I was startled only today," Dr. Babbitt said, "when I heard a radio broadcast telling the nation that the H-bomb is now under production. Such a broadcast should make us think when we know that the H-bomb is 1,00 times more powerful than the A-bomb. The world is making rapid strides in scientific and other fields but I am convinced that we are woefully short in our advances morally and spiritually."

The speaker then traced the growth of education in the nation and stressed the need for small colleges. He pointed out the advantages offered by the college at Adrian and appealed for both financial and moral support.

Nat Gould, president of Clinton Rotary, was a guest. Dale Bowen, high school senior, was the junior Rotarian of the week.

WIT - WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet Monday evening, February 6, at the home of Mrs. Hoyt Whelan, in observance of Music Night.

ITS NICE TO KNOW THAT SOME "OLD SAYINGS" ARE TRUE

February Should Be Coldest Month Of The Year

ANN ARBOR—As the day grows longer, the cold grows stronger is an old but true saying, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan.

Coldest weather of the winter should come in early February since that is the period when the amount of heat from the sun, which has been increasing since December 21, manages to overtake the rate at which the earth has been cooling off since winter's arrival, she reports.

"Before we get enough heat from the sun to start the warmth that will bring Spring, we have to go through a period in which the heating and cooling of the earth's surface are pretty much in balance," Dr. Losh points out. "And that is when the thermometer is apt to start plunging to its lowest point of the winter season."

Should February produce the expected number of cold and clear nights the amateur astronomers will have an excellent opportunity to observe another of the winter sky's spectacles, the constellation Leo.

"This star group is so striking as to be unmistakable," Dr. Losh asserts. "It is the fierce lion that prowls in the sky jungle below the Great Bear which is the Big Dipper."

Look southward along a line through the two stars on the outer edge of the Big Dipper's bowl and in the opposite direction of the North Star. The principle stars of the constellation are arranged in the form of a sickle or, if you prefer, a reversed question mark. The sickle outlines the lion's head with the bright Regulus in the handle. To the east of the sickle is a right angle triangle with the star in the extreme eastern angle being Denebola, or the Lion's Tail.

If you make your observations about 9:00 p.m. early in the month, you will see the planet Saturn rising slightly north of the eastern point of the horizon. The red planet Mars will be rising further to the east at 11:00 p.m.

Mrs. Alice Slayton, Aged Resident, Dies

FUNERAL SERVICES WILL BE HELD FRIDAY FROM GREEN FUNERAL HOME

Mrs. Alice M. Slayton, aged 92 years, one of Tecumseh's oldest and best known residents, died at 11 o'clock Tuesday evening at the Matthews Nursing Home. Mrs. Slayton had been ill for only two weeks, and had been confined to her bed for only a week.

Mrs. Slayton was born in Rome, Michigan, August 6, 1857, the daughter of B. L. and Mary J. Laing. The family moved from Rome to Adrian where she attended Adrian High School, graduating with the class of 1875. She later attended Raisin Valley Seminary and taught in Raisin, Tecumseh and Saginaw public schools.

On October 22, 1879, Miss Laing became the bride of Charles A. Slayton, Tecumseh implement dealer and later president of the Tecumseh State Savings Bank.

Mrs. Slayton, while in Adrian, was a member of the Methodist Episcopal church. In 1880, after taking up her residence here, she joined the Presbyterian church. She was an active worker in the Sunday School, and church societies for many years, until her advanced age forced her to limit her activities. She also was a charter member of the Tecumseh Monday Club and the Wit and Wisdom Club.

Surviving are two sons, W. Elmer Slayton of Adrian and Percy F. Slayton of Whittier, California, a sister, Mrs. J. L. Richard of Allrian, four grandchildren and five great grandchildren. Mr. Slayton died November 21, 1918, and an infant son in 1892.

Funeral services will be held on Friday afternoon at 2 o'clock from the Green Funeral Home, the Rev. Donald Wilson, pastor of the Presbyterian church, officiating. Burial will be in the family lot in Brookside cemetery.

Mr. Slayton, the son in California, will be unable to attend the service because of illness.

Mrs. Luvetta Way, 80, Is Buried At Clinton

Funeral services were conducted Sunday afternoon from the Hause Funeral Home in Clinton for Mrs. Luvetta Way, who died Thursday after an extended period of failing health. The Rev. C. F. Riggio officiated and burial was in Riverside cemetery.

Born in Bridgewater November 5, 1869, Mrs. Way had resided in the vicinity all her life. She was a member of the Clinton Methodist church and for many years was in the plant protection service of one daughter, Miss Hazel Way of Clinton and two grandchildren. She was preceded in death by her husband, Lewis W. Way, and two sons, Raymond and Clyde Way.

HOOSIER CORNHUSKERS HERE FRIDAY, FEB. 3

As a project to raise money for a new tractor, the Future Farmers of America are sponsoring the appearance of the original Hoosier Cornhuskers, popular radio entertainers, at the Central School Building, Friday, February 3, at 8 p.m.

Featured on the show will be Bobby Homan, the golden voiced cowboy singer; Darl Fox, the Paulding County fox hunter; Grandpap, the grand old man of dry wit and humor; Al Pettit, with his accordion and Pete Smith, the big Professor.

PROGRAM FROM BLISSFIELD

The Presbyterian Men's Club will meet Wednesday, February 8, at 8 p.m., in the Fellowship Center. The Blissfield Men's Chorus will provide the entertainment, to be followed by a pie supper. All men, regardless of church affiliation, are invited to attend.

Grange Meeting Enjoyed By 140

VISITING GRANGERS GUESTS WHEN TRAVELING GAVEL IS PRESENTED

Over 140 members and guests enjoyed a meeting and program at the Tecumseh Grange hall, Thursday evening, when North Adrian Grange brought the gavel. Other guests were from Four Towns, Gorman, Tipton and Palmyra Granges.

The North Adrian Grange presented the following program: vocal duet, "Moonlight and Roses," Betty VanValkenburg and Mrs. Robert Byan; reading, Mrs. Harold Miller; original skit, "The Teens Trouble," Rose and Florence Miller; selection, "Gold Mine in the Sky," Grange chorus composed of Mr. and Mrs. Roy Benedict, Mr. and Mrs. Louis Hall, Mr. and Mrs. Robert Bryan and Mr. and Mrs. Everett Bailey; reading, Mrs. Elmer Rickard; skit, "Welcome Home," Mr. and Mrs. Raymond Morrow, Mrs. Lyle Bailey and Mrs. Bryan; piano solo, Barbara Meyers; reading, Mr. Benedict; vocal duets, "Let's Sing A Song About Susie," and "The Glory of Love," Mrs. VanValkenburg and Mrs. Bryan; "Direful Doin's," Maynard Harsh and Robert Bryan; song, "Keep a Light in Your Window Tonight," chorus. In conclusion Mr. Benedict, worthy master, presented the traveling gavel to Mills Swick, worthy master of Tecumseh Grange.

During the business meeting the following delegates were appointed to the Pomona Grange meeting in Tipton February 8: Mr. and Mrs. Howard Rhora, Mr. and Mrs. George Everett, Mr. and Mrs. Joe Bach, Mr. and Mrs. Dow Bilby and Mr. and Mrs. Floyd Barrett. The Youth Group of the Grange will present a play "The Boarding House Reach," at the hall this evening, February 2. A euchre party will be sponsored by the Grange hall, February 4. Adrian College Officer Talks To Exchange Club

The Rev. Edmond H. Babbitt, vice president of Adrian College, addressed the Tecumseh Exchange Club, at its regular dinner meeting, Monday evening. The speaker used as his topic "Trends of Higher Education."

Outlining the advantages of a college such as Adrian, the Rev. Mr. Babbitt stated a student is better qualified for a large university after he has been prepared for it in a small institution, where he will learn the fundamentals of college life.

Mr. Babbitt brought out the fact that all universities and colleges were begun with church foundations. Adrian College is a Methodist institution.

Frank Raft of General Electric Supply Corp., of Toledo, Ohio, was a guest of Forest Abner.

Two Auto Fires Keep Firemen On The Run

Twice in three days firemen were summoned to extinguish car fires. The first was on Wednesday, January 25, at 6:30 p.m., when an automobile owned by Harold Milosh caught fire when the water hose broke and alcohol poured out over the hot motor. The car was parked at Billington's Corners. Damage was estimated at $50.

Friday, January 27, a car owned by Pat Davis caught fire at the corner of Kilbuck and Evans, due to a short circuit. Damage to the wiring was estimated at $15.

I will be at the United Savings Bank on Saturday, December 17 and each Saturday thereafter until further notice, for the collection of Tecumseh township taxes, dog taxes and fire insurance. I will also accept payments by check or money order, mailed to my residence, 211 West Brown Street, Tecumseh, Mich. (Signed) Lawrence Mohr, township treasurer.

WHY TELL THE TRUTH

Who invented the electric light? If you say Edison, you're wrong—it was a Russian named Yablochkov. Who devised the telegraph? If you say Morse, you're wrong again—it was another Russian named Yakobi. The radio? No, it wasn't Marconi—it was still another Russian named Popov. How about the first successful flying machine? If you answer "the Wright brothers" you'll have to go to the bottom of the class—a Russian called Mozhaisky flew like a bird near St. Petersburg 20 years before the Wrights took off at Kitty Hawk.

These, and similar revelations, are disclosed by Edmund Stevens in the Christian Science Monitor. He found them in a Soviet magazine called the Literary Gazette. They show, he says, one of the ways the Soviet party "woos Russian national pride. The move corresponds to a vital need of Russians to vindicate their self-respect and destroy the residue of an old sense of inferiority. It also increases the Russian's confidence in their capacity to catch up with and outstrip the rest of the world technically at the present time." It is, in other words, an example of the kind of morale-building propaganda the government is now feeding the Russian masses.

Moreover, it is an example of how the Soviet bosses will use any untruth or half-truth to serve their ends. A story has been going the rounds concerning a British Communist who went to a meeting of Russian Communist stategists in Moscow. He was perplexed as to how to argue some ideological point or other in England. The Russians gave him an answer, to which he objected that it wasn't true. The Russians looked at him with amazement—and then burst into gales of laughter over such naivete. It is said that the incident was described to the top Russians, including Stalin, and that they burst into laughter also.

This story may be apocryphal but it has a point. Communists thinking holds that the end justifies the use of any means. If a lie will work, it is told. Words are twisted out of all semblance to what they mean to other nations. That is touched on in General Walter Bedell Smith's revelations of his experiences as Ambassador to Moscow, which appeared serially in the Saturday evening Post and are now out in book form. He, Secretary Marshall, and other Americans, he says, "Naively assumed that the word 'democracy' meant the same thing to the Politburo that it did to us." Events proved that nothing could have been more wrong. The Russians gave 'democracy' a new meaning which all agreements which were the suited them, and thus managed to give interpretations to international exact opposite of what the West had intended. This policy is one of the principal reasons for our failure to meet the Russians on common ground.

MACON

The Macon W.S.C.S. was entertained Thursday afternoon at the home of the Rev. and Mrs. C. F. Riggio at a potluck luncheon at the regular January monthly meeting. Mrs. Ralph Halladay conducted the devotionals. Mrs. Hamilton Moore had charge of the business session in the absence of the president, Mrs. Herman Mehler, who handed in her resignation because of ill health. Mrs. Hargaret Hall was elected president to fill the vacancy. Mrs. Jerome Travis was appointed chairman of committee to furnish dinners for the workmen who are doing repair work in the basement of the church this week. The Macon Society will join the Clinton community observance of the World Day of Prayer, February 24.

Family Night was observed Friday night at the Methodist church with a potluck supper served to more than 60 persons. Rev. O. E. Priest gave a talk after the supper and Clarence Damon showed some beautiful colored scenes of northern Michigan which was taken by him when he and his family were on a vacation trip the past summer.

The Lake Ridge Sewing Club met Wednesday afternoon at the home of Mr. and Mrs. Henry Miller. The hostess served a 4 o'clock luncheon. The day's activities were project sewing and visiting.

The Macon Woman's Club will be entertained with a potluck dinner at the home of Mr. and Mrs. Clayton Bigelow, Thursday, February 9. The program will be in charge of Mrs. Jerome Travis.

The condition of Mrs. Ronald Pilbeam who underwent surgery at the Tecumseh hospital last Wednesday is reported as satisfactory.

Mrs. Ollie Jordan who has been a house guest of her son Truman Jordan and family for some time left Sunday for a visit with relatives and friends at her old home near St. Louis, Missouri.

Mrs. Rosemary Simpson and son Lyle of Deerfield were guests Saturday of her sister Mrs. Jennie Younglove.

Mr. and Mrs. Charles Bigelow and children were in Lansing, Sunday, guests of Mr. Bigelow's aunt, Mrs. Jessie Bovay and son.

Mr. and Mrs. Truman Jordan and children were guests Sunday in Detroit of Mrs. Jordan's sister, Mrs. Robert Green and Mr. Green and family.

Mrs. Mattie Gerbric has returned to her home in Detroit following a visit of several weeks with the members of the Mr. and Mrs. John Ladd household. Mrs. Gerbric and Mrs. Ladd are sisters.

Jim Gibson, son of Mr. and Mrs. Harold Gibson of near Tecumseh, was a dinner guest Sunday of his grandparents, Mr. and Mrs. William Gibson.

The Macon Extension Club met Wednesday with Mrs. James Dersham. The hostess and her helpers served luncheon. At the business session plans were talked over for future activities and a social hour was enjoyed.

WHERE WERE THE CLOWNS? . . . The faces of Princess Beatrix (left) and Princess Irene, daughters of Queen Juliana and Prince Bernhardt of the Netherlands, were sober as they viewed the Mills circus in the royal box at London's Olympia. They were flown from the Netherlands, in a plane piloted by their father, especially to see the circus.

Annual Shrine Circus Under Way In Detroit

Mobilizing the greatest array of acts ever assembled under any tent or presented in any building, the annual Shrine Circus at the State Fair Coliseum, Detroit, which continues through February 12, is expected to break attendance records this year.

Unus, who thrilled two continents by standing on his forefinger; Frandis Brunn, the Nijinski of the Magic Globes and juggling ace; the Flying Concellos and Antonys, world-renowned aerial troupes; Mroczkowski and his Liberty horses from Belgium; the Three Margas, pretty girls in breath-taking mid-air loops; Clausen's Educated Bears; Charles Peterson's Jockey Dogs; the Wallendas, daring stars of the high wire and Gutt's Gorilla Parody are the highlights of the 1950 edition of the circus.

Also there is Miss Rietta on her swaying pole; Joe Walch, the master trainer with his groups of lions and tigers; the Chambertys, Madaline Claudeen, trapeze artists; the George Hanneford Family of bareback riders; performing elephants; the Orantos high perch act and the Kurts and Martellas in feats of balancing.

Prominent among the clowns this year are Paul Jerome, Felix Adler, Lou Jacobs, Frankie Saluto, Joe Short, Prince Paul, Earl Shipley and band, Ernie Burch and Jimmy Armstrong.

LEGION TO MEET

Underwood-Orr post, American Legion, will hold a regular meeting this (Thursday) evening at 8 o'clock.

Monday Club To Elect Officers Next Week

Because of illness in the M. G. Partridge home, the Tecumseh Monday Club will meet at the home of Mrs. E. J. Aebersold, next Monday afternoon at 2:30 o'clock. Mrs. Ted LaBounty, who is the program leader for the day, has secured Mrs. Fred Dickinson to give a short lecture and readings from the work of three living poets. The co-hostesses will be Mrs. Faye VanValkenburg, Mrs. Glenn VanDenbergh, Mrs. Margaret Kidman, Mrs. Burtsel Claus and Mrs. Kennard Wise.

Members are requested to bring items of clothing or food for the overseas boxes, which will be packed and mailed by the committee, composed of Mrs. E. C. Boss, Mrs. Wilfred Waldron, Mrs. Clair Eeland and Mrs. Joe Rice. Suggestions are wearable wool clothing, such as sweaters, sox, scarfs, skirts or mittens, wool yarn, steel knitting needles, under clothing, rain coats, shoes, buttons, thread and needles, pencils, school notebooks, laundry and hand soaps, cocoa, chocolate bars, rice, sugar, hard candies, coffee and tea. Also needed are empty tin boxes, such as coffee cans, for packing.

During the business meeting there will be an election of officers.

Bad advice is no reason for your mistakes; nobody can force you to accept advice.

Ladies Club Luncheon Is Attended By 48

Fifty-eight women attended the weekly Ladies Day luncheon and card games at the Tecumseh Country Club, last week Wednesday. Mrs. Hugh Andrews and Mrs. Harold Kelso were the hostesses. Eleven tables were filled for canasta and the winners were Mrs. Robert Hanna, first prize, and Mrs. Robert Fuller, second prize. There were two tables of bridge with Mrs. O. W. Laidlaw receiving the prize. The tables were decorated with figures of ice skaters made of piné cleaners.

Mrs. Richard A. Preston, phone 287J, and Mrs. James R. Elliott, phone 168R, are the hostesses for next week, February 8. Reservations are to be made by Tuesday noon.

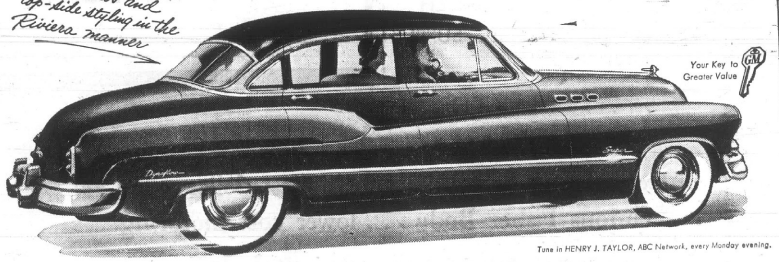
TWO-WAY STRETCH

that's strictly inside stuff!

Look! Wrap-around rear window and top-side styling in the Riviera manner



Your Key to Greater Value

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

HERE'S THE NEW 1950 BUICK SUPER 126, companion body-type to the equally new ROADMASTER 130. Both are shorter than last year's 4-door Sedans—yet 4 inches longer in wheelbase. In both, the difference is used to give you real stretch-out room in the rear seat.

What the boys did here really calls for some medals.

We gave them the job of coming up with something that was bigger inside—for room and comfort—longer in wheelbase—always important to good riding qualities—yet unbulky and easy-handling in over-all dimensions.

Just look how well this tidy number meets these "impossible" specifications!

Item one—rear-seat cushions are *a full foot wider* than last year's SUPERS and ROADMASTERS.

Item two—in every dimension—leg-room, head-room, hip-room, shoulder-room—this rear-seat compartment is bigger than previous models—and nearly four inches longer, fore and aft, than other 1950 Buick interiors.

Item three — wheelbases are the longest of our 1950 line. On the SUPER, it is 125½" instead of 121½"—on the ROADMASTER 130¼" instead of 126¼".

Yet — and here's where the magic comes in — *the whole car is shorter over-all.* Actually less from bumper to bumper than previous Buicks in these series.

That means easier parking, easier tucking away in family garages, easier maneuvering in crowded traffic.

There are some other things too. An extra rear-quarter window not found in standard 4-door Sedans. A different upperstructure styling that makes this body-type stand out as something pretty special.

Even special names that let you say, "I drive a SUPER 126" or "Mine's a ROADMASTER 130," just by way of being different.

Yes, we think we hit on a happy idea in the "Longfellows," as they're coming to be known. They are not longer, on the outside, but there's a two-way stretch—in width and length—in the rear compartment.

You're going to like that—as you'll see by calling on your own Buick dealer. If he doesn't have one on hand, he can get it pretty promptly—and at a price and on a deal you'll have trouble matching, much less beating, anywhere else.

See him now, will you—about placing an order?

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.)

NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights.

WIDE-ANGLE VISIBILITY, close-up road view both forward and back.

TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius.

EXTRA-WIDE SEATS cradled between the axles.

SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube.

DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series.

NINETEEN MODELS with Body by Fisher.

New Building Slated For Carnegie Tech

Pittsburgh—Carnegie Institute of Technology will break ground next spring for a $1,000,000 building to house its new graduate school of industrial administration.

The school—first of its kind in the nation—was established last January by a $6,000,000 grant from the W. L. and May T. Mellon Foundation. Its object is to prepare men for management positions, primarily in industries where modern technology is important.

Plans call for a 6,000-volume library, a 150-student lecture hall, laboratories and a student lounge, in addition to classrooms and offices.

The school opened on an experimental basis last September with seven faculty members and six selected graduates of Tech's undergraduate course of industrial administration. Tech expects to admit 15 to 25 students for a two-year course next fall.

New Insulin May Cost Less

SCIENCE FINDS NEW WAY TO MAKE DRUG; OTHER IMPROVEMENTS MADE

A new detergent for home washing eliminates the need for rinsing. You will be able to get more insulin for less money, thanks to a new test for the presence of insulin and a better method of producing it. A new nonshrink process will make it possible to wash all-wool blankets safely in the washing machine. These are some of the aids to better health and better living reported in McCall's National Newsletter for February:

"A word from Philadelphia, Pa., cautions us not to confuse compound E, the new treatment for arthritis, with vitamin E, which is an entirely different substance and of no known value to arthritics.

"Chicago, Ill. reports 1) a new cast iron that can be bent and twisted and worked like steel; 2) a new detergent for home washing which eliminates the need for rinsing; 3) canned fresh milk which can be shipped everywhere without ice; 4) a one-time-does-it paint remover which can be sprayed on.

"According to New York, N. Y., news, apron strings are outmoded by a new plastic hoop which adjusts to any waist size and never needs ironing. It slips through the top hem of gay plastic aprons; or you can put it on the ones you make yourself.

"Cambridge, Mass. says that more insulin for less money is made possible by a new and accurate test for the presence of insulin, plus a new method for producing of the drug. The new method is so much simpler than producing insulin that it will probably increase production and reduce the cost of insulin considerably.

"News from Beltsville, Md. is that slow-growing grass, which is just for roadsides so far, is being experimented with by scientists who are blending and mixing and working to find a lawn variety which won't have to be cut so often.

"Springfield, Tenn. has it that all-wool blankets can go in the washing machine and come out the same shape and size, thanks to a new nonshrink process accomplished with chemicals and techniques learned from experiments with GI socks during the war.

"A men's club in Des Moines, Iowa, is sponsoring a project which will enable bedridden patients to read books as their pages are flashed against the ceiling by a special projector. The patient turns the pages with a set of buttons, which moves the film. The public library will be used as a depository for projectors and books, which will be checked out rental-free.

"Cincinnati, Ohio sends word that roll-type window shades in four colors are on the market this year, made of a new plastic material which really cleans easily, does not ravel, and is fire-resistant."

DON'T DREAM AND WALK

Daydreaming should be confined to a chair in front of the family fireplace, especially during the snow and ice of February when pedestrian danger is at its peak. Because they failed to look both ways at intersections, some 2,400 American street crossers were killed during 1948. Over 9,000 copies of this AAA National Safety Poster Contest winner, "Look Both Ways Before Crossing" and 26,000 safety lessons were distributed to Michigan schools by Automobile Club of Michigan for use during February.

Some Americans are getting a funny idea about what freedom means. They seem to think it gives them the right to do anything they like, regardless of what other people prefer.

Divorcees Wage War On Divorce

"DIVORCEE ANONYMOUS" HAS PLAN TO SAVE MARRIAGES OF OTHERS

A new and powerful weapon in the war against divorce is being tried out by a group of determined divorcees in Chicago. It is a league to save marriages known as Divorcees Anonymous and dedicated to the job of keeping as many others as possible from making the same mistake they did. So far they have had 80% success, says Joseph Millard, who tells about the first six weeks of the organization in Redbook Magazine for February:

"If the test of an idea is how well it works, then Divorcees Anonymous is the strongest weapon yet forged in the war against the rising tide of divorce. In its first six weeks of operation, the group tackled thirty-nine couples who had applied for divorces, and sent thirty-three of them home again, arm in arm, with a new outlook on how to be happy though married. Subsequent records have been as good or better.

"The Divorcees Anonymous, or DA's, as they call themselves, are women with a purpose. Most of them are in their early thirties or younger. All but one have been divorced themselves and speak from bitter experience when they say nine out of ten persons who divorce will regret it afterward.

"Divorcees Anonymous collects no dues and charges no fees. Anyone at all can have the members' unstinting help, without regard to race, creed or color, simply for the asking.

"From a nucleus of five determined young women, membership reached the hundred mark the first month and has been mushrooming ever since. Indications now are that Divorcees Anonymous will be national, or even international, in scope before it is a year old.

"The DA's usually operate in teams of two, although one woman may work alone or a dozen be called in to buttress an argument. Calls for the help of the organization are turned over to members whose own past experiences most nearly match the case at hand.

"Where possible, the DA's get husband and wife together for a joint discussion of the problem. They try to size up a couple and to tailor their suggestions to fit the personalities involved. In many cases, simply bringing an emotional problem out into the light of reason is enough to make the whole thing look pretty silly to the combatants. Often, one short visit will settle such a case. And by no means all the sympathy of Divorcees Anonymous goes to women.

"The creator of Divorcees Anonymous is Samuel Starr, a Chicago divorce lawyer who has spent fifteen years fighting divorce. Starr has been ideally married himself for fourteen years, and is the father of three children. He was perhaps the first to advocate and practice a thirty-day 'cooling-off' period for divorce applicants before the granting of the final decree. His greatest pride is the fact that out of every five applicants who come to him for divorce, he is able to talk two of them out of the suit.

"A Chicago reporter got hold of the story, and a newspaper syndicate circulated it. Overnight their problems multiplied. Phone calls poured into Starr's office. Mail and telegrams came from all over the United States and Canada and as far away as England.

"Doctors, lawyers, judges, educators, clergymen and plain divorcees sent congratulations and requests for more information. The majority wanted to start branches of Divorcees Anonymous in their own communities at once."

HEROIC ATTEMPT . . . Tow-truck driver, Temple Ray, attempts to pull blazing wreckage of a 24,000 gallon gasoline truck away from the streamliner train Super Chief after a mishap at Azusa, California. He is sitting in the cab of the truck, silhouetted against the flames, as he tries to drag the blazing trailer clear of the streamliner. The train is at extreme right. Cable from his tow truck can be seen curling out from hoist on rear of Ray's truck. He persisted in the effort until flaming gasoline spread under his vehicle, forcing him to abandon his attempts.

About The Folk You Know

John D. McColl of Tecumseh and his fishing companion, Charles Lindquist of Fergus Falls, Minn., narrowly escaped drowning last week when their boat upset in the breakers, five miles off Marathon, Fla. Clinging to their capsized boat they were finally sighted and rescued by members of the U. S. Coast Guard, attached to the lighthouse on Sombrero Reef, scene of many a wreck in days past. Their boatload of fish, as well as their spare motor, tools and tackle went to the bottom of the Atlantic.

his credit as a result of dumping 20 points through the hoops in last Friday's game at Addison.

In the initial period Tecumseh was on top 6 to 4 and in the second period racked up 15 points. Addison came back with four in the second. At the end of the third period the score was 29-19 and up to the last four minutes of the game Jim Elston gave the Panthers an extra five points, cutting the Indian lead to 34 to 26. Within a minute Tecumseh was on top 41-33 and at the sound of the horn another Panther score went through the basket.

McDowell has been marked as one of the outstanding players in the league. He uses his height to good advantage and has a technique for putting shots through the hoop.

Tecumseh hit seven out of 20 free throws while Addison made seven out of 23.

Candlestick Maker Does Not Have Son at U. of M.

ANN ARBOR—The butcher and the baker have sons and daughters at the University of Michigan but you'll have to substitute a candymaker for the candlestick maker.

A wide range of occupations for the parents of students at the University has been disclosed by a survey but the one needed to finish out the famed Mother Goose rhyme didn't appear. But there were enough electricians to show that the candlestick maker would have been represented if the nation still depended on that mode of lighting to any degree.

The students report the occupations of their parents on a registration card and the Statistical Service of Registrar Ira M. Smith's office has just completed a check.

The candymaker is listed along with such occupations as glove cutter, molder, pipefitter, dry cleaner, factory worker, motorman, miner, railroad brakeman and a host of other jobs.

"The analysis shows clearly that students attend the University from homes at all financial levels," Registrar Smith reported. "Approximately three per cent of the occupations listed for parents are in the unskilled category with only 27 per cent in the professional class."

Skilled workers make up 15 per cent of the parents. Owners and managers of businesses and what might be classified as officials make up 26 per cent of the parents. Some 15 per cent can be classified as holding clerical positions. Owners and managers of farms make up three per cent. Miscellaneous occupations which do not fit into any of the other categories make up the remaining 11 per cent.

Michigan Folk Helped By FSA

FEDERAL SOCIAL SECURITY PAID RESIDENTS OVER $70,000,000 IN '49

The people of Michigan have benefited during the past year to the extent of $70,958,213, which represents the national government's share in their state and local investment in health, education, and social welfare, according to a summary released today by J. K. Johnson, regional director of the Federal Security Agency with headquarters in Cleveland, Ohio. The figure of $70,958,213, Mr. Johnson said, includes payments under the federal old-age and survivors insurance program and is based on preliminary data on Michigan's participation in the various FSA programs. The operation of these programs is described in the forthcoming FSA annual report for the fiscal year ended June 30, 1949, to be issued by Federal Security Administrator Oscar R. Ewing.

"Even this substantial investment," Regional Director Johnson pointed out, "does not tell the whole story in terms either of people or of money, since it does not take account of certain nationwide FSA services which benefit every citizen of Michigan. These services are food and drug regulation, services to the State's educational system, supervision of federal credit unions, and public health services operated directly by the Public Health Service, such as quarantine and epidemic control.

"A total of 285,561 men, women, and children in Michigan benefited directly from federal funds added to Michigan's investment in health, education, welfare, vocational rehabilitation and social security. These citizens received individual benefits or services during the past year through Federal Security Agency programs operating in their own communities, most of them with the cooperation of both state and national governments."

"These direct beneficiaries," he explained, "include: children who get health care, or who are dependent or in danger of becoming delinquent; the needy blind; disabled men and women being rehabilitated into jobs; old people receiving assistance; and those receiving Federal social security benefits including both retired workers and the families of insured workers who have died."

"As for the investment of $70,958,213 itself," Mr. Johnson continued, "our accounting represents only the Federal share in the partnership. To complete the picture Michigan would have to add the own state and local funds which its citizens also use for these purposes. Only four of the major programs under the Federal Security Agency are administered entirely by the federal government. These are: old-age and survivors insurance, food and drug regulation, Federal credit unions, and Federal employees' compensation."

Farm Discussion Group In Meeting At Grange

Seventy members of the farm discussion group met at the Tecumseh Grange hall, Tuesday evening. The program topic was "Soils and Fertilizer" and Carl Roeser, representative of the American Agricultural Chemical Co. of Detroit, spoke interestingly and showed moving pictures of the manufacture of fertilizer.

The next meeting will be held February 7 when the subject for discussion will be "Seeds and Feeding," with Mr. Snyder of the Purina Mfg. Co., as the speaker. All farmers are invited to attend. Lunch will be served in conclusion.

It's A Pleasure To Sell QUALITY FOOD PRODUCTS

We have never regretted a resolution that we made very early in our nearly 100 years in the grocery business in Tecumseh.

We resolved NEVER to sell merchandise that was not quality merchandise.

We believe that our resolution has paid dividends year after year because we are now serving the third and fourth generations in many families.

Quality food products satisfy and satisfied customers are our biggest asset.

If you'd like to add your name to our satisfied customer list we'd be very happy to have you.

Children Now Flock To Church

ILLINOIS PASTOR DISCOVERS WAY TO MAKE YOUNGSTERS CHURCH-CONSCIOUS

The children of Bloomington, Illinois, have begun to go to church by the hundreds. The reason is the Second Presbyterian Church and its pastor, Dr. Harold Martin, who says he did it by "prayer and hard work." Another factor has been his youth choir program for all age groups, says Alberta Williams, Writing in McCall's for February, she tells how this unusual pastor has made his church a vital center of Bloomington community life:

"Eight-year-olds and teen-agers go to Second Presbyterian Church after school for choir practice and hang around to play and have fun. All this enthusiasm and activity have been generated without fancy equipment, without a big membership drive and without the side lines that some churches adopt to lure members.

"The answer is Dr. Harold Martin, pastor,—a stocky, square-shouldered man with graying hair and a friendly countenance somewhat reminiscent of the late President Roosevelt's. Dr. Martin came to Second Presbyterian during the depths of the depression. It had some 800 members, of whom about 200 adults would appear dutifully at Sunday services and 150 youngsters at Sunday school.

"Dr. Martin pitched in eagerly and ran smack into a wall of indifference. As a first move he tried to organize a men's club. He thought that through it he could arouse interest in doing something to help the young people of the community. The project was stillborn.

"Dr. Martin finally concluded that if the grownups wouldn't listen to him the children might. In 1937 he launched the program that has led to the vital thing his church is today. The first step was based on the simple fact that everybody likes to sing. He organized six youth choirs, one for every age group. He figured if he could get the young people into the church for choir practice he might soon have them feeling at home there. And it worked.

"The choirs led to other simple activities that children like: a Boy Scout troop, basketball teams, tumbling classes and other forms of athletics. It wasn't a sudden expansion but a steady growth. It was along about that time that Bloomington children began sneaking off to church.

"When the adult parishioners found that their children actually enjoyed hanging around the church, they began to inquire. They soon came under the spell of Dr. Martin's frank and genial manner. The men's club he had hoped for wasn't long in taking shape. Now the men's organization, which has a wide range of operation, is the financial mainstay of the youth activities.

"Today the Second Presbyterian Church has more than 1,800 active members of all social and financial strata. Each week finds the Sunday school classes attended by almost 800 children, a figure equal to the entire congregation when Dr. Martin took over. There is a full-time salaried director of religious education; but, more important, there are 50 regular teachers and 20 substitutes, who are conscientious volunteers. Equipment in nursery, kindergarten and primary rooms is comparable to that in good secular schools."

Measles During Pregnancy Is A Threat To Baby

ANN ARBOR — Mothers who have already had German measles are less likely to give birth to children with serious defects than those who contract the disease early in pregnancy, according to a University of Michigan doctor.

An attack of the three-day variety of measles during the first three months of pregnancy is known to cause congenital cataract, heart disease, deafness, and feeble-mindedness in babies, Dr. Ernest H. Watson, associate professor of pediatrics and communicables, points out.

The tragedy of babies afflicted with defects at birth caused by the mother's exposure to "German measles" first came to the attention of the medical world in 1941.

At that time, an Australian eye doctor named N. McAllister Gregg reported in the Ophthalmological Society of Australian Journal on "Congenital Cataract Following German Measles in the Mother."

The Australian doctor, besieged with an unusual number of cases of babies born with cataracts, began an investigation to determine the cause.

He discovered a relationship between the great number of babies born with cataracts, many of whom also exhibited heart disease, and the severe and widespread epidemic of German measles that occurred during 1940 around Sydney.

As a result of this discovery, Dr. Watson explains that an extensive program is now being carried on by pediatricians throughout the country to obtain data on cases of malformations at birth associated with many types of infection of the mother during early pregnancy.

SCHOOL BUILDING PLANS ARE U-M PARLEY TOPIC

ANN ARBOR — School building programs will be the topic for study at a series of six informal conferences at the University of Michigan in February and March.

The conferences are being held at two-week intervals, and school superintendents, school board members and school architects have been invited to attend. Conferences are scheduled for Feb. 1, Feb. 15, Mar. 8, Mar. 15, and Mar. 29. Subjects for the meetings will be school bond issues, selection and payment of architects and contractors, securing public support for building programs, and problems of heating and light.

Programs for the conferences are being planned by the University's School of Education and Bureau of School Services.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist Church School will meet Monday evening, February 6, at the home of Mr. and Mrs. Fred Bryan of Britton, for a potluck supper at 6:30. Mr. and Mrs. Dow Bilby are in charge of the program.

AT COUNTY BANQUET

Members of the Baptist Youth Fellowship and their sponsors, Mr. and Mrs. Cliff Curran and the Rev. B. O. Bashore, attended the B. Y. F. Lenawee Association banquet and rally at the Rollin Baptist church, Thursday evening. The Rev. Homer Schaefer of Battle Creek was the guest speaker.

Entrance Requirements Revised At U. of M.

ANN ARBOR—Revised entrance requirements of the Schools of Music and Nursing at the University of Michigan will permit greater flexibility in the high school student's choice of electives, Dr. Clyde Vroman, director of admissions, has explained.

The revised requirements were recently approved by the Board of Regents and are effective for applicants for admission to the two schools for the second semester. The changes were made in order to assist the high schools in their problem of preparing some students for college and other students for careers in other fields.

New entrance requirements of the School of Music place special emphasis on the student's advance preparation in music. Each applicant must present evidence of ability and skill in music sufficient to indicate probable success in the School of Music. This evidence may be from the high school record and also partly from other sources, since music is often studied outside school.

High school units of study required for admission to the School of Music are three units of English; a minimum of seven units in the social studies, foreign languages, science or mathematics, or any combination of these; and enough additional units in other subjects accepted by the high school toward graduation to make a total of 15.

The applicant for admission to the School of Nursing is also expected to present 15 units of high school credit. Three of these must be in English, one in chemistry, one in algebra and one in other mathematics. Four units may be selected by the student from the sciences, foreign languages, social studies, or additional English and mathematics. Five other units may be any subjects which the high school accepts toward graduation.

HOLLOWAY

Districts 2 and 3 P.T.A. of the Holloway School will meet Friday evening. There will be a representative from the Boy Scouts who will talk on organization of a Cub Scout group. The entertainment committee will be Mr. and Mrs. Raymond Kahle, and Mr. and Mrs. John Starkey. Each family is asked to furnish sandwiches, jello, cookies or fried cakes and their own table service.

The Raisin Sewing Circle will meet Friday afternoon with Mrs. Amiel Wellnitz. Each member is asked to bring material that can be used for a new quilt. A new attendance contest is being started at this meeting.

The choir of the Holloway Presbyterian church will meet Thursday evening at 7:30 with Mr. and Mrs. Clark Sinclair.

Mr. and Mrs. Elmer Struyk of Port Huron came Sunday evening to the home of Mr. and Mrs. Edward Mitchell. They were returning from spending a month in Florida.

Mr. and Mrs. Edward DeGroot called on Mrs. Edna Wilmoth of Plymouth on Sunday forenoon and spent the rest of the day as guests of Mr. and Mrs. H. D. Palmer.

The junior choir of the Holloway Presbyterian church will be organized Saturday afternoon at 2 o'clock. All children between the ages of seven and 14 are invited to attend. Mrs. Paul Kopke will direct.

Mr. and Mrs. Ken Kopke and Mr. and Mrs. Walter German spent the weekend with Mr. and Mrs. Joe Glenn and family of Wayne. The birthdays of Mrs. Joe Glenn and son Gerald were celebrated.

Mr. and Mrs. Harry Edwards spent the weekend at the home of Mr. and Mrs. Wilson Edwards of Toledo.

District Rebekah Meet Held Here On Thursday

Mrs. Eva Beevers, president of Rebekah District No. 10, entertained the district executive board at her home, Thursday, assisted by Mrs. Florence Kopka, a past noble grand of the Tecumseh lodge. Pink snapdraggons and white chrysanthemums, presented by Mrs. Goldie Topps, and yellow daffodils, given by Mrs. Audrey Glancy, decorated the long table at which dinner was served at noon.

Officers present were Mrs. Audrey Underwood of Britton, vice president; Mrs. Gladys Cazier of Ypsilanti, secretary and Mrs. Lena Britton of Dexter, treasurer. Other guests included Mrs. Mary Mitchell of Palmyra and Mrs. Gladys Law of Blissfield, noble grand and vice grand of the Blissfield Rebekah lodge; Mrs. Eva Moore and Mrs. Elsie McMahon of Blissfield, Mrs. Hazel Thayer of Ypsilanti, Mrs. Claribel Rodd of Dundee and Mrs. Lena Wilke of Ann Arbor, all past presidents of the district.

During the business session, the program for the district meeting to be held in Blissfield April 24 was arranged.

Indian Snappers To Meet Monday Evening

The Indian Snappers Club will meet Monday evening, February 6, at the Tecumseh Camera Shop. Walt Weisinger of Adrian, guest speaker, will explain the various types of lens, such as telephoto and wide angles. He will also display several of his photographs.

Members are urged to bring a 5 x 7 duiltone print to enter in the contest. Regardless of whether it wins a prize or not, each entry is awarded points.

Leon Rosacrans will show his "Main Street" movie at the March meeting.

RHEUMATISM, ARTHRITIS GONE
Full Credit to O-JIB-WA

We urge every sufferer from Rheumatism and Arthritis to read the following testimonial of Mrs. Anna Wyers of 833 S. State Street, St. Ignace.

"I started taking O-JIB-WA BITTERS upon recommendation of a friend and my local druggist, and can truthfully say that no other medicine has helped me so greatly. For over three years, I was in awful shape with Rheumatism and Arthritis, and I honestly thought I would never get better. The pain and stiffness was in my feet, hands and arms and was so bad that I had to hire a woman to care for me."

Mrs. Anna Wyers

Results in Three Weeks

"O-JIB-WA BITTERS really did the work. I began to see a change in just three weeks. I continued to improve until, 4 months later, my rheumatism and arthritis were completely gone. Today I am entirely free of pain; feel better than I have in many years and can again do my own housework. I have recommended O-JIB-WA BITTERS to many friends, all of whom report good results."

Sufferers—give O-JIB-WA BITTERS a chance to help you. Available in three economical sizes at all leading drug stores in Michigan.

Episcopalians Launch Program

ST. PETER'S TO COOPERATE IN NATION-WIDE EDUCATIONAL CHURCH PLAN

A nation-wide campaign of education is being inaugurated throughout the Episcopal church, to inform all its members about its new program of greatly enlarged activity in christian education, in missions at home and overseas, in social relations, and in all the other phases of the church's national and world program.

Members of St. Peter's church here, led by the Rev. Allan L. Ramsay, are planning full participation in this national, churchwide, campaign.

Laymen are to have prominent roles in the campaign, and already more than 1,600 men have volunteered to take special training in preparation for telling the story of the church's plans to vestries and other groups of laymen in all parts of the country. This is believed to be the first time any comparable number of laymen have engaged in such an enterprise for the church.

On January 4, men from St. Peter's church attended a dinner meeting in St. Paul's church, Jackson to hear the Rt. Rev. Richard S. Emrich, D. D., and Mr. Edmund Miller, of Dayton, Ohio, present the program in which the people of the Diocese of Michigan will participate. Those present were W. Hugh Browne, Russell Cooper, Glenn Driscoll, Donald Goddard, Lester Rogers and the Rev. Mr. Ramsay.

Also it is believed to be the first time that any church has organized an intensive campaign of education that can touch every man, woman, and child in its membership. The Episcopal plans call for a study through January of the church's missionary work overseas, including the work of relief of christian war-sufferers in Europe and Asia, and the resettlement of displaced persons in this country.

During February a similar study will be made of missions in this country, and in March the study topic will be "Know Your Church," supplying information about the church itself.

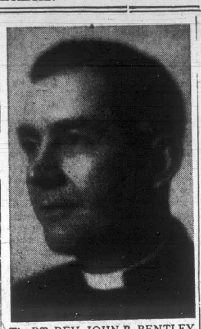
On March 12, the Rt. Rev. Henry Knox Sherrill, presiding bishop of the Episcopal church, will address all Episcopal congregations, which will hear him by means of radio receiving sets placed in the churches, so that at a certain moment during the regular Sunday morning service, the presiding bishop's voice will tell of the needs and opportunities offered to the church at this critical period in the world's history. The address will be broadcast on one of the largest radio networks ever arranged for a religious program.

The enlargement of plans in all departments of the Episcopal church's work is to be provided for by a greatly increased financial budget. The general convention which met in San Francisco last autumn, adopted a budget of $5,634,617 for the year 1950, and the same amount for 1951 and 1952. The budget for 1949 was $3,650,000, so that the increase is nearly two million dollars. In its budget statement the general convention said officially that "It is no mere platitude to declare that we are living in an age of crisis. The Christian faith is being besieged from without by a militant, assured, relentless, and aggressive secularism. It is betrayed from within by inertia, indifference, neglect, frustration, and self-complacency." The great campaign of education now being started is to assure that Episcopal church members everywhere will support the whole plan, and the budget to make it possible, so that the church may face the situation stated by the convention, and do its utmost something about it.

Fatted Calf

"I wonder how Thanksgiving originated?"

"It was probably instituted by parents whose sons had survived the football season."



The RT. REV. JOHN B. BENTLEY former Bishop of Alaska, now vice-president of the National Council of the Episcopal Church and Director of its Overseas Department, who is one of many Church leaders participating actively in a church-wide educational campaign, looking toward expansion of many phases of the Episcopal Church's program of work at home and overseas.

AMERICANISM PROGRAM

An interesting program on the subject "Americanism" will be presented by Mrs. Mae Dickinson at the regular meeting of the American Legion Auxiliary, to be held Monday evening, February 6, in the Legion Home at 8 p.m. A 100 per cent attendance is desired.

Mrs. Lillard Brown is in charge of the entertainment and refreshments.

Reason For Refusal

Clerk—I'm afraid I can't let you have that drug, sir.

Customer—Why not? Do I look like a man who would kill himself?

Clerk—Well, I wouldn't go so far as to say that, sir; but if I looked like you I should be tempted.

Last Straw

"I see your daughter's come home again, Mrs. Griggs," said Mrs. Miggs, her English neighbor.

"Yes," replied Mrs. Griggs, "she put up with 'er husband resting 'is feet on the mantel-piece and singing in the bathroom, but when 'e tried to play 'er pancakes on the phonograph she packed up and 'ame home."

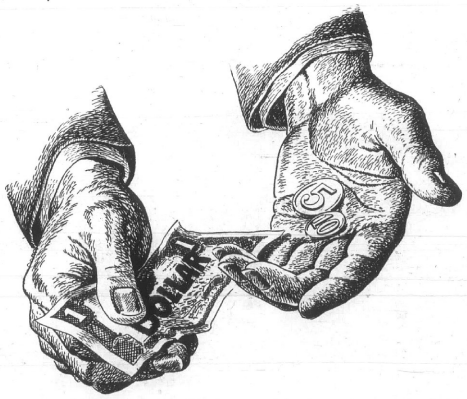
24-Hour Film Service — Cameras and Supplies

Why Should a Dollar's Worth of Travel Continue to Cost You $1.15?



"IS THIS TRIP NECESSARY?" you were asked in 1941, when every inch of space was needed for troops and war supplies.

To discourage travel then, a tax was added on your travel dollar, a tax that grew to 15% during the war. The Federal Government collected it through the railroads. The Government still collects it, though your travel need not be rationed now.

Today, the original purpose of this tax is as obsolete as an Air Warden's helmet. But, four years after the war's end, YOU are still paying the Government at the rate of $250,000,000 a year in travel tax.

And, of the billion and three quarters collected since 1941, *over half* came out of your pocket *after* the green light on travel went on again.

You don't have food rationing today . . . you don't have gasoline rationing today.

Yet, a very real brake is still being put on travel. On a coach trip from New York to Chicago, for example, YOU are still paying $4.61 in Federal tax.

And the same with the goods that are shipped to your home community. On every dollar you pay for freight, you pay the Government an extra 3 cents (4¢ a ton on coal). That means YOU are still paying over $300,000,000 a year *—freight tax alone.*

* * *

This tax should be repealed NOW. There is no longer any reason you should pay $1.15 for every dollar's worth of travel . . . $1.03 for every dollar of railroad freight.

Need For Citrus Fruit Told By Health Dept

With the increase in the cost of both fresh and canned citrus fruits Michigan homemakers will be especially interested in a new pamphlet prepared by the Michigan Department of Health—"Vitamin C Calendar for Michigan."

For proper development of blood, teeth and bones, to strengthen the walls of the blood vessels and to prevent scurvy, everyone needs to eat each day a quantity of Vitamin C equal to that in a large orange or a half grapefruit.

Vitamin C can be obtained from the citrus fruits such as oranges, grapefruit, lemons, limes and tangerines but it is also supplied in large amounts in Michigan tomatoes and many other foods grown in Michigan.

The "Vitamin C Calendar" shows the best Vitamin C sources among foods grown in Michigan, according to the month in which the foods are available. For instance, during January and February, one can get Vitamin C from properly stored cabbage, onions, potatoes, rutabagas, sauerkraut, tomatoes, apples and either quick frozen or canned berries. The calendar also gives some facts about Vitamin C, the quantities available in the Michigan foods in comparison with the daily needs of the human body, and methods of preparing foods containing it.

The pamphlet may be obtained from the local health departments throughout the state, or where there is no local health department, from the Michigan Department of Health, Lansing 4, Michigan.

Polio Fund In Excess Of $500

ROTARY CLUB HOPES TOTAL WILL REACH $1,000 BY FRIDAY NIGHT

Tecumseh's March of Dimes campaign which will conclude on Friday evening with a dancing party at the American Legion Memorial Home, is meeting with success and there is every likelihood that the goal of $1,000 will be reached, Mel G. Partridge, chairman of the Rotary-sponsored fund raising event said today.

The dancing party at the Legion Home is sponsored by the Rotary Club and tickets for the event are $2 per couple. Mr. Partridge said that there would be no expense to the dance, the Legion having donated the use of the ballroom and the music is being furnished without cost by the Tecumseh Products Chieftains. Tickets for the dance are selling very well, he said.

Glen H. Kohler, sub-chairman under Mr. Partridge, said today that over $500 already has been subscribed in the drive. Of that amount, he said, $165.05 is in special donations from organizations and individuals and the balance is from the sale of tickets to the dance.

"There are several Rotarians who have tickets who have not yet reported on their sales, and I am hopeful that the dance will net well over $400," Mr. Kohler said. "If we raise $400 or $500 through the dancing party and special gifts continue to come in we should not have any difficulty in meeting the $1,000 goal."

Kohler pointed out that there are over 100 canisters in the several stores and offices in Tecumseh which last year netted over $400 for the fund. He is hopeful that this year's gifts will be as large.

Infantile paralysis in 1949 took a heavy financial toll in the county and funds were badly depleted, County-wide, an effort is being made this year to replenish the fast-dwindling treasury.

Hint 2 Tickets In Village Race

PROGRESSIVE PARTY MAY FACE OPPOSITION FOR FIRST TIME IN YEARS

For the first time in years, the Progressive Party may face opposition at the polls here in the March 13 village election, rumor had it today. While caucus notices need not make their appearance until Friday or Saturday, 10 days before the final date for holding such a meeting, it was learned today that the Peoples Party is planning to caucus and that it will place a complete slate in the village election contest.

With the approaching election the terms of Marvin Watkins as village president, and Glenn Driscoll, Bert Oosterhout and Clarence Beach, council members, expire. Also, the terms of Wade L. Jones, clerk, Charles Fay, treasurer, and John Saling, assessor, conclude. It is understood that Mr. Driscoll and Mr. Oosterhout will not seek nomination when their party caucuses. All present office holders were elected on the Progressive ticket.

The terms of George McCombs, Ray Sluyter and Archie Porter, members of the council, do not expire with the coming election.

Who will head the Peoples Party ticket this year could not be learned today. It was said, however, on good authority that nominees for all of the offices would be chosen at a caucus to be held before the February 21 deadline.

Another rumor had it that there might be a third party in the field here, but this could not be confirmed.

Local Safety Program To Be Broadcast, Feb. 11

The Tecumseh Schools were honored by having the first of a series of programs on the Lenawee County Safety Campaign recorded in the Central Building, Thursday, February 2. The half-hour program will be broadcast from station WABJ, Saturday, February 11, at 5 PM.

The program consists of a safety quiz in which one child from each of the grades from one through six competed. Prizes of money and pencil sets as well as theatre tickets were awarded the winners. The pupils who competed were as follows: Joyce Andrews, first grade; Lee Britton, second grade; Sandra Ross, third grade; David Elliott, fourth grade; Nicki Tourborg, fifth grade, and Shirley Larned, sixth grade.

Mr. and Mrs. Fred Marsh To Observe Anniversary

Mr. and Mrs. Fred Marsh will be guests of honor at an anniversary celebration arranged by their daughters and families, Saturday, February 11, commemorating their 50 years of married life. Open house will be held from 2 to 4:30 and 7 to 9 o'clock at the Marsh home at 108 East Kilbuck street.

Iva Hanna and Fred Marsh were married February 10, 1900, at the home of her parents on South Ottawa street by the Rev. William J. Jones, pastor of the First Presbyterian Church, and have made Tecumseh their home since. Both Mr. and Mrs. Marsh are enjoying good health.

Officers Named By Monday Club

MRS. TRUMAN RENTSCHLER IS NEW PRESIDENT SUCCEEDING MRS. GODDARD

Mrs. Truman Rentschler was elected president of the Tecumseh Monday Club, when that organization met this week, February 6, at the home of Mrs. E. J. Aebersold. Other officers named are: Mrs. Aebersold, first vice president; Mrs. Earl Wood, second vice president; Mrs. Lynn Hubbard, recording secretary; Mrs. Veva Connor, treasurer; Mrs. Ted LaBounty, corresponding secretary; Mrs. Don Goddard and Mrs. Joe Rice, executive board.

In the absence of the president, the first vice president, Mrs. Rentschler, presided at the business meeting. Forty-one members and guests were in attendance. Mrs. Ellsworth Collins gave a religious thought and Miss Edith Ingersoll related several interesting current events. Letters of thanks were read from Mrs. R. E. Spencer for the club's contribution to the March of Dimes and from Mrs. John Thompson, president of the Tecumseh Welfare committee. A brief talk on legislation was given by Mrs. Guy Pocklington.

Reports were heard from Mrs. Edward Boss, who said articles of clothing or food for overseas shipment could be left at the public library within the next two weeks; the committee investigating the removal of the public rest room and the scrap book committee.

Members of the Monday Club acted as hostesses at the Lenawee County Federation meeting of Women's Club held in Adrian, yesterday, February 8.

Mrs. Ted LaBounty, program leader, presented Mrs. Fred C. Dickinson who gave a most interesting lecture on the lives of three poets, namely, Robert Frost, Carl Sandburg and Edna St. Vincent Millay. The speaker also read some of their works.

Tea was poured by Mrs. R. H. Hewlett and Mrs. Ted LaBounty. The co-hostesses were Mrs. Faye VanValkenburg, Mrs. Glenn VanDenbergh, Mrs. Margaret Kidman, Mrs. Burtsel Claus and Mrs. Kennard Wise.

The Past Presidents of the Monday Club met last week at the home of Mrs. Fay Whelan. The business meeting was conducted by the President, Mrs. Guy Pocklington, and refreshments were served.

Misplaced Signature On An Automobile Ad Disrupts Phone Service

To err is human and mistakes are pardonable if they are honest mistakes.

But for a newspaper to attach the wrong signature to an advertisement . . . . especially the signature of a competitor . . . . well, that's different, in the public's eye, even though its an honest mistake.

The Herald made such an error in last week's issue. The signature of Ray Weatherman, Inc., Plymouth-DeSoto dealer, appeared on a Pontiac advertisement of the G. H. Fisher Pontiac Motors.

The issue had hardly "hit the street" before the telephone started to ring in The Herald office. It continued to ring throughout the day and into Friday. Everybody wanted to tell The Herald that it had made a mistake.

The Herald appreciates its reader interest. The newspaper is grateful for the many, many telephone and personal calls that it received. It is understood that Mr. Weatherman and Mr. Fisher also received many calls in connection with the "misplaced signature." But everybody was good natured.

The Herald, naturally, regrets the error. However, the newspaper is firmly convinced that neither Mr. Fisher, Pontiac Motors or Ray Weatherman, Inc., will ever receive more true advertising value for their money than they did from the "ad with the wrong signature."

Incidentally, the advertisement with the proper signature is printed in this issue.

Winning Indian Debaters

Left to right, David Green and Bill Morris, top, Marilyn Lindsley and Tom Everlove, members of the winning debate team at Tecumseh High School. The Tecumseh team is now entered in the state contest for final honors.

396 NEW BABIES BORN IN 1949 HERE

Tecumseh added new babies to its population by more than one a day during the year 1949, according to a compilation of the birth records just completed at the office of Wade L. Jones, village clerk.

During the past year, the records show, 396 babies were born in Tecumseh, ten more than were born in 1948.

However, the local birth rate dropped in January, Mr. Jones said. Last month, 26 new babies arrived as compared with 33 in January of 1949.

Vesper Service To Be Presented

GUEST SOLOISTS TO MAKE EVENT MEMORABLE HERE ON SUNDAY

The choir of St. Peter's Episcopal Church will present a vesper service of music on Sunday, February 26, at 5 p.m. To make the event of greater interest to the entire community, Carl Christensen, tenor, soloist at Christ Church Cranbrook, and Dr. James Spencer, director of music, Adrian College will appear as guest artists.

Dr. Spencer, widely known in the musical world both as an artist and composer, will play the organ accompaniment for the entire service, and will contribute solo numbers. Mr. Christensen will sing a generous and diversified program, including a recitative and aria from "The Messiah" by Handel, "Hear My Prayer, Oh Lord," by Dvorak, and "Oh Lord Most Holy" by Cesar Franck. The choir and junior choir of St. Peter's church will sing selected anthems. The entire program will be published the week of the service.

The vesper service is a voluntary project of the choirs of St. Peter's church, and the entire proceeds or the offering will be for choir vestments and music.

Funeral Services Held For Mrs. Lucinda M. Shafer

Funeral services were conducted Friday afternoon from the Stockwell Funeral Home in Morenci for Mrs. Lucinda M. Shafer of Tecumseh who died suddenly last week Tuesday after suffering a cerebral hemmorage. The Rev. Mr. Swain of Fayette officiated and burial was in Oak Grove cemetery. The bearers were Clarence Pummell, Harold Strayer, Clifford Taylor, Gene Kafer, John Ferris and Roscoe Ferris.

Born September 9, 1891, in Wauseon, Ohio, the daughter of Elias and Artie Funk, Mrs. Shafer had lived in Tecumseh for three years. She was a member of the Church of Christ at Wauseon, Ohio, and was highly esteemed as a christian by all who knew her.

March 3, 1909, she married Dan Shafer, who survives. Also surviving are three daughters, Mrs. Estill Joughin of Morenci, Mrs. Robert Swope of Litchfield and Mrs. Leroy Leininger of Fayette, Ohio, and seven grandchildren.

ELECTED TO BOARD

J. H. Rohweder was re-elected and Paul Breitenwischer and P. G. Colgrove were named to the board of directors of the Tecumseh Country Club at a stockholders meeting, last Thursday evening. Some 200 members attended the meeting which was preceded by a dinner. After the business session dancing was enjoyed.

Hi Debaters Win At District Meet

TECUMSEH ON WAY TO STATE ELIMINATION HONORS; U. M. PENNANT SAFE

The Tecumseh high school debate squad was unanimously named the winner in the district elimination tournament held last Thursday at Saline high school. This year's varsity squad is composed of one junior, Tom Everlove as first affirmative, and three seniors, Bill Morris as second affirmative, Marilyn Lindsley as first and David Green as second negative. However, Miss Lindsley withdrew herself as Tecumseh's first negative in favor of Mr. Morris since the latter and Mr. Green have the most debate experience, three and four years respectively. Therefore, it was Mr. Morris and Mr. Green who actively represented the school and civic community at Tecumseh's meet, but it was the "esprit de corps" of all four teammen which spelled the day's complete success. Duane Furbush is the debate coach.

The purpose of each district tournament is the elimination of all but one school from each of the eight districts throughout the lower peninsula. The hostess for this district last week was Mrs. Haswell of Saline high school's Speech and English department.

In the first of the three rounds of the elimination tournament the following teams were opposed: Saline vs. Romulus, Waterford Township vs. Roosevelt-Inkster, St. Clair Lakeshore vs. St. Clair Lakeview and Trenton vs. Tecumseh.

Indians Down Summerfield

TECUMSEH CAGERS ON WINNING STREAK; MEET MORENCI, FRIDAY

The Tecumseh Indians downed Summerfield at Petersburg Friday evening, 60 to 41. Indian Forward Doug McDowell set the season's highest scoring mark by getting 28 points. Friday (tomorrow) evening the Indians meet Morenci on the local court.

The game was rough and fast all the way, but Tecumseh had the advantage in the score. In the first quarter the Indians outscored the Summerfield Bulldogs 11 to six. Summerfield's ace, Woolford, was held to nine points but Wohlgemuth made up for this by getting 14.

The game was clean with only 26 fouls being called. Tecumseh had 12 chances at free throws and made six while Summerfield had 14 chances and got nine. Tecumseh was always in the lead. At half time they were on top 27-19. At the end of the third quarter the Indians were still on top 40-29. In the final frame the Indians put on a burst

Interest Grows In Camera Club

LARGE ATTENDANCE AT MEETING WITH ADRIAN SPEAKER; PROGRAMS PLANNED

Steadily increasing in popularity, the Indian Snappers Club enjoyed its largest attendance since its founding, at the Monday evening meeting, held in the Tecumseh Camera Shop.

Walt Welsinger of Adrian was guest speaker and thrilled his audience with a display of colored and black and white prints which he had taken. Those of his young son posing as "Jack Frost" painting the leaves and pumpkins, in color, were especially appealing. Mr. Welsinger discussed various kinds of lens, such as wide angle and telephoto. His talk proved educational and the club has invited him to meet with them again when he will show pictures of northern Michigan.

In the print-of-the-month contest D. C. Smith won first and second prizes and Mable Lockwood took third. A movie, "The Shortest Way Home" was shown and much enjoyed by the audience.

At next month's meeting Leon Rosacrans will show his "Main Street" movie. An even larger attendance is expected for that meeting. All persons interested in photography are invited to attend.

Fire Destroys Britton House

Fire completely destroyed the 68-year-old farm home of the late Cyrus Smith, located one and one-fourth miles northeast of Brittop, and its furnishings, early Tuesday morning. The loss was partially covered by insurance.

Mrs. Jennie Smith, widow of Cyrus Smith, awoke about 4:30 a.m., and smelled smoke. Firemen from Britton and Ridgeway were summoned immediately but were unable to control the flames. They diverted their efforts to save other buildings which were threatened by the intense heat. The fire started on the roof, evidently when the chimney burned out. The house burned to the ground.

Mrs. Smith and the hired man, Roy Selleck, lived in the house. Mrs. Smith is now at the home of her son, Stanley Smith in Britton.

The house was known as one of the finer farm homes and was a landmark in the Britton vicinity. It was built by George Smith, father of Cyrus Smith, 68 years ago. Mr. and Mrs. Cyrus Smith had lived there all their married life.

Say Village Will Again Operate A Rest Room

The Village of Tecumseh will place in operation a public rest room for women as quickly as a suitable location can be found and funds become available, the council informed a committee from the Monday Club, Monday evening, during its regular meeting. The club committee named to investigate the closing of the rest room in the Council Building some months ago, was made up of Mrs. Guy Pocklington, Mrs. Fred Marsh and Mrs. A. W. Porter.

The Council Building rest room came into existence after the late Mrs. Helen Sheridan in her will in 1924 left nearly $1,200 to the village to establish such a place. In 1927 the rest room was opened in the building and was operated until less than a year ago when it was closed and the room was given over to the police department for offices.

The council named Lester C. Rogers and Al Hammond as members of the board of review. Meetings of the board will be held this year on March 7, 8, 13 and 14.

Council adjourned its Monday session until February 20, the end of the fiscal year for the village.

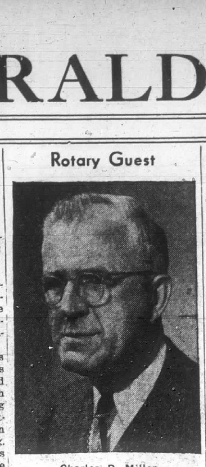
MRS. C. A. SLAYTON BURIED IN BROOKSIDE

Funeral services were conducted Friday afternoon from the Green Funeral Home for Mrs. C. A. Slayton, who died January 31. The Rev. Donald C. Wilson officiated and burial was in Brookside cemetery. The bearers were John R. Thompson, Glenn VanDenbergh, D. F. Wright, Geo. H. Adamson, F. C. Dickinson and H. H. Hanna. Relatives and friends attended from Toledo, Detroit, Lansing, Adrian, Holloway, Tecumseh and vicinity.

FARM BUREAU MEETS

The Tecumseh - Raisin Farm Bureau will meet Monday evening, February 13, at the home of Mr. and Mrs. W. L. Becker, at 8 o'clock.

Rotary Guest



Charles R. Miller

Charles R. Miller of Detroit, district governor of Rotary International, was the guest speaker at the regular dinner meeting of Tecumseh Rotary, Tuesday evening at the American Legion Home. Gov. Miller emphasized the importance of Rotary in the scheme for world fellowship and praised the Tecumseh club for its civic activities.

25th Anniversary Is Marked By Local Couple

Mr. and Mrs. Albert Jahn received congratulations from over 100 friends and relatives when they celebrated their 25th wedding anniversary with open house, Sunday afternoon, February 5, from two to five o'clock at their country home near Holloway.

The refreshment table was centered with an arrangement of pastel flowers, silver foliage and pink candles and the tiered wedding cake was decorated in silver. Mrs. John Lott, Mrs. Wesley Mast and Mrs. Hugh Browne assisted in serving.

Out of town guests enjoyed a buffet supper. Mr. and Mrs. Norman Cosner, daughter and husband of Mr. and Mrs. Jahn, and Mrs. T. R. Reader of Beaverton, sister of Mrs. Jahn, were among the guests. Others attended from Dayton, Ohio, Detroit, Roseville, Grosse Pointe, Adrian, Palmyra, Holloway and Tecumseh.

New Flower and Gift Shop To Open Here on Friday

A new flower and gift shop, to be known as the Parkside Floral and Gift Shop, will be formally opened here tomorrow and Saturday by Mr. and Mrs. William Caruso. The location of the new enterprise is at 110 South Maumee street.

Mr. Caruso formerly resided in Detroit where he did floral designing. The new shop will specialize in cut flowers and potted plants, and a complete line of gift merchandise.

There will be special favors for the ladies who visit the shop at the opening, Friday and Saturday.

Products Cagers Tied For Jackson League Honors

The Tecumseh Products cagers hopped up into a tie for first place in the Jackson City Basketball League, when they defeated the league leaders, Shore's Bar, 52 to 45, Monday evening. It was the first loss for Shores.

Gunder was high man for Products with 25 points. He shot 13 free throws without a single miss. Costigan also played an outstanding game.

Holy Week Meetings Planned In Tecumseh

Street meetings during Holy Week will be sponsored by the Tecumseh Ministerial Association, from 12:30 to 12:50, Monday thru Thursday in the downtown area, it was announced following a meeting of the ministers held Monday afternoon in the Friends church. The Good Friday service will be held in the Presbyterian church.

The decision for each church to conduct its own daily vacation Bible School was reached after much discussion.

MRS. R. S. MOORE ILL IN ST. PETERSBURG, FLA.

The condition of Mrs. R. S. Moore, who was taken seriously ill about ten days ago in St. Petersburg, Fla., where she is spending the winter with her husband, remains unchanged, according to word received here, Tuesday. Mr. and Mrs. Robert H. Moore flew by plane to St. Petersburg Thursday evening to be with his mother, who is a patient in St. Anthony hospital. Mrs. Moore had been in a coma for several days but Sunday realized the family was with her and inquired about others here.

Church School Is Dedicated

ADVENTISTS HOLD SERVICE IN CONNECTION WITH HOWARD BENEDICT SCHOOL

The Howard E. Benedict Memorial School, located near M-52 on the Ives Road, was dedicated in a service held Saturday, February 4, in the Seventh-Day Adventist church in Adrian, with members of the Adrian, Morenci and Prattville churches in attendance. Mrs. Zelma Benedict of Coopersville was given special recognition when she learned for the first time that the school had been named in honor of her husband, Howard E. Benedict, designer and builder of the building, who was fatally injured in a traffic accident the opening day of the school.

Elder G. E. Hutches gave the invocation and Elder J. C. Klose led in prayer. Mr. and Mrs. Rex Wolf sang a vocal duet "Calling Thee." Elder Hutches delivered the dedicatory sermon followed by a trio composed of James Davis and Mr. and Mrs. Wolf singing "Have Thine Own Way, Lord." The benediction was offered by Elder Klose.

Distinguished visitors included Mrs. Benedict, Elder and Mrs. Hutches of Lansing, Elder and Mrs. A. K. Phillips of Jackson, Elder and Mrs. Klose of Ann Arbor, Mr. and Mrs. James Owen of Detroit, Ralph Benedict of Battle Creek and Miss Beverly Benjamin of Battle Creek.

The need for the new school was first discussed when the Church School board met on January 11, 1949. Over $4,000 was raised in April toward the new project and May 3 the eight-acre wooded tract where the school is located was purchased. May 22 the actual building of the church school began and on September 5 it opened for the first time. The entire school project is debt free. Twenty-six students are now attending the school and are served hot lunches at noon.

Mrs. Matie M. Luce, 64, Is Buried at Tipton

Funeral services were held Sunday afternoon from the Tipton Community Church for Mrs. Matie M. Luce, aged 64, who died Thursday at 8:30 p.m., at her home one mile east of Tipton. The Rev. W. N. Taylor officiated and burial was in Tipton cemetery.

Born in Franklin township, the daughter of the late Mr. and Mrs. Eugene Smith, Mrs. Luce had lived in the Tipton area all her life. She had been in failing health for the last three years.

Surviving are her husband, Howard, two daughters, Mrs. Lorraine Edwards and Mrs. Ivah Lazo of Miami, Fla., a sister, Mrs. Sylvia Roberts of Onsted and five brothers, Fay, Wesley and John Smith of Adrian, Alfred of Onsted and L. O. Smith of Tipton.

Free Golf Lessons To Be Given To Club Members

Demonstration golf lessons, free to members of the Tecumseh Country club and their families, will get under way on Monday evening, February 13, at the club house, Leo Bishop, professional, announced today.

The demonstration lessons are open to golfers between the age of 12 and 90 years, Mr. Bishop said, expressing hope for a large crowd. The Monday meeting may take the form of an organizational session with the formation of classes for future meetings. Monday's meeting will start at 7 o'clock.

SUPERINTENDENT'S MOTHER BURIED IN JACKSON

Funeral services were held Saturday afternoon from the Patience-Montgomery Funeral Home in Jackson for Mrs. Harriett Cooper, 82, of that city, who died Thursday, February 2, after suffering a stroke January 31. Mrs. Cooper was the mother of Earl Place, superintendent of Tecumseh schools, who survives with one and Mrs. Place and family and seven daughter, three sisters, one brother and three grandchildren. Mr. eral others from Tecumseh attended the services. Burial was in the family lot at Hanover.

DIES IN DETROIT

Funeral services were held Wednesday afternoon in Detroit for Mrs. Emma Swantek, 71, who died Sunday morning at Providence hospital in Detroit where she had been a patient for one week, following several months' illness.

Mrs. Swantek and her husband, Frank, moved from Detroit to Tecumseh about ten years ago and lived on the former John Saal farm northwest of town which they had purchased. She is survived only by her husband.

BURIED IN BELLAIRE

Funeral services were conducted Friday afternoon in Bellaire for Mrs. Maud Kittle who died last week Wednesday morning. Mrs. Kittle was a sister of Mrs. Ella Finney and Miss Bel Plummer of Tecumseh. Also surviving is an other sister, Mrs. Minn Krieger of Benton Harbor and a niece, Mrs. W. P. VanTuyle of Clinton. Mrs. Kittle had spent several winters in Clinton.

CONTROL OF SCARCITY

Reader's Digest recently carried a revealing article by Henry J. Taylor on British business methods. The point of it is that, even before the Labor government came to power, free enterprise as we know it did not exist in England.

Mr. Taylor said, "It has always been legal for manufacturers, middlemen and retailers each to fix prices among themselves and, further, for all of them together to fix and enforce prices collectively at every step along the line . . .

"Britain's system represents a control of scarcity."

The Portland, Oregonian, commenting editorily on Mr. Taylor's article, said, "There can be no free enterprise without competition."

It may be that post British economic policies were one reason why the country adopted socialism—government and business had been working together so long to control everything, at the expense of the consumer, that the people may have decided that they might as well go whole hog, in any event.

the contrast with this country is glaring. Here every manufacturer competes with other manufacturers, and if an opportunity occurs to cut prices, and so get more business, it is seized upon with enthusiasm. Every retailer, whether it be a chain with hundreds of stores or a small operation with but one, is constantly looking for ways and means to attract customers—including lower prices, better service, and other inducements. This spirit—the spirit of open competition—is the very heart of free enterprise. And it's one reason we have abundance when most of the rest of the world has scarcity.

BRITTON

Charles Lawhead is confined to his bed by illness.

Mr. and Mrs. Archie Spohr and Mr. and Mrs. Lee Keeling left Sunday for Florida where they plan to spend two weeks.

Sunday dinner guests of Mrs. Ethel Steel were Mr. and Mrs. Lester Isley and Mrs. Frank Pixley of Palmyra.

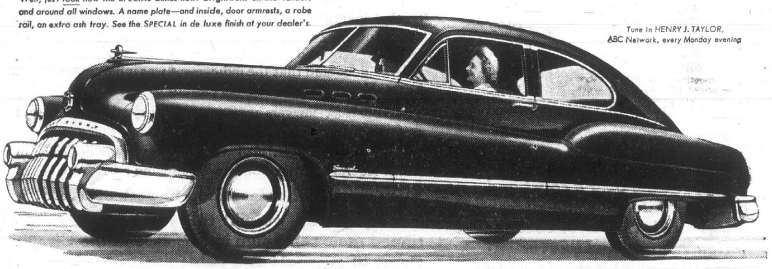
WHAT'S NEW IN THIS PICTURE?

Well, just look how the SPECIAL shines now! Brightwork on the fenders and around all windows. A name plate—and inside, door armrests, a robe rail, an extra ash tray. See the SPECIAL in de luxe finish at your dealer's.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening



Here's where Thrift and Glamor meet

Recognize this sprightly traveler?

Yes, it's the Buick SPECIAL 6-passenger Sedanet that has caught the public fancy not only on its sleek lines, but on its easily-reachable price.

But notice anything new on it?

That's right — gleaming trim and the name plate "SPECIAL" brightening up the fenders. Brightwork around the windshield and windows, too. And when you swing the door open you'll see still other touches of added luxury—side armrests, front and rear, a robe rail, an extra ash tray.

It's all still mighty thrifty, because this strapping straight-eight sells for less than many sixes.

Frugal in other ways too — gas mileage, for instance, is surprising so many people they are writing us in delight about it.

But here we've added extra glamor. Stepped up, at small step-up in price, the luxury look and surroundings of cars that would normally be much higher.

Why not drop in and see for your self, both how these added touches dress up this SPECIAL and how close it is in price to cars of much less room, riding comfort, standing and performance.

Your dealer will be glad to see you — glad to show you how this traveler handles—glad to sign you up for prompt delivery.

The Third Time The Anti-Trust Lawyers Were Wrong!

Is it a crime to give people more good food for their money?

For 90 years A&P has devoted all its energies to this end.

For many months now the anti-trust lawyers from Washington have been giving stories to the newspapers, making speeches and talking over the radio about this company.

They have been making serious and damaging allegations about the methods that enable A&P to give its customers better food values.

We have already told you about other times the anti-trust lawyers made charges against us that were proved utterly false in court.

In the left-hand column on this page you can read what the federal judges had to say about those two cases.

Now we are going to tell you about the third time a federal judge decided against the anti-trust lawyers.

What Has Gone Before

Today's ad is the third in a series telling about times the anti-trust lawyers made serious and damaging charges against A&P that the courts decided were not true.

In the first ad in this series we told you about the time the anti-trust lawyers charged that A&P, and other good American citizens, conspired to fix the price of bread in Washington.

These charges were false.

That was the time Federal Judge T. Alan Goldsborough instructed the jury to bring in a verdict of "not guilty".

It was the time he said to the anti-trust lawyers:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all.

"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."

But that was not the only time the anti-trust lawyers made such serious "allegations" against A&P which were false.

In our second ad we told you about the time in Wilson, North Carolina, they charged A&P's fresh fruit and vegetable buying subsidiary, and other good American citizens, with conspiring to fix and depress prices paid farmers for potatoes in North Carolina, Virginia and Maryland.

Here again, as in the Washington bread case, the charges were false.

This was the time Federal Judge C. C. Wyche directed the jury to bring in a verdict of "not guilty".

It was the time he said to the anti-trust lawyers:

"I have studied this case from the very outset. In my opinion there is no testimony produced from which it can reasonably be inferred that the defendants entered into a combination to depress or lower the price of potatoes.

"I might say that I never tried a case in my life where a greater effort, more work, more investigation had been done, combing almost with a fine-tooth comb to gather evidence, as was done in this case.

"But, as was said a long time ago, you can't make brick without straw, and you can't make a case without facts."

So here were two cases in which the anti-trust lawyers made seriously damaging charges against A&P, in which the judge decided that there were no facts to support those charges.

Today, we want to tell you about the third time—this time in Dallas, Texas—the court decided against the anti-trust lawyers.

The Dallas Anti-Trust Suit

In 1942 the anti-trust lawyers went out to Dallas, Texas, 1,400 miles from the homes of most of the defendants, and instigated criminal charges against A&P.

About this case one thing was sure.

Their previous experience did not deter the anti-trust lawyers from making more inflammatory and damaging allegations, just as they had done before.

They made practically the same allegations they are making today.

Federal Judge W. H. Atwell ruled that the case should not even be tried. He said that the indictment contained inflammatory statements that he would not permit to be presented to a jury.

Judge Atwell said to the anti-trust lawyers:

"If I thought I was presiding over a court and that I might have to sentence some person because he was a great big fellow, or because he was a Lilliputian, I would feel like resigning. God knows we don't want it ever to occur in America that the size is going to determine whether a man is guilty or innocent."

Judge Atwell also said to the anti-trust lawyers:

"If the indictment is not good then it is better to find out before an expensive trial than it is after an expensive trial. I do not think it is good, and thinking that, it is my duty to sustain the demurrers and motion to quash."

In short, Federal Judge Atwell threw the anti-trust lawyers and their case right out of his court.

So that makes three times that the anti-trust lawyers made damaging allegations against A&P. In two of these cases federal judges said they were all wrong. In the third case a federal judge said that the indictment was inflammatory and he would not even permit the case to be tried.

The anti-trust lawyers were not satisfied with the Dallas decision.

Neither were they satisfied with the two other decisions in which federal courts administered stinging rebukes to them.

They were still determined to destroy A&P.

In our next ad we will tell you how they continued their campaign in this case in the Circuit Court of Appeals and subsequent proceedings.

We will show you how, once again, they disagreed with the courts.

Everything that has happened since this suit was filed proves that the American people don't want A&P destroyed.

A deluge of letters from people in all walks of life and thousands of editorials in newspapers and magazines convince us that the public has faith in A&P.

The housewives of this nation, whose patronage has made this company big, are buying from us in increasing numbers and increasing volume.

Our suppliers, whom the anti-trust lawyers allege we have exploited, are rushing to our support.

Labor leaders, mindful of the fact that A&P employees enjoy the best wages, hours and working conditions, are taking a stand against the suit.

Even many of our good competitors, who the anti-trust lawyers allege are hurt by our competition, have taken ads to tell the public that they don't like this attack on A&P.

All this indicates that the American people realize that the suit to destroy A&P is really a suit against efficiency, against low prices and against real competition.

Apparently most Americans do not want to let the anti-trust lawyers in Washington blow the whistle on any businessman who does a better and more efficient job and grows big in the process.

No one can make them believe it is a crime to try to sell the best quality food at the lowest possible price.

WHAT DOES "TECUMSEH ACRES" MEAN TO TECUMSEH?

Upon completion of the project an additional 179 families with a total population of 600 people.

We have a total of twenty families to date with a population of 63 people.

The average age of the property owner is 25.

The average income per year coming entirely from Tecumseh factories and business places is $3,250.00.

Six of the twenty families now in Tecumseh Acres moved here from out of town, having resided in other localities.

The residents of Tecumseh Acres have purchased $188,950.00 worth of insurance from local agents.

They have purchased $1,200.00 worth of fuel oil from local distributors.

They have already purchased approximately $4,000.00 worth of new furniture from local furniture stores.

Each family in Tecumseh Acres buys from $20.00 to $30.00 worth of groceries each week from local grocery stores.

Because of the growth of Tecumseh Acres Mr. Brady has opened a grocery store in the area valued at approximately $9,500.00.

Upon completion of Tecumseh Acres, Tecumseh township and the Tecumseh schools will be $7,518.00 a year richer from taxes, the bulk of which will go to the schools.

Ten property owners in Tecumseh Acres who are employees of the Tecumseh Products Co. have received a total of $2,000.00 as a gift from Mr. Herrick upon the purchase of their home.

The company constructing the homes in Tecumseh Acres has purchased $75,000.00 in materials from local dealers, and has contracted for $35,000.00 worth of local labor to date. Mr. Barron, the manager of the Construction Company, says that proceeding at our present rate we expect to spend double these sums during the year 1950. The above figures do not include our land investment.

The cost of expansion by the Consumers Power Company in Tecumseh Acres to date is $5.000.00 This figure will be increased approximately $2,800.00 in the very near future.

Tecumseh Acres is the only subdivision in the Tecumseh area offering both 100% G. I. loans, and F. H. A. loans. We are also the only subdivision in this area offering all metal Youngstown kitchen cabinets, and tiled bath rooms.

Tecumseh Acres is one of the few subdivisions in the United States that can boast of a No. 1 F. H. A. rating.

Hi Debaters Win

(Continued from page 1)

The winners of this round were then paired off for the second round: Romulus vs. Roosevelt-Inkster and Lakeview vs. Tecumseh. Finally the victors of this round were opposed in the third and last debate of the day, Roosevelt-Inkster vs. Tecumseh.

The last round was held in the high school auditorium before an audience and three judges, who were Mr. Nadean and Mr. Deam of the University of Michigan Speech Department and Mr. Eastman, the debate coach of Michigan State Normal College at Ypsilanti. These judges sat at various vantage points and rendered independent verdicts.

The coaches of the second round victors met to determine which team would argue the affirmative and which the negative brief for the district championship. The Roosevelt-Inkster coach chose to have his twice triumphant affirmative team debate.

By the unanimous decision of the judges, the Tecumseh negative team was proclaimed the winner and was awarded the U. of M. pennant of honors in the tournament.

The district winners (one for each of the eight districts) will be matched every two weeks, with all losers being eliminated until the championship teams (last two winners in the lower peninsula) are selected. The championship debate will take place on April 28 and will probably be held in the auditorium of the Racham Building of Graduate Studies at the U. of M.

of speed and registered 20 points while Summerfield got 12. The final score was 60-41.

Lee Phibbs also turned in a fine game for Tecumseh by scoring 10 points.

In the reserve game the young Indians came up with a 31-17 victory over the Summerfield reserves.

CLUB HOSTESSES NAMED

The hostesses for the weekly Ladies Day at the Tecumseh Country Club, Wednesday, February 15 are Mrs. Charles H. Mensing, phone 186J, and Mrs. Willis G. Porter, phone 101J.

At last week's luncheon and card games 52 ladies were present. Mrs. W. T. Claxton and Mrs. G. E. Rogers of Britton, hostesses, announced the following winners: Canasta, first, Mrs. David Dick; second, Mrs. Vincent Haight; bridge, Mrs. Paul Keyser.

College Student To Aid Pastor at North Rome

James Simmons, a ministerial student at Adrian College, has been engaged to assist the Rev. B. O. Bashore at the North Rome Community Church. Mrs. Simmons, also a student at the college, will work with her husband.

Principally, Mr. Simmons will endeavor to increase the church and Sunday school enrollment by personal contacts and promoting activities within the church, thus making the church the social center for the rural community. Mr. Simmons has had considerable experience in this line of work.

The Rev. Mr. Bashore, pastor of the Tecumseh Baptist Church, will continue preaching at the North Rome church.

Round Table Discussion At P.T.A. Meet, Tonight

If you have any questions concerning the local schools, you can have them answered by attending the Tecumseh Parent-Teacher Association meeting this (Thursday) evening, in the Central Building auditorium, at 8 p.m.

The association is sponsoring a round table discussion in which several teachers and parents will discuss common problems. After this group has completed its discussion, the audience will be asked to participate. A large attendance is desired and it is hoped by the school faculty and the officers of the association that every parent will have a question.

Refreshments will be served in conclusion.

TO DONATE CLOTHING

The Daughters of St. Peter met Tuesday evening at the home of Mrs. Glenn Driscoll. During the business meeting a letter was read from William House, a home for girls located in Detroit. Members are to bring to the next meeting worn clothing which will be sent to the home. Further plans were made for coming activities. In conclusion refreshments were served by Mrs. Driscoll assisted by Mrs John Bolden.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, February 15, at the home of Mrs. Wade Hendershot for a potluck dinner at 12:30 p.m. Mrs. Fred Sheldon and Mrs. Wenton Murphy are the assisting hostesses.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist Church School enjoyed a potluck supper, Monday evening, at the home of Mr. and Mrs. Fred Bryan in Britton. For entertainment Mr. Bryan showed several reels of home and commercial movies.

CLUB PAYS TRIBUTE TO MRS. SLAYTON

The Tecumseh Wit and Wisdom Club met Monday evening at the home of Mrs. Hoyt Whelan, with Mr. and Mrs. Wesley Mast and Mr. and Mrs. C. D. Branigin as assisting hosts and hostesses.

Mrs. Orville Laidlaw conducted an impressive memorial service for the late Mrs. Alice Slayton, a charter member of the club.

The musical program, arranged and announced by Mrs. E. A. Collins, opened with piano solos, by Marcia and Janet Bashore. Miss Edith Ingersoll gave an interesting talk on American popular music. Mrs. H. W. Dillon assisted her. Mrs. Murray Day sang and Glenn VanDenbergh played several 19th century ragtime piano selections. Sousa's "Stars and Stripes Forever" was rendered by Miss Lulu Waldron and Mrs. Dillon.

In conclusion the host and hostess served refreshments. The next meeting will be held February 20 in the cafeteria of the new high school, with Earl Place as program leader. Mr. and Mrs. Place and Mr. and Mrs. Delmar Crisp will be the hosts and hostesses.

Laymen's Retreat To Be Held Here On Sunday

The Methodist men of Lenawee county will hold a sub-district laymen's retreat in the Tecumseh Methodist church from 3:30 o'clock in the afternoon until 8 o'clock in the evening, next Sunday, February 12.

The conference lay leader, Ralph Hileman of Detroit, and district lay leader, Russell Steininger of Wayne, will be present for the occasion. Other guest speakers will be the Rev. C. F. Riggio of Clinton, the Rev. George Woomer of Blissfield, Dr. Frank L. Fitch, the district superintendent, and Dr. Norman MacNaughton. The Rev. J. Douglas Parker of Morenci and Dale Loar Lave arranged the entire program.

This is the first of a series of retreats to be held throughout the Ann Arbor district. The purpose of such a meeting is to promote greater fellowship among the Methodist men of this area; to give new spiritual stimulus of power and to channel constructively the latent powers to meet the urgency of the present hour.

The men will be served a buffet supper at 5:45 o'clock by the Woman's Society of Christian Service with Miss Vera Gilbert in charge. The reservations of the local men should be made with Dr. T. Rentschler not later than Friday.

Clinton Pastor Talks To Exchange Club Here

The Rev. Conrad F. Riggio, pastor of the Methodist churches a Clinton and Macon, addressed the Tecumseh Exchange Club, following dinner, Monday evening. A chaplain in the U. S. Navy, the Rev. Mr. Riggio related his experiences while serving in the South Pacific area. His talk was most interesting.

A. C. Hamaker was admitted into the club as a new member. Clarence B. Hall was the guest of his son, Harold Hall, and Chester Easton, past president of the Jackson Exchange Club, was the guest of Ellsworth Collins.

PLAY SCHOOL REOPENS

The Indian Acres play school reopened February 7 and six preschool children are enjoying the stories, games and various other activities. The school will be open Tuesday, Wednesday and Thursday mornings and Wednesday afternoon until late in June, with the exception of a one week vacation early in April. Eight to ten children can be accomodated.

BOY SCOUT NOTES

In observance of National Boy Scout Week, Scout Sunday was observed at the Baptist church, Sunday, when fifty-five Boy Scouts and Cub Scouts in uniform attended the morning service in a body and participated in the worship. Cub Pack number four is sponsored by the church.

Before a congregation of 175 persons and a vast radio audience the Cubs repeated their Promise and Law, after which the Boy Scouts gave their oath and led the congregation in the pledge to the flag. The choir, under the direction of Mrs. Harley McConnell, sang "Somebody Did a Golden Deed."

"Today's Work — Tomorrow's Fruit" was the theme of the Rev. B. O. Bashore's sermon. Speaking directly to the young boys seated before him, the Rev. Mr. Bashore emphasized the fact that the future of this country was up to them and said that if they, the Scouts, abided by the laws of their organization they would be obeying the Word of God.

Troop 4

Boy Scouts of Troop 4 participated in a day of sports at the Irish Hills last Saturday. After skiing and sledding the boys took a hike around the lake, stopping on the east side to prepare their meal.

On their return in the afternoon the boys reported enthusiastically on the fun they'd had. They were particularly pleased at the numerous deer tracks they saw in the snow.

Presbyterian Troop

This troop is so new that it has not yet been assigned a number, but under the sponsorship of the Presbyterian Men's Club they are already active.

Last Saturday Scoutmaster James Beardsley, assisted by William Damon, laid a corn trail with the boys trailing them fifteen minutes later. Then at Sutton's Crossing they practiced fire building activities.

The troop is making plans to spend the weekend of March 4 at Camp Kanesatakae practicing winter camping.

Rumors test the intelligence of those who hear them and expose the stupidity of many who repeat them.

Recreation is an important adjunct to living and should not be ignored. Certainly, it should not become the purpose of existence.

The idea that Congressmen have too much attention centered on the approaching election can be dissipated by the Congress.

MEADOWRIDGE JERSEYS WIN NATIONAL AWARD

COLUMBUS, O. — National honors have been awarded Meadowridge Jerseys, Inc. of Ridgeway, Mich., for an outstanding Jersey bull that they own. The bull, Thomas Basileus Pinn, has been named a Superior Sire by The American Jersey Cattle Club, which has its national headquarters in Columbus, O.

The Superior Sire rating indicates that a bull has the ability to pass on both high production and good breed type to his daughters. Thomas Basileus Pinn has twelve daughters tested for production. They have averaged 8,480 pounds of milk and 468 pounds of butterfat in ten months on twice day milking, mature equivalent basis. The bull also has twenty-eight daughters classified for breed type with an average rating of 86.3 points. The breed's score card gives 100 points to a perfect animal.

This Superior Sire also has been officially classified for type. He has achieved the highest possible rating of Excellent, which equals a score of 90 to 95 points. Thomas Basileus Pinn was bred by B. H. Bull & Son of Brampton, Ont., and was purchased as a calf by the Thomas Jersey Farms, Inc., of Hartford, Mich. in 1943. The Meadowridge Jerseys, Inc. bought the sire in 1944.

The records which qualified Thomas Basileus Pinn for his national recognition were made under programs sponsored by The American Jersey Cattle Club for continuous improvement of the Jersey breed.

The attack upon sin has been vigorously pressed for hundreds of years but, for some reason, sinners continue to perplex the philosophers.

The trouble with professional peace-makers is that they confine their efforts to people already in love with peace.

SWEET BUY

Smart shoppers buy sugar for value. They know that *Sugar is Sugar* no matter whether it comes from sugar beets or sugar cane.

They know that expert chemists can detect no difference in purity, whiteness and fine grain—Home Economists, makers of fine foods specify only "Sugar" in their recipes and cook books.

So, for a "Sweet buy"—get the sugar that gives you the most for your money. Buy—

From where I sit ... by Joe Marsh

"Left-Handed Compliment"

See where a bank in Denver is putting in left-handed checkbooks. They figure their southpaw depositors deserve just as much consideration as the right handers.

Time was when it was believed that left-handed people had no right to exist at all. If a youngster showed signs of using his left hand, his parents were supposed to break him of the habit—to *force* him to use his right.

But today most doctors will tell you that changing a child's natural left-handed tendency usually causes more harm than good. Stammering and other nervous disorders often get their start tha way with children.

From where I sit, if a man wants to use his left hand—that's *his* business. It's not such a good idea to make anyone do things our way just because *we* think it's right. Personally, I think a mellow glass of beer is the finest beverage on earth. If you happen to prefer a Coke—why, go to it! Only leave me the same freedom of choice, won't you?

GIVE SKIN TO BURNED BOY

Columbus, O.—To the body of 11-year-old Jimmy Wallace, who was severely burned on December 4, when a kerosene stove exploded, surgeons grafted some 448 square inches of skin — two-by-8-inch grafts provided by seven inmates of Ohio penitentiary.

There seems to be little real enthusiasm for the opening of school on the part of the children, "thirsting for knowledge."

Where Is the Sting?

The woman visitor dashed angrily up to the beekeeper and complained, "One of your bees stung me. I want you to do something about it."

"Certainly, madam," said the beekeeper soothingly. "Just show me which bee it was and I'll have it punished."

REGISTRATION NOTICE FOR VILLAGE ELECTION
MONDAY, MARCH 13TH, 1950

To the Qualified Electors of the Village of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Clerk's office TUESDAY, FEBRUARY 21st, 1950 the Twentieth Day Preceding Said Election from 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at Village Clerk's Office each day, February 4th, 1950, from 9 o'clock a. m., to 5 o'clock p. m.

NOTE—Tuesday, February 21st, is the Last Day for General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

REGISTRATION OF ABSENTEE BY OATH

PART 11-A, CHAP. 1, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

Listen, Yuh Local Ranchers!

We're Back In The Car Swappin' Bisness Again

If yur ol critter's buckin and balkin and givin yuh sum trubil startain in this changibul Michigan weather, right now's the time to swap her off fur a new used one what's weather-broke, we says.

Our cow hands are constantly ridin the range roundin up tradin' stock—critters we calls em—and we price em right for swappin. These animuls are good—the way we sold em last week, guess the ranchers thot they were good, too.

This week we're offerin' one oustandin' value, listed below:

1947 Buick '70 Roadmaster. 129-in. wheelbase, 4-door sedan. Two tone blue finish. Factory made radio, heater, fog lights, turn signals, windshield washer. Upholstery very clean. Original price nearly $3,000. You can buy it for about one-third of that.

Don't wait now, yuh local ranchers. This speshul and the other cars we're swappin aint goin to be in our stabul fur long. We've got a swappin streak on and we jist won't be out-swapped.

Ice Storm Loss Great

UTILITY COMPANIES SUFFER DAMAGE IN THOUSANDS AS LINES GO DOWN

Buried under several inches of snow that crusted over when sleet started to fall early on Monday and continued throughout the day and evening, Tecumseh and Lenawee county began to dig out of isolation on Tuesday after the winter's most threatening storm. Utility companies suffered thousands of dollars in damage, some side roads were next to impassable and because of the sea of slush that resulted from Tuesday's rain, school here was recessed on Wednesday. However, students will report for classes this morning but it seemed highly probable that absenteeism would be heavy, particularly in the elementary grades.

About 200 students were absent from their classes on Tuesday, Earl H. Place, superintendent, said. In announcing that the schools would be closed on Wednesday he declared that it was a health measure, many students finding it impossible to journey from home to school without wet feet and clothing. Of the 200 absent Tuesday, Mr. Place said that the number was about evenly divided between the elementary grades and the high school. Buses operated both Monday and Tuesday from rural areas, but with difficulty. More than 100 children were absent from school on Monday.

The snow storm started after midnight Monday morning and about four inches of the white stuff fell before the temperature changed and the freezing rain began. By 7 a.m. there was a heavy crust on the snow, trees and wires were coated and traffic on all highways slowed to a snail's pace. The sleet continued throughout the day and late in the afternoon the temperature climbed to around the 34 degree mark, changing the sleet to rain. The storm continued throughout Monday night and well into Tuesday. Traffic soon broke through the crust-covered roads but sewers and ditches were unable to handle the thawing snow, ice and water.

Throughout most of Tuesday traffic and pedestrians moved about in a sea of slush. It was next to impossible to cross Chicago boulevard in the downtown district Monday night or Tuesday morning without knee boots. Side streets were water-covered as were sidewalks. Cars, moving at 20 miles an hour, splashed water 10 feet into the air at some intersections.

It was not until Monday night, however, when a brisk wind began to blow that the real storm damage started. The heavy coated limbs and wires soon started to snap as the wind caused them to

School-Parents Talk Problems

PANEL DISCUSSION IS SPONSORED BY PARENT-TEACHER ASSOCIATION

A panel discussion of problems common to the school and parents proved interesting to a small crowd of parents who attended the Parent-Teacher Association meeting, held Thursday evening in the Central Building. The panel was composed of Earl Place, superintendent of schools, James McDowell, high school principal and Darwin Smith, elementary school principal, representing the teachers, and Mr. and Mrs. Lynn Harris and Mrs. Lee Purkey representing the parents. Mrs. Thomas O'Hara arranged the program.

Miss Ila Mae Cooper, speech correctionist, explained her work in the county school system. Miss Cooper is at the local schools twice each week.

During the business meeting it was voted to give $5 to Founder's Day and to sponsor a canasta party to raise money.

In conclusion refreshments were served by parents of the sixth grade students.

Community Dish Sponsor Changed

GOLDEN RULE CIRCLE TAKES OVER MANAGEMENT FROM JUST-A-MERE CLUB

After serving the community for nine years, the Just-A-Mere bridge club has turned over the sponsorship of the community dishes to the Golden Rule Circle of the Presbyterian church, it was announced this week. Mrs. C. W. Howe is custodian of the key to the cupboard which houses the dishes.

The idea for the community dishes was borne at a meeting of the bridge club nine years ago and immediately donations were accepted from members. Various community organizations interested in the project also donated funds. Dishes and silver for 204 place settings were purchased and any pieces missing were replaced before the new sponsors were presented with the key. The dishes have been rented 94 times.

In addition to the original set, the club has purchased a ten quart punch bowl with nine dozen punch glasses, five dozen ash trays and seventeen dozen dessert forks. The punch bowl arrived just last Thursday and has already been used for a wedding, it was said.

Mrs. C. O. Butler has held the key for the past seven years and deserves a vote of thanks from the community and club members. Each time the dishes are returned they must be counted and charges made for any shortage.

The dishes have been used for many weddings and other social events as well as civic affairs. A five dollar deposit is required and after the dishes have been returned two dollars for a rental fee plus the amount to cover any breakage which may have occurred is kept. The remainder of the deposit is returned to the person who rented the dishes.

The handling of the dishes was not a money-making project for the club, but merely a service to the community. The rental and breakage fees, which amounts to about $85, has been turned over to the Golden Rule Circle for future needs. From now on the Circle will place the rental money in its own treasury.

Numbering 14 members, the Just-A-Mere club, presumed to be the oldest bridge club in Tecumseh, will observe its 30th anniversary late this summer.

Clinton Players To Stage Play, Saturday, Sunday

"Arsenic and Old Lace" will be presented by the Clinton Players, Saturday and Sunday, in the Clinton high school auditorium. The play is under the direction of Margaret Vaughn.

An amateur group organized about three years ago, the Players have produced the "Male Animal," "George Washington Slept Here" and "You Can't Take It With You," as well as a number of one act plays and skits.

The curtain time is 8 p.m., and the Players promise a worthwhile evening of entertainment.

Mary Elizabeth Graf Is Buried at Macon

Funeral services for Mrs. Mary Elizabeth Graf, aged 88 years, who died Saturday at 1 p.m., at the Tirb nursing home in Bridgewater township, were held Tuesday afternoon from the Collins Funeral Home. The Rev. C. F. Riggio officiated and burial was in Macon cemetery. The bearers were all grandsons of the deceased, Leland, Lenadore, Donald, Richard, Jack and Gerald Graf.

Born, August 29, 1861, in Clinton township, she was the daughter of the late Mr. and Mrs. Thomas Service. Mrs. Graf was a member of the former Macon Presbyterian church and had lived most of her life in and around Macon.

Surviving are one daughter, Mrs. Minnie Sarvey of Macon, three sons, Lavern of Tecumseh, Otto of Saline and Raynor of Britton, seven grandchildren and 13 great-grandchildren. Preceding her in death were her husband, Erasmus, in February 1940, and two sons, Leonard in May 1939 and Oscar in infancy in 1891.

Friends and relatives attended the services from Saline, Ann Arbor, Jackson, Tecumseh, Bridgewater and Macon.

Consumers Will Spend Millions

TECUMSEH TO COME IN FOR SHARE OF POWER COMPANY'S IMPROVEMENTS

Jackson division projects involving expenditures of about $7,500,000 are included in the $40,000,000 construction program for 1950 announced today by Consumers Power Company, according to Division Manager H. H. Koelbel. The company expects to expend $6,700,000 on electric projects in the division, about $450,000 on improvements and extensions of its gas distribution system in Jackson and about $360,000 for general and miscellaneous purposes, including preliminary work on the construction of a new service building in Jackson.

The Jackson division is scene of the largest construction project on the company's entire 1950 program, namely, construction of a new electric generating plant on Lake Erie just north of the Ohio state line. A construction contract for this plant is about to be awarded. The plant will consist of two 85,000 kilowatt generating units, the first of which is scheduled to go into operation in 1952. A new plant will strengthen the electric supply in a large section of southeastern Michigan, including Jackson, Adrian, Tecumseh and neighboring communities.

About $950,000 will be expended on power supply additions and im-

Red Cross Chairmen Chosen For Tecumseh

Mrs. L. W. Larsen and Mrs. W. G. Waldron were named chairmen of Tecumseh village and Tecumseh township, respectively, for the 1950 Red Cross campaign fund drive which opens officially March 1. H. H. Hungerford, committee chairman for the rural and village areas, made the appointments.

The chairmen will meet for luncheon Friday at 12:30 p.m., at the Baptist church in Adrian, when supplies and instructions for the drive will be given out. The drive is expected to open in the rural areas earlier this year because of the condition of the roads.

Ash Wednesday To Be Observed

SPECIAL SERVICES TO MARK OPENING OF LENTEN SEASON IN CHURCHES

Ash Wednesday, February 22, marks the opening of the Lenten season for 1950. There will be special observances of this penitential period in the various Tecumseh churches, climaxed by Holy Week services to be conducted by the Ministerial Association each noon in the business district.

At St. Peter's Episcopal Church, beginning with the holy communion service at 12:00 noon on Wednesday, followed by luncheon, each week thereafter on Thursdays at noon a similar service will be held and luncheon for church people and confirmed school children will be served by the several parish organizations.

The high school students will meet on Sunday evenings beginning March 5 for a period of Bible study based on the new book "The Holy Scriptures," the official publication of the National Council of the Episcopal Church, and also for fellowship and service as part of the evening program. Children in the grade school and Junior high

Must Register If You'd Vote

VOTERS WARNED THEY MUST QUALIFY FOR VILLAGE ELECTION, MARCH 13

If you have not voted in the last two years in a village election and if you desire to vote at the coming March 13 election, you must register at the office of Wade L. Jones, village clerk, not later than Tuesday, February 21.

"There are many folk who registered three years ago and who now believe that they do not need to reregister for future voting," Mr. Jones said. He pointed out that the state law is very clear in the matter and that persons who have not voted in two years must register if they care to exercise their franchise.

Another thing that is confusing, Jones said, is the fact that some electors have voted in county, state and presidential elections in the past two years but not in the village elections.

"The thing that counts insofar as registration is concerned, is past two years but not in the village election. If he voted in all of the other elections and not in the village election in two years he still will have to reregister for the March 13 election," Jones said.

Also, Jones called attention to the fact that new voters who will cast their ballots for the first time also must register.

TWO FIRE CALLS

The Tecumseh fire department was summoned to the corner of Kilbuck and VanBuren, Monday at 10:30 p.m., when residents feared sparks from a fallen electric wire resting in a tree would cause a fire. Firemen stood by till the danger was past.

Saturday at 7:45 a.m., firemen were called when a stove overheated at the Larry Lopez residence in Newburg. There was no damage.

Veterans Must Ask Exemption

SOME ARE ENTITLED TO $2,000 DEDUCTION UNDER STATE TAX LAW

All Tecumseh veterans with service - connected disabilities on which they are receiving pensions are entitled to a $2,000 "homestead exemption" in taxation under Michigan law, LeRoy H. Titley, supervisor, pointed out today. However, such veterans must ask for the exemption by filing the necessary forms with the assessing officer, he said.

The "homestead exemption" briefly, is this: If such a veteran on January 1 was the owner of a home in the village or township with an assessed value of less than $2,000, then he is entitled up to a $2,000 exemption in assessed valuation provided, of course, the proper form is filed with the assessing officer before March 1. The unmarried widow of such a veteran also is entitled to the exemption.

Mr. Titley pointed out that the assessing officer cannot grant the exemption unless there is on file in his office the necessary legal form. It is up to the veteran, he said, to make the application for the exemption. Forms are available, it was said, either in the office of the township supervisor or the village assessor.

The board of review of both the village and the township will meet earlier this year than before, the dates having been set for Tuesday and Wednesday, March 7 and 8 and Monday and Tuesday, March 13 and 14. Sessions will be held both morning and afternoon in the council building on South Evans street.

Persons who are interested in how their property is assessed, either real or personal, may visit the board and learn the valuation placed upon it by either the village or the township. If they believe that the assessed value is not fair they may appeal to the board from the assessors' figures. The values established by the board of review are, of course, final.

Brake To Talk Here On Tuesday

MICHIGAN'S TREASURER TO ADDRESS TOWN HALL MEETING AT HIGH SCHOOL

D. Hale Brake, treasurer of the State of Michigan, will be the guest speaker at the regular February meeting of Town Hall at the high school auditorium on Tuesday evening, February 21, at 8 o'clock.

"We feel indeed fortunate in obtaining Mr. Brake as our speaker next week, and we sincerely hope that a good crowd will be on hand to hear him," Neville Hart, director of the Town Hall series, said today. Mr. Hart also pointed out that admission to Town Hall is without charge, the cost of the programs having been borne by contributions from the several clubs and societies in the community.

Mr. Brake is expected to discuss some of the problems confronting Michigan and after his address the meeting will be opened for round-table discussion.

Brake, a convincing speaker, recently addressed a joint meeting of the Exchange and Rotary clubs at Grange Hall.

Funeral Services Held For Mrs. Martha Twork

Funeral services for Mrs. Martha Twork, who died Thursday morning at her home in Macon township after an illness of several months, were held Sunday afternoon at the residence and later at St. John's Lutheran church in Dundee. The Rev. Fred W. Oesler officiated and burial was in Ridgeway cemetery.

Born in Detroit, Mrs. Twork came to Macon in August of 1927. She was a member of the St. John's Lutheran church of Dundee and the Ladies Aid and Bible class of that church.

Surviving are her husband, Emil, one daughter, Mrs. Gertrude Weitz, one son, Clarence of Macon, three grandchildren, two brothers, Frank Press and Max Press of Detroit, two sisters, Mrs. Charles Steehow and Mrs. Elfreda Eohle of Detroit, several nieces and nephews. She was preceded in death by three daughters and one son, all in infancy.

and a definite objective, toward which he points his career. This objective is to bring the great works of sacred music to as many people as possible, rejecting operatic and concert work, in which he has had training and experience.

A runner-up in the Grinnell Foundation Operatic awards, soloist with Victor Borge of radio fame, he has steadfastly confined his career to oratorio appearances and sacred music for several years.

He was soloist at the Woodward Avenue Congregational Church, Detroit, before moving to Cranbrook several years ago.

Mr. Christensen will appear in Tecumseh as guest of the choir of St. Peter's Episcopal Church on February 26 at 5 p.m. Accompanied by Dr. James Spencer of Adrian College, this will make a noteworthy musical event as well as a fine spiritual opening for the Lenten Season.

Library Reports Circulation Gain

SHARP UP-SWING IN READING NOTED IN LAST THREE MONTHS OF 1949

An increase in circulation of about 24 per cent in the last three months of 1949 over the same period in 1948 was reported this week by Miss Ruth Harding, librarian of the Tecumseh Public Library.

Between 1,600 and 1,700 volumes, including periodicals, are circulated every month, it was said. Distribution among children, especially, is on the increase. "As soon as a child can read," Miss Harding said, "he is allowed to have his own card, if a parent will take the responsibility." As a result, more and more youngsters are taking advantage of the library's facilities.

During January gifts of books were received from James Beardsley and Mrs. Edward Boss. New non-fiction books received include the following: "Place of Religion in Public Schools," Virgil Henry; "The Commerce of Nations," J. B. Condliffe; "My Three Years in Moscow," Walter Smith; "The Design of Democracy," Laurence Stapleton; "The Best Plays of 1948-49;" "Why Jesus Died," Pierre van Paassen.

New fiction books include: "I, My Ancestor," Ross; "Red Cloak Flying," Widdemer; "The Flame Tree," Pratt; "Gentian Hill," Goudge; "The King's Cavalier," Shellebarger; "The Parasides," de Maurier; "Drums Against Frontenac," Chalmers.

Some of the new children's books are: "Back Seat Driver," Robinson; "The Stubborn Donkey," Grautoff; "Chuffer," Elam; "A Horse to Ride," Paull; "Arithmetic Can Be Fun," Leaf.

Lacking several issues from that year, Miss Harding is making the request in hopes of obtaining the missing copies, thereby completing a file of over 15 years.

Polio Goal Is Exceeded Here

APPROXIMATELY $1000 RAISED BY ROTARY CLUB FOR PARALYSIS FUND

The Tecumseh Rotary Club's goal of $1,000 for the March of Dimes has been exceeded, Mel G. Partridge, general chairman for the club, said today.

"We believe that when all contributions have been counted Tecumseh will have subscribed $1,100 or a little more to the drive," Mr. Partridge said.

The club's largest single activity was a Polio Dance, staged last Friday evening at the American Legion Memorial Home. More than 200 attended the dance which netted $600. Donations to the fund totaled $229 and from the canisters in the stores which already have been opened came another $259 making a grand total of $1,088. There still are 10 or 15 canisters to be opened, it was said.

The Polio Dance profit was largest because everything in connection with its staging was donated. The hall was contributed by the Legion, the music was furnished by the Tecumseh Products Chieftains and incidentals by the Rotary Club. There was a five-act floor show at intermission time, staged by Miss RaeNita Larsen of Rae Nita's Studios, Jackson. This talent also was without cost.

Those who participated in the floor show were Grace Moore, Nancy Randall, Patsy Purnell and Dulcie Bowen; Joan Johnston, Alice Titley, Janet Martin and Ann Cameron; Jean Dewey and Mary Lou and Sharon Mason; Betty Barton and Bruce Packard; and Peggy Jo Pocklington.

"I'd like to take this opportunity to say thank you to everyone who helped to make the March of Dimes drive in Tecumseh a success," Mr. Partridge said. "Especially, I'd like to say thank you to the Legion, to the Products for the music, to Miss Larsen and to Glen Kohler, who assisted as the club chairman. However, many, many others gave assistance and hundreds of others gave of their money. We're happy that the drive was a success and to everyone for everything the club expresses its appreciation."

J. C. Cameron is district chairman of the March of Dimes in this community and he is assembling a complete report which will be sent to the county headquarters at Adrian.

Two Tickets In Election Here

PROGRESSIVE AND PEOPLES PARTIES TO NOMINATE AT CAUCUSES NEXT WEEK

There will be two tickets in the village election on Monday, March 13.

The Progressive Party, for years unopposed in local elections, will hold its caucus on Monday evening, February 20, at the council building. The Peoples Party which has not brought a ticket into the field here in several elections, will caucus in the same building on Tuesday evening, February 21. Both caucuses will start at 7 o'clock.

It is understood that Marvin Watkins, whose term of office as village president is running out, will be a candidate for nomination to succeed himself at the Progressive caucus. B. G. Ousterhout and Glen Driscoll, whose terms as members of the council are expiring, are understood not to be candidates for renomination. Both were elected on the Progressive ticket. Others on the same ticket whose terms do expire are Wade L. Jones, clerk, Charles Fay, treasurer, and John Saling, assessor.

The terms of Ray Sluyter, Geo. McCombs and Archie Porter, members of the council, do not expire with the approaching election.

Who will head the Peoples Party ticket at the caucus could not be learned today. However, it was said that several persons had been approached for council seats and that nominations would be made from the floor of the caucus on Tuesday.

If the two caucuses succeed in filling their slates next week it will be the first time in several years that the voters here have been given an opportunity to receive two tickets at a village election. Recent local elections have attracted little interest and less than 100 votes have been registered.

A TIGER WITH BIG TEETH

Morley Cassidy, a staff member of the Philadelphia Bulletin, and a foreign correspondent of high reputation, has written a series of articles on Australia and New Zealand, where the voters recently turned long-established socialists governments out of office, replacing them with relatively conservative governments. In one of them he said, "Australians, in these days of full employment and mass prosperity, had every reason, it would seem, to vote in droves to 'play it safe', to vote for 'more of the same.' They didn't. They voted, instead, for a return to the old path of free enterprise and competition, a firmer hand with strikes, an end to government monopolies."

An interesting commentary has also been made by J. F. Williams, editorin-chief of The Melbourne Herald. The voters, he said in effect, were frightened by the growing aggressiveness of the socialists in their attempts to nationalize all the means of production, distribution and exchange. They learned, he wrote, "that socialization was so quiet, domestic pet, but a tiger, with big teeth."

In other words, the "tiger with big-teeth" was at last getting close to the people as a whole. Socialism always starts out by taking over a few big industries—electric power, transportation, communication, finance. These enterprises may seem remote to the majority of men and women. But, once basic industry is in the hands of the government, socialism marches triumphantly on, crushing free enterprise on a step by step basis. Britain's Labor Party provides an excellent current example of that fact. The platform on which it will run in this year's general election includes public ownership of such industries as cement, sugar refining, meat slaughtering and wholesaling, and cold storage plants. In time, if it continues to be successful at the polls, it will undoubtedly take over the corner grocery stores, the pubs, and everything else that plays a part in the economy.

In another of his articles, Morley Cassidy quoted a young dairy farmer as telling him, "I had five years in the war, and I was under the impression we were fighting dictatorship . . . . And then I came back here to find that's what we were getting here at home. The state trying to run everything — telling you what to plant, and who could get machinery, and all that. Maybe I'm misinformed, but I don't see any difference between dictatorships . . . . Now we're rid of it here and you'll see Australia bounding ahead like a kangaroo."

That pretty much tells the whole story. The countries that "bound ahead" are the countries that prize and maintain freedom. Our own United States is now facing a Federal socialization program of many lines of business and industry. Will the people fall for it before they understand what is happening?

Miss Norma Jean Kenrick Bride of Ray Douglas West

The home of Mr. and Mrs. H. E. Kenrick on West Pottawatamie street was the scene of a lovely wedding, Saturday, when their daughter, Norma Jean, became the bride of Ray Douglas West of Tecumseh, son of Mr. and Mrs. Charles M. West of Richmond, Ind. The couple exchanged their marriage vows before an arch of white snapdragons and daffodils. The Rev. B. O. Bashore, pastor of the Tecumseh Baptist church, read the double ring service at 2:30 o'clock in the presence of sixty guests.

Given in marriage by her father, the bride was attractive in an ashes of roses street length crepe dress with navy blue accessories and a white orchid corsage.

Mr. and Mrs. Boyd Waldron attended the couple. Mrs. Waldron chose a toast colored dress with matching accessories and a corsage of yellow carnations.

Preceding the ceremony, Mrs. Emerson Whitfield of Royal Oak played "My Hero," "Because," "O Promise Me" and the Wedding March from Lohengrin. Mrs. Whitfield wore a royal blue dress with a corsage of peach glomelias. M. C. Miller greeted the guests upon their arrival.

For her daughter's wedding, Mrs. Kenrick chose navy blue with grey accessories, while Mrs. West wore black crepe. Both mothers wore corsages of daffodils. Mrs. E. A. Gibbons, grandmother of the bride, wore navy blue with a corsage of pink carnations.

Immediately following the ceremony, a two-course luncheon was served to the guests from a white linen covered table featuring a four-tiered wedding cake and a centerpiece of tuberoses and white snapdragons in a heart shaped crystal container. The bride cut the cake with a knife which was a gift at the wedding of her grandmother. Mrs. Jesse Haskins of Ferndale and Mrs. M. C. Miller presided at the silver tea and coffee urns. Mrs. O. L. Class of Royal Oak and Miss Marie Winterssteen assisted with the serving.

Guests were present from Royal Oak, Detroit, Grosse Pointe, Ferndale, Berkley, Ypsilanti, Jackson, Clayton, Tipton, Petersburg, Tecumseh, Adrian, and Richmond.

Mrs. West is a graduate of Tecumseh high school and is now employed in the office of the Gerity-Michigan Corporation in Adrian. Mr. West graduated from high school in Liberty, Ind., and served six years with the armed forces in Europe. He is now employed by the Auto Parts Incorporated in Adrian.

Following a brief wedding trip to Richmond, and Louisville, the couple will make their home in Adrian.

Family Night was enjoyed by members of the Past Chiefs Club and their families, last (Wednesday) evening in the K. of P. hall. Those in charge of the Valentine party were: supper committee, Mrs. John Cook, Mrs. C. A. Hardy, Mrs. Alden Erlenbush, Mrs. Lester Baker, Mrs. Richard Vollmer and Mrs. Kenneth Dowling; dining room, Mrs. Verle Miller, Mrs. Thomas Boyd, Mrs. H. J. Mattis and Mrs. Lester Munger; entertainment, Mrs. Lloyd Billington, Mrs. Fritz Mattis and Mrs. Fred Davis.

Howard Luce accompanied his daughters, Mrs. Lorraine Edwards and Mrs. Iva Lazo to Miami, Fla., to spend some time. The women were called here by the death of their mother, Mrs. Luce.

Recent guests of Mr. and Mrs. D. J. VanValkenburg and Mrs. Della Dangler were Mr. and Mrs. John VanValkenburg and daughter Janie of St. Louis, Mich.

Mr. and Mrs. C. A. Hardy have returned home after vacationing in Florida.

RETURNS MONEY

Baltimore, Md.—Mrs. Mary H. Schopf, of Eulaw place, recently received in a plain envelope, $30 and an unsigned note, which read: "The year I believe was 1910, July the 4th, I climbed rear porch, broke window, got into house and took a bank that contained thirteen silver dollars. I am returning this money with some interest and $5 for the bank I broke and $3 for the window. I was a young rascal at that time. I am trying to make amends for misdeeds of my young days. I am very sorry and I hope God will forgive me and I hope you will too."

Up to this time we have never heard of a man, woman or child who has been injured through the reading of the Bible.

Making Both Ends Meet

Furnishing good service at reasonable rates has always been the aim of this company. We have done this, while at the same time trying to keep operating expenses within the limits of income. However, the sharp increase in the cost of everything during recent years has hit us just as it has you. Now our operating costs have been increased again due to something beyond our control. Federal legislation has sent our wage scale soaring.

We believe in paying good wages. In fact, the major increases in our operating cost during and since the war years have been the result of a series of wage increases.

We will pay this new increase as the government decreed, but it does create a serious new problem for us. We want to continue giving you good service. We can do this only through new service rates reasonably adjusted to our changed operating conditions. However, you can still depend upon telephone service as the best bargain in the community.

BUICK STYLE IS HERE AGAIN!

No question now as to who has the ball on automobile styling!

Take a look at almost any blockful of new cars—and you will see once more the sweep and dip of tapering fenders that Buick pioneered—and that the whole country went for with a joyous whoop and holler.

They're a little smoother now, of course, rounded a bit—and are molded right into the body. And they flow sweetly into rear-fender forms that look for all the world like a jet plane's power plant.

Then look how wonderfully they are topped off in the upperstructure—with wide, curving, one-piece windshields, and with smart, Buick-originated wrap-around back windows!

Yes, Buick style is here again. The sleek, swift-lined style that has put Buick right in the fashion forefront of postwar America.

And you can have it in a choice of many sleek and roomy models, ranging in price from just above the lowest brackets to the fine-car field.

Come in to see your Buick dealer—and start traveling in the smartest styling of the times.

CLINTON

Allen Rendell of Tacoma, Wash., called to Ann Arbor by the death of his sister, visited at the homes of Jacob Reiser and Mrs. C. W. Way, last week.

Mr. and Mrs. Max Munger, accompanied by Mr. and Mrs. Herbert Munger of Tipton, left Saturday for a vacation trip to Asheville, N. C., and Florida.

Miss Sandra Haas of Michigan State College, East Lansing, spent the weekend at the home of her parents, Mr. and Mrs. Norman Haas.

Mrs. Mark Harrington and son of Denver, Colo., are visiting her brother and wife and their aunt, Mr. and Mrs. Richard Hittle and Mrs. Eva Powers, while Mr. Harrington is on a business trip to Washington, D. C.

Harold Morey of Sutton's Bay, who has been attending a school of instruction in St. Louis, Mo., and Mrs. Morey and their children have been visiting her sister, Mrs. Harold House and sons.

Mrs. E. A. Gibson and Miss Frances Ford have returned to Metamora, O., after visiting Mr. and Mrs. H. B. Covell and sons for several weeks.

The Rev. H. R. Sullivan returned home Thursday from a trip to Washington, D. C.

The condition of Harold House, who has been ill, is improving.

Max Steffens is chairman of the annual athletic banquet to be held March 22, and sponsored by the Rotary Club.

Mrs. Sidney Washburn entertained the Congregational Philathea class, Thursday evening. Members were requested to bring good used clothing and new materials for childrens' dresses to the Women's Fellowship meeting February 24.

RETIRE AT BIRTH

All pension plans we've heard about recently strike us as woefully inadequate compared to one dug up by Alfred Haake, who besides being mayor of Park Ridge, Illinois, writes for a number of small town newspapers.

"Every new-born child in the United States would receive a promissory note for $20,000.00 at 3 per cent interest, payable in 20 years. The 3 per cent, or $50 a month, would go to the child's parents until the child was twenty. Each year during those twenty the government would pay $1,000 into a sinking fund for the retirement of the note when the child reached the age of twenty the government would give him or her the $20,000 it had paid into the sinking fund.

"Boys and girls of twenty who elected to marry would thus have a capital of $40,000 and work would be forever unnecessary if they would undertake to have at least four children, because they would receive $50 a month for each child until it reached the age of twenty, and there would be enough left of their $40,000 after that to care for them in their old age.

"Nobody would have to work again. The plan would cost only $1,600 ($600 interest plus $1,000 for retirement). . .

"The parents, in addition to the $50 for each child, or $200 a month for four children, could invest their $40,000 in government bonds at 3 per cent and have an additional income of $100 or a total of $300 a month."

This might seem comical. But in a day when the government proposes to make us all rich by distributing dollar bills and when a labor union says we can all have more good things by working less, we wouldn't be surprised to see this scheme taken up seriously in Washington.

The project for the new era will be to work less and less and quit even that earlier and earlier. The slogan: "Why Wait. Retire at Birth."

—Editorial, Wall Street Journal

ONSTED

Herbert Ayres underwent surgery for the removal of his left eye at St. Joseph's Mercy hospital in Ann Arbor, recently.

Born to Mr. and Mrs. John Boldon, a son, and to Mr. and Mrs. Leonard Hermann, jr., a daughter, at Mercy hospital, Jackson, February 7.

The youth group of the Onsted church enjoyed a Valentine party at the church, Thursday evening. Twenty-two were in attendance.

The Missionary Society will meet with the Onsted Woman's Club at the church, February 21, with dinner at noon.

D.A.R. Will Entertain "Good Citizen" Girls

Miss Ethel Garlinghouse presented a delightful program for Abi Evans chapter, Daughters of the American Revolution, which met Friday evening at the home of Mrs. Hoyt Whelan. Mrs. Murray Day sang "Come, Unto Me," "I Love Life" and "We'll Build a Kingdom," after which Mrs. F. C. Dickinson gave an interesting review of the book "Woman With a Sword," by Hollister Noble.

During the business meeting at which Mrs. Louis Schneider, the regent, presided, it was voted to give $75 to the DAR building fund, making a total of $126 paid to the fund this year. Five dollars was voted to the polio fund. The Good Citizenship Girls of Clinton, Britton and Tecumseh and their mothers will be entertained at the March meeting of the chapter.

In conclusion tea was served. The assisting hostesses were Mrs. Roy Whiting, Mrs. Perley Tripp, Mrs. B. B. TurnBull, Miss Irene Wisner and Mrs. Ernest Linger. Guests included Miss Clara Waldron and Mrs. Ena Whaley of Tecumseh and Mrs. Florence Roberts and daughter Margaret of Plymouth.

V.F.W. Auxiliary To Sponsor Cancer Program

The auxiliary of Hall-Slater post, V. F. W., initiated three new members into the organization, Thursday evening, at the regular monthly meeting. The new members are Mrs. Thelma Jean Braden, Mrs. Grace Barnard and Mrs. Phyllis Gillespie. The transfer of Mrs. Helen Mitchell from another auxiliary was accepted.

It was voted to give $35 to the March of Dimes and $15 to the ladies auxiliary cancer research fund.

Plans were made to have a public program on cancer, Thursday, March 2, at 8 p.m., in the post rooms. Dr. L. P. Cox of the American Cancer Society will show cancer movies and his own colored films of Hawaii. The meeting will be open to the public with no admission charge.

At the conclusion refreshments were served by Mrs. Martha Artman, Mrs. Helen Beasley and Mrs. Mary Applegate.

BUSINESS IS GOOD!

OPEN LETTER TO AN AMBITIOUS MAN:

Local representatives of UNITED FARM AGENCY, America's most effective advertiser of farms and country real estate, are busy and prosperous. If you want a business of your own, through which you may gain independence and security, you will welcome the news that there is now an opportunity for you to join the UNITED team. We are seeking a local representative in your area to list and show farms and country real estate.

Through a quarter of a century, UNITED FARM AGENCY has enjoyed steady growth. Right now, we are experiencing a growing demand for rural real estate. UNITED goes ahead through booms and depressions. In periods of economic stress, as well as during good times, thousands of families leave the large industrial cities and buy in the country. UNITED is proud of its well-earned reputation for fair dealing, dependability, and faithful service to real estate buyers and sellers throughout the country. Many of our sales today are made to families who have bought and sold through us in past years, or who are relatives and friends of former customers. This priceless heritage of good will is but one of the factors that contribute to the success of the worthy UNITED representative.

The UNITED representative receives the benefit of constant nation-wide advertising in the great metropolitan newspapers, magazines, and farm publications with a total current circulation in excess of 40 million readers. Each UNITED man is advertised in UNITED'S famous quarterly catalog, more than 200,000 copies of which were sent to buyers upon request last year. UNITED buyers come from all over the nation—our representatives do not have to depend on the limited sources of business available to the ordinary real estate broker. UNITED maintains city offices in the larger centers of population where prospective buyers are interviewed and referred to our local representatives.

To qualify as a UNITED representative you do not need real estate experience, but must be thoroughly honest and dependable, willing to work, learn, and follow advice and time-tested methods. UNITED gives help, advice, and instruction with a personal touch. You should be between 25 and 60 years of age, and own and drive a car. You should enjoy meeting and working with the people of your community and those from other states and cities.

Complete information will be sent on request. There is no obligation, no investment is required, and all correspondence will be held confidential. Write today!

Blame Water Supply For "Blue Babies"

NITRATE CONTENT IS CAUSE, MICHIGAN DEPARTMENT OF HEALTH SAYS

Some of Michigan's "blue babies" are the result of high nitrate content in some Michigan water supplies, it was indicated today in a report from the Michigan Department of Health.

Reporting on a four months study of well water samples submitted from the eastern part of the state, the laboratories of the department said that seven out of every 100 samples tested contained sufficient nitrates to be considered dangerous.

The majority of the wells which had high nitrate content were shallow, dug wells, less than 50 feet deep. The few wells involved were those which were so constructed as to allow surface water contamination.

Cyanosis or methemoglobinemia was recognized as a cause of "blue babies" only a few years ago. In Michigan it first came to public attention two years ago when nine cases were traced to improperly constructed wells. Previously, blue babies were generally believed to be victims of congenital heart disease.

Methemoglobinemia occurrs when high nitrates in the well water used in the baby's formula or consumed by the expectant or nursing mother are changed to nitrates in the baby's intestinal tract. The nitrates then combine with the red blood cells to change the color of the blood and reduce its ability to carry oxygen. The baby's blood becomes brown and its skin turns a greyish-blue cast. In the early stages of the disease there is little change in the baby's respiration or circulation. When a satisfactory water supply is substituted for the contaminated supply the infant usually recovers, but without the change of supply, the disease may be fatal. Treatment for advanced cases of the disease involves the use of Vitamin C and methylene blue. Some babies apparently are not affected by high nitrate content of water.

Although nitrates are by-products of decaying vegetable, human and animal matter, they may occur in water which is free from dangerous bacteria. The nitrate content of the water is not changed by boiling. The only sure protection for babies is a water supply free from nitrates. This requires a properly located and properly constructed well or the use of distilled water.

The nitrate study was made in the Michigan Department of Health Lansing Laboratories on all 2,874 water samples submitted for bacteriological analysis from the eastern half of the lower peninsula during the four months period. Of these samples, 202 showed the presence of 10 or more parts per million of nitrates.

When expectant mothers or newborn infants are consuming water from private wells of unknown quality, the Michigan Department of Health recommends that a sample be submitted in special containers available from the local health departments or where there is no local health department, from the Michigan Department of Health, Lansing 4, Michigan.

Looking Ahead

Throck Morten: Do you think someone can really tell the future by looking at cards?

Al: My mam can. She took one look at my report card and told me just what would happen when Pop got home!

BRITTON

The Parent-Teacher Association will hold a regular meeting next Monday evening at 8 o'clock in the high school study hall. A program is planned for the evening and refreshments will be served.

Mrs. Bernard Clement was hostess to the L. and M. County Line Extension Club last Thursday in the home of Mrs. Paul Clement. A large group enjoyed a potluck dinner. The afternoon program proved very interesting with Mrs. Paul Weaver of the American Cancer Society in Adrian speaking on the work the society does. A session was devoted to bandage folding with county dressing chairman Mrs. Frank Seiler in charge. Other guests were Mrs. Forrest Barrett, Ridgeway Township Cancer Society chairman and Mrs. Emma Bach, Ridgeway Township dressing chairman. The club will hold their next meeting at the home of Mrs. Richard Bruce.

Over night guests Friday of Mr. and Mrs. Frank Hoagland were Mr. and Mrs. A. R. Musson and children. On Saturday morning the Musson family left for a vacation trip to the south coast of Cuba where they will spend three weeks on the Isle of Pine.

Mrs. Martin Keasal entertained a group of young ladies in her home Saturday evening honoring her sister-in-law, Mrs. Harold Keasal, a new bride. Games were enjoyed and the honored guest received many lovely gifts. Refreshments were served by the hostess.

Mr. and Mrs. Howard Quillett of Wauseon, Ohio, were callers Sunday afternoon at the home of Ernest Carothers and other relatives here.

Saturday evening supper guests at the Forrest Barrett home were Mr. and Mrs. Edward Rudel and son of Lincoln Park and Arthur Carothers.

The Britton Woman's Club will hold their regular monthly meeting next Tuesday at the town hall. A program is planned with Mrs. Flora Exelby as chairman.

Mrs. Charles Downing who has been seriously ill for the last two weeks is slightly improved at this writing.

provements in the division, including additions to the big transmission substation at Cement City. An existing connection between the lines of Consumers Power Company and Detroit Edison with a terminus at the Blackstone Substation in Jackson will be rebuilt to permit interchange of 100,000 kilowatts between the two systems.

New substations are scheduled for LaSalle, North Adams, Onsted, Pittsford, Sylvan and Concord. Power supply lines in the Manchester, Adrian, Tecumseh, Montgomery, Camden, Pleasant Lake, Erie and Dunbar areas will be improved and strengthened.

It is expected that more than 3,000 new electric customers will be connected in the division during 1950, and the company plans 28 miles of new distribution lines to serve them. About 46 miles of new gas distribution mains are scheduled for construction in the division.

In the gas branch of the business many new lines will be built, and others reinforced, so as to improve the service to the many new customers coming on the lines. This will involve large expenditures in all the gas divisions, together with added facilities to be built by Consumers' subsidiary, Michigan Gas Storage Company. The principal item in this company's program will be the construction of forty-six miles of added transmission main leading into its storage fields. Consumers Power Company plans to extend gas service to several additional communities during the year, of which Tecumseh is one.

Auxiliary Would Buy Another Hospital Bed

Representatives from a magazine company are in Tecumseh this week soliciting subscriptions for the auxiliary of Underwood-Orr post, Amerian Legion, for the purpose of raising funds to purchase another hospital bed.

The auxiliary has sponsored the solicitation for several years and from that source of funds has purchased six hospital beds, one fracture bed, one wheel chair, mattresses equipped with covers and bags for handling, inhalator, and a loaners cupboard, consisting o sick room facilities. These items are all for community use free of charge and anyone who desires any of these articles may call Ellsworth Collins.

TO MEET TUESDAY

The Daughters of St. Peter will meet at the home of Mrs. Lynn Hubbard, Tuesday evening, February 21, at 8 o'clock. Members are reminded to bring warm children's clothing for William House for girls.

Cape Horn is at the Southern most tip of South America.

LaVonne Bush, Tipton, Weds Don Arthur Buell

LaVonne Bush of Tipton, daughter of Mr. and Mrs. Herbert Taylor of Jackson, became the bride of Don Arthur Buell, son of Mr. and Mrs. G. V. Buell of Tipton, Saturday afternoon, February 11, in the Springville church. The Rev. Howard Montgomery of Adrian performed the single ring service at three o'clock before the altar which was decorated with early Spring flowers.

Given in marriage by her father, the bride chose a street length dress of teal blue with navy accessories and a corsage of pink tea roses. Geraldine Wyers of Tipton was maid of honor and wore a rose dress with a yellow rose corsage. Raymond Buell attended his brother as best man.

Before the ceremony Mrs. Eng of Onsted sang "Because" and "Always" accompanied by Mrs. Hunt of Tipton.

Immediately after the ceremony a reception was held in the church parlors. Members of the Ladies Aid Society served 60 guests who were present from Detroit, Plymouth, Dearborn, Brooklyn, Clinton, Onsted, Jackson, Lansing, Coldwater, Michigan Center, Sarnia, Ont., and Tipton. The wedding cake was three tiered.

The bride graduated from Jackson high school and the groom is a graduate of the Onsted high school. Both are employed at Hubbard Apiaries and will reside in Tipton.

Young Married People To Meet at St. Peter's

The Young Married People of St. Peter's church will meet Friday, February 17, at 7:30 p.m. in the parish house. The committee in charge has planned a variety program for the evening beginning with a work project of painting the small chairs used in the Sunday School class work. The young married people completed painting half of the chairs at the last meeting and will complete the task this Friday. For entertainment there will be several interesting games played under the leadership of Mr. and Mrs. Gerald Driscoll, one of them being called "The Great Lakes Shuffle." A short program of colored moving pictures and the serving of refreshments will conclude the evening meeting.

43 AT LADIES DAY

Ladies Day at the Tecumseh Country Club, last week, February 8, was attended by 43 women. At canasta MarLou Gilman won first prize and Mrs. Clarence Beach, second. Mrs. Robert Fuller was the winner at bridge. The hostesses were Mrs. Richard A. Preston and Mrs. James R. Elliott.

The hostesses for next Wednesday, February 22, are Mrs. Al Musch, phone 211, and Mrs. Carl Posbender, phone 72M. Luncheon reservations are to be made by Tuesday noon.

department will meet on Tuesdays at 4 p.m. starting on February 28 for Bible stories in colored slides and for memory work on the teaching of the church.

Commencing on Sunday, February 26, there will be a celebration of the holy communion at 8:30 a.m. and every Sunday thereafter at that hour.

The Presbyterian church will observe Ash Wednesday with a Family Night supper at 6:30 p.m., in the Fellowship Center. Cecil DeMille's classic film "The King of Kings" will be shown.

Lenten services will be held at the Grace Ev. Lutheran church each Thursday evening at 8 o'clock.

During the Lenten season the Friends church will seek to intensify its mid-week service, which is held every Wednesday evening at 7:30 for members of the congregation and Sunday school.

Jerry Robinson Dies At Home In Ridgeway

Jerry Robinson, 49, of Ridgeway, died Monday after a year of failing health. Funeral services will be held today (Thursday) from the Niblack Funeral Home in Britton at 2 p.m.

Born in Ohio, Mr. Robinson moved to Dundee in 1910 and had lived in Ridgeway seven years. He was a member of the Fraternal Order of Eagles, Aerie No. 1563, of Tecumseh.

Surviving are the widow, Mildred, nine children, Paul Bame of Tecumseh, Robert Robinson of Toledo, and Charlotte, Christine, Martha, Mary, Mable, Jerry Lee and Sharon Robinson at home; and five brothers, Harvey Robinson of Tecumseh, Clarence, Lester and Orville of Dundee and Charley of Milan. Another brother, Eddie, preceded him in death two years ago.

LOCALS AND PERSONALS

Miss Louise Bowen and Ray Bandemer of M. S. C., East Lansing, spent Saturday with her parents, Mr. and Mrs. Percy Bowen, and attended the West-Kenrick wedding.

Mr. and Mrs. Franklin Rumler and family have moved to their newly built house on the Clinton-Tecumseh road. Mr. and Mrs. Bill Pace have moved to the apartment vacated by the Rumlers at 506 W. Pottawatamie.

Dr. H. H. Hammel will leave Monday to spend the week in New York City, where he will visit several hospitals.

Sunday guests of Mr. and Mrs. Kenneth Johnston were her sister and family, Mr. and Mrs. Donald Fitter and daughter of Celina, Ohio.

MRS. MOORE IMPROVING

Mr. and Mrs. R. H. Moore arrived home Tuesday evening from St. Petersburg, Fla., where they were called several days ago by the serious illness of his mother, Mrs. R. S. Moore, who is spending the winter there with her husband. Mrs. Moore's condition is improving slowly but steadily and she will be in the hospital at least another week. A patient in St. Anthony hospital, Mrs. Moore wants her friends here to know how much she appreciates the cards and letters she is receiving daily.

SCHOOL BOARD MEETS

Only routine business concerned the board of education, in regular meeting at the high school, Tuesday evening. The board did approve a Business-Education Day, sponsored by the Chamber of Commerce, to be held probably in April. The new $400,000 high school, opened in January, probably will be dedicated at that time.

MUSIC CLUB TO MEET

The Tecumseh Music Club will meet Tuesday evening, February 21, at the home of Mrs. J. M. Mulvaney on West Chicago Blvd. A program of sacred music will be presented under the leadership of Mrs. Perry Hayden.

BENEFIT PARTY

Tecumseh chapter, Order of the Eastern Star, will hold a benefit card party, this (Thursday) evening at 8 o'clock. There will be prizes and lunch.

TO GET FREE DAY

Students in the Tecumseh public schools will enjoy a free day next week Friday, February 24, when teachers go to the regular County Institute at Adrian.

The purpose of editorials, in case anybody wants to know, is to inform readers who want to be informed. They are not written for any other class of people.

About The Folk You Know

Mr. and Mrs. Harold Wilson entertained at dinner, Sunday, in celebration of the 21st birthday anniversary of their daughter, Louise, which occurs today, February 16. Guests were Mr. and Mrs. Harry Faling and sons, Dave and Michael, of Petersburg, and Mr. and Mrs. Glenn Wilson of Clinton. In the evening, Mr. and Mrs. E. C. Brandt and daughter Dorothy enjoyed supper at the Wilson home. A student at Michigan State Normal College, Ypsilanti, Louise was recently elected vice president of Sigma Nu Phi sorority.

• • • •

Mr. and Mrs. Carl Kempf entertained at dinner, Sunday, honoring the birthday anniversaries of Harry Kempf and Mrs. Walter Kempf. Guests included Mr. and Mrs. John Cobb of Wayne, Mr. and Mrs. Walter Kempf and Mr. and Mrs. Harry Kempf of Ypsilanti. Mr. and Mrs. Leslie Auten and daughters and Tom Searfoss of Milan.

• • • •

Mrs. A. L. VanWinkle and her Red Rose Brownie troop No. 1 enjoyed a Valentine party at their regular meeting, Tuesday afternoon. The girls exchanged Valentines and helped Carole Ross celebrate her birthday anniversary. Carole's mother furnished the refreshments.

One wonders if it isn't as much of a sin to wilfully destroy millions of bushels of potatoes when thousands of people, even in this country, are starving to death, as it is to put to death a suffering person who is beyond medical help.

450 Pancakes Devoured At Presbyterian Banquet

Over 450 pancakes were devoured when the Men's Club of the Presbyterian church entertained the Women's Association and their families at a banquet in payment for losing the recent church attendance contest. The party was held Tuesday evening in the Fellowship Center and was attended by 125 persons.

According to a good source, the men intend to lose the contest again next year because the cooking was so good. The cooking was under the general direction of Glenn VanDenbergh with J. W. Spafford, Al Williams, Garth Hall, Harold Naser and Mrs. VanDenbergh flipping the pancakes. Earl Place was in charge of the sausages, Donald Wilson prepared the tossed salad, and Al Williams brewed the coffee. Pure maple syrup was available for the pancakes and ice cream centered with a Valentine motif was served for dessert.

The waiters, under the direction of Ernest Greene, wore 19th century garb, complete to the mustaches and chef hats. The waiters included Dr. W. H. Mast, Ray Schlegel, Duncan Oliphant and Tom Will.

Stanley Kruse was chairman of the clean-up detail and was ably assisted by many other helpers.

TALKS ON SERVICE

Herbert Wagner, business manager of the foods department of the University of Michigan and a member of the Ann Arbor Rotary Club was the guest speaker at the Rotary meeting here Tuesday evening, following dinner at the Legion Home. Mr. Wagner discussed community service. Junior Rotarians at the meeting were Tom Hamilton and Gerald VanValkenburg.

VALENTINE PROGRAM

Mrs. Leon Maynard entertained the Friendly Class of the Friends Sunday School at her home on North Ottawa, Tuesday evening. Mrs. Ralph Comfort was in charge of the Valentine's Day program. Valentine refreshments were served in conclusion to some 15 members.

Ice Storm

(Continued from Page 1)

sway. Some limbs brought down telephone wires, others snapped wires of the Consumers Power Company. In some sections of Tecumseh, houses were without electrical service early Tuesday for nearly four hours. In rural areas the damage was much worse.

Consumers said that in Tecumseh the storm damage was minor compared with the rural areas. It was especially serious southeast of here in the Holloway area and west and north on Occidental and Newberg Roads. Crews of linemen worked throughout Monday night, Tuesday and Tuesday night repairing lines.

The Michigan Associated Telephone Co., reported about 100 phones out of order in Tecumseh. All four toll lines to Adrian were down and it was impossible to call Holloway, Clinton, Dundee, Britton or Tipton on Tuesday. Lines to Detroit and Toledo were in operation.

Local and county road maintenance men worked long and late on Monday and Tuesday opening roads and catch basins to let the slush drain off into sewers and ditches.

In the county, no serious accidents were reported due to the storm. Traffic moved slowly and carefully. Many cars were stalled in the slippery slush and required the services of wreckers.

The storm was general in the area, neighboring towns being affected as seriously as Tecumseh. Adrian's damage was even greater than it was here. The storm extended well into the central part of the state and at one time it was reported that 32 lower Michigan communities were without phone service. Other areas were without electrical service for several hours.

Child Study Club To Repair Record Players

Fifteen members of the Tecumseh Child Study Club met Monday evening at the home of Mrs. Hoyt Raymond, with Mrs. Hugh Andrews, Mrs. Gerald Osworth and Mrs. Norman Bailey assisting.

During the business meeting it was voted to purchase new records and to have the record players at the schools repaired. Two movies on "Mental Health" were educational and interesting. Mrs. David Dick was in charge of the program.

Refreshments were served in conclusion. Children's favors of Valentines with candy suckers were furnished by Mrs. Richard Preston, Mrs. Donald Cobb and Mrs. Duncan Oliphant.

Golf Demonstration Delayed By Storm

Because of Monday's snow and sleet storm the demonstration golf lessons, scheduled to begin at the Country Club, Monday evening, were postponed, Leo Bishop, professional, said today. Instead, the first lesson will be given next Monday evening at 7 o'clock at the club.

The golf lessons are free to club members and their families and are open to golfers between the ages of 12 and 90 years, Mr. Bishop said. There will be a brief business session preceding next week's meeting and after the demonstration several reels of motion pictures will be shown.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet Monday evening, February 20, in the cafeteria of the new high school. Mr. and Mrs. Earl Place and Mr. and Mrs. Delmar Crisp are the hosts and hostesses

DAUGHTER TO WED

Mr. and Mrs. Kenneth Johnston announce the engagement of their daughter, JoAnn, to John Theodore Sisson, son of Mr. and Mrs. Llewellyn Sisson, all of Tecumseh.

MEN'S CLASS MEETS

The Men's Class of the Friends Sunday School met Monday evening at the parsonage. After a business meeting, a social hour followed with Reuben VanWinkle and Everett Hensen in charge. Refreshments were served in conclusion.

Nobody in the world is interested in the good excuses that you have for not accomplishing something.

STUDENTS TO TAKE PART IN ADRIAN CONTEST

A district solo and ensemble contest will be held in Adrian, Saturday, February 18. Those from Tecumseh schools who will participate are: Truley Ogden, Louis Vargo, Donna Burleson and Geraldine Handy, saxophone quartet; Miss Ogden and Mr. Vargo, saxophone duet; Howard Powell, clarinet solo; Sally Rentschler, flute solo; Marian Comfort and Dick McCarbery, cornet duet; Norma Comfort, French horn solo; Miss Handy, piano solo; and Barbara Handy, piano solo.

BOY SCOUT NOTES

Cub Pack Number 4

Cub Pack Number 4 is busy making plans for its Blue and Gold (Cub colors) banquet. The banquet will be held Monday evening, February 27, in the high school gymnasium, and will celebrate the 40th Anniversary of Scouting in America. The Den Mothers are expecting an attendance of 300.

At the banquet there will be induction of new Cubs, and others will be given awards for various achievements. Also the charter will be presented to the sponsoring institution, the Tecumseh Baptist Church.

Presbyterian Troop

The Presbyterian troop moved a step further towards attaining its charter and number this week with the appointment of a Troop Committee. The committee is made up of Harold Naser, chairman; Albert Williams, and James Beardsley who is also Scoutmaster.

Eight boys qualified for Tenderfoot rank this week, and further plans were made for the hike on March 4. Emphasis on knot tieing is continuing.

Troop 4

Troop 4 is planning a hike for February 25. Under the supervision of the Scoutmasters, the boys will learn the rudiments of the 22 rifle, cleaning, proper use, safety, etc. The boys will go up to the Irish Hills where there is a place forming an excellent natural rifle range.

Three boys finished their Tenderfoot requirements this week, and two more are working on their Second Class tests.

Mr. and Mrs. Fred Marsh Observe 50th Anniversary

Mr. and Mrs. Fred Marsh celebrated their 50th wedding anniversary with open house, Saturday afternoon and evening, when 100 friends and relatives offered their congratulations. The Marsh home on East Kilbuck street was a profusion of flowers, with yellow and gold predominating. Mrs. Harry Dernberger of Pontiac and Mrs. James Hartsell, daughters of the honored couple who arranged the celebration, received the guests with their parents.

The lace - covered refreshment table was centered with a beautiful and artistic arrangement of flowers, blending from yellow to golden, even to the leaves, which were gold tinted. Gold tulle adorned the tiers of the three-tiered wedding cake which was topped with yellow roses. Silver coffee and tea services at each end of the table and yellow tapers completed the decorations. Mrs. Lynn Harris and Mrs. Sidney Wilson poured in the afternoon and Mrs. Neville Hart and Mrs. H. H. Hanna in the evening.

Larry, Jimmy and Chummy Hartsell, grandsons of Mr. and Mrs. Marsh, were in charge of the guest book throughout the day and evening. The honored couple received many lovely gifts and scores of cards of congratulations from friends unable to attend.

Out of town guests included Mr. and Mrs. Claud Hartsell and two daughters, and Mr. and Mrs. Oley Hartsell of Detroit, Mr. and Mrs. John Benner, Mr. and Mrs. Richard Hanna and Mr. and Mrs. Carlton Kirkwood of Adrian, Jane Hanna of Albion College and Robert Curry, a Saginaw attorney and cousin of Mrs. Marsh, whom they had not seen in some 40 years.

HOLLOWAY

The Ladies Aid of the Holloway Presbyterian church will hold their February meeting, Thursday evening at the church. Supper will be served co-operative at 6:30 with Mrs. Walter German, Mrs. Lawrence Gallaway, Mrs. Matt Lunn, Mrs. Bertine Comfort and Mrs. Robert Mitchell as hostesses. The program committee consists of Matt Lunn and Walter German.

Mrs. Allen Cutler was the honored guest when her birthday was celebrated at the home of her sister and husband, Mr. and Mrs. Carl Wilson of Deerfield on Sunday. A lighted birthday cake centered the table where 25 guests were served. Mrs. Cutler received many lovely gifts.

Mr. and Mrs. Matt Lunn and children were weekend guests of Mr. and Mrs. Eryl Rainey of Detroit. Saturday evening they all attended the Sonja Heine skating show.

Mr. and Mrs. Clark Sinclair and daughter Marilyn were weekend guests of Mr. and Mrs. S. J. Forsyth of Detroit.

Mr. and Mrs. Floyd Graham, sr., entertained Mr. and Mrs. Clifford Graham of Monroe in their home on Saturday.

Mr. and Mrs. Don Jaqua had as their guests on Sunday, Mr. and Mrs. Ralph Mitchell and daughters Marlene and Veda of Elliston, Ohio, and Mr. and Mrs. Ed Mesler of Adrian.

Mr. and Mrs. Paul Kopke and children entertained Mr. and Mrs. Wilson Edwards and family of Toledo and Mr. and Mrs. Harry Edwards of Holloway.

There are many roads around Holloway almost impassable with deep ruts and spots that are hard to get through. So far, the main roads are in good condition. Monday morning found many people quite surprised to find deep snow drifts in and around their buildings.

Mrs. Irene Williams called on Mrs. Elizabeth Bachman of Adrian who had returned from Bixby hospital. She also called on other friends in Adrian.

Mr. and Mrs. Virgil Lowery, sr., had as their guests Sunday Mr. and Mrs. Robert Betz and son of Blissfield, Mr. and Mrs. Donald Lowery and Mr. and Mrs. Virgil Lowery, jr., of Adrian.

REGISTRATION NOTICE FOR VILLAGE ELECTION MONDAY, MARCH 13TH, 1950

To the Qualified Electors of th Village of Tecumseh, County o Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michiga Election Law," I, the undersigne Village Clerk, will, upon any day except Sunday and a legal holiday the day of any regular or specia election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Clerk's office TUESDAY, FEBRUARY 21st, 1950 the Twentieth Day Preceding Said Election from 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at Village Clerk's Office each day, February 4th, 1950, from 9 o'clock a. m., to 5 o'clock p. m.

NOTE—Tuesday, February 21st, is the Last Day for General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration records.

REGISTRATION OF ABSENTEE BY OATH

PART 11-A, CHAP. 1, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

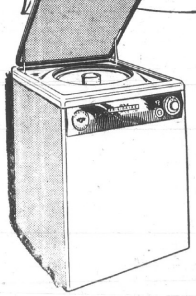
Here's why Live-Water Washing Gets Clothes CLEANER!



Frigidaire's exclusive Live-Water action produces rolling, penetrating currents of hot, sudsy water that wash clothes *through* and *through* with no pulling or yanking. Clothes are in water *all* the time—not half-in, half-out. And the same Live-Water action that washes clothes cleaner, rinses them *twice* in *fresh, clean* water. See a demonstration of Live-Water action. There's nothing else like it!

LISTEN, YUH KAR OWNERS!

This is the Reasun We Haven't Dinged Yuh to Swap Kars

Yuh may not believe it, but we're goin to tell yuh somethin about this kar buisnis that we got an idea yuh don't know about.

Ever since the beginning of the wah — if yuh knows what we means — we beer on allotment on new cars. The factory told us jist how many cars we'd get this month and next month, etc.

Wa'al, its looking a little better. This month, fur instance, we're goin to get another car or two more than we got last month and we're goin' to make somebody happy—may be you.

So, if yuh sees us kumin yur way talkin swap, wa'al don't be surprised. We're quite happy about all o this, cause we're just anxious to get goin as we used to. We'se sure gettin tired o duckin down the alleys when we sees a feller we knows is goin to put the bee on us for a new kar.

And talkin cars, there's a good used one we're specialin on this week:

A SHARP 1939 Chevrolet Coach. Clean as a hound's tooth. Music and steam heat. New paint job last week. Tires nearly new. The owner cried when he parted with it.

Gift to Double Size of Tecumseh Hospital

An Editorial

Through the generosity of the Tecumseh Products Company and its president, Ray W. Herrick, and Mrs. Herrick, Tecumseh Hospital is to be enlarged 50 per cent, making it a 51-bed institution. It will be second in size in Lenawee county only to Adrian's Bixby Hospital and the largest in any community of its size in the state.

For making this much-needed expansion possible Tecumseh owes a debt of gratitude to Mr. Herrick. Tecumseh Hospital has long been crowded far beyond its capacity. Its board of directors and the village council have, for years, recognized the need for enlargement but, because tax burdens would not permit, such a program has not been deemed advisable.

We know of no other institution in Tecumseh more worthy of such a gift and neither do we know where a gift might be given that it would better serve an entire community. Because of its crowded condition, Tecumseh Hospital was nearing the point of restricted service. Boundary lines, perhaps, would of necessity been established. But when folk are sick and in need of hospital attention such institutions should know no boundaries. Mr. Herrick recognized the demands being made upon the hospital and, as a result of his graciousness, the institution's service now can be extended rather than restricted and more and more people may benefit from its protective care.

Mr. Herrick's gift to the hospital adds another to the list of many fine contributions that he has made to Tecumseh in the past few years.

It must be remembered that it was Mr. Herrick who sponsored the building of Tecumseh Hospital back in 1938 and who directed the energies of a committee that raised the funds for its construction and equipment. Tecumseh Hospital was made possible entirely through contributions. It was built and equipped without one penny of cost to the village and was given to the village debt-free.

It was only a little more than a year ago that Mr. Herrick announced that he, his company and his associates would contribute $140,000 toward the building of a new high school. Today, that new $400,000 building is a reality, serving the students of the junior and senior high schools of Tecumseh.

Less than two years ago, Mr. Herrick and his associates recognized the need for a country club here. Today, Tecumseh boasts of the most beautiful country club in a community of its size in the mid-west. Its fine golf course and club house are the envy of cities many times the size of Tecumseh. This improvement, costing well over $150,000, also was made possible through his generous financial investment in community service.

Herrick Park, one of the outstanding subdivisions in all of Lenawee county, was conceived by Mr. Herrick. Today it is the site of more than 60 fine houses and there is ample space for nearly double that many more. Mr. Herrick and his company made an investment in Herrick Park of well over $100,000 to transform it from farm acreage to home sites. Lots are given to qualifying employees of the company and they are started on their way to home ownership in Tecumseh.

These are only a few of the many, many fine "investments" in Tecumseh as a community that we know that Mr. Herrick, his company and his associates have made.

Mr. Herrick is a busy man, directing the operation of a plant that is now employing nearly 2,500 people and doing an annual business of some $50,000,000. But Mr. Herrick is not too busy with his own business, and he has never permitted him elf to become so involved in his own personal affairs to be blinded to the needs of others about him. And so, in that respect, Mr. Herrick also is an unusual man.

Tecumseh is a most fortunate community to be able to say that such a generous man is one of its first citizens. Tecumseh has, therefore, a right to be proud not only of its community but of Mr. Herrick, as well. He has demonstrated, repeatedly, that as he and his company has prospered, so has his community prospered.

It is obvious, too, that Mr. Herrick must be proud of his community, of the place that he calls his home. If it were not this way we doubt that he would, again and again, demonstrate his affection for Tecumseh. And it must be true, too, that Mr. Herrick gets a tremendous "kick" out of life—doing for others. If it were not this way, why, then, would he do it?

May this spirit of affectionate cooperation always exist between Mr. Herrick and Tecumseh. And may it be copied by men and communities elsewhere. Such cooperation and friendship, we believe, express the true christian and American way of life.

Announces Another Civic Gift

Seated at his desk at Tecumseh Products Co., Ray W. Herrick, president, vigorously directs the policies of the institution that this year will do an annual business of nearly $50,000,000. Although he is "on the jump" he nevertheless has time to think about his home town and its needs. In recent years he and his company and associates have given hundreds of thousands of dollars toward Tecumseh's civic improvement. Mr. and Mrs. Herrick's latest gift, announced today, is an addition to Tecumseh Hospital that will double its size. In appreciation of the gift, the Council has authorized the changing of the hospital's name to Herrick Memorial Hospital, honoring the memory of Mr. Herrick's parents, the late Mr. and Mrs. Benjamin Herrick of Holland.

New Sewer Here To Cost $5,868

IMPROVEMENT OF NORTH UNION STREET AND BROWN STREET GETS APPROVAL

A contract for the laying of a sanitary sewer on South Union street, serving several houses in the southern area of the village, has been awarded by the village council to Dunnigan Brothers of Jackson. The expense of construction is $5,868.45 and work is to start as quickly as the weather will permit.

The council, in session Monday evening, also authorized the improvement of North Union street, north of Brown street, and Brown street both east and west of Union street. These projects have been delayed for some time, due to the weather and lack of financing. The council's approval at this time means that the work will be started as quickly as the winter weather will permit.

The beer and SDM license of Percy and Ardis Whitelock at Tecumseh Tavern was ordered transferred to Charles L. Warner, on Mr. Warner's petition.

The only other business before the council was routine. Current bills were audited and ordered paid and reports of police, firemen and the several committees were read and placed on file.

BUYS WESTERN AUTO

Harold Morey of Sutton's Bay was purchased the Western Auto Associate store from H. A. Badour and took possession Monday. Mr. and Mrs. Morey and children will move to the house at 314 West Logan street, which they purchased from Forest Abner, soon. Mr. Badour has not announced his future plans.

3 Members Named To C. of C. Board

ELECTION OF OFFICERS OF CHAMBER WILL PROBABLY COME THIS WEEK

Three members of the board of directors of the Chamber of Commerce were elected here this week by the membership.

Ronald Harris, secretary, announced that the count of the ballots showed that William Wright, E. C. Hellman and William Beardsley received the highest number of votes of the six men whose names were placed in nomination. Other names on the ballot were Ralph Comfort, Ernest Green and Harold Wolf.

As a result of the election the board will meet, probably this week, and elect officers.

The new board will be made up of the three new directors and six others whose terms did not expire. They are Leon Williamson, C. O. Butler, K. D. Hall, W. J. Bruce, Robert H. Moore and Mrs. Geo. French. The three retiring members of the board whose terms expire are Clarence Gilman, Ellsworth Collins and Earl Wickwire.

HOUGHTON LAKE RESORT PURCHASED BY GODDARDS

Mr. and Mrs. Donald Goddard have purchased the Lucky Strike Summer Resort on Houghton Lake and will move there about the first of April from their home on West Chicago boulevard.

The Houghton year-round resort consists of five cottages on the south shore of the lake. Mr. and Mrs. Goddard will occupy one of the cottages and will rent the others.

Until 1947, Mr. Goddard owned and operated the Gamble Store in Tecumseh.

Brake Slaps At Voters Apathy

NATION NOW CONTROLLED BY MINORITY; SOCIALISM ONLY SHORT STEP AWAY

Declaring that the nation is now only a "short step from socialism," which he defined as "well distributed poverty," D. Hale Brake, treasurer of the State of Michigan, pleaded for greater interest in local, state and national government by all citizens when he spoke, Tuesday evening, at Town Hall. Only about 25 persons were on hand to hear him.

Using as his subject, "The Citizens' Job," Mr. Brake pointed out that the national government is now in the hands of the minority inasmuch as less than 50 per cent of the eligible voters of the country cast their ballots in the 1948 election. It is the apathy of the American voters, their failure to take an interest in their government's affairs, that is dangerous to free government, he declared.

Today, Brake said, citizenship is accepted as an inherent right. Comparing government today and 50 years ago, he pointed out that in the earlier days voters knew their candidates, many of them

ELLIOTT TO OPPOSE WATKINS IN VILLAGE ELECTION HERE, MARCH 13

Two complete tickets, the Progressive's and the People's, will appear on ballots to be handed to voters here on Monday, March 13, in the village election.

Both the Progressive's and the People's Parties caucused this week and named complete slates of candidates. Marvin Watkins, whose term of office as president is expiring with the coming election, is a candidate to succeed himself on the Progressive Ticket. He is opposed by J. Floyd Elliott on the People's Ticket. Mr. Elliott was many times president here

World Day of Prayer To Be Observed Here

The annual World Day of Prayer will be observed at a union service to be held in the Presbyterian church, Friday, February 24, at 2:30 p.m. Mrs. Donald C. Wilson will act as chairman and women from the Baptist, Episcopal, Methodist, and Friends churches will also participate in the program.

The guest speaker will be Mrs. John P. Williams, who with her husband has served as a missionary in Nanking, China for several years. Rev. and Mrs. Williams are now serving in the Adrian City Friends church. Mrs. William's father is Dean of the Cleveland Bible College and her grandparents were the founders of that college.

Although the World Day of Prayer is a project of the United Council of Church Women, all men, women and children of the community are invited to attend.

Mrs. Mabel M. Withrow Buried In Brookside

Funeral services were conducted Saturday afternoon from the Green Funeral Home for Mrs. Mabel May Withrow, 59, who died Wednesday in Tecumseh hospital where she had been a patient six weeks. The Rev. A. F. Dimbat officiated and burial was in Brookside cemetery.

The bearers, all grandsons, were Don Downard, George and LeRoy Downard, Don Withrow, Myron Dermyer and Ray McKenzie, jr. Friends and relatives attended from Orville, Alliance, Akron, Swanton, Millbury, Worcester, Ohio, and Tipton, Adrian, Clinton, Clayton, Jackson, Deerfield and Tecumseh.

Mrs. Withrow had resided in Tecumseh the last 22 years and had been ill since September. Surviving are her husband, George, two daughters, Mrs. Nora Downard of Tipton and Mrs. Pearl McKenzie of Tecumseh, two sons, Harry A. Withrow of Tipton and Doran A. Withrow of Tecumseh, her mother, Mrs. Jennie Delfosse of Swanton, Ohio, a sister, Mrs. Pearl Bush of Ashland, Pa., 18 grandchildren and six great grandchildren.

Products Co., And Herricks To Build And Equip Addition

A fifty per cent increase in the size of Tecumseh Hospital, making it a 51-bed institution instead of 34, through the building of an addition which will be paid for entirely by Tecumseh Products Company and its president, Ray W. Herrick, and Mrs. Herrick, was announced today by Ernest M. Campbell, president of the hospital board of trustees.

"This is, in my opinion, one of the most timely and generous gifts to be received by the Village of Tecumseh within my memory," Mr. Campbell said in making the announcement "God knows Tecumseh needs an enlarged hospital and it needs it now. We (the members of the board) have planned and studied for months how such an addition could be financed without burdening the taxpayers. Mr. Herrick's gift, it would seem, comes as an answer to our prayers. He is giving the needed money for the construction and equipment of the addition without any strings attached. It is an outright contribution to the Village and its residents and it makes possible an improvement which we could not have afforded for perhaps many, many years."

In appreciation for Mr. Herrick's generosity, Mr. Campbell said that the board of trustees of the hospital had petitioned the Village Council to change the hospital's name to Herrick Memorial Hospital in memory of Mr. Herrick's parents, the late Mr. and Mrs. Benjamin Herrick of Holland.

"The Village council has approved of such a change and a bronze plaque will be struck and placed at the hospital," Campbell said. "The actual name-changing ceremony probably will come with the dedication of the enlarged hospital."

Campbell said that Mr. Herrick's gift to the hospital amounted to $70,000 for the construction of the addition and $10,000 for equipment. Such an amount is adequate, he said, to make the improvement possible.

The new addition will be built to the east and south of the present hospital building, and will be of brick and steel construction, one story in height with basement. It will include 17 private and semi-private rooms, a nurses station and a utility room. Construction on the addition will begin as quickly as plans can be approved and weather permits. It is hoped that it can be completed and in operation by mid-summer.

The present hospital heating equipment is ample in size to handle the increased load, Campbell said. He indicated, however, that there would be some minor changes made in the hospital proper as a result of its enlargement, including a larger reception room.

"We have been crowded to our capacity and beyond in the present hospital," Campbell said. "There has been no cushion in the event of an emergency. All of our beds have been filled most of the time and there has been many times when cots were placed in corridors to accommodate emergency cases.

"The fact that Tecumseh Hospital continues to serve a wider and wider area speaks well for its ser-

Fire Destroys Garage And Car

HOUSE TRAILER ALSO RUINED BY FLAMES; TWO OTHER FIRE ALARMS

A garage, an automobile and a house trailer were destroyed by fire late Saturday evening at the corner of Russell and Occidental roads. The property is owned by Frank Gruber, who operates a trailer sales business there.

Of unknown origin, the fire, which started in the garage, was discovered by a passer-by who summoned the Tecumseh fire department at 11:15 p.m. The automobile was in the same building and the house trailer was nearby. Firemen succeeded in saving four other trailers.

Earlier Saturday, firemen were called to The Diner at 3 p.m., to extinguish flames from a pile of burning rags. The fire was out upon their arrival.

An oil stove exploded at the Charles Morris residence at 114 W. Logan St., Sunday, and the fire department was summoned at 10:45 p.m. Oil and soot did a considerable amount of damage.

Teachers At County Meet

TECUMSEH HIGH SCHOOL PRINCIPAL TO PRESIDE AT SESSION IN ADRIAN

Darwin Smith, elementary principal of Tecumseh schools will preside over the elementary teachers at the Lenawee County Teacher's Institute, to be held Friday, February 24, at the Adrian Senior High School auditorium.

The morning program, starting promptly at 9:30, will consist of musical selections, announcements, and an address by Dr. Edwin B. Evans, lecturer at Butler University, Indianapolis, whose topic will be "What Our Schools Must Teach Our Children."

Group meetings will be held in the afternoon with the elementary teachers assembling in the senior high study hall under the leadership of Mr. Smith. A travelogue picture will be shown by Aubert Lavistida of the Audio-Visual Center, University of Michigan.

The rural teachers will meet in the Senior high music room to hear a lecture on "Lenawee County's Geological History and Conservation of Natural Resources" by Helen M. Martin, Research Geologist with the department of conservation. The junior and senior high teachers will hear an address on "Problems of Education and Mental Health" delivered by Dr. O. R. Yoder, medical superintendent at Ypsilanti State Hospital. Each group will have a discussion period following the lecture at which time questions will be answered by a panel of experts.

$1,246 Is Tecumseh's Gift To Polio Fund

VILLAGE EXCEEDED ITS QUOTA BY 25%; CHAIRMAN SAYS THANKS

Tecumseh contributed a total of $1,246.77 to the March of Dimes, Mel G. Partridge, general chairman of the Rotary Club's fund raising campaign, announced today. Of this amount, $600 came from the dance staged by Rotary at the American Legion Home. The balance was in the form of special gifts and from cannisters located in the several offices and stores.

"I think that Tecumseh made an excellent showing in the campaign," Mr. Partridge said in making the final announcement. "We set our goal for $1,000 and we exceeded it by nearly 25 per cent. Such an increase is excellent when one considers that a year ago Tecumseh's gift to the March of Dimes was less than $500."

Mr. Partridge again expressed his appreciation to everyone who assisted to make the drive a success and to the public, generally, for their generous gifts.

FINAL TEEN-AGE DANCE TO BE HELD ON FRIDAY

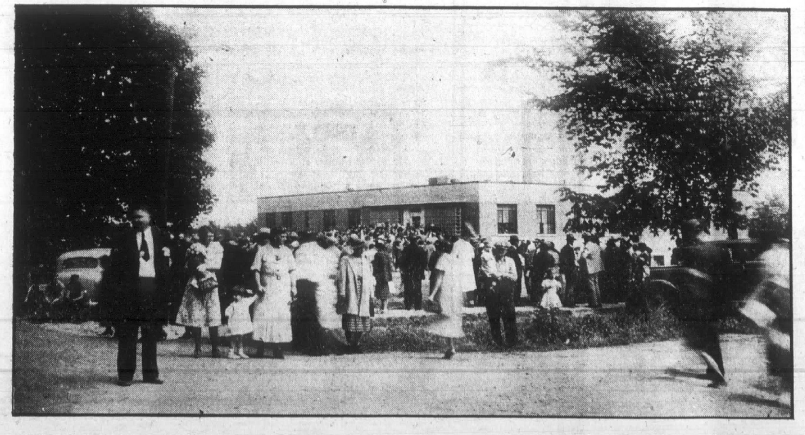
The last of the Teen-age Dancing Parties to be held at the high school this winter will be Friday evening from 9 to 12, it was announced today. The dances are sponsored by the Federated Musicians of Jackson and music is furnished by the Tecumseh Products Chieftains. In all, there have been six dances and music for all of them has been donated by the musicians.

High School Debaters To Meet Albion on Friday

The Albion affirmative debate team will meet the Tecumseh negative team in the state quarter final debate, Friday, February 24, at 1 p.m., in the cafeteria of the new high school building here. The public is invited to attend.

The debate topic is "Resolved: That the President of the United States Should Be Elected by the Direct Popular Vote of the People." David Green and Bill Morris, veteran debaters, will represent Tecumseh.

A Proud Day In Tecumseh Back In 1938



Pictured above is one of Tecumseh's proudest moments when Tecumseh Hospital—built and equipped entirely through public contributions—was formally opened in 1938. Thousands of persons inspected the hospital on the opening day and there was a banquet in the evening, at the high school. This scene may be repeated sometime this summer when the new addition, doubling the size of the institution, will be dedicated. The addition will be the gift of Mr. and Mrs. R. W. Herrick.

TIME FOR FRIED CHICKEN

The people are awakening to the fact that the power to tax is the power to destroy.

National defense is the excuse now used in Washington to cover its glaring increase in Federal political projects.

The taxation chickens are coming home to roost on the doorstep of the taxpayers and they are squawking for more and more feed, the tax dollars.

Cities, counties, states and the federal government are still trying to feed their pet chickens on war rations of waste and extravagance.

Few attempts are being made in political circles to clean out any of the chicken houses and dispose of the overgrown hens.

An exception is California which recently gave the country a lesson in common sense. It voted out a misfit old-age pension scheme which was a super-charity racket.

The national administration is still too cocky to pay any attention to the taxpayers, although it is by far the worst offender in taking the citizens' earnings.

It has asked for larger and larger budgets each year since the war and unblushingly suggests tax increases instead of making any honest effort to cut extravagance and waste.

Only the people, by showing their resentment of bureaucratic waste, can save themselves from increasing deprivations at the hands of the political money jugglers.

LOST PIG FOUND IN STOVE

Chicago—While Dannie O'Day, a magician, can make his guinea pig vanish almost any time he wants to, his wife was amazed recently, to find the pig had disappeared from his cage. A man from the Animal Welfare League recovered the animal, but he had to take the gas stove apart to do it.

INFLATION IS JUST ANOTHER "HIDDEN TAX" ON PUBLIC

$12,000 Average Incomes In Future, Not Fantastic

By Gene Alleman
(Special To The Herald)

Lansing — When President Truman and Governor Williams ask for increased government spending at Washington and Lansing, their actions fit logically—as we see it—into an interesting cycle of contemporary history.

It's plain arithmetic in part.

And yet it is as illusive as a magician's rabbit or Alice in Wonderland.

We refer to that little understood thing called inflation.

Every dollar you saved in 1939 and put in the bank, or into defense bonds, or an insurance annuity or anything else in fact, is not worth a 1939 dollar today. It is worth only 59 cents.

"What happened to the other 41 cents?" you ask.

Well, part of that might be considered to be a tax we paid to preserve our freedom. The government—and that means all of us—spent money freely to win the recent war. And war is utterly destructive. It destroys material wealth as well as human lives. It led us inevitably to a staggering national debt, now at 257 billions.

Part of the 41 cents may be said to be due also to postwar treasury deficits caused, in part at least, by social reforms — public housing, for example, whereby we, the government, agree to subsidize rents of low income workers.

"Will we get more inflation in the future?"

Roger Babson, the noted economist, thinks we will.

This would mean that our 1939 dollar, instead of being worth 59 cents, might go down to 50 or 25 and even a lower sum. At 50 cents your 1939 savings will be worth one-half. You would need $2 to buy the same goods that a 1939 dollar would have purchased. At 25 cents your income would have to be four times that of 1939 to come out even!

In a recent statement for the United Press Mr. Babson says that more inflation depends on two things: whether we will have a World War III and whether our free enterprise system is preserved with its attendant high living standards for American workers.

It is significant that about three-quarters of the proposed national budget for 1951 is earmarked "to pay the cost of past wars" and to provide insurance in form of military preparations, against the danger of wars to come.

"What is the annual cost today of our wars?"

Approximately $31 BILLION dollars, as follows: National defense, $13.5 to $14 billions (depending on expenditures or appropriations); foreign aid assistance, $4 billions; and veterans programs and interest on the war debt, $12 billions. The remainder consists of more than $800 millions for atomic bombs, merchant marine subsidy and other indirect national defense benefits.

There is little doubt that a third world war, with its frightful waste of human resources as well as material wealth, would push the 59 cent dollar down still more. Continual treasury deficits at Washington, regardless of the cause, would have the same economic effect.

Hence the prediction that the average American family may have an annual income of $12,000 by the year 2000—another 50 years in fact—is not fantastic. That is if we get mixed up again in another global conflict or if we continue down the road to socialism.

As we see it, either of these causes would have the same ultimate effect.

The plight of all governments—federal, state and local—today is due primarily to postwar currency infation (the 59 cent dollar) and secondarily to an emotional belief that we are entitled to a "better world" as compensation for our war-time sacrifices. It is this latter urge, when coupled with a desire for individual and national security, that produces the so-called "swing to the left" right in to the hands of the bureaucrats. The state becomes the false hope of salvation.

Inflation is another hidden tax. It takes money away from everyone.

And yet, like the magician's rabbit, it is extremely illusive—hard to believe, hard to grasp.

If more cents are taken from the dollar, due to socialist spending or due to another war, Huey Long's "every man a king" will not be far fetched. We will have a king-size income and king-size prices as well as a king-size debt.

"GREATEST TENOR" . . . Robert C. Charlebois, former G. I. now serving as entertainment director for U. S. troops in Munich, talks with Fritz Wolff of the Munich high school for music, one of the authorities hailing Charlebois as "the greatest tenor of our times." He was discovered by the grandson of the German composer, Wagner, who says that Charlebois must sing at the Bayreuth music festival.

COMES TO LIFE

Port au Prince, Haiti — Doctors are still studying the case of a young woman, discovered to be alive in her coffin, just as her mourning family was about to bury her. After a six months illness, Anita Souffrant, 26, lost consciousness. On December 14, her family decided she was dead and arranged a funeral. On the way to church, mourners were startled to hear noises coming from Anita's coffin and investigations proved she was breathing. Rushed to a hospital, she gained full consciousness three days later. Her illness was diagnosed as a type of malaria.

From where I sit ... by Joe Marsh

How to Get That Homework Done

Miss Gilbert, our grammar school principal, spoke the other night at the regular Parent-Teachers' meeting, on getting children to do their homework when they want to listen to the radio.

"We musn't give them a flat 'no'," Miss Gilbert said. "If we adults *really* believe in tolerance and moderation, we should instill these qualities in our children. Listening to the radio is fine—in *moderation*—as long as homework gets done, too."

From where I sit, the lady was dead-right. This radio vs. homework problem is a wonderful way to see to it that our youngsters acquire the sensible moderate habits they'll need later on.

I've never believed in hard and fast rules—except where absolutely necessary. Let the other fellow do as he likes, as long as he's temperate and tolerant. Guess that's why I've never felt we should quarrel with the fellow who is partial to a glass of beer—the "Beverage of Moderation."

BUSINESS IS GOOD!

OPEN LETTER TO AN AMBITIOUS MAN:

Local representatives of UNITED FARM AGENCY, America's most effective advertiser of farms and country real estate, are busy and prosperous. If you want a business of your own, through which you may gain independence and security, you will welcome the news that there is now an opportunity for you to join the UNITED team. We are seeking a local representative in your area to list and show farms and country real estate.

Through a quarter of a century, UNITED FARM AGENCY has enjoyed steady growth. Right now, we are experiencing a growing demand for rural real estate. UNITED goes ahead through booms and depressions. In periods of economic stress, as well as during good times, thousands of families leave the large industrial cities and buy in the country. UNITED is proud of its well-earned reputation for fair dealing, dependability, and faithful service to real estate buyers and sellers throughout the country. Many of our sales today are made to families who have bought and sold through us in past years, or who are relatives and friends of former customers. This priceless heritage of good will is but one of the factors that contribute to the success of the worthy UNITED representative.

The UNITED representative receives the benefit of constant nation-wide advertising in the great metropolitan newspapers, magazines, and farm publications with a total current circulation in excess of 40 million readers. Each UNITED man is advertised in UNITED'S famous quarterly catalog, more than 200,000 copies of which were sent to buyers upon request last year. UNITED buyers come from all over the nation—our representatives do not have to depend on the limited sources of business available to the ordinary real estate broker. UNITED maintains city offices in the larger centers of population where prospective buyers are interviewed and referred to our local representatives.

To qualify as a UNITED representative you do not need real estate experience, but must be thoroughly honest and dependable, willing to work, learn, and follow advice and time-tested methods. UNITED gives help, advice, and instruction with a personal touch. You should be between 25 and 60 years of age, and own and drive a car. Conducted Hospital Tours For Members of Auxiliary

Miss Gertrude Spaulding, superintendent of Tecumseh hospital, volunteered to conduct tours, through the institution, for members of the Tecumseh Hospital Auxiliary, when she spoke to that organization at its regular monthly meeting, held last week Tuesday evening at the home of Mrs. Frank Purcell. Such tours will familiarize the auxiliary members with the operation of the hospital, they will see the latest equipment purchased and will learn of the many services available.

In a brief talk on the services rendered by the home nursing service, Miss Spaulding said the nurse, under the direction of local doctors, has cared for convalescent patients, those bedridden and new mothers who need assistance in learning to bathe a baby and prepare a formula. The superintendent added that the patients had been pleased with the service.

During the business meeting the names of Mrs. J. T. Furry, Mrs. Ralph Hodges, Mrs. C. W. Gilman and Mrs. Leo Bishop were added to the membership list, which now totals 132. Plans were made for activities during the coming year. The tentative date set for another holiday ball is December 2. The Auxiliary will have a rummage sale and bake sale soon.

Dr. Donald Parker, radiologist for Adrian and Tecumseh, will speak at the next meeting, which will be held at the home of Mrs. Paul Keyser.

MACON

The Macon Extension Club will meet at the home of Mrs. Earl Murphy on Friday, February 24 at one o'clock. This is to be new member's day and friends wishing to join must be present on that day. The lesson topic for this day will be "A Middle Year's Menu."

Mrs. Ruby Bigelow will appear on the Home and Harmony program of Adrian's WABJ broadcasting station Thursday, February 23 at 11:55 a.m., for a five minute interview relating interesting facts about the Macon Woman's Club.

Mrs. Duncan Robison has returned from St. Joseph hospital, Ann Arbor, where she was a medical patient and her health is steadily improving.

Mrs. Duane Robison has been discharged from Beyer hospital, Ypsilanti, where she was a medical patient and is convalescing in the home of her brother, Robert Wardle, near Ypsilanti.

Mr. and Mrs. Charles Bigelow were guests Sunday of Mr. and Mrs. Earl Gaines. Mr. Bigelow and his host Mr. Gaines were honor guests at a dinner Sunday evening given in celebration of their birthday anniversaries.

Guests during the weekend in the home of Mr. and Mrs. Leon Hall were Mr. and Mrs. Fred Furstenberg of Monroe, Mr. and Mrs. O. C. Martin of Adrian, and Mr. and Mrs. John Harbison of Milan.

Mrs. Enola Hall spent Monday in Tecumseh with her former schoolmate Mrs. Minnie Kempf who is making her home with Mrs. Forrest McCarbery.

Bob and Bill Bigelow were guests Sunday in Willow Run Village in the home of their uncle Clayton Bigelow, jr., and Mrs. Bigelow.

Leavenworth prison is in Kansas.

Presbyterian Association Honors Local Couple

Mr. and Mrs. Fred Marsh, who recently celebrated their Golden Wedding Anniversary, were guests of honor of the Presbyterian Woman's Association, at its regular monthly meeting, last week Wednesday evening, in the Fellowship Center. Mrs. Marsh has been an ardent worker in the association and Mr. Marsh was invited as a surprise to his wife. He was accompanied by his daughter, Mrs. James Hartsell.

Mrs. Ray Sluyter gave a tribute to the honored couple. Mrs. Walter Plaus was in charge of the refreshments, which were served at a table centered with a floral arrangement with the numbers "50" in gold wire. White and gold napkins and a white anniversary cake topped with gold flowers were other features. The centerpiece was later presented to Mrs. Marsh. Mrs. Albert Jahn poured.

Mrs. Howard Truesdale presided at the business meeting preceding the reception. Mrs. Donald Wilson led in devotions and Mrs. Margaret Kidman spoke on "Japan" from the study book "Japan Begins Again." The proposed budget for the year was adopted, and Mrs. Lynn Hubbard was named chairman of a committee chosen to call on all members. Mrs. Wade Hendershot was made chairman of an attendance committee. Some 30 members were in attendance.

Best Man

An Irishman obtained leave from work to attend a wedding. He returned with two black eyes.

The foreman asked him what had happened.

"When I got there," replied the Irishman, "I saw a fellow all dressed up like a peacock. 'And who are you?' says I."

"'I'm the best man,' he says, an' begorra he was too."

The Reason

"Oh, he's so romantic. When he addresses me he always calls me fair lady."

"Force of habit, my dear. He's a street car conductor."

Gift To Double

(Continued From Page 1)

vice. Our records list names of persons from all over Lenawee county and from adjoining counties. That, perhaps, is one of the reasons why our hospital has operated 'in the black' and, at the present time, has a modest surplus in cash and receivables."

When the addition is completed the hospital will have beds for 51 adult patients and a nursery with bassinettes for 22 babies. Its operating room is ultra modern, it has a complete laboratory with X-ray equipment.

Tecumseh Hospital is, in reality, Mr. Herrick's brain-child. In 1937, realizing the need for such an institution in Tecumseh, Mr. Herrick began to talk with civic leaders about hospital construction. After a few private meetings he finally accepted the chairmanship of a citizens committee to build and equip a hospital here and, upon its completion, to turn it over to the community debt-free.

Mr. Herrick realized his dream in 1938 when the hospital, then with only 21 beds, was opened. Every dollar of the cost of the construction and equipment had been donated and the keys to the institution were handed over to the Village for operation.

By 1941 the burden upon the services of the hospital had increased to such an extent that the Village Council authorized construction of a $25,000 addition increasing the number of beds to 34. By 1944 the need for the hospital's services were such that again another addition was needed but, because of a lack of funds, the Village has delayed expansion. Several times in the past five or six years a program for the enlargement of the hospital has been discussed but each time it met with the same answer—no funds available.

"Tecumseh is indeed fortunate to have as one of its residents a man who is as generous of his money and of his talents as Mr. Herrick," the hospital board president said. "We of the hospital board know of nothing finer that Mr. Herrick could have done than to make this much-needed improvement possible. We feel certain, too, that the community realizes that through his generosity Tecumseh Hospital, which he conceived back in 1938, now can be enlarged.

"We are indeed humble in the receipt of this gift and, speaking for the community, we know of nothing more fitting that we might do to express our appreciation than to honor the memory of the donor's parents by changing the name of the institution to Herrick Memorial Hospital."

28 MEMBERS, GUESTS AT GARDEN CLUB MEET

Some 28 members and two guests of the Tecumseh Garden Club were entertained by Mrs. Clarence Beach at her home on West Shawnee street, Friday afternoon. Roll call was answered with "flowers and shrubs to attract birds." A garden quiz was conducted by Mrs. Thomas O'Hara and the lack pot question was won by Mrs. August Hoffmeister.

It was decided to send a round robin letter and a shower of greeting cards to Mrs. R. S. Moore, who is ill in St. Petersburg, Fla. Refreshments were served by the hostess, assisted by Mrs. Hoffmeister, Mrs. George Wright and Mrs. George Green.

The next meeting will be held at the home of Mrs. Paul Clauda.

NAMED HOSTESSES

Mrs. Charles Mensing, phone 186J, and Mrs. Willis Porter, phone 101J, are the hostesses for Ladies Day at the Tecumseh Country Club, Wednesday, March 1. Luncheon reservations should be made by Tuesday noon.

Prefer Standing

"I had my first riding lesson yesterday, Aunty."

"Well, my dear, sit down and tell me all about it."

"I can't."

"You mean you can't tell me about the lesson?"

"No, I can't sit down."

UNION WILL MEET

The Baptist Ladies Union will meet Thursday, March 2, at the home of Mrs. R. H. Hewlett for supper at 6:30 p.m., with the Junior League members as guests. Mrs. Dean VanValkenburg is in charge of devotions and Mrs. Ted McConnell will give a book review.

Married 50 Years

Mr. and Mrs. Reuben VanWinkle

Mr. and Mrs. Reuben VanWinkle of 217 East Shawnee street, will celebrate their golden wedding anniversary on Sunday, February 26, from 3 to 6 p.m., with open house being planned by their son and daughters and families.

Luella May Wonder and Reuben Ray VanWinkle were married February 22, 1900, by Martha Barber, pastor of the Tecumseh Friends church, in the home of her parents, Mr. and Mrs. Andrew Wonders, who lived on North Mills street.

They are the parents of three children, Andrew L. VanWinkle, Mrs. Naomi Sallows, and Mrs. Eyrell Murphy. Another daughter Irene died in 1916 at the age of three. They have five grandchildren. Mrs. Joyce Kuhn of Cleveland, Ohio; Mrs. Marjorie Marx of Iowa City, Iowa; David, Marilyn and Judith VanWinkle.

Mr. VanWinkle was a carpenter for many years and with his brother, A. S. VanWinkle, now deceased, built many houses in Tecumseh and at one time owned and operated a milk route.

Mr. and Mrs. VanWinkle are both members of the Friends church and until Mrs. VanWinkle's poor health hindered, they were very active in church work.

Mr. VanWinkle is a Spanish War Veteran and Mrs. VanWinkle is a member of the Auxiliary. Both are looking forward to greeting their friends next Sunday.

About The Folk You Know

Mrs. Robert Billau of southeast of Tecumseh was hostess at a cradle shower, Sunday afternoon, for the pleasure of her sister, Mrs. Robert Rainey of Onsted, formerly Miss Clara Ellen Gottschalk. The afternoon was spent socially and games were enjoyed with the prizes being presented to the guest of honor, who also received many lovely and useful gifts. Lunch was served by the hostess to guests from Detroit, Milan, Macon, Britton, Adrian and Onsted.

• • • •

Mrs. Ray Sniffen was the honor guest at a neighborhood cradle shower given by Mrs. H. W. Triesdale, Mrs. Percy Hand and Mrs. L. W. Johnson at the latter's home, Thursday afternoon. Games were played and prizes awarded, which were in turn presented to Mrs. Sniffen. Refreshments were served at a table centered with a plant in a baby shoe holder, which was presented to the guest of honor, who also received gifts in a basket trimmed in pink and blue.

• • • •

Mrs. Hilda Will entertained at a shower for Miss Beatrice Daykin, a bride-elect of March 24, Tuesday evening. The 20 guests enjoyed a social evening with canasta as the diversion. The prizes were presented to Miss Daykin, who also received an array of gifts useful in the kitchen. Refreshments were served by the hostess.

Tecumseh Tied In Cage Race

HOLD UNDISPUTED CLAIM TO SECOND POSITION BY DEFEATING HUDSON

(By Don VanCamp)

The Tecumseh Indians climbed back into undisputed second place in the L. C. A. A. league basketball competition, Friday evening, by defeating the Hudson Tigers 43-34, on the local court. The week before the Indians lost second place by dropping a game to Morenci 31-28.

The Indians, led by high scoring forward McDowell, had a hard time of it the first half of the game. At the end of the first quarter Tecumseh was on top but only by one point, the score being 11-10. Hudson's ace Deuel was held to three points by forward Dave Green. Dave left the game on fouls in the fourth quarter.

In the second quarter Tecumseh tallied 12 points while the Tigers could get but 10. At the half the score read 23-20 for the Indians. Forward Skip Culver collected 15 points to help the total points for Hudson. Meredith, Hudson guard, came in second collecting eight points. High scorer for Tecumseh was McDowell, who collected 18 points. Doug is now in second place behind PeeWee Knight of Clinton for individual high scoring in the county. Following close behind Doug were Lee Phibbs, who got nine and Owen Campbell who made good for eight. The game ended with Tecumseh taking a 43-34 victory and second place in L. C. A. A.

The Tecumseh reserves didn't do as well as their big brothers. They lost to the young Tigers 33-28. High point man for Hudson was Abraham who registered 13 and Sisson got nine for Tecumseh.

TEMPERANCE PROGRAM

The Women's Christian Temperance Union met Tuesday afternoon at the home of Mrs. H. H. Loveland, with a good attendance.

Mrs. Howard Everhart gave devotions and presented an interesting program, the theme of which was "Spreading the Light." She used as her slogan, "Pray and educate, pray and legislate, pray and agitate." During her talk, Mrs. Everhart said, "Some people are down on what they're not up on."

Miss Laura Copeland, a guest of Mrs. Perry Hayden, gave an interesting talk on her own personal experiences in the cause of temperance. Miss Copeland is a hobby therapist and is an authority on owls.

Hammel Speaks To Club Women

SOCIALIZED MEDICINE IS DISCUSSED BY LOCAL DOCTOR AT MEETING, MONDAY

Dr. H. H. Hammel addressed the Tecumseh Monday Club on the subject of "Socialized Medicine" at the home of Mrs. M. G. Partridge, this week, February 20. The speaker gave appalling statistics and explained the results of the program in other countries of Europe including G. He urged the women, numbering over 50, to read the article "The Price of Health—Two Ways To Pay For It," in the February 20 issue of Time magazine.

The meeting was opened by the president, Mrs. Donald Goddard. Out of town guests included Mrs. James T. Baker of the Adrian Woman's Club and Mrs. A. E. Brainard and Mrs. H. F. Reynolds of the Onsted Woman's Club. Letters of thanks were read from Mrs. R. S. Moore, who is ill in St. Petersburg, Fla.; the late Mrs. Alice Slayton's family, and Mrs. Harmon Gamble of Hudson. Mrs. Perry Hayden presented a beautiful religious thought.

A favorable report from the committee which had investigated the removal of the public rest room was heard. It is hoped that a new rest room will be available soon. The committee in charge of sending food and clothing overseas are delaying the shipments for two weeks and during that time articles may be left at the public library. The silver tea collection was given to that committee to use as it sees fit.

Miss Edith Ingersoll gave several interesting current events. Members who participated in the Atlantic Peace Pact dramatization a few months ago were asked to be guests of the Adrian Woman's Progressive Club, February 28, at supper and to present the same program. The meeting will be held at the Y. W. C. A., and those participating are to call Mrs. Thomas O'Hara for transportation.

Tea was poured by Mrs. Hoyt Whelan and Mrs. Edward Boss. The co-hostesses were Mrs. W. H. Mast, Mrs. E. C. Brandt, Mrs. John Snow, Mrs. Norman Bailey, Mrs. Edward Boss and Mrs. Archie Porter.

SCOUTS ENTERTAINED

Members of Girl Scout Troop No. 6 and their leader, Mrs. Ben Standen were entertained by their sponsor, the Baptist Junior League, at the home of Mrs. Carl Kempf, Tuesday evening.

Games in keeping with Washington's birthday, were played and prizes awarded to the three winning Scouts. Singing was enjoyed and the Scouts led in the pledge to the flag and gave their Girl Scout oath. Refreshments, with the cherry theme predominating throughout, were served by Mrs. Kempf and Mrs. Betty Wing.

GUILD TO MEET

The Methodist Guild will meet Tuesday, February 28, at the home of Mrs. Willis Porter, at 8:30 p.m. Mrs. David Dick is the assisting hostess.

personally. Today, he said, they are judged solely on the appeal of their pictures or their radio voice.

Brake pointed out that at present 27 cents of the earned dollar is going into taxes. When that amount reaches 35 cents, some economists declare free enterprise will disappear, he said.

Discussing state government, Brake touched briefly on the Governor's forecast of a 90 million dollar deficit this year in Michigan's budget. Brake doubted that the deficit would be that high but he indicated that there would be a deficit.

Neville Hart, director of the Adult Education Program in the public schools here, had charge of the Tuesday program and presided at the meeting.

and also served for several years on the council.

The People's Party caucused on Tuesday evening at the Council Building and named this slate: Mr. Elliott for president; Joe Rohweder, E. C. Hellman and Howard Truesdale, members of the council; Robert Kroner, clerk; Myrna Tingley, treasurer; John T. Wagner, assessor. The only contest in the caucus was for the assessor's nomination. Mr. Wagner was opposed by Lester C. Rogers and in the voting Mr. Rogers received 23 votes and Mr. Wagner 26.

Mrs. O. W. Laidlaw acted as chairman of the caucus, J. C. Beardsley was secretary and Charles Howe and Ernest VanVleet were the tellers.

The Progressive Party caucused in the same building on Monday evening and named this slate: Mr. Watkins for president; William Wright, Charles Meising and Clarence Beach, members of the council; Wade L. Jones, clerk; Charles Fay, treasurer, and John Saling, assessor. There were no contests.

E. M. Campbell acted as chairman of the caucus and John R. Zeigler was secretary. The tellers were O. M. Powell and M. G. Partridge.

Sacred Music Program Is Enjoyed By Club

Mrs. Maynard Mulvaney entertained the Tecumseh Music Club, Tuesday evening, when Mrs. Perry Hayden presented a program of sacred music. Mrs. Ralph Comfort gave an enlightening report on the origin of religious music and Mrs Hayden read a poem "God's Organ," taken from the last music club bulletin. With her own accompaniment Mrs. Harley McConnell sang "The 23rd Psalm." Mrs. Murray Day, accompanied by Mrs. Wilfred Waldron, rendered "The Greatest of These Is Love," by Roberta Bitgood, taken from the 13th chapter of Corinthians. A piano solo, "Sweet Hour of Prayer," was played by Mrs. Waldron. Mrs. Hayden introduced the Rev. Edward Escolme, who in turn presented several tape recordings, including the Presbyterian choir and two groups from the Friends church. In concluding the program the group sang the hymn of the month, "O Worship The King," which was recorded and played back.

A business meeting preceded the program. Flowers were sent to Mrs. R. S. Moore, who is ill in St. Petersburg, Fla.

Refreshments were served by the hostess, assisted by Mrs. McConnell and Mrs. Carol Bolster.

Rep. Rollo G. Conlin Is Rotary Club Speaker

The functions of the ways and means committee of the Michigan House of Representatives were explained to members of the Rotary Club, Tuesday evening, by Rollo G. Conlin, Tipton, representative from this district, when he spoke following dinner at the Legion Memorial Home. Mr. Conlin was the guest of LeRoy Titley, township supervisor. D. Hale Brake, state treasurer, also was a guest.

Mr. Conlin explained that the ways and means committee, of which he is a member, is now meeting with state agencies preparing Michigan's budget which, the Governor thinks, may show a deficit of 90 million dollars. He explained how budgets are established and pointed out that in the forthcoming special session of the legislature, business must be confined to the limits of the Governor's message.

Junior Rotarians at the meeting included Doug McDowell, Jerry Judd, Lee Phibbs and Gordon Kaiser. Neville Hart of the high school staff also was a guest as was Nat Gould, president of the Clinton Rotary Club.

Clarence Gilman, president, announced that Rotary's Ladies Night would be observed with a banquet and program on Tuesday, March 7.

POLICE INVESTIGATE THREE CAR ACCIDENT

Village police investigated a three-car collision at the corner of West Chicago Blvd., and Adrian Rd., Tuesday at 3:45 p.m. The mishap occurred when an automobile driven west by Mrs. Ina Bartenslager of 615 W. Cummins stopped to make a left turn and another car being driven in the same direction by Loarn LaMar Forrester of Addison was unable to stop and struck the rear end of the Bartenslager car. The impact caused the Bartenslager vehicle to go ahead and it collided with one being driven east by Robert W. Schilling of Adrian. Gordon Schilling, 10 months old son of Mr. Schilling, sustained minor injuries and Mrs. Bartenslager suffered a leg cut. Both were treated by Dr. M. R. Blanden. All three cars were damaged considerably.

Slippery roads were the cause of another accident at 5:45 p.m., when automobiles being driven by Paul J. Breitenwischer and William Brown sideswipped on the Brownville bridge. Both cars were damaged.

POLICE FORCE HERE WILL BE REORGANIZED

The public safety committee of the Village Council will probably meet this week to reorganize the local police department. Two temporary appointments to the force have been made recently with Robert Seitz and Wayne Schultz accepting patrolman's posts.

Earl Bowen resigned as police chief on February 15 and Bert Tate was named temporary chief. However, it appears, according to a member of the committee, that he may now leave the office, and it may be necessary to name a successor to him.

Alfred Pope, who has been a member of the force for some time, resigned yesterday. The other officer on the job is Oliver Heberline.

FUNERAL SERVICES TODAY FOR FLOYD PARTEE, 69

Funeral services for Floyd Partee, 69, of Manchester, who died suddenly Monday evening at the home of his daughter, Mrs. Albert Merz of Tecumseh, will be held today (Thursday) at 2 p.m., from the Jenter Funeral Home in Manchester. The Rev. John Bunney will officiate and burial will be in the East Side cemetery at Grass Lake.

Before moving to Manchester township in 1928, Mr. Partee had lived in Grass Lake and Sharon township. He married Mable Davis, December 28, 1904, and she survives with one daughter, Mrs. Merz, and one aunt, Mrs. Wilbur Comstock of Manchester.

BOY SCOUT NOTES

Cub Pack 4

Dean Briggs, Scoutmaster of Troop 4, has a message for those Den Chiefs who are also members of his troop. He requests that on each pack night, the Den Chiefs report to him at the scout cabin before attending the Pack meeting. This will result in a better record of attendance for each boy and the troop as a whole. Mr. Briggs will be at the Scout cabin from 6 o'clock on.

The Tecumseh Cub Scouts, Pack 4, with their families, will celebrate the fortieth birthday of Boy Scouting in the United States with their annual Blue and Gold banquet, which will be held Monday evening, February 27, in the high school gym. About 300 people are expected to be present.

After the dinner, a large artificial birthday cake will be constructed by the Cubs before the eyes of the audience. Seven Cubs who are working for their Lion badges will preside at the induction of three new boys into the pack; then awards will be presented to a large group of Cubs. The charter on Pack 4 for the coming year will be presented to Rev. B. O. Bashore as head of the local sponsoring institution, the Baptist church.

Mrs. Harold Naser's Den 1 will have five boys who will receive their Bear badges at the Blue and Gold banquet. They are Allen Dickenson, Bruce McDowell, Dean Andrews, John Naser, and Richard Johnston, who will receive both his Wolf and his Bear badge at the same time. Nicky Touborg and Gary Cameron are working for their Lion badges. Terry Holdridge and Freddy Deaner will be ready for their bear badge, they expect, at the March Pack meeting.

Richard Johnston and Gary Cameron have birthdays this month. Richard's was celebrated with birthday refreshments at the den meeting Tuesday, February 21. Gary's birthday will be observed on Tuesday, February 28.

Presbyterian Troop

The new troop sponsored by the Presbyterian Men's Club is engaged actively in its program and expects to have its charter in another month.

Since the first meeting of the troop the following boys have passed their Tenderfoot tests: Jimmy Place, Ross Hadley, Glenn Haviland, Ashley Chase, and Teddy Cornell.

The troop is organized into two patrols: The Eagle Patrol with Ross Hadley as leader, and the Beaver Patrol under the leadership of Garry Roberts. The Eagles meet at 6:15, the Beavers at 6:30 and the entire troop meets at 7:00 each Wednesday evening.

The boys are still working on their plans for the March overnight hike.

Troop 4

Eleven Scouts of Troop 4 have recently passed their Tenderfoot tests: Charles Phillips, Roger Butler, James Bowser, J. J. Walper, Robert Scott, Robert Gurtzweiler, Douglas Hoffman, Jackie George, James Moynahan, Duncan Harris, and Kenny Miller.

At their meeting Monday night the Troop made final preparations for Saturday's hike in which they are to learn the fundamentals of the 22 rifle. They are to meet at the Scout cabin at 9:15 Saturday morning.

The rest of the evening was spent at games and sports of various kinds.

Fingerprints Essential, State Trooper Tells Club

State Trooper Marvin Krans of the Clinton post was the guest speaker at the regular weekly dinner meeting of the Tecumseh Exchange Club, Monday evening. Trooper Kranz gave a resume of the operation of the state police and stated most emphatically that everybody should have their fingerprints on file with the police. He cited several incidences in which identification of individuals was possible only through fingerprints.

"Every householder," Kranz said, "should make a list of serial numbers and descriptions of anything of value, such as radios, jewelry, electrical appliances, etc., for their own safety." "Better still," he added, "register the serial numbers with the state police." The speaker said when the state police was first organized about 40 years ago, about 200 cases a year came to their attention. Now with a force of about 800 troopers, they handle between 65 and 70 thousand cases a year.

Jack Lancaster was the guest of Charles Stevenson.

Wit and Wisdom Club Attends "Night School" And Increase Knowledge

Members of the Tecumseh Wit and Wisdom Club increased their "wisdom" as they enjoyed a tour through the new high school building, Monday evening, with Mr. and Mrs. Earl Place and Mr. and Mrs. Delmar Crisp in charge.

Several of Clare Camburn's music students who had recently participated in the district also and ensemble festival, presented a program with the following taking part: Geraldine Handy, piano solo; Howard Powell, flute solo; Linda Sisson, saxophone solo; Norma Hubbard, French horn solo; Trulee Ogden, Louis Vargo, Donna Burleson and Geraldine Handy, saxophone quartet; Miss Ogden and Mr. Vargo, saxophone duet; flute solo, Sally Rentschler and Barbara Handy, piano solo.

During the tour, chemistry laboratory demonstrations were given by David Dick and James McDowell conducted a slide rule class. Mrs. Crisp held a speech class with the members participating and Mr. Dick demonstrated the driver training program. Mrs. Kuhn explained the home nursing class and Mr. Locke the agricultural classes.

In conclusion the group returned to the cafeteria for refreshments.

Vesper Service of Music At St. Peter's, Sunday

Music that is rich in tradition as well as in beauty will be heard at the Vesper Service of Music at St. Peter's Episcopal church next Sunday, February 26 at 5 p.m. Guest soloists will be Mr. Carl C. Christensen, tenor, soloist at Christ Church, Cranbrook, and James Spencer, organist, director of music at Adrian College.

The program, published in this edition of The Herald, is composed of works of the great masters of sacred music. Opening with "The Lord's Prayer" by Malotte, Mr. Christensen will sing the beautiful music by Dvorak, Handel, Cesar Franck, and Gaul. Mr. Spencer will play two Chorale Preludes, and the rich and magnificant "Jesu, Joy of Man's Desiring" by Johann Sebastian Bach. The Junior Choir has its own special presentation, a Chopin anthem, "Oh Lord, We Adore Thee." The Adult Choir will sing "The Path of Prayer" by Voris.

The choir of St. Peter's Church is presenting this Vesper Service as a special service of praise for the Lenten Season. The offering of the evening will be for choir vestments and music.

Lenten Season Opened With Family Night Supper

Heralding the opening of the Lenten season, the Presbyterian church held a Family Night supper in the Fellowship Center, last evening, Wednesday, February 22. A large audience enjoyed the dramatic movie "The King of Kings."

There will be a reception of new members on Palm Sunday, April 2, and in preparation Pastor's Communicants classes will be held every Sunday till then beginning February 26. At three o'clock the young people from 12 years of age through high school will meet at the church and at 4:30 p.m., the adults will meet.

Last Sunday five persons were received into the church through letters of transfer. They were Mrs. Jennie Wright, Judge and Mrs. G. Arthur Rathbun and Mr. and Mrs. Russell C. Carey.

Sunday, February 26, the Rev. Donald C. Wilson, pastor, will preach the third in a series of sermons, which treat with what the church teaches, entitled "God the Holy Spirit."

TO TALK TO B. & P. W. C.

Dr. H. H. Hammel will address the Tecumseh Business and Professional Woman's Club on the subject of "Socialized Medicine" when that organization meets Monday evening, February 27, for dinner in the Fellowship Center of the Presbyterian church, at 6:45 p.m.

Mrs. Gordon Garlick and Mrs. Grenval Spangler are in charge of the program and Miss Ruby Preston will have devotions. The hostesses are Miss Bernice Parker, Miss Margaret Lowry, Miss Gertrude Spaulding and Mrs. Lester Coller.

DINNER MEETING

Seventeen members of the Past Chiefs Club of the Pythian Sisters enjoyed a dinner at Brees House at its regular meeting, Thursday evening, after which they adjourned to the home of Mrs. Iva Marsh for games. Mrs. Esther Beckman won first prize, Mrs. Lucy Skinner, second, and Mrs. Marie Raymond, third. During the business meeting Mrs. Lela Wood was initiated into the organization. In conclusion light refreshments were served by Mrs. Marsh assisted by Mrs. Rena Hubbard.

The Time The Anti-Trust Lawyers Killed Their Own Case!

For ten years the anti-trust lawyers have been attacking the business methods that make it possible to give the public the best quality food at the lowest prices.

In our last ad we told you how Federal Judge W. H. Atwell, at Dallas, threw the anti-trust lawyers and all their inflammatory charges against A&P right out of his court.

But the anti-trust lawyers were not satisfied with decisions against them by three federal judges.

They still wanted to destroy A&P.

They Appealed to New Orleans

So they appealed Judge Atwell's decision to the three-judge Circuit Court at New Orleans.

One of the three, Judge Curtis L. Waller, agreed with Judge Atwell that the case should be dismissed.

The other two members of the Circuit Court, Judge Joseph C. Hutcheson, Jr., and Judge Allen Cox, although saying the case should be tried, agreed that the indictment was vague and contained many allegations which were inflammatory.

They decided that Judge Atwell at Dallas should protect A&P from these inflammatory allegations and could order the anti-trust lawyers to supply the defendants with a bill of particulars.

So the case was back in Dallas again.

Judge Atwell, carrying out the decision of the Circuit Court, struck out the inflammatory matter.

He said that without this inflammatory and prejudicial matter the Grand Jury might never have returned the indictment.

Judge Atwell said to the anti-trust lawyers:

"There are many statements in the indictment which are not at all in violation, and are highly prejudicial and inflammatory."

The anti-trust lawyers objected. They advanced an amazing argument. They said that the removal of their inflammatory allegations (which all four judges had agreed did not belong in the indictment) destroyed their case.

Judge Atwell instructed the anti-trust lawyers to furnish the court with a bill of particulars. In short, he wanted specific charges instead of vague generalities. He set the deadline for furnishing this material at January 15th, 1944.

When the anti-trust lawyers twice asked for more time, pleading sickness among their staff, Judge Atwell extended the time to February 25th because he believed that they were honestly trying, in good faith, to prepare the material he had requested.

Actually, it developed, they were using the time to get ready to drop the case in Dallas and start it in another court.

They Quit in Dallas

On February 26th, while the judge was still waiting for his answer, and without any previous notice to him, the anti-trust lawyers gave a story to the newspapers in Washington, announcing that they were dropping the case in Dallas.

They said that it was their intention "to file a substantially similar suit in an appropriate jurisdiction *at an early date.*"

The "early date" turned out to be the same day.

As soon as one anti-trust lawyer killed the case in Dallas, another anti-trust lawyer filed a new case in Danville, Illinois. This new case made most of the same allegations that had been made and dropped in Dallas; and that are being made against us today.

So now, according to the anti-trust lawyers, all four judges who had ruled on the Dallas case were wrong.

Despite defeats in three federal courts in widely separated parts of the country, they continued their campaign to destroy A&P.

When Judge Atwell heard of their action he ordered the anti-trust lawyers to prepare an order for his signature dismissing the Dallas case.

In signing this order he said to the anti-trust lawyers:

"This nolle prosequi does not have the sanction or approval of this court. That is not necessary, nor that the government ask for the court's approval.

"It is, however, a matter that may be presented to the other court and may be of interest to the people at large."

So after their efforts to destroy A&P had failed in Washington, D. C., Wilson, North Carolina, and Dallas, Texas, the anti-trust lawyers moved on to Danville, Illinois.

They were still determined to destroy this company which had brought more and better food at lower cost to millions of American families.

They Were Wrong Three Times Before!

Three times the anti-trust lawyers went into federal courts and made serious and damaging charges against A&P.

Three times federal judges said the anti-trust lawyers were wrong and rendered decisions against them.

In previous ads in this series we told you about these other anti-trust "cases" involving us, which the judges said were not cases at all.

We think you should know about these previous cases, because once again the anti-trust lawyers are making damaging "allegations" that could seriously affect our business if they were believed by the public.

There was the time in Washington, D. C., when they said we and other good American citizens conspired to fix the price of bread in that city.

This was the time Federal Judge T. Alan Goldsborough ruled that A&P and the other defendants did not even need to put in a defense. He instructed the jury to bring in a verdict of "not guilty".

It was the time Judge Goldsborough said to the anti-trust lawyers:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all.

"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."

There was the time in Wilson, North Carolina, they said we and other good American citizens conspired to fix prices paid farmers for their potatoes.

This was the time Federal Judge C. C. Wyche directed the jury to bring in a verdict of "not guilty".

It was the time Judge Wyche said to the anti-trust lawyers:

"In my opinion there is no testimony produced from which it can reasonably be inferred that the defendants entered into a combination to depress or lower the price of potatoes.

"I might say that I never tried a case in my life where a greater effort, more work, more investigation had been done, combing almost with a fine-tooth comb to gather evidence.

"But, as was said a long time ago, you can't make brick without straw, and you can't make a case without facts."

There was the time in Dallas, Texas, when they made practically the same "allegations" they are making today.

This was the time Federal Judge W. H. Atwell ruled that the case should not even be tried. He said that the indictment contained inflammatory statements that he would not permit to be presented to a jury.

It was the time Judge Atwell said to the anti-trust lawyers:

"I know of no American rule, and I wish I had the power to underscore the word 'American,' which permits us to try a man because of his size.

"If I thought I was presiding over a court and that I might have to sentence some person because he was a great big fellow, or because he was a Lilliputian, I would feel like resigning. God knows we don't want it ever to occur in America that the size is going to determine whether a man is guilty or innocent."

RHEUMATISM Has Left Me Thanks O-JIB-WA BITTERS

Mr. George Ruleau of 203 N. Cedar Street, Manistique, personally recommends O-JIB-WA BITTERS in the following statement.

Geo. Ruleau

"The fear of being completely crippled with Rheumatism and Arthritis, is one that I have experienced for I was in such bad shape that I didn't know what to do. I was afraid I was going down completely. I am a mechanic and steam shovel operator, and as you know this is hard work. When Rheumatism settled into my hands, knees and back, it was almost impossible for me to do my work. My hands were so weak and crippled I couldn't even hold a hammer, and many are the times after working under a car, my back and knees would stiffen up, and I just couldn't get up without help. In spite of the fact that I had all my teeth pulled, and tried many other medicines, I didn't get any better. Terrible gas, indigestion and weak kidneys added to my miseries, and the thought was always present that it wouldn't be long before I couldn't work at all."

Now Completely Better

"I read about other people's experiences with O-JIB-WA BITTERS in my local paper, and decided to try it as I had little to lose, and am sure glad that I did. By the time I had taken O-JIB-WA a week, I was encouraged as I noticed a little improvement. I continued to get better, and although it has taken five months, now I am completely free of all pain and stiffness. I am able to do my work without difficulty. O-JIB-WA has changed my health completely, as I don't suffer anymore from indigestion or gas and can eat anything without distress. I personally know many other enthusiastic users of O-JIB-WA BITTERS and like myself, they are glad to recommend this great medicine."

Sufferers—give O-JIB-WA BITTERS a chance to help you. Available in three economical sizes at all leading drug stores in Michigan.

Moved by Trustee Porter that the following Resolution affording Fire protection to Quaker Oats Co. be adopted.

RESOLUTION NO. 1 (a)

By the Village Council:

BE IT RESOLVED that the Village of Tecumseh hereby agrees to furnish fire service to the Quaker Oats Company, it being expressly understood and agreed that such fire department response is binding upon the Village of Tecumseh at all times except in the event that the fire department is unable to respond for reasons beyond its control;

AND BE IT FURTHER RESOLVED that the Village of Tecumseh shall provide for response to fire calls to the Quaker Oats Company with the same fire apparatus and men as if the aforementioned property were located within the Village limits and that the fire department will respond to such fire calls without delay and under the same conditions as to fire alarms within the Village limits;

AND BE IT FURTHER RESOLVED that inasmuch as a reduction in fire insurance rates on this property under hydrant protection but outside the incorporate limits is recognized in connection with and on account of the above described response to fire calls, that should this resolution be rescinded, the Village clerk is hereby instructed to notify the Michigan Inspection Bureau.

We've Got The Swappin' Fever Again, We're Sayin'
And If Yuh Wanta Deal, Wa'al See Us

Yep, seems like twice in a while lately we gets the swappin fever and this is one of the times our temperature's really high.

Man, we jis got in a load of them new Fords-for-50 and they went out like hot cakes in the ranch stabul kitchen. Waal, that leaves us with some mighty hot trade-ins and listin—they're priced right.

Some o these cars we've knowed since they were born and they're really nice. If yur in the market for a better used car jist trot yur old nag to the stabul and see what we'll give yuh fur her in trade. Sprise yuh, we'll bet, specially if yuh hit us when our fever's runnin as high as it is right now.

Drive Begins For Red Cross

CAMPAIGN GOAL IN COUNTY SET AT $14,000; LOCAL CHAIRMEN NAMED

The annual Red Cross fund drive opened yesterday in Tecumseh, Mrs. L. W. Larsen, chairman, announced this week. There will be no house-to-house solicitation or canvas of the Tecumseh Products or business places, but representatives will be at the United Savings Bank every Monday, Wednesday, Friday and Saturday during the month of March, it was said.

Contributions may be made at the bank or may be mailed to Mrs. [illegible] Haight, co-chairman of the drive. Workers are Mrs. Orville Farver, Mrs. Fred Marsh, Mrs. R. K. Anderson, Mrs. M. C. Miller, Mrs. J. Rohweder, Mrs. G. Arthur Rathbun, Miss Clara Waldron and Mrs. R. Carey.

The county organization for the Red Cross drive has been completed. Local peacetime services include home service to veterans, home nursing, disaster preparedness and relief, Junior Red Cross, first aid, water safety and accident prevention. A goal of approximately $14,000.00 is sought in Lenawee county, one half of which will be turned over to the national organization. It is to be hoped that the public will give freely to this great humanitarian organization.

Village and township chairmen appointed by the county township chairman, Harry H. Hungerford, are in this area:

Cambridge, Mrs. Luella Reynolds; Franklin, Mrs. Grover Swarts; Macon, Mills Swick; Raisin, Mrs. Mathew Lunn; Ridgeway, William Kuster; Tecumseh Village, Mrs. L. W. Larsen, Mrs. Vincent Haight; Tecumseh Township, Mrs. W. G. Waldron.

It is requested that Sunday, March 5th be observed as Red Cross Day in all churches.

MR. AND MRS. R. R. VANWINKLE OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. R. R. VanWinkle received congratulations from 150 friends and relatives, Sunday, at an open house celebration planned by their children in honor of their 50th wedding anniversary, which occurred February 22. The VanWinkle home on East Shawnee street was a bower of flowers, the gifts from friends and organizations, and all were in yellow and white. Miss Mable Lockwood was in charge of the guest book and as each guest registered he received a favor in the form of a golden bell folder with stamp photos of Mr. and Mrs. VanWinkle, presented by their granddaughter Judy VanWinkle.

Mrs. Jennie Slater was in charge of refreshments which were served from a lace covered table with silver tea and coffee service. It was centered with a floral arrangement of yellow roses and freesia, and crystal candelabra with white candles tied with gold bows. The three tiered anniversary cake, which centered the buffet, was topped with a miniature arrangement of a china plate on which was engraved "50" in gold, and a pair of gold candle sticks and yellow

Car and Two Trucks Involved In Accident

Wayne Camp of Tipton, suffered back and neck injuries, Tuesday at 7:30 a.m., when the car he was driving was folded up like an accordian on Widnoh's Hill, just west of here on M-50.

The accident happened when Camp stopped his car in back of a truck that was parked at the foot of the hill waiting for the release of a stalled truck further up the hill. The parked truck was operated by Robert Sherman of Adrian.

The pavement was slippery and as the car and truck waited another truck traveling in the same direction and driven by Fred Barden, Clayton, struck the rear of Camp's car and drove it into the Sherman truck. It literally made Camp's car into the form of an accordian. Camp was thrown first into the rear seat, then back into the front seat.

State police took Camp to Tecumseh Hospital for treatment and he was later released.

C. of C. Warns Of Solicitors

CHAMBER APPROVAL IS NEEDED; COOPERATION OF PUBLIC URGED

Tecumseh organizations, business firms, and individuals are being reminded this week of the Chamber of Commerce solicitation control program. Ronald Harris, Chamber secretary, states that recent misunderstandings make it advisable to publish once more an outline of the program.

Solicitors for donations are requested to clear through the solicitations control committee of the Chamber of Commerce. Business firms are asked to demand credentials from solicitors. Lack of credentials is evidence that a sanction was denied or not requested.

The committee will consider the following reasons sufficient to refuse a sanction: 1. If funds are not for a worthy cause. 2. If there is no general community benefit. 3. If the burden on the community is unreasonable. 4. If the sponsoring organization receives too small a percentage of the funds to be raised. 5. If so-called advertising value is deemed insufficient.

The program does not apply to Red Cross, Polio Fund, etc. It does not apply to publications with regular date of issue. It does not apply to solicitation of members of an organization by members of the same organization. It does not apply to itinerant sellers of merchandise. (Magazine crews must register with the Chamber of Commerce, but are given no credentials).

This program does not have the force of law. It is a cooperative means for businessmen to protect themselves from burdensome donations and to channel them into the most worthwhile projects.

If you are in doubt concerning any solicitation, please check first with the Chamber of Commerce.

ANNUAL BLUE AND GOLD BANQUET HELD IN GYMNASIUM OF HIGH SCHOOL

The annual Blue and Gold Banquet of the Cub Scouts of Tecumseh was held Monday evening in the gymnasium of the Central High School. More than 200 Cubs, their parents and friends attended and witnessed the ceremonies that followed, including the cutting of birthday cakes marking the 40th anniversary of scouting in America.

The potluck banquet was a proud affair for the Cubs of Pack 4. They joined with their parents in community singing which was directed by Perry Hayden with Mrs. Clair Ramsay at the piano, and participated in the birthday ceremony which was under the direction of Mrs. Harold Naser. The tables were decorated in the Cub's colors —blue and gold—and place cards were in the form of paper hats.

The Baptist church sponsors the Cub Scout movement locally and the Rev. B. O. Bashore, pastor, accepted the charter from Paul Wright, district Scout executive. Clifford Deaner is the local committee chairman, and Lafne Holden is cub scout master. They also took part in the service.

Lee Britton and Richard Ramsay were inducted into the organization at an impressive ceremony, conducted by Den 1.

Awards for achievements were presented as follows:

The following boys won wolf awards: John Elliott, wolf badge;

The classes meet each Monday evening and above are seen, first row, left to right, Janet Skinner, John Saling and Clara Rebottaro. Second row, Bea Fisher, Ella Brandt and Priscilla Brown. Third row, Mary Dine and Warren Wardwell. Fourth row, Roberta Holmes. Mr. Hart is standing in the rear of the room. (Herald Photo)

Youth Group Is Organized

INTER-COMMUNITY FELLOWSHIP FORMED AT CHURCH MEETING HERE, SUNDAY

An inter-community youth fellowship was organized here, Sunday, when young people of the Clinton, Macon, Britton, Ridgeway and Tecumseh Methodist churches met at the local church from 4 to 8 p.m. Forty-six young people enjoyed a social period followed by devotions and a delicious dinner.

During the business meeting the consolidation was discussed and it was decided to meet once a month as a unit rotating to the different churches. The meeting was organized by the president, Nita Spangler, with the assistance of Duane Hay, Beverly Hay, Virginia Snyder, Gretta Porter and Audrey Cook.

Among the adults in attendance were the Rev. and Mrs. C. F. Rigio, Mrs. Thomas and Mrs. Gorton of Macon, Dr. and Mrs. Norman MacNaughton, Mr. and Mrs. Richard Hook and Mr. and Mrs. Elven Duvall of Tecumseh. The ladies were presented with corsages from

Butler Motor Sales Observes Anniversary

Butler Motor Sales is this week observing its 20th anniversary as Tecumseh's Ford dealer.

Charles O. Butler, the owner, came to Tecumseh from Battle Creek, where for 10 years he was a Ford salesman. Mr. Butler said this week that he planned to hold an "open house" in observance of the anniversary but that it would come later, due to the uncertainty of the weather.

BURIED IN LAKE RIDGE

Funeral services were held Saturday afternoon from the Green Funeral Home for Hugh Sample, 72, who died February 20 at Harrison. The Rev. Edward Escolme officiated and burial was in Lake Ridge cemetery. The bearers were Charles Cox, Fay, Erwin and Harold Kempf, Floyd Robinett and Walter Miller. Friends and relatives attended from Marshall, Adrian, Tipton, Britton, Ridgeway and Tecumseh.

Mr. Sample was born in Macon but had resided in Harrison for the last several years. He is survived by a sister, Mrs. David Kempf of Tecumseh, five nephews, two nieces, and three great nieces.

Harry D. Hoey Named Cranbrook Headmaster

Harry D. Hoey, husband of the former Nerissa Fitzsimmons of Tecumseh, has been appointed headmaster of Cranbrook School, Bloomfield Hills. The vacancy was caused by the resignation of W. Brooke Stabler.

Mr. Hoey received his Bachelor of Arts degree in 1924 and his Master of Arts degree in 1927 from the University of Michigan. He came to Cranbrook in 1928 and served in various capacities until his appointment as assistant headmaster in 1944. Active in community affairs, he served on the Vestry of Christ Church Cranbrook, is a member of the executive committee of the Oakland County chapter of the American Red Cross, a member of the Board of Trustees of the Children's Hospital of Michigan, and a director of the Detroit Group Project.

Mr. Hoey and Miss Fitzsimmons, then of Detroit, were married in 1930 and they have two daughters. Mrs. Hoey is the daughter of the late Mr. and Mrs. P. W. A. Fitzsimmons.

Underproduction England's Downfall

OVER-POPULATION IS BRITAIN'S GREATEST PROBLEM, SPEAKER SAYS

Underproduction and not faulty government was blamed for the general conditions in England today by Allan Seager, English instructor at the University of Michigan, when he spoke, Tuesday evening, to the Rotary Club following dinner at Brees House.

Mr. Seager pointed out that the area of England is square miles is approximately the size of Michigan while its population is nearly nine times that of Michigan's. Almost every foot of the land is under production but the nation still is unable to produce only two-thirds of what it consumes. It is because of this fact, he believes, rather than the fault of any of England's governments, that what was once

GETS NEWS OF DEATH

Miss Mary McWilliams received word of the death of her aunt, Mrs. Florence Sisson, a former Tecumseh resident, who died Tuesday at her home in Columbus, Ohio. Mrs. Sisson is survived only by one daughter, Mrs. Ernest Herriman, the former Ione Sisson. Funeral and burial services are to be held in Columbus, today. (Thursday).

Holloway House Swept By Flames

$3,500 DAMAGE REPORTED BY BRYANT FAMILY; OVERHEATED PIPE BLAMED

An overheated stove pipe caused a fire which resulted in $3,500 worth of damage in the house owned by Mrs. F. Hedrick in Holloway. The Lonnie Bryant family occupies the house. The fire was discovered Sunday at 12:30 p.m., and fire departments from Adrian, Palmyra, Britton and Ridgeway answered the call.

Mr. Bryant was unable to cope with the flames which broke out on the second floor. The Adrian fire department was delayed by difficulty in getting a call through and then by running out of water. The firemen answering the call did not return to their stations until 6:30 p.m.

The loss was covered by insurance and the furniture was removed by firemen and volunteers.

Chamber Board Elects Butler

OTHER OFFICERS CHOSEN AT MEETING, TUESDAY EVENING OF DIRECTORS

Charles O. Butler was elected president of the Tecumseh Chamber of Commerce when the board of directors met in an organizational meeting, Tuesday evening. William Wright was named as vice president, and Kenneth Hall was re-elected treasurer. Mr. Butler, who has been vice president for two years, succeeds Leon Williamson, who is vacationing in Florida, as president.

William Beardsley, who was elected to the board, tendered his resignation because of the press of business and at a board meeting last Friday, Ralph Comfort was named in his place. The new board is made up of the officers and Mr. Comfort and the following: R. H. Moore, W. J. Bruce, Mr. Williamson, Mrs. Geo. French and E. C. Hellman.

The new officers and board immediately began the study of the Chamber's program for 1950 and another meeting will be held next week to complete plans for the annual banquet, to be held in the near future.

It was announced that a delegation from Tecumseh, Ontario, Can-

AT HOME OR AWAY, WATCH OUT FOR THE KIDS!

Remember, The Child You Save May Be Your Own

"Watch out for kids: The child you save may be your own.

"Observe national Watch Out for Kids Month by watching out for your child's safety in his home as well as in traffic," the Michigan Department of Health said today.

"Accidents kill 640 Michigan children each year—more than any disease—and over half of these accidents occur in the child's own home.

"A child is not safe at home until his home is made and kept safe for him," the Department continued.

Home fires take terrific toll of Michigan children's lives. Check up on frayed electric wiring, open fuse boxes, shorted appliances and questionable water or home heating equipment in your home. These things caused fires which killed many Michigan children last year.

Suffocation takes a tremendous toll also. Most of the babies who suffocate or smother are under one year of age. Many little children die from drinking common household poisons left where they can get them — insecticides, laundry bleaches, cleaning or lighter fluids, paint solvents or medicines. Some die when they fall from their cribs, from unprotected windows, down stairs, over railings or into uncovered wells. Others fall into pails of water, ponds or creeks or scald themselves with tipped, boiling fluids. Do something about these dangers too.

Don't leave your children at home alone even "just for a minute," the Department urged. Be sure that the "sitter" is old enough to be responsible and that she knows that saving the child's life is her first responsibility.

Watch out for other people's children in traffic, between cars or on crosswalks, but watch out for your own child in your own drive. Know that your child rides only with a competent driver.

Teach your child never to play in or run into the streets, to cross only at intersections and with the light and, more than that, to watch out for careless drivers, the Department concluded.

"Main Street" Movie To Be Seen By Camera Fans

"Main Street"—a movie to start one reminiscing—will be shown by Leon Rosacrans at the next meeting of the Indian Snappers Club, to be held Monday evening, March 6, at the Tecumseh Camera Shop, at 7:30 p.m. All those persons familiar in the business district at that time were caught by the camera of Mr. Rosacrans and the scenes were compiled to make an interesting and enjoyable movie. Everyone is invited to attend.

Every member is urged to have an entry for the print-of-the-month contest. An illustrated lecture, loaned by a camera company, will also be presented. Pictures will be analyzed and helpful suggestions on taking pictures will be made.

Vesper Service Attracts Crowd

MORE THAN 200 HEAR CRANBROOK TENOR AT ST. PETER'S CHURCH

A capacity audience enjoyed a program of sacred music befitting the opening of the Lenten season, when the choir of St. Peter's Episcopal church presented a Vesper Service of Music, Sunday afternoon at five o'clock. Carl Christensen, tenor soloist of Christ Church Cranbrook, Bloomfield Hills, and Dr. James Spencer, organist and music director of Adrian College, were the guest artists.

Tecumseh was indeed fortunate to be given the opportunity to hear a singer of Mr. Christensen's ability. The audience of over 200 persons was enthralled as he rendered "The Lord's Prayer," by Malotte during the evening prayer by the Rev. Allan L. Ramsay; "God is My Shepherd," "Hear My Prayer, Oh Lord," by Dvorak; "Thy Rebuke" and "Behold and See" by Handel; "Oh Lord Most Holy" by Cesar Franck and "My Soul is Athirst For God," by Gaul.

Dr. Spencer chose two chorale preludes by Bach, Adagio and Allegro. He was at the organ throughout the service and also accompanied the adult choir which sang "The Path of Prayer" by Voris, under the direction of Glenn Driscoll, and the junior choir, which sang "Oh Lord, We Adore Thee." For the offertory Dr. Spencer played "Jesu, Joy of Man's Desiring" by Bach.

After the hour-long service, the choir entertained at a tea at the home of Mr. and Mrs. A. C. Hamaker for members of the vestry, guests and a few friends. About 40 persons enjoyed a song fest and social evening. Mrs. O. W. Laidlaw and Mrs. Glenn Driscoll presided at the urns.

Indian Cagers Tied For 2nd

DEFEAT OF BLISSFIELD LEAVES TECUMSEH IN KNOT WITH MORENCI FIVE

(By Don VanCamp)

The Indians gained a tie for second place in the final L. C. A. A. standings, Friday evening, by downing Blissfield 38-34, at Blissfield. Tecumseh and Morenci are tied for second place, each having won 10 and lost four.

Coach El Duvall's team trailed 16-13 after the first eight minutes of play but forged into the lead 26-21 at the half. In the third quarter Blissfield battled back to gain a 29-29 tie by getting 8 points to Tecumseh's three. But the Indians

Edward J. Prichard Is Buried at Macon

Funeral services for Edward J. Prichard, 73, who died Friday at 6:30 a.m. in his home at 404 N. Maumee St., were held Sunday afternoon from the Collins Funeral Home. The Rev. Edward Escolme officiated and burial was in the Macon cemetery, where members of Hall-Slater post, Veterans of Foreign Wars, conducted a military service. The bearers, all members of the post, were Raymond Sniffen, Elmer Burleson, William Mitchell, Clarence Smith, John Braden and Perry Satterthwaite. Friends and relatives were from Macon, Ann Arbor, Britton, Ridgeway, Macon, Tipton, Milan and Tecumseh.

Born, March 1, 1876, in Tecumseh, he was the son of the late Mr. and Mrs. Joseph Prichard. His entire life was spent here, where he was a member of St. Peter's Episcopal church. He was a veteran of the Spanish-American War.

Surviving are a son, Donald of Macon, six grandchildren, two great-grandchildren, one brother, Roy of Tecumseh and several nieces, nephews and cousins.

Coal Shortage Is Felt Locally

RATIONING IS NOW IN FORCE AND STOCKS ARE LOW; INDUSTRY HOPEFUL

With the nation's coal stock pile down to about seven days as a result of the miners' strike, and with word from the mines that it will take from 10 to 14 days to get "the fuel rolling" once the strike is over, Tecumseh residents joined with the rest of the nation this week in conservation measures that they hope will tide them over the crisis—if it doesn't last too long.

Thus far, although fuel is being carefully rationed, it is not believed that any house in this community has gone cold as a result of the miners' walk-out. Scores of residents have purchased wood to supplement their dwindling coal stocks and, although a few dwellings have been "next to out" of fuel, dealers thus far have been able to furnish coal before furnaces and stoves became cold.

Perry Satterthwaite of the Hayden Fuel & Supply Co., said Tuesday that his firm had received four car loads of coal this week. All of it is coming from non-union mines where it is bringing a premium price. He said that he had other cars of coal ordered and he is hopeful of delivery.

"I talked with one of our suppliers on long distance," Mr. Satterthwaite said, "and he told me that the non-union miners are working under the protection of armed guards." The local dealer also was told that many firms are sending their trucks and representatives to the mines with "hard cash" to bid against each other for the day's output. "Thus far," Satterthwaite said, "our company has been very fortunate in obtaining local delivery of this non-union mine fuel."

R. S. Moore & Son Co., local coal dealers, reported that its stock of fuel was rapidly dwindling. The Moore bins held only a few tons of coke and about a ton of package

3-Act Comedy Junior's Play

HIGH SCHOOL CAST TO STAGE ENTERTAINMENT ON MARCH 16-17

"Almost Summer," is the title of the three-act comedy, to be staged by the Junior Class of Tecumseh High School on Thursday and Friday evenings, March 16-17, at Central High Auditorium.

The story of the play concerns Paul Jones, a high school student with plenty of troubles, who is struggling to avoid summer school and, at the same time, try to keep from losing his girl's affections to a campus big shot. When his father enters with the news that Paul must pass his final exams or go to summer school he starts a terrific cram session that only seems to get him into more trouble. Of course, Paul's girl enters at the opportune moment and demands that "he sit right there and study." As for the ending, Miss Joyce Creger, the director, says that it couldn't be better.

The cast is as follows: Paul Jones, Tom Everlove, Jane, his girl friend, Pauline Beacham; Mrs. Jones, his mother, Cynthia Spafford. Mr. Jones, his father, Russell Hubbard. Junior, his kid brother, Ken Swarts. Mary, his sister, Jolene Barron. Jack, Mary's boy friend, David VanWinkle. Mr. Smudgely, the principal, Cap Mrs. Lilah Johnson, a friend out of junior's past, Mary Jane Dermeyer. Ann, the maid, Donna Craig.

It has been announced that there will be no reserved seat sale for the play on either night.

Mrs. Augusta Caswell Will Be Buried Today

Funeral services for Mrs. Augusta Caswell, who died Monday morning in the home of her son, Earl Caswell in Milan township, will be conducted this (Thursday) afternoon at 2 p.m., from the Lick Funeral Home in Britton. The Rev. E. H. DuBois will officiate and burial will be in Rice cemetery, Milan township.

Mrs. Caswell, who has been ill for several months, made her home with her son since the death of her husband, Willet, in 1940. Surviving are the son, a grandson, Preston Caswell, two brothers, Henry Meyers of Dundee township and William Meyers of Monroe and several nieces and nephews. She was preceded in death by her husband, three sisters and one brother.

ATTENTION EAGLES— Nomination of officers, Tuesday, March 7, 8 p.m. Please attend.

ITS TIME TO CHANGE

For many years there has been agitation to change, through Constitutional amendment, our method of electing Presidents, by abolishing the electoral college system as it is now constituted and replacing it with a system based on the popular vote. If now looks as if this proposal has an excellent chance of becoming law.

If it does, it will revolutionize the established pattern of political campaigning.

Under the existing system, the candidates who gains a majority in a state gets the entire vote of the state in the electoral college. It doesn't make any difference how bare that majority may be. He might carry a state by but a single popular vote—yet he would get the whole electoral vote, and that is the vote that counts.

The constitutional amendment which is now pending provides that each candidate's electoral vote shall be proportionate to his popular vote. In other words, if a man received 51 per cent of a state's popular vote he would get that percentage of the state's electoral votes instead of all of it. And if, on the other hand, he got 49 per cent, he would be given that part of the electoral vote instead of none.

The influence this would have on campaign politics is obvious. For instance, the Republicans never spend much money or exert much effort in the Solid South. They know that their chance of gaining a majority in any of those states is but one short step removed from impossible. However, under the proposed new system, it would behoove the GOP to do its utmost in, say, Tennessee no less than in Ohio. Every Republican vote, even though the total was still modest, would help their candidate toward the White House.

By the same token, Democrats would no longer just go through the motions of campaigning in solidly Republican states such as Vermont. They'd be out to get the largest proportion of the vote possible.

President Truman has said he doubts if the proposed change can be affected in time to influence the 1952 campaign. But, as Jay Haydon points out in one of his columns, "All constitutional amendments recently adopted have run the gantlet of state ratification in less time than would be available to complete enactment of the present proposal before 1952." The amendment repealing prohibition became law about ten months after it was submitted to the states. The amendment abolishing the "lame duck" session of Congress made the grade in 11 months. The amendment legalizing woman's suffrage was approved in 14 months.

In any event, it promises to cause important and far-reaching changes in the partisan political setup as it now exists.

A state corporation profits tax of 4 per cent, proposed by Governor Williams to raise $60,000,000 annually in additional revenues would cost corporations only $36,000,000 more per year in taxes than they pay now.

This interesting point is made by Robert Steadman, controller, State Department of Administration.

As payment of taxes to the State of Michigan is allowed as a deduction in paying federal income taxes, corporations would pay 24 million a year to the state instead of to the federal government, Steadman contends. Uncle Sam's loss would be Michigan's gain.

One year ago Governor Williams proposed a 4 percent tax on state corporation profits. This tax was designed to raise approximately $60,000,000 in new revenue.

The Governor recommended to the legislature appropriations totaling 290 million and he estimated 225 million in revenues, general fund and general purpose. Against an estimated shortage of 61 million dollars, Williams proposed a tax on corporation profits to raise 60 million.

The legislature appropriated 278 million dollars, cutting 12 million dollars off the total of appropriations as recommended by Governor Williams.

Controller Steadman observes that revenues for the present fiscal year, ending July 1, 1950, will be 2 or 3 percent in excess of the estimates made in January, 1949. This will amount to another 5 or 6 million dollars but it will still leave Michigan short by more than $40,000,000 in the general fund alone to meet expenditures of state government including state aid to local governments.

The Williams corporation profits tax would be paid by corporations on the pro rata share of business done by each corporation in Michigan. Controller Steadman explains that this pro rata share is figured on three bases. One-third of the share is based on the percentage of wages paid in Michigan as compared with all wages paid by the corporation; one-third by property in Michigan in relation to total property owned; and one-third by sales in Michigan in comparison to total sales.

Controller Steadman explains that such a tax "is essentially like the tax employed already in 32 other states of the Union which raise about 611 million a year."

For example, New York State increased profits tax in 1949 from 4½ to 5½ percent. The increase of 1 percent was to produce 40 million dollars in additional revenue for state government and state aid to local governments.

"The corporation in distress that is not earning as much as 6 percent on its investment in Michigan will pay less tax under the Williams corporation profits tax plan than under the existing system of corporate franchise taxation.

"Some people say that corporations cannot afford to pay the tax. All our statistical indicators over the last 10 or 20 years indicate the opposite; that our corporations, especially during the last 2 or 3 years, are fully able to pay.

"I will give you an example of one corporation which is complaining about the 500 and some millions of dollars it pays the United States government in taxes each year. That corporation pays to the general fund of the State of Michigan a total of $50,000 a year in taxes.

"It is paying to the general fund of Michigan $1 for every $10,000 that it pays to the United States government. Yet, about half of its total number of wage earning employees are in Michigan.

"That corporation after paying all taxes, federal, state and local, earned in 1948 440 million dollars. The current reports are that the estimated net income after all taxes in 1949 was 640 million," said Steadman.

When the state legislature convenes at Lansing March 15 for the special session on taxes the state corporation profits tax will again be pushed by Governor Williams as an effective solution of the financial problem.

According to Steadman, 32 other states in the Union now have such a corporation revenues tax. The Williams plan would hit large corporations, not small corporations. The tax would divert approximately 24 million a year from the federal income tax revenues to the State Treasury, based upon an anticipation of 60 million new revenue per year. Corporations are fully able to pay this tax.

These arguments, as summarized, represent the case of Governor Williams for the state corporation profits tax. They are presented to readers of this column in the spirit of factual information as vouched for by Controller Steadman.

Nex week the "Michigan Mirror" will present arguments against the state corporation profits tax as presented recently to newspaper editors by John L. Lovett, general manager, Michigan Manufacturers' Association.

Monday Club Program To Stress Music, Youth

Mrs. Henry P. Vaughan, music chairman of the Michigan Federation of Women's Clubs, will entertain the Tecumseh Monday Club at her home next week, March 6, and will present a program on "Music and Youth Conservation." Included will be a movie, "Music Is Fun" and information on the music camp for youths.

The co-hostesses are Mrs. Ronald Harris, Mrs. Kenton Hunt, Mrs. R. H. Moore, Mrs. Maynard Mulvaney and Mrs. Roy Whiting.

The final request for articles to be sent overseas is being made by the chairman, Mrs. Edward Boss, who asked that food and clothing be brought to next week's meeting. The committee is especially in need of empty tins, such as coffee cans, in which to pack the food. Other items needed are all wearable clothes for all ages, shoes, soaps, rice, cocoa, sugar, chocolate bars, coffee, tea and candy. The boxes will be sent to personal friends of Mrs. E. C. Boss and will be distributed to burned out farmers in southwestern France.

Members who have cars which will be available and those who need transportation to Mrs. Vaughan's home northwest of town are requested to call Mrs. Truman Rentschler.

MUSIC GROUP COMING ON TOWN HALL PROGRAM

The regular March meeting of Town Hall will be held on Tuesday, March 14, at 8 p.m., at the Central High School Auditorium. The program, according to Neville Hart, director, will be the Michigan Singers, a group of 50 mixed voices from the student body of the University of Michigan Music Department. The group has given concerts in the Detroit area, with enthusiastic response by their audiences.

ON COLLEGE PROGRAM

Kalamazoo—Pat Wilson of Tecumseh was one of the features on the program presented by residents of Walwood Hall on the occasion of the open-house given at the dormitory Saturday evening, February 25 to which all members of the faculty and student body of Western Michigan College were invited. The theme was "Hollywood and Vine" and Miss Wilson impersonated Dorothy Shay.

Parent-Teacher Group Plans Benefit Party

Committees for the benefit card party to be held by the Tecumseh Parent-Teacher Association Friday, March 31, were announced following a meeting on Saturday. They are as follows: refreshments, Mrs. Lee Purkey; table prizes, Mrs. Howard Wick; room mothers, Mrs. Lawrence Price; tickets, Mrs. James McDowell, Mrs. R. H. Moore and Mrs. Truman Rentschler; tables and chairs, Mrs. Dale Bowen; publicity, Mrs. George McCombs and Mrs. Al Musch; door prizes, Mr. and Mrs. Chester Beach; drawing and awarding of door prizes, Mr. and Mrs. Wallace Whiting.

Proceeds from the party, to be held in the Central Building, will be used for necessary school equipment.

—and your Buick Dealer

IT'S SPRING JUBILEE TIME with BUICK!

YOU read it on the calendar—and you feel it in the air.

Spring—and the outdoors calling—and that lively jubilance that comes with winter's passing.

And nowhere is the spirit more in evidence than at your Buick dealer's.

For it's Spring Jubilee time with Buick. Time to trot out and show off all the gay and brilliant beauties of his 1950 line.

Time for you to sample, in proper setting, all the new life and brilliance of Buick valve-in-head straight-eight power—time for you to meet the greatest cure for spring fever known—the easy, effortless, mile-mastering stride of a Buick under your command.

There are wonderful things for you to look into:

A Riviera at Sedan prices. Two-door Sedanets, four-door Sedans in a wide range of power and prices. Convertibles, Estate Wagons, a Coupe—cars for every taste and practically any budget.

There are even gay new spring colors to help you meet the season in proper garb. And of course, if you haven't yet done so, there's Dynaflow Drive* for you to meet and sample.

Yes, you've a date—right now—to meet spring at your Buick dealer's. A date not only to see pleasant things—but to hear pleasant news as well.

For Buick prices are something to jubilate about too. They start just above the lowest bracket—and they are accompanied by very easy-to-take arrangements as to the "deal."

How about today—at latest tomorrow—for keeping *your* date with your Buick dealer?

(Here Is Our General Program In Black And White)

To the TAXPAYERS of Tecumseh:

We, the candidates selected on the PEOPLE'S TICKET, seeking election to the Council of this Village, have no double-talk to give you.

But we do have facts, and we do have a STREAMLINED, ECONOMICAL, PROGRAM. It's money in your pocket to consider both carefully before March 13th.

We do not deny that the Officers and Council Members presently in office have earnestly tried to furnish this Village with what is commonly known as a "progressive" administration. And we are deeply grateful to those public spirited citizens who have contributed so largely of their own private funds to aid in the development of Tecumseh.

Despite these enormous financial donations contributed so generously and so unselfishly by some of our leading citizens, however, the Village tax rate has continued to increase at an alarmingly dangerous rate and probably will rise considerably within the immediate foreseeable future!

In view of these unprecedented financial gifts and in view of the large tax income enjoyed by the Village during the past few years, Tecumseh should be in a very healthy position today. WHERE, THEN, IS THE FAULT IF OUR TREASURY NEEDS EVEN MORE MONEY?

Therefore, in order to fully make use of the generosity, the public spirit, the strength and resource that is Tecumseh's, and in order to carry out the plans which ALL of us have for our Village, we feel that ECONOMY is of vital and paramount importance to our community and to all other governmental units today. We feel that certain expenses now permitted by the municipal corporation may be either reduced or altogether eliminated with a consequent saving to the taxpayers of many thousands of dollars.

Projects already undertaken should be vigorously completed. Long-term plans and future projects should be carefully considered. But careless and excessive expenditures of public funds must be stopped, expenses pared, and indebtedness minimized ---all to the end that we will have a more energetic, efficient government at LOWER COSTS TO THE TAXPAYER; and to this end we, the undersigned, PLEDGE ourselves.

RIDGEWAY

Mr. and Mrs. Willis Palmer have returned from several weeks stay in Florida.

Fred Mohardt of Saline called on friends in town, Monday.

Miss Marian Pennington, a student at Henry Ford School of Nursing in Detroit, spent Sunday with her family here.

Mr. and Mrs. Earl Pennington and family spent Monday evening in Toledo attending the capping ceremonies of Miss Zoe Pennington, a student at Toledo hospital.

Mr. and Mrs. W. E. Allen visited their son, Charles, at the Ypsilanti State Hospital, last week.

Mr. and Mrs. Stanley Carter and daughter of Toledo were guests Saturday of the Rev. and Mrs. Lorne Carter and Miss Josephine Carter.

The annual fish supper sponsored by the Men's Forum will be held in the Methodist church Friday evening, March 3, at 5:30 p.m. The public is invited.

Weekend guests of Mr. and Mrs. Will Fletcher were Mrs. Kate Gibbs, Mr. and Mrs. Charles Gibbs and Mr. and Mrs. Meisser, of Six Lakes, Michigan, Mr. and Mrs. Kenneth Fletcher, son and daughter, of Jackson, Mr. and Mrs. Raymond Fletcher and two daughters of Milan, and Mr. and Mrs. Frank Bartle of Flint. They were all in Milan to celebrate the wedding anniversary of Mr. and Mrs. Raymond Francis, Sunday.

Richard Bishop was home from the U. of M. for the weekend with his family, Mr. and Mrs. George Bishop.

Mr. and Mrs. Verle Stowell and daughter and Mrs. DeGroot of Dundee were in town Saturday evening, for the Father and Son banquet.

Over 100 persons attended the Father and Son banquet at the Methodist church, Saturday evening. A delicious swiss steak supper was served at tables decorated in keeping with Washington's birthday. Will Fletcher was master of ceremonies and gave a welcome and presented Elmer T. Pocklington as toastmaster. The toast to the fathers was given by Charles Bishop and the Rev. Lorne Carter responded. Instrumental music by D. J. Frayer, a piano solo by Robert Kruger and vocal selections by Verle Stowell, accompanied by Mrs. DeGroot, were much enjoyed.

CLINTON

Mr. and Mrs. Ed Kehoe returned home Friday from a three week vacation trip to Florida.

Rawdon Nortley entered a Jackson hospital, Sunday, for treatment.

Mrs. Mervyn Witherell spent Tuesday in Jackson at the Henry Daley home.

Diary Records Civil War Story

LIEUTENANT - COLONEL INDICATES THAT "FIGHTING" GETS INTO YOUR BLOOD

ANN ARBOR—Civil War experiences of a Kalamazoo lawyer and a University of Michigan alumnus are recorded in 17 pocket-size diaries which have been given to the Michigan Historical Collections at the University.

Charles B. Haydon recorded events in considerable detail from the time he left Kalamazoo on April 30, 1861, until February 21, 1864. The diaries were given to the Collections by Miss Ione Haydon, a niece of Charles. Miss Haydon lives in Hamilton Township near Decatur, Michigan. Material in the diaries has been published in the Decatur Republican.

"The diaries provide a very important source of historical information," Dr. F. Clever Bald, assistant director of the Michigan Historical Collections, asserts. "They are particularly valuable as a record of the activities of the Second Michigan Infantry."

Haydon was a student in the University of Michigan from 1854 to 1857. He read law in Kalamazoo and was practicing there when President Lincoln called for volunteers. He joined the Second Michigan Infantry and remained with that regiment during the war, rising from private to the rank of lieutenant colonel.

The diaries contain accounts of many battles. At Bull Run in July, 1861, the Second Michigan was in reserve. Haydon wrote that his regiment did not run like some of the others, but it did march 30 miles to the rear after the battle, between 1:00 a.m. and 12 noon. He was angry over the defeat of the Union forces and was anxious for another chance at the Confederates.

The Second Michigan fought in the Peninsular Campaign at Second Bull Run, and at Fredericksburg in Virginia before being transferred to Kentucky. It was under Grant at the siege of Vicksburg in 1863, then fought in Kentucky and Tennessee.

Haydon was seriously wounded in the battle at Jackson, Mississippi, on July 11, 1863. He was a captain at that time and was promoted to lieutenant colonel later in the year.

In February, 1864, Lt. Col. Haydon wrote: "Although I sincerely desire the war to end, any such rumor always causes an involuntary feeling of regret. In spite of myself there is a feeling that I am about to be turned out of doors, in short, that my occupation is gone. Can not see why it is that this rude, half savage and seemingly comfortless life has such an attraction for me."

Haydon died of pneumonia on March 14, 1864, while his regiment was returning to Michigan.

Child's Permanent Teeth Should Last a Lifetime

With proper care your child's set of 32 permanent teeth should last a lifetime, the Michigan Department of Health says in its revised pamphlet "Dental Health for Children" which is just off the press.

Starting by age three, your child should visit the dentist regularly, the Department advises. It recommends applications of sodium fluoride to the crown surfaces of teeth when the child is three years of age and at intervals of three or four years thereafter until he is about 13 years of age. It also warns against immoderate use of sweets such as candy, chewing gum, pop, sundaes, jams and cookies in the child's diet, saying that they usually result in increased dental decay. As substitutes it suggests fruit, nuts, popcorn and cheese.

The new pamphlet gives a formula for a simple homemade tooth powder, describes the best type of tooth brush, gives a chart showing the time of eruption of permanent teeth, and includes other suggestions for dental health.

Copies of "Dental Health for Children" can be obtained from the local health department or, where there is no local health department, from the Michigan Department of Health, Lansing 4, Michigan.

Tennessee means "river of the great bend."

New Consumers Plant Will Benefit Tecumseh

A general contract for construction of Consumers Power Company's new electric generating plant on Lake Erie a few miles north of the Ohio state line has been awarded to the Herlihy Mid-Continent Company of Chicago, according to an announcement today by Dan E. Karn, vice president and general manager of Consumers.

Mr. Karn said the contractor already has moved equipment onto the site. Construction buildings are being erected, he added, and excavating for the plant is under way. Work on the footings, foundations and basement of the plant is expected to occupy most of 1950. Erection of stleet is scheduled for December. Present plans call for initial operation of the plant's first turbine-generator in the summer of 1952.

The plant building, excluding office, will measure 247 by 152 feet, height from the ground will be 170 feet and from the basement floor 181 feet. A small office building will be built separately from the main plant and connected with it by a short passageway.

Ultimately there will be two turbine-generators, each with a capacity of 85,000 kilowatts. It will be joined with other Consumers plants in the Company's state-wide network. It will add special strength to electric service in the southeastern part of the state, including Adrian, Jackson, Tecumseh, Morenci and other communities in Lenawee, Jackson and Monroe counties.

The plant site was acquired by Consumers in 1946. Grading and drainage work has been in progress for about 18 months. During 1949 a railroad track connecting with the Detroit & Toledo Shore Line Road was built to carry construction materials and equipment.

Millions of tiny plants give the Red Sea its color.

Hall-Slater Auxiliary Sponsors Cancer Program

A program arranged by the American Cancer Society is being sponsored by the auxiliary of Hall-Slater post, V. F. W., in the post rooms, this (Thursday) evening, at 8 o'clock. The public is invited to attend. There will be no admission charge.

Dr. L. K. Cox of Adrian, a representative of the Cancer Society, will show the latest movies available on cancer and his own colored movies of Hawaii. Mrs. Paul Weaver, county commander of the Cancer Society, and Mrs. F. J. Sieler, bandage chairman and assistant to Mrs. Weaver, will be present. They will give brief talks and answer questions from the floor. Mrs. Sieler will have on display samples of bandages.

Roy Smith of Clinton Dies In Vet's Hospital

Roy Smith, 56, of Clinton, died Sunday noon at the Veterans hospital in Dearborn, where he had been a patient since December 9. A veteran of World War I, Mr. Smith operated a poultry and egg market in Clinton for eighteen years. Before coming to Clinton he also operated a poultry market for a number of years in Eaton Rapids.

Born, March 17, 1893, at Tecumseh, he was the son of John B. and Maggie Smith. He was a veteran of World War I. In 1937, he married Lilia Bowers of Clinton and she preceded him in death June 4, 1948.

Surviving are five brothers, Floyd of Adrian, Robert F. of Detroit, William of Flat Rock, John W. of Tecumseh and Frank of Monroe, three sisters, Mrs. Marjorie Richards of Jasper, Mrs. Rose Service of Tecumseh and Mrs Gladys Kurtz of Vandercook Lake.

Funeral services were held from the House Funeral Home in Clinton Wednesday at 2 p.m., with the Rev. O. E. Priest officiating. Services at the grave were under the auspices of the American Legion. Burial was in Oak Grove cemetery, Manchester.

Coal Shortage

(Continued from Page 1)

coal on Tuesday. No cars were in transit, it was said.

To be able to furnish its customers with fuel, some of the Moore trucks have been sent to coke sources to bring back supplies. The outlook, this dealer pointed out, was not optimistic.

Should the miners' strike continue for several days and, if the weather gets extremely cold, then there is reason for genuine alarm, it would seem. Reports from over the country are the effect that industrial coal piles are shrinking rapidly with some factories already closing their doors. In other areas, schools have been closed, non-essential businesses denied additional fuel and places of amusement forced into severe rationing.

Tecumseh's schools are in no immediate danger of closing because of a lack of fuel, it was said. The new high school is oil heated. At the other buildings stocks are ample for two weeks or more.

The local industrial picture, too, is not as pessimistic as it is in other areas of the state and the nation. Generally speaking, industry here can see its way clear through the month of March, it was said, unless some new crisis arises.

South America extends farther south than Africa.

About The Folk You Know

A canasta luncheon was enjoyed by some 60 persons at the home of Mrs. M. G. Partridge on West Chicago Blvd., Thursday afternoon. Mrs. Ray Sluyter and Mrs. A. W. Porter were co-hostesses for the event, which was a benefit for the Golden Rule Circle of the Presbyterian church. Mrs. Sluyter presented an 1890 style show with Mrs. Frederick Dickinson, Mrs. Mahlon Sebring, Mrs. Wellington Wotring, Mrs. Donald C. Wilson, Mrs. Charles Stephenson, Mrs. Jeanne O'Neill and Mrs. F. K. Smith participating. Fourteen tables were filled for canasta and prizes were awarded the winners.

Mr. and Mrs. Albert J. Todd entertained at dinner, Sunday, in celebration of the eighth wedding anniversary of their daughter and husband, Mr. and Mrs. Kenneth Herrick, which occurs this week.

Socialized Medicine Is Opposed By Dr. Hammel

Citing examples of countries which have and are practicing socialized medicine, Dr. H. H. Hammel made more persons conscious of a real threat to America, when he addressed the Tecumseh Business and Professional Woman's Club, at its regular monthly dinner meeting in the Presbyterian Fellowship Center, Monday evening. He said it is the duty of all people to see that the right persons are elected to our state and national governments so that regimented medicine here never becomes a reality. Dr. Hammel's talk was most enlightening to the 45 members and guests in attendance.

Mrs. George French presided at the business meeting. Mrs. Grenval Spangler has resigned as secretary and Mrs. Ogland Lay was elected to fill the vacancy. Mrs. Wallace Whiting was welcomed as a new member. Mrs. Hilda Will introduced Dr. Hammel.

The next meeting will be a birthday party and auction with Mrs. Archie Porter in charge.

ada, will visit Tecumseh next Saturday evening and meet with the Chamber board and village officers. It will be remembered that the Ontario village came to Tecumseh last summer some 1400-strong when this community celebrated its 125th anniversary. Tecumseh, Canada, now has invited Tecumseh, Michigan, to return the visit in July of this year.

CIGARETTES FOR VETS

The auxiliary of Hall-Slater post, Veterans of Foreign Wars, met Thursday evening in the post rooms, at which time it was voted to send 500 packages of cigarettes to the veterans' hospital at Dearborn. Mrs. Carson House, jr., was initiated into the membership. Refreshments were served by Mrs. Harlan Boyce, Mrs. Max Brandt and Mrs. Richard Butler.

ISSUES REPLACED

Miss Ruth Harding, librarian of the public library, who recently made an appeal for missing issues of the Readers Digest from several years back, said today all the issues have been replaced. "The response was grand and I want to thank all those who answered the plea," Miss Harding said.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist church will meet Monday, March 6, at the church for a potluck supper at 6:30 p.m.

Mr. and Mrs. Lyle Grigg will be the host and hostess. Dr. H. C. Huntley, county health director, will be the guest speaker.

Local Woman To Attend Council Meet At Saginaw

Mrs. Hoyt Whelan will attend the 51st Council, National Society United States Daughters of 1812, State of Michigan, which will be held at the Bancroft Hotel in Saginaw, March 6 and 7. Mrs. Edward B Flack of Saginaw, state president, will preside at the meetings. Mrs. Whelan, a member of the Alexander Macomb chapter of Detroit, is a delegate from that chapter.

The national president, Mrs. Frederick B. Ingram of Dallas, Texas, will bring greetings from the national society and will present the charter for the new chapter, organized this month in Battle Creek, to Mrs. Claude W. Pound of Miami, Ohio, chairman national of chapter organization, who will in turn present it to Mrs. Leo C. Sheehan, the organizing president of the new chapter.

Mrs. Lloyd Dewitt Smith of Grosse Pointe, a member of Alexander Macomb chapter, will give a report on the American Coalition Council she attended recently. Harold M. Dooley of Saginaw will give a patriotic address entitled "Just A Little Gift of Roses" at the banquet on Monday evening.

candles. White roses and gold beads completed the decorations on the cake. Individual cake servings were topped with white wedding bells with gold clappers and gold leaves. These were made and presented by Mr. and Mrs. Don Norris, the new owners of Van's Pastry Shop. Mrs. C. W. Allen, Miss Mary McWilliams, Mrs. Florence Gherity, Mrs. Margaret Goodrich, Mrs. A. R. Wonder and Mrs. L. H. Wonder poured.

Mr. and Mrs. VanWinkle received many greeting cards for the occasion and telegrams of congratulations from their granddaughters and their husbands, Mr. and Mrs. Hugh Marx of Iowa City, Iowa, Mr. and Mrs. Loren Kuhn of Cleveland, Ohio, and Miss Marilyn VanWinkle of Michigan State College, East Lansing; and a bouquet of roses from Mr. and Mrs. Mahlon Wood of Walla Walla, Wash. Among the many lovely gifts they received was a gold base floor lamp from the Friends church and Sunday school.

Among the guests were Mr. and Mrs. James Merrin and son James and daughter Marian of Detroit; Mrs. Bernard Goodrich of Jackson, Mr. and Mrs. Clark Lathrop and daughter of Manitou Beach; Mrs. Leon Feller and Mrs. Kenneth Dermyer of Onsted; Mr. and Mrs. Merritt Chase, Mr. and Mrs. Charles Starrett and Mr. and Mrs. Amos Wilson of Clinton; the Rev. Howard Moore and son Willis, Mrs. A. R. Wonder, Mr. and Mrs. L. H. Wonder and Mr. and Mrs. Paul Ahlemann of Adrian. A. R. Wonder, a brother of Mrs. VanWinkle, is a patient at Adrian Bix-by hospital and was unable to attend.

Mr. and Mrs. A. L. VanWinkle entertained at a family dinner party for his parents on Wednesday, the anniversary date of Mr. and Mrs. R. R. VanWinkle.

TO ENTERTAIN LEAGUE

The Baptist Ladies Union will entertain the Junior League this (Thursday) at the home of Mrs. Roscoe Hewlett, with a potluck supper at 6:30 p.m. Mrs. Dean VanValkenburg is in charge of devotions and Mrs. Ted McConnell will review the book "The Red Chair Waits."

BOY SCOUT NOTES

Troop 4

The Scouts of Troop 4 had their long-awaited winter hike last Saturday. The cold weather and the snow gave them a full day of winter activities near Wampler's Lake.

The 22 rifle training and marksmanship shooting which had been originally planned was postponed until a later date. Skiing and tobogganing were the sports of the day. Later a corn chowder meal was prepared by the Scouts.

The boys adjourned Monday night's meeting to attend the program of the Blue and Gold banquet of the Cub Pack.

Cub Pack 4

Cub Pack 4 held its Blue and Gold banquet at the Central gymnasium Monday evening. A full account of the program will be found elsewhere in this issue of The Herald.

Presbyterian Troop

The new troop sponsored by the Presbyterian Men's Club continues its activities toward the day when it will have a charter and number. All of the boys in this troop except four have now qualified for Tenderfoot rank, and those four expect to qualify very shortly.

New Tenderfoot Scouts are Donald Partridge, Robert Martin, Garry Hiser, and Raymond Puffer, bringing the total number of Tenderfoot scouts in the troop to eleven.

At last week's meeting those who had qualified helped others with their work, so that the March overnight hike can be taken with all scouts in the troop having the rank of Tenderfoot.

TO MEET MONDAY

The auxiliary of Underwood-Orr post, American Legion, will meet Monday evening, at the Legion Memorial Home. The theme for this month is "Community Service and Music" with Mrs. Glenn Driscoll, Mrs. Max Smith, Mrs. Gale Hooten and Mrs. Gerald Fairbanks in charge. Mrs. Lyman Curtiss is in charge of refreshments.

COMMUNICATION

Tecumseh, Michigan
February 27, 1950

To the Herald Readers:

Did you see a young woman fall in front of a downtown store Monday afternoon? If you did, I wonder?

I wonder if this person could have been your mother, sister, or someone you love very dearly?

I wonder if you would have done the same thing to your loved ones?

I wonder where your Christian spirit is?

I wonder if it is too much to ask of someone with enough decency inside of them to go over and ask the person who fell if you could be of assistance?

I wonder if you could have helped this person to her feet and give her a word of comfort?

Is this too much to ask of our "friends" in Tecumseh who turn their backs on someone who needs help?

Let's get hep to the situation and start practicing a little brotherly love so our Tecumseh can be a little more like home. Let's get hep and start acting like humans instead of animals. No, we are not even above animals when we fail to do such an inhuman act, because even animals take care of their kind.

I like Tecumseh, but sometimes "I wonder."

Sincerely,
A. S.

State In Need Of More Doctors

THAT IS GOVERNOR'S DEFENSE FOR ADDITIONS TO U. OF M. AND WAYNE

LANSING—"The problem of getting enough doctors, especially for rural Michigan, is a problem of building additions to medical schools at the University of Michigan and Wayne University," Governor G. Mennen Williams told the state this week, in announcing his proposed 1950-51 state capital outlay budget of almost $28,000,000.

Included in the program is $2,800,000 for increase in the facilities for training doctors of medicine at the University of Michigan, and $2,800,000 for the same purpose at Wayne University.

Another major item in the capital outlay budget is $2,000,000 for a new veterinarian science building at Michigan State College.

The greatest single item is $14,511,690 for more than 1500 additional beds for the state's mental institutions, and another $800,000 for fire protection equipment in old mental hospital buildings. The $800,000 will put sprinkler systems in the 4-story buildings and some of the 3-story buildings, and allow for some other steps to be taken to protect the state's mental hospitals in case of fire.

"Most complaints about not being able to get a doctor come to me from rural areas and small towns in Michigan," Governor Williams said, in announcing his medical school outlay program. "I hope that this program will get together the many young men seeking careers as doctors of medicine, and the small cities and villages where the need for physicians is especially pressing."

"A new veterinarian science building at Michigan State College is equally needed to carry on research in diseases of farm animals, and for training veterinarians to protect the livestock investments of Michigan farmers.

"The program for the expansion of our mental health facilities unfortunately will take care of only a small part of the need, because the increase in and improvement of our mental hospitals have not kept pace with our needs. The sum asked for fire protection is absolutely necessary to be sure that Michigan does not suffer a tragedy like that in Davenport, Iowa, when a large institution burned there recently.

"There is no way of meeting these problems except by putting up the money for the job. The Legislature will have the final say as to whether or not it will be done."

George Waterhouse, 78, Is Buried at Clinton

Funeral services were conducted Monday afternoon from the Hause Funeral Home in Clinton for George Waterhouse, 78, of Clinton, who died suddenly Friday afternoon. Burial was in Riverside cemetery.

Mr. Waterhouse collapsed in the lobby of the Clinton post office. A doctor was summoned and said death was due to a heart attack. Born September 18, 1871, in Kingsville, Ont., Canada, he was the son of William and Isabella Waterhouse. He lived in Appleton and Reedsburg, Wis., before coming to Clinton 20 years ago. He was employed by the Clinton Woolen Manufacturing Co.

Surviving include the widow, Bertha, and a sister, Mrs. Marvin J. Pardee.

A joint meeting of the Onsted Woman's Club and Missionary Society was held last week, with 41 present for dinner at noon. An interesting program was presented by Mrs. John Cattell as leader. The next club meeting will be held at the home of Mrs. Paul Drake, March 7, when a representative of the county health unit will speak.

At the village caucus held last week the following were nominated for election to be held later this month: Citizens ticket—president, Ronald Winter; clerk, J. D. Bennett; treasurer, George Shultis; trustees for two years, Dr. R. Larson, F. L. Branch, Linford Slater; assessor, Delbert Myers. Independent ticket — president, Ronald Winter; clerk, J. D. Bennett; treasurer, George Shultis; trustees, for two years, Ray Redfield, Rex Johnson, L. B. Oechsle; assessor, George Brooks.

Weekend guests of Mr. and Mrs. W. J. Redfield were Mr. and Mrs. Frank Benedict and daughter Vicki Lynn of Lansing.

Mrs. Winifred Hammond, daughter of the Rev. and Mrs. F. D. Hague, arrived Thursday from California for a visit in Lansing and Onsted.

TIPTON

At the Father and Son banquet held at the K. of P. hall last week, nearly 100 enjoyed dinner served from tables decorated with patriotic colors and favors in keeping with Washington's birthday. Howard Evans, chairman, introduced the Rev. Carl Klammer of Raiding who led the group singing and was guest soloist. Lester Munger was toastmaster and announced the program with Chester Baker giving a tribute to the sons and his son, Bruce, responding. William Vollmer and Mrs. Frances Kiersey of Adrian were others on the program. Waldo Johnson of Adrian showed moving pictures of his trips to Canada.

Rev. C. A. Bearinger, pastor

Sunday school, 10 a.m.; morning worship, 11 a. m.; Young Peoples service, 7:00 p.m. During the evening worship hour there will be a Home Missionary service. The guest speaker will be the Rev. W. M. McGuire, District Superintendent of the East Michigan District. Accompanying Rev. McGuire will be the noted song evangelist, Prof. B. D. Sutton and wife.

Special evangelistic services will begin on Tuesday, March 7, and continue each evening through March 19. The evangelists for this special service will be Rev. and Mrs. P. L. Liddell of Kansas City, Mo. In addition to Rev. Liddell's preaching, they offer a fine musical program. Not only are they both talented singers, Rev. Liddell is also a trombonist, and Mrs. Liddell an accomplished pianist.

The N.Y.P.S. Society of the local church is sponsoring the meeting.

CLINTON

Mr. and Mrs. W. P. VanTuyle are vacationing in Florida. En-route there they visited their daughter, Jane, who attends Ward-Belmont College at Nashville, Tenn.

Mrs. Paul Dunham was confined to her home by illness, last week.

Mrs. F. G. VanDeMark suffered a cut on the forehead and bruises when she fell downstairs at her home, last week.

The Clinton high school band will attend a festival to be held in Jackson, March 18. Under the direction of Richard Wegner, the band will play three numbers, one required, one free choice and a march.

Mark Blatchford, two-year-old son of Mr. and Mrs. Don Blatchford, suffered three badly cut fingers at his home last week. He was taken to St. Joseph's Mercy hospital at Ann Arbor after being given first aid by Dr. W. P. Purfield.

The World Day of Prayer was observed in the Methodist church, Friday evening. Representatives of the Episcopal, Methodist and Congregational churches participated.

Mrs. Harry Garey has been in Chicago due to the illness of her son, Barre.

Mrs. A. J. Allen received a box of oleander blossoms, Thursday, from friends in California. They were sewed in cotton, and sent special delivery air mail and arrived as fresh as if they had been cut that day.

Mrs. G. A. Lancaster has been visiting Mr. and Mrs. Frank Jeannette and son of Mt. Clemens.

Mrs. Mae Sproull has moved to the home of Mrs. Mary Hoxsie on Jackson Road.

Mr. and Mrs. Mark Harrington and son returned to their home in Denver, Colo., after visiting Mr. and Mrs. Richard Hittle and Mrs. Eva M. Powers.

Mrs. L. C. Weaver attended the annual State Board of Congregational Church Women's Fellowship meeting in Lansing last week. Mrs. Weaver is state chairman of Friendly Service.

WATCH YOUR STEP

Because one out of every seven traffic accidents occurs in rainy, foggy or snowy weather, Automobile Club of Michigan has distributed over 9,000 posters to Michigan schools for use during March. The poster, directing students to "Be Extra Alert on Rainy Days," was drawn by a 13 year old California girl and was a prize winner in the Fifth National AAA Traffic Safety Poster Contest. Along with the posters went 26,000 safety lessons which will bring safety education into Michigan classrooms.

PARTY AT CLUB

Mrs. Al Musch and Mrs. Carl Fosbender were hostesses at Ladies Day at the Tecumseh Country Club, last week, Wednesday, February 22, when 41 members and guests were present. Winners at canasta were Mrs. LaRue Hart, first, and Mrs. Charles Osburn, second. Mrs. Frank Rice won the door prize.

Hostesses for next week, March 8, are Mrs. Kenneth Herrick and Mrs. Robert H. Hanna.

Greater Benefits...For More People

In 1949 alone the value of services rendered to subscribers of Michigan Blue Cross and Blue Shield amounted to over $32,000,000—an increase of 52% over 1948. Since 1940, the total value of services exceeds $128,000,000.

Hundreds of thousands of new members joined Michigan Blue Cross - Blue Shield last year, just as they have every year since it was founded. That's because more and more people are realizing that these plans—commonly known as Blue Cross—offer them the most health-care protection at the lowest cost.

Blue Cross - Blue Shield can afford to offer such complete protection because they are *voluntary, wholly non-profit* organizations, sponsored and run by Michigan's hospitals and doctors themselves. For instance, last year Blue Shield Surgical and Medical-Surgical Plans returned more than 94% of income to subscribers in the form of benefits. Blue Cross returned 89% of income to subscribers in services rendered. No wonder membership grows and grows—and that Blue Cross and Blue Shield are far and away Michigan's most widely used health-care plans.

How about You and Your Family?

Are you protected against unexpected hospital and medical bills—bills that could spell financial disaster? Chances are 1 in 4 that you or one of your dependents will have to go to a hospital this year!

Here's how Blue Cross - Blue Shield protects you in case of accident or illness:

Blue Cross Hospital Plan covers a broad range of hospital services (up to 120 days of care) in any of the 176 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

Blue Shield Surgical Plan pays liberal amounts for stated surgical procedures, includes special benefits for emergency (first aid) treatment in doctor's office or hospital.

Blue Shield Medical-Surgical Plan includes all the benefits of the Surgical Plan, plus payments for your doctor's hospital visits in non-surgical cases. And the cost is only a few cents more than the cost of the Surgical Plan alone.

Just knowing payments will be made toward your doctor's bill is worth many times the low cost of the Surgical and Medical-Surgical Plans!

Here's How You Can Join BLUE CROSS - BLUE SHIELD

Blue Cross - Blue Shield is available to employed people *without* physical examination or health statement. Talk over with your employer how your company can make these plans available to you. Ask him to get all the facts on the Group Enrollment Plans.

Blue Cross - Blue Shield is also available to members of Farm Bureau Groups, Farm Grange Groups and other similar organizations.

This is your ticket to worry-free recovery

Butler's Anniversary Year

20 YEARS A FORD DEALER
30 YEARS A FORD SALESMAN
Chas. O. "Chuck" Butler Motor Sales

This week marks our 20th Anniversary as your Ford dealer in Tecumseh. It is an honor of which we are very, very proud and one which, we realize too well, could not have been accomplished without your loyal patronage, support and friendship.

In 1930, when we opened our Ford Salesrooms and garage here we adopted this slogan: "The Honest Service Garage." That slogan still is and always will be our slogan. It is a part of our stock-in-trade.

In the trying years between 1930 and 1950—years which brought good times, depression and war—we were able to carry on as your Ford dealer only because YOU made it possible. No business, no matter how great or how small can survive without friends and customers.

And now, as we observe our 20th Anniversary, we realize fully that because we did have friends and customers we are able to celebrate this occasion. We want to say thank you to all of you who have made this observance possible. In the not-to-distant future, when the weather is better, we want to hold an open house and to meet you personally, as friends should do. However, because of the uncertainty of sleet, snow and cold we have thought it best to delay our party until, perhaps, next month.

And so, until we can have our get-together, we want to express our appreciation for all that you have done for us. We'll reiterate these words when you are our guests at our party. As for the future, we assure you of the same personal, conscientious service that you have received from us in the past. If you have motoring or transportation problems, continue to bring them to us. We'll give you the best of everything that we have, including our knowledge of the business and the service of this 20-year-old organization.

In conclusion we'd like to say, "Thanks a million," for your loyalty and friendship.

Water To Be Off, Sunday

12-HOUR SHUT-DOWN NECESSARY BECAUSE OF BROKEN FIRE HYDRANT

Because of an accident at the corner of Oneida street and Chicago boulevard, Saturday night, at which time a fire hydrant was broken off, F. K. Dawson, village engineer, announced today that it will be necessary to shut off the water in the entire village Sunday morning at 7 o'clock, to make necessary repairs. The water may be off for a period of 12 hours, or until 7 o'clock Sunday evening.

The shut-down is necessary, Mr. Dawson said, because there are not sufficient shut-off valves in the system to cut out the area in the vicinity of the broken hydrant.

Dawson explained that only the newer hydrants in Tecumseh are equipped with shut-off valves between the main and the fire plug. A big majority of the hydrants are connected directly to the mains and necessitate a shut-down in the water system should they be broken. Likewise, it was said, there are only a few shut-off valves in the water system itself, making possible the shutting off of areas that might be affected by such accidents.

The village engineer said that there are 155 fire hydrants in Tecumseh and of that number 117 do not have shut-off valves between the hydrant and the main. He estimated that the cost of installing such valves would be about $50 a hydrant or about $6,000 over the entire system. However, he is of the opinion that before such a program is attempted more valves should first be installed in the main system, making it possible to shut off areas of the system when repairs are necessary. He did not say what the cost of installing the main valves would be.

14 Houses Under Way In New Subdivision

Five families have purchased homes in the Tecumseh Acres subdivision since January 1, it was said today. Fourteen houses are in various stages of construction and eight more will be started soon.

Glenwood W. Griewahn of Britton, Charles E. Clark and Franklin H. Dauber of Tecumseh, Frederick W. Butler of Adrian and Irving C. Gurtzweiller of Route 1, Onsted, are settled in their homes. Since July of last year 24 houses have been built, sold and occupied in the subdivision.

Plans have been made for the construction of streets in the subdivision as soon as the weather permits, probably about May 1. One of the houses will be used as a demonstrator, to be open to the public soon. It will be completely furnished by local furniture and dry goods stores.

Tecumseh Acres offers both 100 percent GI loans and FHA loans.

To Extend Water Main In New Subdivision

The village council, in session Monday evening, authorized the continuance of a water main in Sunset Meade Subdivision, extending from West Pottawatamie street to Maple street, north to the Parkway and south to Pottawatamie. The improvement will cost about $7,000.

The council also took under consideration the improvement of the water service in the North Democrat-VanBuren street area.

There was little other business before the council except routine reports and the audit and payment of current bills.

225 ROTARIANS, GUESTS AT LADIES' NIGHT MEET

Two hundred twenty-five Rotarians, their wives and guests attended the annual Rotary Ann Banquet, Tuesday evening at the Legion Memorial Home. Dinner was served at 7 o'clock.

Prof. Russell Oakes of Waukesha, Wis., was the principal speaker, entertaining by showing the many humorous "inventions" he had perfected to aid in "right thinking." John Nixon of Adrian sang two solos.

Clarence Gilman, president of the club, presided and L. W. Larsen was chairman of the program committee, introduced Mr. Oakes. Group singing was directed by R. H. Moore and C. O. Butler.

P. E. O. TO ELECT

The annual election of officers of chapter AJ, P.E.O., will be held at the home of Mrs. Margery Bailey on West Chicago Blvd., Tuesday afternoon, March 14, instead of Tuesday evening as scheduled. Dessert will be served at 1:30 p.m.

185 At Banquet Of Farm Discussion Group

The farm discussion group, which meets weekly at the Tecumseh Grange hall every Tuesday evening, held a banquet Monday evening with about 185 persons in attendance.

Mr. and Mrs. George Parsons of East Lansing and Mr. and Mrs. Howard Heath of Ann Arbor radio station WPAG were guests. Mr. Parsons addressed the audience on "Breeding and Management of Dairy Cattle."

Another discussion will be held next Tuesday evening, March 14, when Louis Hall, county agricultural agent, and a representative of a seed corn company, will attend. All interested farmers are invited.

Music Program At Town Hall

ARTS CHORALE, GROUP OF 150 VOICES, TO ENTERTAIN ON TUESDAY

The Arts Chorale, a group of 150 trained voices from the University of Michigan, will present the program at the regular meeting of Town Hall, Tuesday evening, March 14, at 8 o'clock at the Central School Auditorium. Admission to the program is without charge, the cost having been underwritten by the several clubs and organizations of the village.

"This is one of the most outstanding programs that Town Hall has ever presented in Tecumseh and one that merits the consideration of every resident," Neville Hart, director, said today in making the announcement. "We are bringing this group to Tecumseh at considerable expense. Five busses are necessary to bring the members of the group. We trust that a large audience will be on hand to hear the musicians."

The Arts Chorale is under the direction of Prof. Maynard Klein of the University. The program that will be presented is varied and includes classical, semi-classical, popular and spiritual selections. A male quartet will do several of the numbers as will the Tudor Singers, a group of mixed trained voices.

"The public should bear in mind that this program is free to everyone only because the expense is being underwritten by Town Hall and the other organizations," Mr. Hart said. "The group is making its appearance in Tecumseh for the first time, and one of the few appearances it ever makes in a community as small as ours."

Earl Lindsley Dies Suddenly

FORMER SCHOOL BOARD MEMBER, EXCHANGE CLUB HEAD SUFFERS HEART ATTACK

L. Earl Lindsley, aged 58 years, died suddenly at 5:15 Tuesday afternoon at his home, 301 West Shawnee street, of a heart attack. Mr. Lindsley, a resident of Tecumseh for 30 years, had been active in civic and lodge affairs, and was well known as a decorating contractor.

Mr. Lindsley was born July 3 1891, in Saline township the son of James and Anna Lindsley. On February 22, 1916, he was married to Henrietta Morgan, and they had made their home here since about 1920.

When he was a boy, Mr. Lindsley joined the Methodist church at Macon and he had, all of his life, been active in church and civic affairs. At the time of his death he was president of the Tecumseh Exchange Club, a member of the Masonic Lodge, F. & A. M. No. 69, for 30 years and he had served as master of the lodge for three years. He was a member of the chapter and past president of the East Gate Club and captain of the East Gate Club degree team.

A few years ago, Mr. Lindsley retired as a member of the Tecumseh Board of Education, a position he had held for 18 years. For 15 years of that time he was treasurer of the school district.

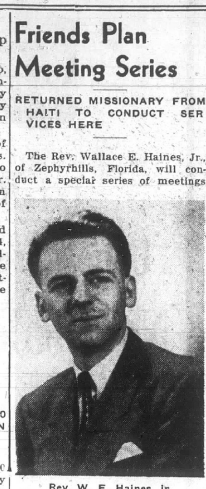
Surviving are the widow, three daughters, Mrs. Barbara Pfalz of Birmingham, Mrs. Evelyn Harrison of Clinton and Miss Marilyn at home; a sister, Miss Ethel Lindsley of Clinton and a brother, Ellsworth of Saline. Another brother, Everett, preceded him in death.

Funeral services will be held from the Collins Funeral Home on Friday afternoon at 2:30. The Rev. Allan Ramsay, rector of St. Peter's Episcopal church will officiate and burial will be in Riverside Cemetery at Clinton.

Friends Plan Meeting Series

RETURNED MISSIONARY FROM HAITI TO CONDUCT SERVICES HERE

The Rev. Wallace E. Haines, Jr., of Zephyrhills, Florida, will conduct a special series of meetings



Rev. W. E. Haines, Jr.

at the Tecumseh Friends church commencing Wednesday, March 15, and continuing through Sunday, March 26.

The Rev. Mr. Haines is a preacher of singular ability and has been widely used in preaching missions. He has traveled in England and France, and has conducted missionary trips to Cuba, Haiti, and the Isle of Pines, and will show color pictures each evening before speaking.

Mr. Haines received his bachelor and master's degrees from the University of Missouri and was working on his doctor's degree at the University of Chicago when called to do field work for the Chicago Evangelistic Institute, which field he filled ten years before entering the evangelistic field.

Wednesday night, March 15, will be guest night, with the public invited to the service, and to a fellowship hour with coffee and doughnuts following the service; Thursday, March 16, will be Band night; Friday, March 17, Sunday School Rally; Saturday, March 18, Men's Night; Monday, March 20, Lenawee Holiness Association will meet; Tuesday, March 21, Family Night; Wednesday, March 22, Women's Night; Thursday, March 23, Band Night; Friday, March 24, Youth Night, and Sunday, March 25, rest night preceding the final day of services.

The Sunday service will be marked by special music by the choir, and by the junior chorus, and the girl's chorus. The public is invited. The services will begin 7:30 each evening.

ROY K. SMITH IS BURIED AT MANCHESTER

The funeral of Roy K. Smith, whose death occurred Sunday, February 26, at the Veterans hospital in Dearborn, was held March 1 at the Hause Funeral Home in Clinton. The Rev. O. E. Priest officiated and the bearers were Lynn Lindsley, Jack Feldkamp, Clyde McDermott, Russell Boyd, Vance Ogden and Lynn McIntyre. The Frederick E. Pieper post, American Legion, had charge of the services at the Oak Grove cemetery in Manchester, where the Rev. C. F. Riggio officiated. Friends and relatives attended from Lyons, Ohio, Adrian, Jasper, Blissfield, Battle Creek, Clinton, Macon, Tecumseh, Manchester, New Boston, Detroit, Vandercook Lake, Jackson and Ypsilanti.

Cancer Society To Hold Training School, March 23

The American Cancer Society has invited all women in Lenawee county to attend its first training school, to be held Thursday, March 23, in the Presbyterian church, East Maumee street, Adrian, from 10 a.m., to 4 p.m. Luncheon will be served in the church dining room at noon, for a reasonable fee.

The meeting is being held to enlighten all persons who may be interested in what the American Cancer Society is doing or can, and wants to do to relieve suffering. Each person present will have an opportunity to ask for information and make suggestions.

Reservations are to be made with Mrs. Frank K. Smith, 309 North Union St., phone 320, by Saturday, March 18.

THS Carnival Friday Night

STUDENT COUNCIL STAGES EVERY-OTHER-YEAR EVENT OPEN TO PUBLIC

The student council's every-other-year carnival, an event that few school students and their parents ever miss, will be staged tomorrow evening in the gymnasium of the Central School Building.

"This year's carnival is billed as even better than ever," Jas. McDowell, principal, declared. He said that the students had spent long hours in preparation that the public might be assured of an evening of fun and entertainment. There will be a giant midway, sideshows, concessions, pink lemonade and cotton candy.

A high light of the event is the crowning of a student queen and king which will take place later in the evening.

The carnival doors swing open at 7 o'clock and the entertainment continue throughout the evening.

Mrs. Rosina Schreder, 77, Will Be Buried Today

Funeral services for Mrs. Rosina Jane Heidenreich Schreder, 77, who died Monday at 3 p.m., at the home of her niece, Percy Heidenreich at 202 North Union St., will be held today (Thursday) at 2:30 p.m., from the Collins Funeral Home. The Rev. Donald C. Wilson will officiate and burial will be in Brookside cemetery.

Born, November 3, 1872, Mrs. Schreder was the oldest daughter of the late William and Jane McKinney Gordon. She married Albert G. Heidenreich February 19, 1890, and to this union two sons were born, Percy G., and Leland W. Mr. Heidenreich died December 20, 1915. On July 7, 1917, she married Grant R. Schreder and he preceded her in death August 8, 1940. One son, Leland, died September 7, 1948.

Mrs. Schreder was a life member of the Order of the Eastern Star, Pythian Sisters, Past Chiefs Club and Presbyterian Church. She was also a member of the Maccabees.

PLACE HIGH IN CONTESTS SPONSORED BY SCHOOLS OF LENAWEE COUNTY

Tecumseh Future Farmers of America placed high in the annual contests in parliamentary procedure drill and public speaking, held each year among all vocational high schools of the county.

Last week the local boys won the gold award (first) in public speaking and the bronze award (third) in parliamentary procedure drill. Members of the teams are: Merlin Wagner, public speaking, subject "Farm Co-operatives;" parliamentary procedure, Don Bailey, chairman; Jim Winzler, secretary; Fred Feight, Lawrence Young and James Hubbard. Eleven schools in the county competed.

Merlin Wagner entered the regional contest at Pittsford last week and won the silver award (second). Jack Lake of Springport placed first and will represent southeastern Michigan at Lansing in the finals next week.

The local F.F.A. has been asked to broadcast over radio station WABJ at Adrian, Friday, at 12:40. The group will discuss the Brannan Plan for Agricultural Controls. Each week one of the vocational agricultural schools takes a turn at broadcasting over the station and many agricultural problems are discussed.

The F.F.A. will operate a grab bag stand at the carnival Friday evening to raise money to purchase equipment for the agricultural department.

Auxiliary To Present Flag To High School

Thirty members of the auxiliary of Underwood-Orr post, American Legion, met Monday evening at the Memorial Home. A flag has been purchased and delivered to the new high school and will be formally presented at the dedication of the building. All members interested in forming a ritual team are asked to contact Mrs. Charles Howe.

Mrs. Glenn Driscoll presented a program of music which consisted of several tap dance numbers and a shadow play, entitled "Operation" by Mrs. Gerald Fairbanks, Mrs. Ogland Lay and Mrs. Bill Partee.

Refreshments were served by Mrs. Jennie Gillespie and her committee.

April is Child Welfare Month and Mrs. Ned Baldwin is chairman. The refreshment and entertainment committee for April is Mrs. Marian Harrington, Mrs. Briesche, French, Mrs. Clyde Drewyor and Mrs. E. T. Drake.

NINE TRAFFIC TICKETS ARE ISSUED BY POLICE

Nine traffic tickets, eight of them for speeding, were issued by police here during the past week. Those given tickets for speeding are: Robert D. Hite, Britton, Charles Reynolds, Adrian, Stanley F. King, Jackson, Paul E. Ansted, Clinton, Theodore H. Briesche, Blissfield, Jerry Eaton, Tecumseh, Rt. 1, Donald Miller, Adrian, and Carl G. Rychener of Wauseon, O. William Underwood, Clinton, was given a summons for running a red light.

POLICE INVESTIGATE

Police were called to the New York Central freight yards last week to investigate the breaking of a seal on a loaded freight car. Officers said that the seal had been broken but because the car door was frozen shut it had not been opened.

$195 Already Subscribed In Red Cross Campaign

Tecumseh subscribed $195 of its $700 quota in the first week of the Red Cross campaign, it was announced today by Mrs. Vincent Haight, co-chairman of the drive.

"We are very hopeful of success," Mrs. Haight said, "because of the smallness of our quota, although it is $200 more than it was a year ago. The campaign continues throughout March and certainly we will be able to raise another $500 in that time." Mrs. Haight said that many of the larger donors had not yet been heard from.

Campaign solicitors are located in the United Savings Bank lobby all day on Monday, Wednesday, Friday and Saturday of each week during the month. There will be no house-to-house campaign.

PTA Will Hear Health Speaker

PARENTS URGED TO ATTEND PROGRAM TONIGHT AT CENTRAL SCHOOL

Dr. William J. Morrow of Ann Arbor will address the Tecumseh Parent-Teacher Association on the subject of "Health Problems of School Children" at its regular monthly meeting to be held this (Thursday) evening in the Central School auditorium. The program will begin at 8 p.m., and all parents are requested to attend to hear an authority such as Dr. Morrow discuss a vital subject.

"The problem of health is a major factor in the school success of children," a spokesman for the P.T.A. program committee said. "The great prize of good health is often not appreciated until we don't have it. While we do have in Tecumseh a healthy group of children in school we also have the problem of keeping them fit."

At the school Earl Place, superintendent, added his appeal to the parents to attend the meeting this evening. "The school authorities and teachers are anxious to work with the parents and health department to keep the health standards high in Tecumseh," Mr. Place said. "I am urging all parents interested in the health of their children to hear the discussion this evening," he added.

Preceding Dr. Morrow's talk, several pupils of Clare Cambum will present a musical program. Those participating will be Geraldine Handy, Truley Ogden, Louis Vargo, Donna Burleson, Sally Rentschler, Howard Powell and Norma Comfort.

During the business meeting the chairmen for the card party to be held in the Central Building, March 31, will be announced.

Mrs. Miriam Schuyler Is Buried On Friday

Funeral services were held Friday afternoon at the North Rome church for Mrs. Miriam Luna Schuyler, 83, who died February 28 in her home in Rome township, after an extended illness. The Rev. D. O. Bashore officiated and burial was in the North Rome cemetery. The bearers were James, Clare and Jack Schuyler, A. S. Russell, and Howard and Robert Mangus.

Born July 17, 1866, in Dover township, she had lived in Rome township the last 45 years. Her husband, J. W. Schuyler, whom she married December 5, 1888, died July 10, 1936. She was also preceded in death by an infant son, a daughter, Mildred Alice, at the age of 10 months, and a son, Russell DeWayne, at the age of 21.

Surviving are two sons, Clare and James Schuyler of Adrian, two daughters, Mrs. Anna Russell of North Rome and Mrs. Mary Mangus of near Tecumseh, four granddaughters, three grandsons, four great-grandchildren, one brother, John Wright of Paw Paw, and several nieces, nephews and cousins.

BURIED IN BROOKSIDE

Burial services were held Saturday afternoon at the grave in Brookside cemetery for Mrs. Clyde E. Smith, 75, who died Thursday at her home in Eaton Rapids. Funeral services were conducted in that city earlier. The former Lottie Aten of Tecumseh, Mrs. Smith had been an invalid for the last 20 years. Surviving is one daughter, Mrs. Neigh King of Eaton Rapids and seven grandchildren.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet Tuesday evening, March 14, at the home of Mrs. Dwight Hodges, with Mrs. James Elliott, Mrs. Mervyn Boltz and Mrs. Hubert VanCamp assisting. The devotions will be given by Mrs. Ernest Brandt and roll call will be a religious book. The program will be a book review by Mrs. Earl Place.

Heavy Vote Is Seen On Monday

TWO TICKETS IN FIELD EXPECTED TO BRING OUT TECUMSEH ELECTORS

With two complete tickets in the field for village offices, and with more than 1,100 voters eligible to cast their ballots, a heavy vote is expected in the election on Monday that will name a president and official family for Tecumseh. The voting, as in the past, will be at the council building and the polls will be open from 7 o'clock in the morning until 8 o'clock in the evening.

For the first time in three years, the Progressive Party's ticket will be opposed at the polls. In the two previous elections, only one ticket has been in the field and voting has been light, in fact less than 100 ballots were cast one year ago.

The Progressive Party, now in power, is offering this slate of candidates: Marvin Watkins for president; Wade L. Jones, clerk; Charles Fay, treasurer; John Saling, assessor; William Wright, Charles Mensing and Clarence Beach, members of the council. All of the candidates except Mr. Wright and Mr. Mensing are incumbents.

The Peoples Party ticket is as follows: J. Floyd Elliott for president; Robert Kroner, clerk; Mrs. Myrna Tingley, treasurer; John T. Wagner, assessor; J. H. Rohwedder, E. C. Heilman and Howard Truesdale, members of the council.

Doug McDowell Named To All-County Cage Team

Doug McDowell, high-scoring Indian forward, was placed on the all-county first team, at a meeting of the Lenawee county basketball coaches, held in Adrian, Monday evening.

McDowell, second high scorer in the county with 200 points, was chosen on every ballot and received a total of 16 votes. High scorer, John Knight of Clinton, with 219 points, was given 15 votes. Others on the mythical first team are Jim Bauer of Blissfield, Al Woolford of Summerfield and Gene Dense of Hudson. All the men are seniors but Knight, who is a junior.

Nobody from Tecumseh placed on the second team.

Motor Thrown Forty Feet When Auto Hits Tree

Mrs. Betty Jean Dinse, 25, of Tecumseh, escaped with cuts and bruises, Saturday night, when the car she was driving went out of control and knocked down a street sign, broke off a fire hydrant and finally stopped when it hit a tree. The woman was thrown from the car onto the boulevard and was removed to Tecumseh Hospital by ambulance.

Police who investigated the accident said that the car struck the tree with such force that the motor was hurled some 40 feet from where the auto finally stopped. A section of the bumper was driven into the tree.

The accident happened at the corner of Oneida street and Chicago boulevard as Mrs. Dinse was driving west.

Kroger Furnishes Meat For Exchange Dinner

Fifty members of the Tecumseh Exchange Club enjoyed dinner, Monday evening, the meat for which was furnished by The Kroger Company. Guests included the second district manager of the meat division in Toledo, Ohio, Ernest Peters, manager of the Tecumseh Kroger store, and Lyle Everyinghan, manager of the Monroe store.

A complete explanation as to the processing of the tenderized meat was given and a film was shown on the same subject. At the close of the program five gifts of meat were presented to the lucky winners, Ray Henkel, James Artman, Charles S. Stevenson, James Barton and Eldon Colthurst.

HUB CAPS MISSING

Local police said today that they had received many complaints recently from owners of 1949 and 1950 model cars to the effect that the hub caps had been stolen from the vehicles. Many of the thefts have occurred while the cars were parked in the downtown area. Officers ask that motorists report such thefts immediately and urged cooperation in an effort to apprehend the culprits.

POLICE HAVE SWEATER

A woman's green wool sweater is being held at the police headquarters awaiting identification by the owner. The sweater was found on the street and turned over to the officers.

ANOTHER "HANDS-ACROSS-THE-BORDER" PROGRAM

Tecumseh To Visit Tecumseh, Ont., On July 1st

Tecumseh, Michigan, will make a mass visitation to Tecumseh, Ontario, on July 1st as a result of an invitation extended by a delegation from the Canadian town to local civic representatives last Saturday evening at the Country Club. The invitation, presented by Mayor T. C. Scott of Tecumseh, Canada, was accepted in the name of the community by C. O. Butler, president of the Chamber of Commerce, and Marvin Watkins, president of the village.

In extending his invitation, Mayor Scott made reference to the salute paid to our village by 1,300 of his townsmen on the occasion of our 125th anniversary celebration last July. "Our citizens are still talking of the cordial reception and fine time they had," Mayor Scott said, "and we are constantly asked if our Michigan friends are going to repay the visit this coming summer."

The Ontario town is planning a celebration to be held the last two days in June and the first day in July. July 1st is to be the climax of the celebration and is to be designated "Tecumseh, Michigan Day." It is also Dominion Day in Canada, and a Canadian national holiday.

Details of the day's activities have, of course, not yet been worked out. However, numerous suggestions were made, and it is expected that announcements and further meetings will take place rapidly. "We must remember," one spokesman said, "that a year ago at this time, we didn't even know each other. We have the advantage of time and experience as we plan our details this year."

The celebration will be in charge of the Tecumseh (Ontario) Community Centre Board, a new organization created in conformity with Provincial law for the promotion of recreation in Ontario communities. Under the leadership of the mayor and other town authorities, various recreational associations such as baseball, basketball, and bowling, combine to form a central committee to develop recreational facilities.

In addition to Mayor Scott the following Canadians, all members of the Tecumseh Community Centre Board, attended the meeting: H. T. Reaume, Sid Arbour, Bernard DuPont, and M. J. Rocheleau, secretary.

The Michigan representatives were C. O. Butler, R. H. Moore, K. D. Hall, Wm. A. Wright, and Ronald Harris of the Chamber of Commerce; Marvin Watkins, Ray Sluyter, George McCombs, Clarence Beach, and Glenn Driscoll of the Village Council; Jerry DuFour and John Snyder of the American Legion; and Earl Kruger of the Veterans of Foreign Wars.

Further organizations will be enlisted and committees formed as plans develop.

THOSE HIDDEN TAXES

In an editorial called "Those Hidden Taxes," The New York Herald Tribune observes, "The citizen who grins and bears it each week when he takes note of deductions from his take home pay, or who gulps when he makes the quarterly payment on his income tax, has perhaps mercifully been spared a consciousness of the hidden taxes which fall upon him every day . . . The problem of tax reform, however, requires knowledge on the part of the citizens. It is to the advantage of the individual that he sees through the tax smokescreen which the experts have laid down—that he feel the pain of what has been devised to be painless."

The Herald-Tribune ran a series of factual articles, by Robert S. Bird, dealing with the impact of hidden taxes on the ordinary taxpayer. It is a sure bet that not one citizen in ten thousand has any accurate idea of how deep these taxes cut into his earnings. For instance, on a $10,000 house it was found that no less than 639 hidden taxes were involved in the construction, development of site, and purchase financing. These taxes, Mr. Bird says, were collected by the federal and state governments from the architect, builder, banks, agents, insurance companies, contractor, manufacturers, jobbers and others.

"Hidden taxes are not confined to big purchases like a house. The Tax Foundation found that 151 taxes applied to a loaf of bread. A woman's spring hat carried 150 taxes. A man's suit came in for 116. A humble egg accounted for 100. Mr. Bird writes: "In none of these studies were local taxes taken into account, nor the federal and state levies on the various steps behind the supply and manufacturing point. As an example of how complex the tax-shifting devices work, the economists found that even the length of time an article remains in stock sometimes determines who bears the weight of a particular tax."

No one knows the actual total of hidden taxes. Estimates indicate they may run as high as $700 per family per year. And, of course, they come on top of all direct taxes. The magnitude of the latter is shown by the fact that in 1949 the average taxpayer worked one month for the federal government to pay the federal income tax alone.

The federal government is the biggest tax eater by far. It takes 71 cents of each tax dollar, while the states take 15 cents and local units 14 cents. By contrast, in 1932, the federal government took but 22 per cent and in 1939, 39 per cent.

What to do about this tremendous problem is a tough question. The Herald-Tribune says, "The overlapping of tax jurisdictions, the continuance of taxes which have outlived their original purpose, the crushing proportions of the tax burden as a whole, require the most careful study . . . But the first step is to know, and the second is to be aroused."

MACON

The W.S.C.S. met Thursday afternoon at the home of Mr. and Mrs. Carl Thomas. After luncheon which was served by the hostess and her committee, Rev. C. F. Riggio led the devotions. The business meeting was in charge of Mrs. Margaret Hall. Minutes of the last meeting were read by Mrs. Jerome Travis and approved. Mrs. Mildred Moore gave the treasurer's report which included the sum of $32.00 contributed by the youth group. Mrs. Mildred Moore and Mrs. Bessie Travis were appointed as committee to purchase a bulletin board to be placed outside to announce activities of the church. Some Rural Roads May Get Government Help

Washington — The Bureau of Public Roads says it is "possible under existing federal legislation" to extend government aid to some 100,000 miles of heavily-traveled rural roads.

This, the bureau said in a report to a Senate public works subcommittee, would permit federal aid to "practically all of the local roads" carrying 100 or more vehicles daily, and raise to about 700,000 the total mileage which the government helps maintain.

The committee had asked for the report to guide it in a study of bills proposing that federal aid for secondary roads be made a regular budget item.

The bureau made no recommendations along this line, but it suggested that local governments might have more money to spend on roads if they corrected "evident weaknesses" in roads administration and quit "log rolling."

The board estimated that needed repairs to locally-kept county, township, and other rural roads would cost approximately $7,200,000,000 over a period of years.

It also found that 40 per cent of all local roads don't carry any more than 10 vehicles a day, and that many of the roads are "wholly nonessential." It recommended abandonment of 400,000 miles of such roads.

NOTE THESE STYLE LINES WELL. They're straight out of the Buick Riviera book — and they cloak interiors that are roomy as much-higher-priced cars.

FORE AND AFT — *a Beauty and a Buy*

It's lithe, long and lovely—and it calls not just for one look, but for *two*.

See how this sleek Sedan looks coming down the road—bold grillwork shining, broad bonnet purring with power, and the wide, curving, unbroken sweep of a one-piece windshield giving you horizon-wide outlook.

And spot the pretty picture you make going away.

The broad, wrap-around rear window and topside styling in the Buick Riviera manner.

The graceful, spacious trunk, the "double bubble" taillights, the sense of high-fashion fleetness in everything from rear fender lines to the curve of the roof.

Yes, that's beauty—beauty in the unmistakable Buick manner. But observe also:

Interiors are extra roomy in all dimensions. The biggest you can buy for the money, we believe—and bigger than many higher-priced cars.

And, since this is a Buick SUPER, there's sensational new power under the hood—Buick's own F-263 Fireball straight-eight, this year's big news in valve-in-head power.

Yes, when you go stepping in this one, you'll really *step*—with roominess and top-drawer styling and the level going of all-coil springing—yes, and Dynaflow Drive* too, if you choose—making your pleasure complete.

The price? Well, drop in on your Buick dealer, ask about the SUPER 126 and be prepared for happy listening. Here's a buy—so grand a buy you'll lose no time getting behind a Buick wheel.

**Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.*

Features like these mean BUICK'S THE BUY

***HIGHER-COMPRESSION** Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • **NEW-PATTERN-STYLING**, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **DYNAFLOW DRIVE** standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • **WIDE ARRAY OF MODELS** with Body by Fisher.*

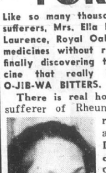
ACTIVE CLUB WOMAN RECOMMENDS O-JIB-WA FOR ARTHRITIS

Like so many thousands of other sufferers, Mrs. Ella Brown of 324 Laurence, Royal Oak, tried many medicines without results, before finally discovering the one medicine that really helped her—O-JIB-WA BITTERS.

There is real hope for every sufferer of Rheumatism, Arthritis, Neuritis and Sciatica. Don't be discouraged because other treatments and medicines have failed you. Gain from the experience of Mrs. Ella Brown, whose statement follows, and like many others, offers these facts so that you too may rid your system of painful Rheumatism and Arthritis.



Mrs. E. Brown

Suffered 20 Long Years

"Because of the suffering I have endured for 20 years and because of the great benefit I have received from O-JIB-WA BITTERS, after trying so many other things without results, I welcome the opportunity to publicly tell others what O-JIB-WA BITTERS has done for me. During this time, I suffered almost continually. It would jump from my legs and knees to my arms and hands and back again. My knees would get so bad th y just cracked and the pain was so severe I made faces and would almost scream. I could barely walk and my husband had to pull me to get me up out of my chair and used to push m. up the stairs at bedtime. Then when the Arthritis moved to my wrist and fingers, they pained as bad as if they were broken. I couldn't even lift the teapot. My daughter did all my housework as I was just not able. I had been working in veteran hospit writing letters and sending cards in my spare time, but my fingers swelled had I could not write and was forced to give this up."

Now Completely Better

"I tried many other treatments and medicines with very little results before I tried your fine medicine upon the recommendation of my cousin who had benefitted from its use. It was nearly 3 weeks before I could see much change, but from then on I began to improve until I was completely better four months later. O-JIB-WA BITTERS not only did away with my rheumatism and arthritis completely but it has also did wondrs for my kidneys, indigestion and high blood pressure. Recently I had a complete physical examination and was told that I was in excellent condition for a woman of 56. My friends are amazed by my recovery and needless to say, I now do my own housework and am again active in the good work of the VFW, DAV and other organizations and hospitals. I truly welcome this chance to tell other sufferers of my recovery and recommend O-JIB-WA BITTERS to them."

Sufferers — O-Jib-Wa Can Help You Too

No medicine being sold today for Rheumatism and Arthritis has received such public acclaim and enthusiastic recommendation by its users than O-JIB-WA BITTERS. The reason for this is because O-JIB-WA is not just a plain deadener as are so many tablets on the market today, containing primarily aspirin and salicylates. O-JIB-WA works through the blood stream and loosens stiff joints to relieve the distressing pain, even when the stiffness has become deep seated. O-JIB-WA BITTERS has a tonic effect on the stomach, liver, kidneys and nervous system. O-JIB-WA is quick in action and aids in correcting the cause of these horrible agonies. In most cases, regardless of what you have tried without results, you owe it to yourself to try this great all herb medicine. Don't give up hope. Don't put off. Give O-JIB-WA BITTERS a chance to help you. Available at all leading drug stores in Michigan and especially recommended by:

PROGRESS

It is your Village. The problems of government, and the taxes are also yours. The streets are yours, as are the Fire Department, water and sewer system, and every item of property of the Village of Tecumseh. So you, the People of Tecumseh should continue to guide your government, your Trustees and Officers, who are civil servants.

So when an old political machine, which seeks to install a council to run the people, rather than let the wishes of people guide the council, appears in a shining new armor, look carefully to discover the motives. The old political vehicle now riding forth is the very one to carry you back to the horse and wagon days.

IT IS YOUR DUTY TO VOTE MARCH 13 - BE A GOOD CITIZEN

Unfounded and Untruthful claims PROVE them uninformed and irresponsible. ALL the facts of the operation of the Village of Tecumseh are available to every resident.

They Claim:—
"the Village tax rate has continued to climb at an alarmingly dangerous rate"

The Facts Are:—
The Village tax rate was raised to the 15 Mill limit by the Council under the old political regime prior to 1947. In spite of great progress and many public improvements to serve hundreds of new homes, the tax rate has remained the same under the Progressive Council.

They Claim:—
"the Village tax rate . . . . probably will rise considerably within the immediate foreseeable future"

The Facts Are:—
The 15 Mill limit is set by law, and cannot at present be raised. In spite of many improvements planned, a tax rate reduction has been planned by your present Council.

They Claim:—
"WHERE, THEN, IS THE FAULT IF OUR TREASURY NEEDS EVEN MORE MONEY?"

The Facts Are:—
This statement implies an absolute falsehood. The Village Treasurer has cash on hand of more than $44,000.00, and your Village is in a healthy condition.

Your Progressive Council, in three short years, has been faced with more problems and has accomplished more than was ever done in a like period before in the Village of Tecumseh.

Sewer, septic tank, and water facilities have been provided for three substantial new subdivisions, providing needed homes for many young Veterans. It would be a short memory indeed, that can not recall the way the old regime would dawdle over problems of providing homes for Veterans. Substantial economies have been effected in every department of the Village operations by intelligent and resourceful planning and supervision.

The vision of long-range planning has been co-ordinated with the every-day needs of Village operations so that orderly growth has been effected, and provision made for future expansion.

Do not be confused about taxation. Your Village Government has nothing to do with the taxing of your property for school purposes. In the matter of school taxes, it is your school district and not your village that determines the amount of taxes you pay.

The old regime seeks to re-establish the do-nothing policy on claims of ECONOMY for Tecumseh. There are no magicians running for office. If the necessary improvements are made, they must be paid for.

WEST BROWN STREET

EAST BROWN STREET

NORTH UNION STREET

Appropriations have been made for improving and resurfacing these streets, and work is planned to proceed as soon as weather permits. Don't let the ECONOMY candidates kill these much needed improvements.

SOUTH UNION STREET SEWER

Contract for this needed improvement has been let, and work will proceed at once.

SIDEWALK IMPROVEMENTS THROUGHOUT VILLAGE.

Extensive work is to proceed in spring. Do not let ECONOMY candidates kill these much needed improvements.

IT IS YOUR DUTY TO VOTE MARCH 13 - BE A GOOD CITIZEN

It is your duty as an American to VOTE, so be certain to go to the polls on March 13. Know your government, your candidates, and your Village Officials.

BRITTON

Mrs. Hazel Dennison and Mr. and Mrs. Gordon Gibson of Ypsilanti were Sunday afternoon callers of Mrs. Margaret Curry.

Mr. and Mrs. Roy Carothers of Detroit called on their respective parents, Mr. and Mrs. Smith Pocklington and Arthur Carothers, last Friday afternoon.

Mr. and Mrs. Bernard Waterbury and son Daryl spent Sunday with Mr. and Mrs. Glen Gripton. Little Daryl remained for a week's visit in the Gripton home.

Mrs. Vera Bruce is hostess to the L. and M. County Line Extension Club today at her home. A potluck dinner was served at noon and a lesson presented by leaders in the afternoon on "Meals for the Middle Years."

Eileen Carothers who has been ill with pneumonia in her home is considerably better and is up a little each day.

Mrs. Flora Exelby who accompanied Mr. and Mrs. E. H. Babcock of Grand Haven on a trip to Washington, D. C., and Atlanta, Ga., arrived home last Saturday evening. The Babcocks remained with Mrs. Exelby over night and returned to their home Sunday in Grand Haven.

Sunday dinner guests at the home of Mr. and Mrs. Millard Cheever were Mr. and Mrs. Clyde Cheever of Tecumseh and Mr. and Mrs. Clarence Cheever of Detroit.

A family dinner Sunday was enjoyed at the home of Mr. and Mrs. Robert Gibson. Birthday cakes featured the tables in observance of birthdays of Freddie Miller and Thomas Gittus. The guests were Mr. and Mrs. Thomas Gittus of East Lansing, Mr. and Mrs. John Gittus, Mr. and Mrs. Wilton Gittus and daughter and Mr. and Mrs. Freddie Miller and children.

The Agricultural Class of Britton high school sponsored a parent-son banquet in the Methodist church Monday evening. The dinner was served by the W.S.C.S. women. Donald Bush acted as toastmaster, introducing Larry Kanous with the welcome; Virgil Bortel, the response to the welcome, and superintendent George Beale, remarks. Norris Kopka gave a summary of accomplishments; Harry E. Neaman, the guest speaker from Chief Agricultural Education Division State Department of Vocational Education at Lansing, gave an interesting talk on agriculture in the schools. George Wald, agriculture teacher and advisor, led the group singing and closed the program.

Mr. and Mrs. M. A. Keasel and Mr. and Mrs. Harold Keasel moved to their new farm home near Manchester last weekend. Mr. and Mrs. Howard Rhora moved into the Keasel farm here.

Born, February 23, to Mr. and Mrs. Kenneth John of Milan, a daughter, in St. Joseph Hospital at Ann Arbor. Mrs. John will be remembered as Dorothy Moore, daughter of Mr. and Mrs. Bert Moore.

The Congregational Dorcas Class will hold a regular meeting at the church next Thursday, March 16, with Mrs. Mae Rixom and Mrs. Myrtle Daykin as hostesses. A 1 o'clock luncheon to be served by Mrs. Dora Benedict and her committee. The afternoon program and devotions will be in charge of Mrs. Jennie Smith.

BOY SCOUT NOTES

Cub Pack 4

During the month of March, Tecumseh Cub Scouts will be busy on the general theme of photography. Each Den has plans made for weekly meetings and will be working on the program to be presented at the Pack meeting on March 20.

Den mothers met last Thursday to work out details and just as each leader contributed to make the Blue and Gold banquet a success, so will the spirit of cooperation among Den mothers and Pack committeemen result in an evening of interest for everyone who attends the March Pack program.

A special effort will be made to contact parents of prospective Cub Scouts, boys who will be of age to join next fall. These parents will be invited to see a film strip on Cubbing which will acquaint them with the responsibilities as well as the privileges of being a Cub Scout's Dad or Mother. This will be one of several features planned for the monthly Pack gathering.

Troop 4

Troop 4 of the Boy Scouts did organizational work at their weekly meeting, Monday, March 6.

The following boys were selected as Patrol Leaders: Duncan Harris for the Cobra Patrol, and Kenny Miller for the Cheyenne Patrol. Bruce Packard was selected as Senior Patrol Leader.

The Patrol Leaders and the Senior Patrol Leaders will meet on March 13.

Presbyterian Troop

Pending its receipts of a charter and number, this troop continues to be known as the Presbyterian Troop because it is sponsored by the Presbyterian Men's Club. The Scouts in the troop do not need to be Presbyterians. Most of the paper work has been completed and the charter has been applied for so the troop expects soon to have an official designation.

At their last meeting the Scouts of the troop discussed various plans by which they might attend Camp Kanesatake this summer. Work is still continuing on various tests and it is hoped that soon every member of the troop will have attained at least the rank of Tenderfoot.

GRANGE TONIGHT

A regular meeting of the Tecumseh Grange will be held this (Thursday) evening with a potluck supper at 7 p.m. The supper committee is composed of Mr. and Mrs. Lee Taylor, Mr. and Mrs. Clarence Hereford, Mrs. Verna Myers, Mr. and Mrs. Leonard Bacon and Douglas, Mr. and Mrs. Carl Auten and Harold and Mr. and Mrs. Howard Rhora.

Saturday evening a dance will be held for Grange members and friends.

Aims of Health Unit Explained By Huntley

Dr. H. C. Huntley, county health director, addressed the Happy Home Builders class of the Baptist church, Monday evening, following a potluck supper in the church chapel. Mr. and Mrs. Lyle Grigg were the host and hostess and the Rev. and Mrs. B. O. Bashore arranged for Dr. Huntley's appearance. Some 35 members were in attendance.

Dr. Huntley spoke principally on the county health unit and its aims. He also showed a film which dealt with the importance of parental guidance to the development of a child's personality. Harold Black played several piano selections.

WELCOME CLASS

The Welcome Class of the Friends church will meet Friday, March 10, at the home of Mr. and Mrs. Robert Baird, 114 W. Patterson, for a potluck supper at 6:30 p.m. Members are to bring table service, a dish to pass and sandwiches. Mrs. Henry Hamilton is in charge of games.

TO MEET MARCH 15

The Presbyterian Women's Association will meet at the church, Wednesday evening, March 15, at 8 o'clock. The Westminster Junior League is in charge of the program, with Mrs. Wellington Wotring as leader. Mrs. Ernest Greene is chairman of the hostess committee.

ENTERTAINS CLUB

Mrs. Josephine Barritt entertained her bridge club, Monday evening. Mrs. Cecile Smith won first prize; Miss Vesta Wilson, second, and Mrs. Barritt third. Refreshments were served.

About The Folk You Know

Mr. and Mrs. F. E. Hensen entertained at dinner, Sunday, in celebration of the birthday anniversary of their son, Chester. Guests included Mr. and Mrs. Chester Hensen, Mr. and Mrs. Charles Hensen and Mr. and Mrs. A. G. Hilts of Adrian . . . Charles Hensen received his discharge from the Army recently and he and his wife are living with his parents for a short time.

Members of the Poppy Brownie troop completed their scrapbook when they met this week at the Baptist church with their leader, Mrs. George Wittrup. Officers elected were: President, Jeanette Buehrer; vice president, Jean Ann Wagner; secretary, Mary Seager; treasurer, Peggy Robinett.

Orville Farver, student from Tecumseh attending Adrian College, became an active member of the Alpha Tau Omega Fraternity during formal ceremonies held at Cornelius on February 19. Alpha Tau Omega is one of three fraternities on campus, and has a membership of 59 actives.

Music In Schools Is Topic At Monday Club

The Tecumseh Monday Club met at the home of Mrs. Henry P. Vaughan, this week, March 6, with some 35 members and guests in attendance.

Mrs. Vaughan, chairman of music for the Michigan Federation of Women's Clubs, spoke briefly on the music in the public schools. She is of the opinion the orchestra should have its place in the school just as the band does. She introduced Mrs. Herbert Dillon, who played a piano solo, "Lotus Land" by Cecil Scott. Mrs. Jean Gilman Holbrook of Lansing, accompanied by her mother of Clinton, sang "Sleep That Comes to Baby's Eyes," "A Memory," "Connais-Tu Le Pays" from the opera "Mignon," "One Fine Day" from "Madam Butterfly" and "Little China Figure."

Mrs. Truman Rentschler gave a talk on music and youth conservation at Interlochen. Mr. Vaughan showed moving pictures of the school at Interlochen.

During the business meeting, which was opened by the president, Mrs. Don Goddard, Mrs. Rentschler gave a religious thought and spoke on the power of music. A letter was read from the Starr Commonwealth school and current events were given by Miss Edith Ingersoll. It was voted to give $5 to the Red Cross.

In conclusion tea was poured by Mrs. Rentschler and Miss Ingersoll. The co-hostesses were Mrs. Ronald Harris, Mrs. Kenton Hunt, Mrs. R. H. Moore, Mrs. Maynard Mulvaney and Mrs. Roy Whiting.

Print Evaluation Is Discussed By Camera Club

The Indian Snappers Club met Monday evening at the Tecumseh Camera Shop with a good attendance. Leon Rosacrans, who was scheduled to show his Main Street movie, has not returned from his vacation trip, but an interesting program was presented.

A print evaluation lecture was illustrated with salon prints. There were 19 entries in the print-of-the-month contest and Darwin Smith took first prize and Ed Beal, second and third. Lester Tucker showed his colored slides.

Preceding the program a business meeting was conducted. A speaker from Argus Co., in Ann Arbor will discuss lens at the April meeting and a movie, "Gateway to Scandinavia," will be shown.

W. C. T. U. TO MEET

The Women's Christian Temperance Union will meet Tuesday, March 14, at the home of Mrs. Perry Hayden, at 2:30 p.m.

Funeral Services Held For Claude H. Saxton

Funeral services were held Friday afternoon from the Niblack Funeral Home in Britton for Claude H. Saxton, 63, who died February 28, at the home of his son, J. C. Saxton, at Evans Lake, after an illness of several months.

Mr. Saxton moved to Evans Lake from New York state in 1939. He was a member of the International Machinists' Union at St. Louis, Mo. Surviving are the widow, Olive R.; two daughters, Mrs. Tanya Rodabaugh of Onsted and Mrs. Margaret Karle of Sparks, Nev.; one son, J. C., of Evans Lake; two sisters, Mrs. Jennie Matthews of Hornell, N. Y., and Mrs. Eva Glover of Avoca, N. Y.; three brothers, Walter and Leo Saxton of Hashinsville, N. Y., and Murry Saxton of Avoca, N. Y.; 11 grandchildren, one great-grandchild and several nieces and nephews.

Frank D. Pennington, Formerly of Macon, Dies

Frank D. Pennington, aged 70 years, formerly of Macon, died suddenly February 2 in his home in Oakland, Calif. His widow, Addie, is seriously ill at this time.

A great-grandson of Macon's earliest pioneers, Mr. and Mrs. John Pennington I, of Pennsylvania, he was born in Macon township, the son of Mr. and Mrs. Humbolt Pennington. He received his education in the Macon village school and in early manhood went West where he has lived for the last 50 years in California.

Mr. Pennington was preceded in death by four brothers, Leigh, Mayne, Glenn and Harry Pennington. Besides his widow, he is survived by a nephew, Earl Pennington of Ridgeway and two nieces, Mrs. Phyllis Percival of Morgantown, W. Va., and Mrs. Mary Janison of Long Island, N. Y.

Capt. John D. Devall Gets Marine Citation

Capt. John D. Devall, jr., of Ann Arbor, who served with the U. S. Marine corps during World War II, was awarded a permanent citation for the air medal, February 25.

Capt. Devall, who resides at 428 Hamilton Place, was decorated for his meritorious achievements in the face of heavy opposition while serving as a pilot of a Marine bomber plane against the Japanese in the Bismark archipelago area. His citation was forwarded to him by Col. E. L. Hitchinson, USMC, director of the Eighth Marine Corps reserve district. Capt. Devall is a member of the Marine corps reserves.

Capt. and Mrs. Devall, with their two children, are spending the winter in Southern Florida. Mrs. Devall was formerly Margaret Craig of Britton.

When Jesus lived on earth, and went about doing good, He had no place to call home, in the sense we call home. Therefore, anyone who took Him into his life found Him a ready and willing guest, and always the blessing He gave was greater than what was given Him. We all believe that His spirit is in our midst now, so it would be well for us to give Him a partnership in our living. By doing so, we will be blest. We invite you to hear the pastor speak on Sunday morning at 11 a.m. A junior church for your babies and small children is available for your convenience. Church school at 10 a.m., with a special invitation to YOU. Colleges Fail In Citizenship

STUDENTS GET SPECIALIZED TRAINING BUT MAY FAIL IN SOCIETY

New York—Higher education in the United States may prepare a student to be doctor, lawyer, merchant, or chief, but does it, a careful study asks, prepare him to be a citizen?

Assuming that "effective citizenship in a democracy must involve active participation in the operation of government," American colleges do not provide adequate citizenship training, according to a report recently issued here.

Based on a study of "218 representative colleges and universities in all parts of the country" the report charges the institutions with allowing half their students to graduate with "no training in politics at all."

The other half receives "inadequate training," said "evaluation of citizenship training and incentive in American colleges and universities," by Thomas H. and Doris D. Reed, consultants on government.

They prepared the report for the Citizenship Clearing House, an affiliate of New York University School of Law. It is part of the clearing house's program designed "to aid in arousing in college students a permanent interest in politics and government, and stimulate participation in public affairs at the local level."

Although the report cites some examples of effective procedures in a few universities, it emphasizes the general "lack of political experience of teachers in introductory courses" and "deadly uniformity in college political instruction." Eighty per cent of Ph. D. holders teaching political science come from 20 universities, the report points out.

It urges the staffing of introductory courses not so much by Ph.D. holders or Ph.D. aspirants—as is now the case—but by able teachers intensely interested in politics. It calls for greater adoption of the "laboratory" method reported by some schools.

In one course, students are required to interview leading politicians and, in an election year, report on activities at a polling place. Another course requires political activity such as attending caucuses, visiting a legislature, or lobbying. A third course grants as much as two units of credit for summer work with a political party or in some public office.

The report describes "the unique contribution" of one university in providing a course designed "to help the student break into the main stream of political activity." In 1948-49 each student had three projects: To attach himself to the campaign of a candidate for a legislature, keeping a notebook of his activities; to become intimate with a pressure group seeking to influence the action of a legislature; to follow the course of a bill or bills through a legislature with emphasis on the sources of influence which affected the legislature and the methods used to accomplish the result.

Encouraging as these activities may be, they occur in too few colleges, the report says. There should be more of the small advanced classes that permit the laboratory method, it urges.

At the same time, the report suggests that the mere "proliferation" of political science courses into hosts of increasing specialized courses may contribute to the inadequacy of general political training.

"The effort, time, and money spent on such courses," it says, "tend to divert the available intellectual as well as financial resources of colleges or universities from the more humdrum but essential task of solidly grounding the largest possible number of students in things they ought to know if they are to participate effectively in politics."

Most college and university authorities are only "vaguely conscious" of their failure to prepare young men and women for actual participation in politics, the report declares. As an appendix, Citizenship Clearing House has attached suggestions made by more interested educators at a series of regional conferences it has held during the past year and a half.

OFFICERS ARE GUESTS

Nine Lenawee county association officers were guests at the regular meeting of Tecumseh chapter, Order of the Eastern Star, Thursday evening. A musical program was presented with Florine Schultz as vocalist and Cynthia Spafford as pianist.

Luncheon was served with Mrs. Howard Truesdale and Mrs. Virgil Tucker in charge. The table was decorated in the St. Patrick's Day theme.

CLINTON

Miss Marilyn Brooks, daughter of Mr. and Mrs. George Brooks of west of Clinton, and Douglas Vogel of Chelsea, were married February 25, in Angola, Ind. Mr. and Mrs. Arnold Wilson of Tipton attended the couple. They will reside in Chelsea.

George Bergman of Latvia and Miss Eleanor Smalley of the Belgian Congo, Africa, students at Adrian College, spoke to the Methodist Youth Fellowship, Sunday evening. Supper preceded the program.

Mr. and Mrs. Julius Wuerthner of Great Falls, Mont., who had been in Chicago to attend the bar association convention, have been visiting his sisters, Mrs. A. M. Kiebler and Miss Lellah Wuerthner.

W. S. Fox continues to improve after suffering a heart attack a few weeks ago.

Mr. and Mrs. E. R. Quigley have arrived home from a vacation trip to Florida.

At the organizational meeting of Troop one, Brownie Scouts, at the home of its leader, Mrs. Wesley Proctor, officers elected are: Carol Escott, president; Mary Ann Proctor, vice president; Ava Dee Socks, secretary-treasurer. The girls will begin hemming a towel at the March 15 meeting.

Mrs. Pearl Chubb of Marquett was an overnight guest of Mr. and Mrs. Wesley Proctor, Friday. In the evening, Mrs. Chubb conducted a school of instruction at the Order of the Eastern Star at Manchester.

TIPTON

The district meeting of the Knights of Pythias was held last week at the hall. Members were present from Muskegon, Ishpeming, Ypsilanti, Plymouth, Pontiac, Dundee, Adrian and Tecumseh. Grand officers included Clarence Smith, C. C.; G. P., Kenneth Buckley; G. M. & A., Frank Henderson; good of the order, Al Augustus and Gar Brandt. Entertainment was furnished by S. Kring and D. Oliphant. A poem was composed and read by Glenn L. Kemp. District Deputy Henry Kempf of Tecumseh and District Deputy of No. 16, Glenn Davis of Plymouth, were also present.

The next three meetings of the Ladies Aid Society will be held at the Grange hall. Mrs. Ferris Anderson and Mrs. Dale Cook are new members.

Non-Partisan News Letter

(Special to The Herald)
By Gene Alleman

Governor G. Mennen Williams's program for the state corporation profits tax is "strictly political," according to John L. Lovett, general manager, Michigan Manufacturers' Association.

"It is the application of the philosophy of the present leaders of the C.I.O.", states Lovett.

"I wish I might say to the business men of Michigan that its state government wants you to stay here. I wish I might say to those young men who want to go in business that Michigan is a friendly state. I wish I might say to those with capital to invest that Michigan welcomes you.

"I wish I might say that in the statehouse there is a governor whose administration wants to make Michigan a better place to work in and better to own a business in.

"I regret that I cannot make that statement truthfully. At every crossroads in the state the governor is telling the people that he wants to make the corporations of Michigan pay a four percent income tax."

It is a characteristic of indirect taxes to pyramid the taxation cost to the consumer, observes Lovett. As the income tax must be added to the cost of the product, the corporation has to add its overhead if it is going to stay in business and arrive at a selling price. Thus the four percent tax may easily become six percent by the time it is added into final selling price paid by the customer.

As the people of Michigan on four different occasions voted by a large majority against a state income tax, Lovett believes that a corporation income tax would be promptly taken to court for test of constitutionality.

"Corporations in Michigan now pay approximately 50 percent of the property taxes paid in the state," states Lovett. "This tax cost amounts to about $200 million a year General Motors Corporation in the city of Pontiac pays 44 per cent of the total taxes of that city. In Flint it probably pays a larger proportion, and it would pay a similar proportion in Saginaw, Bay City or Lansing."

Furthermore corporations in Michigan pay a rather high unemployment compensation tax rate, as compared with corporations in adjoining states such as Illinois, Indiana, Ohio and Wisconsin.

Our minimum is one percent, while in these other states the unemployment compensation tax rate goes down as low as four tenths of one percent.

"We used to say that Michigan was a good place to run a factory because we had highly skilled labor which was very productive," continued Lovett. "We paid high wages and got the best workers. Now, however, with the restrictive output theory of the unions you can no longer rely upon the better per man production to meet our competition in other states. Those surrounding states average 20 to 40 cents an hour lower wage rates than Michigan, so the labor advantage today has been entirely removed.

"Utilities in Michigan have spent millions of dollars in bringing natural gas and cheap fuels. That is important to the state. However, the last few years has seen a gradual reduction in the number of industries operating in Michigan. Just in mid-January, two firms which had been in Detroit for 50 years announced they were moving to adjoining states.

"The Chicago Pneumatic Fuel Company came to Detroit with the Burroughs Adding Machine Company. The Diamond Farr Specialty Company was born and developed in Michigan.

"In Muskegon at least five old reliable, substantial industries have closed their doors. There are vacant plants in Jackson and Port Huron."

Large automobile companies are carrying on a widespread decentralization program. Why? "There is a general feeling among Michigan corporation that the state is unfriendly, that corporations are confronted with an unfriendly administration, and that with other advantages elsewhere, Michigan no longer is inviting," states Lovett.

It is the judgment of Lovett, as spokesman for Michigan corporations, that we should thoroughly investigate the possibilities of economy in state and local governments. Conceeding that the sales tax amendment diverts 78 percent of the sales tax revenues back to home governments, Lovett believes "it is embarrassing to some townships and local communities to have so much money they don't know what to do with it." Lovett would either do away with the sales tax and come forward with some other direct form of taxation or he would require local communities to assume many of the burdens the state is now attempting to carry with reduced revenues.

In conclusion let me say that "there is no need for a new tax. If the time ever comes when we need new taxes in Michigan, let's be honest about our proposals.

"Let us not try to say to the people of the state that by an indirect tax they are not paying a tax. Direct taxation is the only honest type of taxation. Then we are not building up a pyramid of concealed charges against the consumer.

A final shot: "I believe any impartial investigation would show that the state does not need any new revenues of any kind," said Mr. Lovett.

This in brief, is the case of the state corporations against the Williams corporation profits tax program.

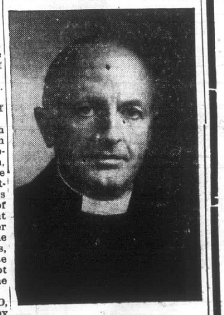
Church's Radio School Near End

BISHOP SHERRILL TO SPEAK TO CONGREGATIONS ON SUNDAY, MAR. 12

For the past nine weeks the entire Episcopal Church has been engaged in a special activity resembling a gigantic school system. A campaign of education, referred to as "One World In Christ," has aimed at informing every member of the Episcopal church about the program of work being done by the church at home, overseas, and in the field of christian education. The month of January was devoted to study of missionary work overseas, February to work in the United States, and the first part of March to new plans for education which are being developed and are beginning to emerge in the form of courses



Rev. Henry Knox Sherrill

of study on the beliefs and the activities of the church schools, for use in families, by children, young people, and adults of every age.

Here in Tecumseh members of St. Peter's church led by their rector the Rev. Allan Ramsay, have worked in conformity with the suggestions offered by the national church organization.

The campaign "One World In Christ" will terminate next Sunday, March 12, when Episcopal congregations, gathered into their churches in all parts of the country for regular Sunday morning service, will hear, through radio receivers set up in the churches, the voice of the presiding bishop, the Rt. Rev. Henry Knox Sherrill, summarizing the objectives of the campaign, and asking the prayers, interest, and support of every member of every parish. The radio hookup arranged to transmit Bishop Sherrill's message will be one of the largest ever used for a church broadcast, and is comparable only to the hookups arranged for addresses by the President of the United States.

When at a specified moment, the radio is turned on in churches all over the land, congregations will first hear the magnificent choir of St. Paul's Chapel of Trinity Parish, New York City, led by Andrew Tietjens, director. Then Bishop Sherrill will speak, and following his address, the choir will sing another hymn.

People everywhere who are not in church will be able to hear Bishop Sherrill in their own homes through their own radio sets.

In Tecumseh the broadcast will come through Radio Station CKLW Detroit at precisely 11:30 o'clock Sunday morning, March 12.

Have Yuh Had Yur "T-D" Yit?
In Case Yuh Don't Kno', "T-D" Means "Test Drive"

Yep, if yuh haint had yur "T-D" in one of them new Fords-fur-50, waal, yuh haint had nothin' yit. Man, them new 50 Fords is some buggy and we ain't foolin' — not even a little.

It'll really surprise yuh jist what that Young Henry boy has done for them new buggies. Yuh git the "hushed ride" with the motor that whispers. And, too, Ford is really 50 ways new for '50 and you'll diskover every one of 'em after you've test-driven one of em a ways.

No foolin, we've been sellin Fords for over 30 years and never in any year have we had as many fine testimonials for a car as we have received for the new '50.

If yuh ain't ridden or driven one of the new critters, kum in and ask us for a ride or a drive. We'll be glad to let her perform fur yuh, and without a nickels worth of expense to yuh. And, after you've ridden and driven one of these new 50's waal, man, you'll be just as crazy about em as we is.

Peoples Party Wins At Polls

ELLIOTT AND ENTIRE TICKET VICTORIOUS OVER PROGRESSIVE'S SLATE

The Peoples Party, dormant for three years following defeat in an election in 1946, came back Monday in a sweeping victory at the local polls and won an easy battle-of-ballots over its Progressive Party opponents.

J. Floyd Elliott, who went down to defeat in the three-years-ago election, this year again headed the Peoples ticket and carried his entire party to victory. Mr. Elliott is a veteran member of the council and has served several terms as president in the past. With his new official family he will take office April 3, the first Monday in April.

At the polls Monday, when between 600 and 700 votes were cast, the Peoples party was successful by nearly a two-to-one vote. Not a single Progressive candidate weathered the voters' storm.

The new council will be made up of Mr. Elliott as president, Robert L. Kroner, clerk, Mrs. Myrna Tingley, treasurer, Joseph H. Rohweder, E. C. Heilman and Howard Truesdale, trustees, and Terrence J. Wagner, assessor. Holdover members of the council whose terms did not expire with the election are Trustees Geo. McCombs, Archie Porter and Ray Sluyter.

Defeated at the polls Monday were Marvin Watkins, president, Wade L. Jones, clerk, Charles M. Fay, treasurer, William A. Wright, Charles Mensing and Clarence Beach, trustees, and John E. Saling, assessor.

The vote at Monday's election was as follows: (In all instances the first precinct vote or so-called eastside vote is given first, then the west side or second precinct vote, and then the total).

For president: Mr. Elliott, 137, 222, 359; Mr. Watkins, 78, 107, 185. For clerk, Robert L. Kroner, 113, 211, 324; Mr. Jones, 101, 128, 229. For treasurer, Mrs. Tingley, 145, 314, 459. Mr. Fay, 70, 111, 181. For trustees: Joseph Rohweder, 126, 277, 403; Wm. Wright, 83, 148, 231. Edward C. Heilman, 140, 275, 415; Charles Mensing, 75, 150, 225. Howard Truesdale, 144, 293, 437; Clarence Beach, 72, 126, 198. For assessor, Terrence J. Wagner, 118,

HEALTH PROBLEMS OF SCHOOL CHILDREN DISCUSSED BY ANN ARBOR DOCTOR

Over 75 interested parents attended the Tecumseh Parent-Teacher Association meeting at the Central Building, Thursday evening, when Dr. William J. Morrow of Ann Arbor discussed "Health Problems of School Children."

Ably presenting the health problems of children, especially between the ages of 5 and 12, Dr. Morrow held the interest of his listeners by clearly stating his findings on the subject. His address was well received.

Preceding Dr. Morrow's address, a group of band students under the direction of Clare Camburn presented a musical program. They included Geraldine Handy, Truley Ogden, Louis Vargo, Donna Burleson, Sally Rentschler, Howard Powell and Norma Comfort.

New officers of the association were elected. Mrs. Thomas O'Hara was named president; Mrs. Lee Purkey, vice president; Mrs. Edward Harper, secretary, and James Hartsell, treasurer.

At the close of the meeting refreshments were served by mothers from the fifth, seventh and eighth grades, namely, Mrs. Donald Nixon, Mrs. W. D. Hite, Mrs. Clifford Deaner, Mrs. Ray Henkel, Mrs. Harold Treby, Mrs. Elmer Burleson and Mrs. Hilda Will.

EUGENE VAN WINKLE DIES IN JACKSON

Mrs. Naomi Sallows and Mrs. Herbert Murphy were in Jackson Friday, to attend the funeral services of their cousin, Eugene Van Winkle, 38, who died suddenly last week Wednesday of a heart attack. Burial was in Roselawn cemetery.

The son of the late Ernest Van Winkle, who was a brother of Reuben VanWinkle of Tecumseh, Eugene lived here the early part of his life and was educated in the local schools. He is survived by his wife, one stepson, his mother, Mrs. Anna Ganson, three sisters and one brother.

New Village President

J. Floyd Elliott, above, at the anvil in his blacksmith shop on South Pearl street, is Tecumseh's new village president. However, the job is not new to Mr. Elliott. He served several terms as president and member of the council before he was defeated in an election three years ago. Monday of this week, Mr. Elliott made his reappearance in local politics by heading the Peoples Party ticket and that party was swept into power by defeating the entire Progressive Party's slate. The newly elected officers will take their seats on Monday, April 3.

Oppose Change In Rail Service

DISCONTINUANCE OF N. Y. C. TRAINS WOULD AFFECT LOCAL MAILS

Tecumseh is joining with other southern Michigan communities in efforts to maintain service over the New York Central Railroad between Elkhart and Toledo, it was announced today by Ronald Harris, secretary of the Chamber of Commerce.

The New York Central system has announced its intentions to petition the Michigan Public Service Commission for a hearing to discontinue trains No. 614, eastbound, and No. 647, westbound.

"The cities of Adrian, Hillsdale, Coldwater, and Sturgis are currently leading the opposition to the railroad's move because they are affected by the passenger service," Mr. Harris, Chamber secretary, stated. "However, Tecumseh will be very seriously affected because a great deal of mail, both incoming and outgoing from the Tecumseh local office is carried on these two trains. Should they be discontinued, it would be necessary to increase trucking service, or what is more likely, mail service would be slowed down considerably."

Representatives of some of the cities affected met at Coldwater Tuesday night to map strategy to combat the railroad's proposed action. Tecumseh has offered its assistance to the group, and will attempt to enlist Clinton and Manchester who also depend a great deal on mail service from these two trains.

Model Home Open House Here, Saturday, Sunday

An "open house" in one of the recently completed homes in Tecumseh Acres Subdivision was announced today by Glenn H. Kohler, local real estate broker who has the exclusive sale of the subdivision's houses.

"The house that we will show to the public on Saturday and Sunday, March 18-19, will be completely furnished by the DesErmia and Rosacrans stores here," Mr. Kohler said. "It is one of the standard type houses we are building and, furnished, it will give the public an idea of just how they will look when occupied."

An advertisement announcing the hours of the "open house" and the route to its location will be found in another page of this newspaper.

MRS. ROSINA SCHREDER BURIED IN BROOKSIDE

Funeral services were held at the Collins Funeral Home last week Thursday afternoon for Mrs. Rosina Schreder, 77, who died at the home of her son, Percy G. Heidenrefch, 208 N. Union street. The Rev. Donald C. Wilson, pastor of the Presbyterian church, officiated and burial was in Brookside.

The bearers were John Saling, John R. Lott, Wilbur Boyce, L. D. Tallman, Ernest Robinson and Fred Dickinson. Friends and relatives attended from Jackson, Clinton, Bridgewater, Ann Arbor, Britton and Tecumseh.

BIENNIAL CARNIVAL AT HIGH SCHOOL ATTRACTS 758 PAID ADMISSIONS

Seven hundred and fifty-eight paid admissions to the high school carnival, held Friday evening in the Central Building gymnasium, were recorded by the student council, the sponsoring body of the biennial affair. All the classes plus four other school organizations fared well financially, making the event an all-around success.

Decorated as a midway, the gym was filled with people trying their luck or enjoying the usual midway refreshments. Among the amusements were ring-toss, ping pong, a fish pond, silhouettes and others. The Varsity Club presented a style show and talent show. Seven acts were entered and prizes were awarded to Robert Snyder, first, for a vocal solo; Carol and Roger Finnegan, second, a vocal duet, "The Old Maid's Ball," and to the Varsity Club group of six, for a novelty song act. The judges were Mrs. Lois Service, Elven Duvall and Duane K. Furbush.

Virginia Snyder and Douglas Aylesworth, both sophomore students, were crowned queen and king of the carnival. The selection was made from votes cast by the student body during the week.

SCHOOL BOARD MEETS

The regular March meeting of the board of education was held Tuesday evening at the high school. Only routine matters were discussed. Current bills were audited and ordered paid and the superintendent's report was read and placed on file.

Intangible Tax Aid To Be Given

REVENUE OFFICER TO ASSIST LOCAL TAXPAYERS; AT BANK HERE, MARCH 21

On Tuesday, March 21, Carl Fast representing the Michigan Department of Revenue will be at United Savings Bank, Tecumseh, between the hours of 9:30 a.m., to 3:30 p.m., for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31.

Intangible personal property subject to the tax includes all mortgages, land contracts, bank accounts, cash, postal savings accounts, accounts and notes receivable, corporate stocks, corporate bonds and other similar types of property. However, all United States bonds, including War Bonds, are exempt from the tax, and the tax on deposits in Michigan banks and building and loan associations, as well as stocks in Michigan banks, will be paid to the Department of Revenue directly by the banks or building and loan associations.

Under the present law as amended by the Legislature in 1945, all corporate stocks are 100% taxable including Michigan corporations.

The department has issued a warning to all owners of property, such as is outlined above, to file the necessary forms prior to March 31. The Revenue Department is constantly engaged in checking stockholders' lists, mortgage records, income tax returns and other data for the purpose of discovering evasions of the Intangibles Tax Act. Failure to file a return when a tax is due subjects the taxpayer to severe penalties.

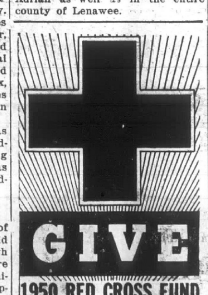
In addition to assisting taxpayers in the preparation of their returns, Mr. Fast will also be glad to advise any person concerning his liability, if any, under the Intangibles Tax Act.

Those desiring this advice or assistance are requested to bring with them full information concerning their holdings, including the face or par value, and income received therefrom during the year, and copy of the previous year's return filed with the department.

Mrs. Harold Naser Joins Real Estate Firm

Harold Naser announced today that Mrs. Harold Naser is now connected with the Harold F. Naser Realty Co. as a real estate salesman. Mrs. Naser received her licence from the Michigan Corporation and Securities Commission on February 28.

Harold Naser has been active in the real estate business for several years. He formed his own company at the beginning of the year. The Harold F. Naser Realty Co. operates in both Tecumseh and Adrian as well as in the entire county of Lenawee.



HERE'S A GOOD EXCUSE TO STAY UP UNTIL MIDNIGHT

Spring Arrives at 11:36 P. M., on March 20th

You'll have to stay up quite late this year to welcome the arrival of Spring on March 20.

It will be nearly six hours later than in 1949, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan. The exact time of arrival will be 11:36 p.m.

"At that instant, the sun enters the vernal equinox which means that it has crossed the equator and entered the northern hemisphere," Dr. Losh says. "The day and night will be exactly equal on March 20 and then each day will grow longer until there will be about 15 hours of daylight during June."

The near-midnight arrival of Spring this year develops because the sun doesn't complete its yearly journey from one vernal equinox to another in an equal number of days. Dr. Losh says the troublesome fraction of 365.24219 days is involved. This requires the insertion of an extra day every fourth year in order that the calendar may be made to agree more nearly with the yearly path of the sun.

Look into the eastern sky on any March night that is clear and you'll detect a harbinger of Spring. It will be Arcturus or "Watcher of the Bear," the brightest star in the eastern sky at this time of year.

Arcturus rises in the eastern sky about 8:00 p.m. and can be easily located by sighting downward from the handle of the Big Dipper. There will be another bright spot further south on the horizon. This is the red planet Mars which will be at its closest distance to the earth during its two-year revolution around the sun, which covers about 60,000,000 miles. This relative nearness will make Mars easy to locate because of its brilliance.

"There are few stars in the sky that rival Arcturus in beauty and interest," Dr. Losh reports. "It is the fourth brightest star visible from northern latitudes. Intrinsically it gives out 100 times as much light as the sun, but appears fainter because of its greater distance. The light that we now see left this star 33 years ago."

Arcturus is believed to have been one of the first stars to be named. There are many illusions to it in early literature and it is one of the few stars mentioned in the Bible.

Besides its own golden-yellow color as an attraction, Arcturus is a part of the constellation Bootes. This is easily recognized in the eastern sky by its kite-like outline, Dr. Losh says. Bootes or "The Giant Bear Driver" represents the figure of a mighty man with uplifted hand, holding two hunting dogs in leash. With the dogs, he is apparently pursuing the Great Bear (Big Dipper) around the Pole.

Junior Play Here, Tonight

THREE-ACT COMEDY TO BE STAGED AT CENTRAL AGAIN ON FRIDAY EVENING

The initial performance of "Almost Summer," will be presented this (Thursday) evening in the Central School Building auditorium by the Junior Class. The theme act comedy is under the direction of Miss Joyce Creger and will be staged again on Friday evening.

The story deals with the trials and tribulations of Paul Jones, who is trying to avoid summer school and, at the same time, keep from losing his girl's affections to a campus big shot. Everything turns out for the best, however, but, in the meantime the show promises to keep its audiences in laughter.

Tom Everlove has been cast as Paul; Pauline Bagshaw as his girl, Jane; and Cynthia Spafford and Russell Hubbard as his mother and father, respectively. Others in the cast are Ken Swarts, Jolene Barron, David VanWinkle, Cap Orr, Mary Jane Dermyer and Donna Craig.

District Rotary Meeting In Mt. Clemens, Apr. 23-24

The important part that paint plays in the lighting of industrial plants, offices, schools and homes was shown in a talking motion picture, presented to members of the Rotary Club Tuesday evening, following dinner at the Legion Home. The program was by J. E. DeVorse and W. J. Moore of the DuPont company of Toledo. They were introduced by Earl H. Place, superintendent of schools.

David Lott, high school senior, was the junior Rotarian at the meeting. He also was Mr. Place's guest. It was announced that the annual district meeting of Rotary International would be held at Mt. Clemens, April 23-24. Several members of the local club will attend.

Ridgeway Folks Wed 60 Years

MR. AND MRS. WILL E. ALLEN OBSERVE ANNIVERSARY WITH OPEN HOUSE

Mr. and Mrs. Will E. Allen of Ridgeway, aged 83 and 82 years, respectively, last Sunday observed their 60th wedding anniversary. Both Mr. and Mrs. Allen are in fairly good health considering their advanced years.

Will E. Allen and Fannie Hiscock were married March 12, 1890, by the Rev. J. A. Lowry in Ridgeway and began housekeeping in Rea where he was employed as station agent for the New York Central Railroad. After 49 years and five months of successful service for the railroad Mr. Allen was retired on pension, October 1, 1938, at the age of 76 years.

They are the proud parents of three children, Dr. Floyd Allen of Cincinnati, O., Mrs. Don M. Peters of Detroit, and Charles G. Allen of Adrian. They also have four granddaughters, two grandsons, three great grandsons and two great granddaughters.

Mrs. Allen was born in Batavia near Coldwater, Michigan, March 22, 1867 and Mr. Allen in the village of Ridgeway, October 19, 1868, and at the time of their marriage he was a New York Central telegraph operator. They took a short wedding trip to Toledo to visit Mr. Allen's brother and then took up their residence at Rea, six miles east of Britton, where Mr. Allen was the railroad agent and operator. Their next move, two years later, was to Moscow, Hillsdale county, and some time later he was transferred to Toledo.

Later, Mr. Allen was transferred to Britton as railroad agent and operator and he served there for more than 20 years. Later, he was transferred to Tipton and was at Ida in the service of the company when he was retired.

About 75 persons attended the 60th anniversary celebration on Sunday at the Allen home in Ridgeway. The party was planned by the W. S. C. S. of the Methodist church of Ridgeway of which Mr. and Mrs. Allen are members. The Allen home was decorated with spring flowers and Mrs. Allen was presented with a corsage of white carnations. A potluck dinner was served and featured many beautifully decorated cakes. Elmer T. Pocklington read several original poems and the Rev. L. Carter spoke.

Mr. and Mrs. Allen received many congratulatory cards and gifts among them a beautiful floor lamp, the gift of the community.

L. Earl Lindsley Is Buried In Riverside

Funeral services were held Friday afternoon from the Collins Funeral Home for L. Earl Lindsley, 58, who died suddenly on March 7 at his home, 301 W. Shawnee street. The Rev. Allan Ramsay, rector of St. Peter's Episcopal church officiated and burial was in Riverside Cemetery, Clinton.

Bearers at the service were Perry C. Satterthwaite, Fred Snauble, Dar Smith, Percy Bowen, William Morgan and Wendell Gorton. Honorary bearers were Earl H. Place, Jerry Spafford, Fred Dickinson, Orville Laidlaw, K. D. Hall, William Butler, Ray Puffer, LeRoy Titley, L. W. Larsen, Geo. McCombs, Rhea Henkel, Paul Clauda, Russell Garno and William Berkhof. Some 75 members of the Masonic lodge attended in a body.

Friends and relatives at the service came from Portland, Birmingham, Detroit, Toledo, Lansing, Blissfield, Saline, Plymouth, Mt. Clemens, Ypsilanti, Clinton, Britton, Highland Park, Huntington Woods, Royal Oak, Holloway, Adrian, Tipton, Ridgeway, Macon, Flat Rock, Palmyra, Monroe and Tecumseh.

Seek New Income For "Recreation"

CENTER BOARD ASKS PUBLIC EXPRESSION AT MEETING EARLY IN APRIL

The board of control of the Tecumseh Recreation Center, in a letter to the presidents of the many civic groups, churches and other organizations in the community, this week urges serious thought in regard to the future financing of the Center and a public expression of opinion at a meeting to be held on Tuesday evening, April 4, at the Hoyt E. Whelan Implement Store.

The letter, which is self-explanatory, follows:

"Some ten years ago, as you probably recall, a seven-man Board of recreation was formed in the village to establish, develop and supervise a community recreation center. Funds to carry on this work were to be derived principally from the gate receipts of athletic events held there and public donations.

Through the past years this burden has fallen almost entirely on the high school football games as the only source of income. Up to now it has been the policy of the board to turn over a certain percentage of these gate receipts to the high school, after paying necessary expenses for the maintenance and replacement of football equipment.

However, it no longer seems reasonable or fair that our high school boys and girls pay practically all the expenses for a recreation center that benefits the entire community. Especially is this so in the light of the fact that the high school athletic teams are in dire need of new uniforms and equipment.

Therefore, the board deems it advisable now to change its policy and allow the high school to take the entire gate receipts of its football games and pay us the necessary expenses entailed in lighting and other maintenance costs. That then leaves us with the problem of finding other sources of income to carry on a community recreation program and the further maintenance and development of the center.

It is true that in the past certain clubs and organizations of the community have given a helping hand and Community Chest is providing this year $500 for a summer children's recreation program. But much more will be

350 Persons Enjoy Arts Chorale Music

About 350 persons attended the concert presented by the Arts Chorale, a group of 150 trained voices from the University of Michigan, at the regular meeting of Town Hall, Tuesday evening in the Central Building auditorium. Neville Hart, director of the Hall, presided at the meeting.

The student-musicians sang several Lenten numbers, classical and semi-classical groups, as well as popular and spiritual songs. There also were numbers by a small group chorus and a quartet. The entire program was enthusiastically received by the large audience.

The next Town Hall meeting, the final one of the season, is tentatively set for April 18.

MEMORIAL SERVICE IS HELD FOR MR. LINDSLEY

A memorial service for the late L. Earl Lindsley, president of the Tecumseh Exchange Club, was held Monday evening when that organization met in regular session at the V. F. W. club rooms. The Rev. Donald Wilson, pastor of the Presbyterian church, spoke and the benediction was by the Rev. Fr. Michael Collins, pastor of St. Elizabeth's church.

Mr. Lindsley, a former vice-president of the club and this year its president, was active in civic and community life. He died suddenly last week Tuesday at his home the result of a heart attack.

BURIED IN BROOKSIDE

Burial services for Mrs. Emma D. Boettger, 78, of Dexter, were held at the grave in Brookside cemetery, Saturday afternoon. Mrs. Boettger's death occurred last week Wednesday and funeral services were held Saturday at the Jenter Funeral Home in Manchester. Mrs. Boettger was an aunt of Miss Marie Koernig.

VOTING OURSELVES INTO EDEN

Those who believe that in order to compete with totalitarian powers in the cold war, we must imitate their methods and principles, find no friend in Dr. Vannevar Bush, the brilliant scientist who directed much of our top-secret arms research and wrote the recent distinguished best-seller, "Modern Arms and Free Men."

We cannot meet the Russian threat, he said, "if we turn this country into a wishy-washy imitation of totalitarianism, where every man's hand is out for pabulum and virile creativeness has given place to the patronizing favor of swollen bureaucracy.

"Dictatorship can compete with dictatorship, and a free virile democracy can outpace any such in the long pull. But a people bent on soft security, surrendering their birthright of individual self-reliance for favors, voting themselves into Eden from a supposedly inexhaustible public purse, supporting everyone by soaking a fast disappearing rich, scrambling for subsidy, learning the arts of political log-rolling and forgetting the rugged virtues of the pioneer, will not measure up to competition with a tough dictatorship."

The total state, or the socialist state, or the welfare state, or whatever you wish to call it, always achieves one thing, as certainly as tomorrow follows today. It weakens and finally destroys initiative, self-reliance and human, individual enterprise. It can't help but do that—where is the need to think and work for ourselves when an all-powerful, all-wise state is doing it for us? And if we want to do something for ourselves, the chances are that we'll be financially unable to do it, because the state takes most of our income to pay for all our "security" and "welfare."

This generation has lived through two world wars which were won by the achievements, courage and labor of free peoples. It is now living in a chaotic age, in which millions of human beings have become the important subjects of slave states based on slave philosophies of government—and in which only the free peoples have a living standard much above the level of a zoo. If that isn't example enough of the virtues of freedom, what is?

Dr. Bush also said he was convinced that "we have the wit to recognize a dangerous trend . . . and laugh at sirens with cracked-brained economic theories who would guide us down an easy path over a precipice." eW had better pray that that is so.

BRITTON

Mrs. Anne Fairbanks entertained the American Legion Auxiliary, last Tuesday evening in her home. Mrs. Lillian Miller and Mrs. Helen Osterhout were appointed as delegates to attend the April meeting of the Second District. $5 was voted to the new group of Blue Bird girls and $5 to Red Cross. Mrs. Alice Miller will be hostess for next meeting, April 4.

At the regular meeting of the Britton Kiwanis Club held last week the speaker was Jerry Van Eck of the Standard Oil Co., of Detroit, who spoke on "What's Your Hurry? Stop and Live."

The Fourth Quarterly Conference of the Britton Methodist Church will be held on April 4 at 8 p.m. The district superintendent, Dr. Frank Fitch of Ann Arbor will preside.

The American Legion Glen H. Daykin post observed the 31st Legion anniversary Tuesday evening at the Legion hall.

Sunday guests of Mr. and Mrs. Paul Bailey were Mr. and Mrs. R. B. Kanous and Mr. and Mrs. Edward Kanous and children.

Mr. and Mrs. Walden Biddle and family and Arthur Carothers were in Lincoln Park Sunday as guests of Mr. and Mrs. Edward Rudel and family.

Mrs. Percy Cadmus will be hostess to the Methodist W.S.C.S. at her home next Wednesday. A potluck dinner to be served at noon. The afternoon program in charge of Mrs. Earl Smith.

U-M STARTED COURSES FOR TEACHERS IN 1858

ANN ARBOR—The University of Michigan has been training teachers since 1858.

So-called "teachers' courses" in academic subjects were established in that year. A special teacher's diploma was authorized in 1874.

These certificates had no legal value until 1891 when the University was authorized by the State Legislature to issue teaching certificates which were good in any public school in Michigan.

The School of Education, now one of the University's 14 units, was organized in 1921.

Martin VanBuren was the first President to be born a citizen of the United States.

Officers Are Elected By V. F. W. Auxiliary

Mrs. Harlan Boyes was elected president of the Auxiliary of the Veterans of Foreign Wars at a meeting, held Thursday evening in the club rooms.

Other officers named are: Mrs. Max Brandt, senior vice president; Mrs. Frank Daehne, junior vice president; Mrs. Richard Butler, treasurer; Mrs. Carl Kempf, chaplain; Mrs. Harold Warren, conductress; Mrs. Earl Kruger, guard; Mrs. Nora Schultz, trustee for three years; Mrs. Jean Sisty, trustee for one year; Mrs. Bert Warren, Mrs. Waldo Mohr, Mrs. Ben Hammack and Mrs. Gracy Coffey, district delegates; Mrs. Waldo Mohr and Mrs. Richard Butler, department delegates.

The Auxiliary voted $10 to the American Red Cross.

Refreshments were served by Mrs. Coffey and a committee.

MONDAY CLUB TO MEET WITH MRS. WM. SWICK

The Tecumseh Monday Club will meet on March 20 at the home of Mrs. William Swick. The International Relations Department will be in charge of the program with Mrs. Fred Marsh as leader.

Co-hostesses at the meeting include Mrs. Joe Rice, Mrs. Warren Benham, Mrs. George Green, sr., Mrs. M. L. Dannells and Mrs. Zella Gray. Members desiring transportation are asked to call Mrs. Truman Rentschler.

U-M's FIRST ENDOWMENT GOES BACK 124 YEARS

ANN ARBOR—First endowment for the University of Michigan was two townships of land set aside by an act of Congress in 1826.

The lands were sold and the proceeds—approximately $500,000 — are on deposit with the state.

RACKETEERS EYED FOR TAX EVASIONS

Washington — Senator Spessaro L. Holland (D) of Florida said he has been advised that "every possible big time racketeer" is under watch for possible income tax evasion.

But he said he was told that these people generally are careful to report on all their earnings.

Senator Holland wired the information to Jack R. Younger, president of the Greater Miami, Fla., Crime Commission, after Mr. Younger had suggested tax evasion investigation.

South Florida now is waging a campaign against a reported influx of big time gamblers seeking the lucrative tourist trade.

Mr. Younger in a telegram to Senator Holland said, "South Florida is now beset with rackets controlled by interstate gangs." He has urged a major coordinated investigation.

Senator Holland said he had discussed the tax evasion question with W. H. Woolf, chief of the intelligence unit of the treasury department.

CANADA SEEKS WAYS TO USE RARE METAL

Vancouver—Canada is producing indium, a rare, white metal, for the first time in commercial quantity. But the market for it is limited, and research workers have been given the assignment of developing new uses for indium in industry.

Indium is being produced in the refining processes of lead and zinc ore at the smelting plants of Consolidated Mining & Smelting Company at Trail, B.C.

One of the possible uses suggested by the company's engineers is as an acid-resistant solder. The soft, ductile indium, which resembles tin in appearance, is practically noncorrosive.

Indium was discovered as one of the elements 85 years ago, but until 1930 it was regarded as a laboratory curiosity. In that year, it was developed in the United States as a nontarnishing coating for silverware.

Medical authorities do not advise the application of beefsteak to a black eye.

From where I sit ... by Joe Marsh

Handy and Easy Are Both Wrong

Handy Peterson and Easy Roberts got in quite an argument the other day over at Fred's Garage talking about the best spot to fish up at Green Lake.

"Opposite the old sawmill is the best spot," says Handy. But Easy "pooh-pooh's" him. "I've seen the biggest fish caught off Cedar Point," says Easy. "I've been catching them there for years."

Then Fred goes into his office and brings out the biggest mounted rainbow trout you ever saw. "Bet that was caught at the sawmill," comments Handy. "Cedar Point,"

says Easy. "Well," says Fred, "you're *both* wrong. I caught this baby right out in the middle!"

From where I sit, there are always two (or more) sides to every story. Let's live and let live in the true American tradition of toleration. Your opinion is worth a lot, but so is the other fellow's—whether it's on politics, the best fishing spots, or whether he likes a temperate glass of beer and you like buttermilk.

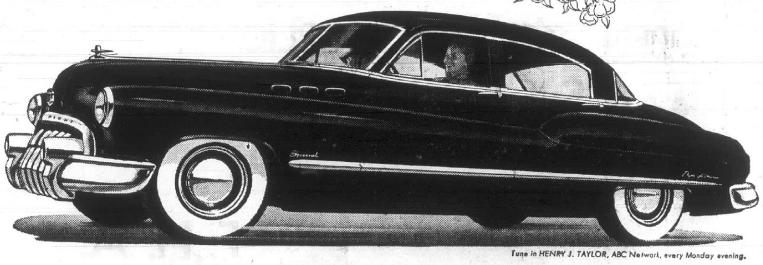
NOW ITS YOUR TURN TO BLOSSOM OUT



Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

You've seen it happen with the family down the street, the friends across town, the folks you went to school with.

They started out, as most folks do, with a car of modest size—and still more modest price.

Maybe they moved themselves up a bit, step by step, to the top-bracket models in that particular price range.

Then they discovered something.

It doesn't cost much more—sometimes no more—to really blossom out in a Buick.

It's not such a long stretch to take command of a great-hearted valve-in-head straight-eight—to move into the room and restfulness and steady going of a Buick—to cloak yourself in styling that's today's height of highway fashions.

You can know the good, satisfying feel of a Buick wheel in your hand—*you* can have the gentleness of soft coil springs on all four wheels—*you* can revel in the handiness of cars that are big in room and big in repute, yet traffic-sized and easy to park and put away.

Maybe—who knows till you inquire?—you can manage the magic silkiness of Dynaflow Drive* in all its 1950 perfection—of a certainty you'll find the model that's twin to your heart's desire among the many choices Buick gives you for 1950.

So why not make this your year to blossom out in a Buick, as so many have before you? Why not find out the dollars-and-cents story of Buick—it even includes some very happy figures on gas economy—from your own Buick dealer?

See him now, will you—and help yourself to some real fun this season!

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

BUICK ALONE HAS Dynaflow AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

Michigan Folk Earned 4½ Pct. of U. S. Income

ANN ARBOR—Michigan people received four and one half per cent of the nation's income paid to individuals in 1948, reports a University of Michigan business analyst.

This amounted to $9,223,000,000, which was seven per cent higher than Michigan residents made in 1947, Stuart Reed, research assistant in the University's Bureau of Business Research, writes in the March issue of **Michigan Business Review.**

Manufacturing was by far the most important source of Michigan's income in 1948, accounting for 39.6 per cent. "The significance of manufacturing pay rolls . . . is demonstrated by the fact that it accounts for a larger percentage of total income payments in Michigan than in any other state, and it is nearly double the national average of 22.4 per cent of total income," Reed writes.

Agricultural income represented only five per cent of total income in the state during 1948, he discovered.

Figures for 1949 are not yet available from the National Income Division of the U. S. Department of Commerce. However, Reed believes they will be higher than in 1948.

"The record breaking production of automobiles and the relative freedom from strikes in 1949 indicate that Michigan incomes continued to rise in that year," he says.

"The pitcure in Michigan during 1950 will depend upon the ability of Michigan industries to maintain full employment, with freedom from strikes. The dependence upon wages and salaries as a source of income in Michigan (73 per cent of the state's total income) will make this state particularly vulnerable if a recession should set in."

The **Michigan Business Review** is published by the Bureau of Business Research of the University of Michigan.

MICHIGAN MILK PRODUCERS ASS'N

Always Looking To The Future

Sound planning which aims to provide increased benefits for all whom it serves—members and the public alike—is the life blood of a virile farm cooperative.

By strict adherence to a policy of always serving the greatest number to the best purpose, the Michigan Milk Producers Association has thrived and grown steadily throughout its entire 33 years.

Since the close of World War II, members of the M.M.P.A. supplying the Detroit market have ploughed back over $685,000 n expansion and improvement of their plant and transportation facilities.

At this time, about a half million dollars are being invested in the modernization of the association-owned receiving station and manufacturing plant at Imlay City. This will provide added "stand-by facilities" to insure members against loss of revenue during seasons of highest milk production.

To constantly provide the great Detroit market with high quality milk from day to day and plan for the future to maintain an ample supply at all times, under all conditions, are primary objectives of this farmer owned and controlled cooperative.

1,000 Taxes In Quart Of Milk

ABOUT ONE-THIRD OF YOUR DOLLAR NOW GOES FOR SOME KIND OF TAXES

Lansing—Today's price of milk is approximately one-third taxes. An estimated 1,000 taxes, direct and indirect are part of the price the consumer pays for a quart of milk, Bruce F. Clothier, president of the American Dairy Association of Michigan, said today, adding that government figures reveal one-third of today's dollar a tax composition.

"Take the matter of transportation alone," he continues. "Automobile manufacturers estimate there are 206 separate tax transactions from raw materials to finished job. Until the milk is delivered to your door, the farmer has a truck and a tractor involved, the milk hauler has a truck, and the deliverman has a truck. That's 824 taxes alone. The tax list includes federal, state and local."

Even the air in the tires on each of those vehicles, he observed, has at least four distinct taxes placed on it: (1) the power to run the motor; (2) the oil for the compressor; (3) the gas station attendant and (4) hidden taxes in the manufacture and sale of the motor and hose.

Consider the multiplicity of taxable items that become a part of the price of the quart of milk delivered to your home, Clothier declared. These taxes are paid by the farmer, the milk hauler, the processor and the deliveryman.

Here's a partial list for the farmers property taxes on land for the buildings and to grow the crops and pasture; taxes that go into material and labor for barn, milk house and buildings such as silo and machinery sheds; taxes that are added to the cost of planting and harvesting machinery; taxes on trucks and tractors included in the price he paid for them to say nothing of taxes on operation such as gas and oil and license fees.

In barn equipment, Clothier said the farmer pays hidden taxes for the manufacture of stanchions, milking machines, hay loaders, barn cleaners, litter carriers, pitchforks, shovels, feed carts. There's even a 20 percent tax on light bulbs to light the barn. The power to run the milking machine and light the barn represents tax money paid in many ways along the line.

Michigan Third At Tourist State

FLORIDA NOW RANKS FOURTH IN NATION; NEW YORK, CALIFORNIA, FIRST

LANSING — Michigan placed third in the nation's tourist industry in 1949, according to a national survey conducted by American Magazine. New York and California were tied for first and Florida followed Michigan in fourth place.

Robert J. Furlong, Administrative Secretary of the Michigan Tourist Council, explained that the information was obtained from a study made among two and a half million families comprising the readership of the magazine.

Authorities agree that this can be considered a reliable cross section of the population of the nation.

Results showed that nine per cent of those surveyed came to Michigan on their vacation last year. Twelve per cent went to both California and New York, and eight per cent to Florida.

The magazine has conducted the survey for several years and since 1946 results have shown that Michigan has enjoyed a steady increase in popularity among vacationers. It was in 1946 that Michigan, through its Tourist Council, began a nation-wide advertising and publicity program in cooperation with the tourist associations to call attention to vacation advantages of the entire state. In that year, according to the survey, four per cent of the nation's vacationers came to Michigan. In 1947 the percentage increased to six. It went to eight in 1948 and to nine last year.

Michigan was the only mid-western state to enjoy an increase in vacationers in 1949 over 1948, according to the survey. Wisconsin, with six per cent and Minnesota, with four per cent, remained unchanged. Illinois attracted seven per cent of the nation's vacationers in 1948, but dropped to five per cent in 1949, the survey showed. Ohio suffered the greatest loss — from six per cent in 1948 to one per cent in 1949. Indiana dropped from four to three per cent.

"The results of the survey are very encouraging," said Furlong, "but they also point definitely to the importance of a continued advertising and promotional effort. Competition among states is going to be greater than ever before. Our neighbors are going to go all out to get back the buisness they lost. In addition, Canada and Mexico are spending unprecedented amounts to get that lucrative tourist dollar. This means there can be no letup in Michigan if our state is to maintain the gains already made and in addition meet new competition and keep moving forward."

KROGER EMPLOYEE'S RETIREMENT BOOSTED

An increase of 50 per cent in retirement income for employees of the Kroger company under the retail food firm's retirement program has been announced by Joseph B. Hall, Kroger president, it was reported here today by Carl Fuller, branch manager in charge of the company's operations in this area.

The retirement program, which covers more than 25,000 Kroger employees, 734 of them in this area, was put into effect early in 1947. Later the same year its provisions were liberalized. Employees make no contribution to the program, all costs being paid by the company. It also was explained that retirement income under the Kroger program is in addition to and entirely independent of benefits received from Social Security.

The liberalized program announced today provides that retirement income from the Kroger company plus Social Security benefits received by a retired employee with 25 years or more service will range from 40 to 50 per cent of earnings, according to Mr. Fuller.

MRS. BROWN HOSTESS AT D. A. R. MEETING

The regular March meeting of the Daughters of the American Revolution was held last week at the home of Mrs. Arthur Brown.

The program consisted of a reading, "Heritage," from the book "National Defense," by Mrs. Brown, several original poems by Miss Clara Waldron, and Mrs. Hazel Dickinson presented Miss Shirley Teske, the Good Citizen Girl from Tecumseh. The two other Good Citizen girls, one from Clinton and the other from Britton, were unable to be present.

At a business meeting it was voted to give $5 each to the American Red Cross and to the Cancer Fund.

Family Night Supper Attended By Over 75

Over 75 persons enjoyed a Family Night supper at the Baptist Church, last week Wednesday evening. The nominating committee appointed to select the church officers for the coming year is as follows: Leon VanValkenburg, Llewellyn Sisson, Ernest VanVleet, Mrs. Ira Ashley, Mrs. Lyle Grigg and Fred Bryan.

The Rev. and Mrs. O. V. Robinson of Lansing were guests and showed pictures of last summer's work at the Lake Louise camp and told of the $25,000 building project there. By the beginning of the season a new administration building and several new cabins will be ready for occupancy.

Pension Drive May Boomerang

ECONOMIST THINKS THAT DRIVE FOR MORE PENSIONS MAY CUT VALUE

New York—The economic forces set in motion by the current drive for pensions may reduce the value of the pensions themselves, an economist said here.

Dr. Marcus Nadler, professor of banking and finance at New York University, said in an address delivered before New York members of Controllers Institute of America that pensions will increase the cost of production.

"Unless this is accompanied by an increase in the efficiency of labor and equipment, it is bound to lead to higher prices," Dr. Nadler said. "This in turn will reduce the value of the pensions to the beneficiaries."

He predicted also that pensions would change the spending habits of many people. Knowing that their needs in old age would be taken care of by pensions, individuals may spend more of their current income, he said.

Other effects of the pension drive might be more rapid population growths in areas where the climate is equable for people of advanced years. Many pensioners may even choose to live abroad if the purchasing power of the dollar is higher in Europe than it is here, Dr. Nadler said.

The benefits of pensions will be very great, according to Dr. Nadler, if the purchasing power of the dollar remains stable.

"On the other hand," he added, "a continued decline in such purchasing power will not only create a demand for increased pensions but could also arouse considerable political unrest among those affected. The spreading of the pension plans offers an excellent opportunity to indicate the importance of maintaining relative stability."

WORKER'S CONFERENCE

A Children's Workers conference was held at the Baptist church, Friday from 10 a.m., to 3 p.m., under the direction of the Rev. and Mrs. O. V. Robinson of Lansing. The sessions dealt with daily vacation Bible school and children's work in general. Interested persons from other churches in the Lenawee county association were guests.

WED IN ANGOLA

Ellen DeHarte, daughter of Mr. and Mrs. George Milosh, and Harry Campbell, son of Mr. and Mrs. Clifford Campbell, all of Tecumseh, were married Saturday, March 11, at 12 o'clock, at Angola, Ind. Mr. and Mrs. Robert Esenhenauer of Adrian attended the couple.

POSTPONED MEETING

A postponed meeting of the Baptist Ladies Union will be held this (Thursday) evening at the home of Mrs. Roscoe Hewlett, with a potluck supper at 6:30 p.m. Members of the Junior League will be guests. Mrs. Leon VanValkenburg is in charge of devotions and Mrs. Ted McConnell has prepared the program.

Polyandry is the form of marriage in which a woman has more than one husband.

Peoples Party

(Continued from Page 1)

254, 360; John Saling, 98, 167, 265.

There are only three newcomers to local politics as a result of the Peoples victory. Mr. Kroner, who defeated Mr. Jones for the clerkship, is an insurance man and never before had his name on a local political ticket. Mrs. Tingley, likewise, is new to politics as is Mr. Wagner, a used car dealer.

Jones, defeated for the clerk's job, is a veteran servant of the village of Tecumseh. In days gone by he served on the council and for many, many years served Tecumseh as its clerk.

Between 1,000 and 1,100 persons were registered and eligible to vote on Monday. Tecumseh's registered strength is very low, it being estimated that there are about 2,200 voters who are eligible to register.

Elections Elsewhere

Elections were held in the several villages in the county on Monday. In Clinton, Roy Porter was elected president, J. L. Stoner, clerk, Celestina Ingraham, treasurer.

In Britton, the election was as follows: President, William McElroy (Citizens) 67; Norris Dartt (People's) 54; Clerk, Andrew Crutchfield (C) 50, Neal Judkins (P) 68; Treasurer, Anna McCarberry (C) 54; Morris Schmidt (P) 65; Trustees two years, Herman Frielipp (C) 54; Wendell Frear (P) 54; William Dettman (C) 40; Robert Auten (P) 64; Carl Robison (C) 50; Clarence Larson (P) 61; Trustees one year, Ronald Cheever (C) 71; Warren Lewis (P) 46 and assessor, Clarence Exelby (C) 49; William Niblack (P) 70.

In Onsted the vote was: President, Ronald Winters (Citizens) 52; Clerk, J. D. Bennett (C) 52; Treasurer, George Shultis (C) 52; Trustees for 2 years, Dr. R. G. Larson (C) 41; Franklin Branch (C) 34; Lynford Slater (C) 32; Ray Redfield (Independent) 10; Rex Johncox (I) 19; L. B. Oechale (I) 20; Assessor, Delbert Myers (C) 30; George Brooks (I) 22.

needed, if we are to realize the accomplishment of what could be the best recreation center of any community this size in the state.

Certainly most of us do not desire an increase in village taxes to meet this need and we are already burdened with fund raising campaigns and events. So we are appealing to you president of all the varied clubs, organizations, churches, etc. of the community to discuss this matter with their members, hoping in this way to contact practically the entire population.

Here are the questions we would like to submit for your consideration:

1. Do we actually desire a Community Recreation Center that would provide a program for year around activity?

2. Would your organization be willing to furnish voluntary workers to fulfill such a program?

3. Would your organization be willing to make a yearly contribution to defray the expenses of maintenance and necessary further development of said Center?

Further enlightenment on these matters will be gladly furnished at the next meeting of the board of recreation at Hoyt Whelan Implement Store Tuesday, April 4, at 8:00 p.m. Please feel free to come or send your representative."

TODAY'S MOTOR CARS HAVE 2,500 ANCESTORS

"Tallyho," a 16 page Automobile Club of Michigan booklet listing practically every car ever manufactured in the United States, shows that today's automobiles have over 2,500 ancestors.

Edited by Auto Club Travel Manager Harry N. Rogan, and in its second edition the booklet is the result of nearly 20 years of research. Several heretofore "lost" names plus the postwar newcomers, have been added in the new edition.

Considered the most nearly complete listing of American-made cars ever recorded, "Tallyho" is sprinkled with nostalgia-breeding names—The Holmes Gastrievele, first produced in 1895; The Electrobat, 1896; The American Underslung (date unknown) Mueller-Trap, 1901; and the Stanley Steamer, 1897.

U. S. DOUBLES EXTENT OF EVERGLADES PARK

Washington—The Interior Department has more than doubled the size of the Everglades National Park in Florida, Secretary of the Interior Oscar L. Chapman announced the park had been increased in size from 460,000 acres to 1,228,500 acres.

The additional land was brought into the park from the National Wildlife Refuge. Most of the additional acreage lies under shallow water of Florida Bay and the Gulf of Mexico.

John Adams is credited with the motto "E" Pluribus Unum."

4-County Meeting of Farmers, Here, March 20

A four-county meeting for farmers, GI students and other interested persons will be held Monday evening, March 20, in the auditorium of the Central School Building, beginning at 8 p.m.

Roy Chapman will show a film on "Mineral Deficiency in Home Grown Grains and Grasses," followed by a talk on "Feeds and Feeding." The program is being sponsored by the agricultural classes of Tecumseh high school. Everyone interested is invited to attend. There will be no admission charge.

Health Units Under Financed

STATE SAYS SUCH A PRACTICE IS UNSOUND; ASKS AID FROM TAXES

"Michigan's full-time local health departments are unsoundly financed and many of them are inadequately financed," directors of the state's local health department pointed out in their recent Lansing conference, and they urged that an attempt be made to insure adequate funds from tax sources.

In their 54 recommendations to the State Health Commissioner, the local health officers pointed out that the people of the state should know the amount spent for protective and preventive health services, and that this amount should not be grouped with others such as hospitalization of mental patients, care of crippled children and medical care of indigents so that the overall figure gives Michigan people a misleading idea of the cost of their health protection.

To protect Michigan people from communicable diseases, the health officers urged better reporting of communicable disease, a plan for disease control among migrant farm laborers, and better cooperation between tuberculosis facilities. In a similar field, the health officers urged doctors to make blood tests of all expectant mothers to reduce the number of cases of congenital syphilis.

Health officers recommended fullest cooperation between the local health departments and the local medical societies and Red Cross Chapters in the Michigan Blood Plasma Program to assure that plasma and fractions are available for prevention and treatment of illness wherever needed. They also urged broader cooperation between the local health departments and the personnel of the State Department of Agriculture and the Liquor Control Commission who make local inspections related to health matters. The health officers recommended certain changes in the consultation program of the Michigan Department of Health, and asked that regional conferences for discussing local problems be reestablished on an annual basis.

These and suggestions for many other phases of health activities in the state were included in the recommendations which were presented to State Health Commissioner Albert E. Heustis at the close of the February 8-10 Commissioner's Conference.

JUNIOR LEAGUE

The Baptist Junior League will meet Tuesday evening, March 21, at the home of Mrs. R. O. Basbere, with Mrs. Dow Bilby assisting. Mrs. Carl Kempf is in charge of devotions and Mrs. Delbert Tallman will present the program entitled "Building The City of God."

ST. PATRICK'S PARTY

The Presbyterian Men's Club is sponsoring a St. Patrick's party for all junior and senior high boys and girls in the Fellowship Center, Saturday evening, from 7 to 11 o'clock. The committee says there will be lots of fun and plenty to eat. All young people in the community are invited.

CARD PARTY

A public card party will be held by the Tecumseh chapter, Order of the Eastern Star, this (Thursday) evening, at 8 o'clock, in the Masonic rooms. There will be prizes and refreshments.

BOY SCOUT NOTES

Presbyterian Troop

Every Scout in this troop is now a Tenderfoot. Last week Richard Moore, Robert Manley, Harold Robinson, and Glenn Williams passed their requirements. They are now full-fledged Tenderfoot Scouts along with Garry Hizer, Teddy Cornell, Glenn Haviland, Robert Martin, Donald Partridge, Raymond Puffer, Ashley Chase, Ross Hadley, and Jimmy Place.

The troop is busy with plans for future activities. On one of the next three weekends they will gather at the Scout cabin and hike to Sutton's Crossing where they will lay another corn trail.

They are also planning to attend the Jamboree in Adrian later this spring. They hope to win some prizes in the various contests as Scoutmaster James Beardsley is extending a compass he used in the war as a prize against possible winning of a blue ribbon.

The boys are now working on perfecting the signalling of the Morse code with one flag. They all expect to know the code before the Jamboree.

LAST OF THE OLD FIRM . . . Jack Parisi, 50, allegedly the last of the Murder, Incorporated, triggermen, arrives at Pennsylvania station, New York City, from Wilkes Barre, Pa., where he was found after a 10-year hunt. He was to be taken to Brooklyn county court to face a first-degree murder indictment in the death of Morris Diamond, union official. A writ of habeas corpus to prevent his extradition was denied in common pleas court at Wilkes-Barre. The accused man was arrested by officers in Hazleton, Pa.

Pack 4

Cub Pack 4 will hold its regular Pack meeting, Monday night, March 20, 7:30 at the Baptist church. Most of the evening will be devoted to photography which has been the project Tecumseh Cubs have been working on this last month. Since many parents are amateur photographers, they are urged to bring their cameras and take pictures of the evening's activities.

Awards will be given as usual at the meeting and there will be demonstrations of developing, etc.

Letters To Europe

This week Cubs in their Den meetings are writing letters to Cubs in European countries. The letters are being sent through a New York service which will direct the letters and help with translations.

The letters, mostly on Scouting affairs, are being sent by air mail in the hope that the boys will get answers before school is out for summer vacation.

L'ANSE FRESHMEN ACHIEVE U-M HONOR

ANN ARBOR — The scholastic record achieved by three University of Michigan freshmen from L'Anse, in Michigan's Upper Peninsula, has won an honor for the L'Anse Township Schools.

Registrar Ira M. Smith has notified Superintendent C. J. Sullivan that L'Anse freshmen achieved "first honors for excellence in scholarship during the first semester of resident study" at the University. The three students, who maintained better than a B average during the Fall Semester, are Miss Elizabeth J. Barbo, Robert B. Olsen and Norman G. Schroder.

A certificate will be presented to the school by Registrar Smith. This is the 12th annual award of this type to be made by the University. Schools entering three or more freshmen are eligible to receive the honor.

State's Income Over 500 Million

GOVERNMENT'S "TAKE" IN 1948-49 67% GREATER THAN IN 1945-46

LANSING — Michigan's state government received $506.4 million in its various operating funds in 1948-49 to finance the various programs which the state undertakes, according to a study just completed by the Bureau of Governmental Research, Detroit.

Such receipts were 67 percent greater than those the state received in 1945-46.

Seventy-two per cent of the state's revenues this past fiscal year came from taxes—such as the sales tax, cigarette tax, corporation tax, gasoline tax, weight tax, intangibles tax and many others.

Revenue from state enterprises, regulatory services, patients and convicts and miscellaneous sources accounted for 14 per cent of the total.

The remaining 14 per cent came from Washington in the form of "grants-in-aid" to help finance those programs which Congress has decided at one time or another that the state or local units should undertake.

With the exception of the charges that the state makes for certain services, all its revenues come from taxes—direct or indirect—levied upon all of us as individuals, consumers or businessmen. In most instances the tax money goes to Lansing.

But $73.1 million comes to Lansing via Washington. That money, nevertheless, is from the pockets of Michigan taxpayers.

Michigan state government paid to its local units of government 61.2 per cent of its total revenues in 1948-49. Most of this "aid" came direct from Lansing—having been raised by statewide taxes. But a portion of such aid was funneled through Lansing from Washington to the local units of government. During the past four years well over one-half of the state's revenues are distributed back to local units.

Local units of government — cities, villages, townships, school districts, counties and other special districts—and many citizens sometimes forget that this money which is "given" them by the state can come from only one source—TAXES.

TAXES regardless of what government collects them or which one in the final analysis receives them to expend are paid by all of us who receive an income.

Every dollar spent by government is a dollar the citizen does not have to spend for himself at his own choice.

Free Enterprise Must Serve People

INDUSTRIAL LEADERS AGREE THAT BUSINESS OWES DEBT TO THE PUBLIC

Buffalo, N. Y.—Two of the nation's top industrialists joined here a plea for continuance of the free-enterprise system.

Henry Ford II, president of the Ford Motor Company, and Arthur B. Homer, president of the Bethlehem Steel Company, spoke at the 106th annual banquet of the Buffalo Chamber of Commerce.

"If we can agree that what we want is a peaceful and prosperous world," Mr. Ford said, "then there are a few things we have to keep in mind. The first is that we will produce and deliver only to the extent that there is somebody on hand to pay the bill. Eventually, the check has to be picked up by the people—and that includes all of us.

"I, for one, would much rather be a customer with money in my pocket free to buy what I want than the citizen of a state where someone gives me a ration book and tells me what I can have. The government isn't Santa Claus any more than the corporation — or the labor union, for that matter. The customer is Santa Claus."

Mr. Homer said "the part of the Socialist formula with which we can all agree is: 'business should be run for the benefit of the people.'"

"No one can deny that," he continued. "What we need to do is to point out incessantly that business is being run in the interest of the people when it is in private hands, in the realm of competition.

"Competition obviously is the struggle to win the favor of the people by giving them the best possible goods and services at the most reasonable prices."

GARDEN CLUB TO MEET

Michigan Mirror

Non-Partisan News Letter

(Special to The Herald)
By Gene Alleman

Introducing new industries to locate in Michigan small towns is not a push-button affair.

Decentralization of industry whereby workers may work part-time in a small factory and then part-time on a small plot of ground is more of an illusion than a reality.

These points were among a number of interesting facts brought out at a panel program sponsored by the Michigan Press Association as a service for member newspapers which serve small rural communities.

The program was stimulated by interest shown in the series of the "Michigan Mirror" news-letters last August and September on the subject of community development and new industries for Michigan small towns.

To bring the matter to a sharp focus for consideration of newspaper editors, the state press association invited three experts to participate on a panel program.

C. Dwight Wood, Michigan Department of Economic Development, emphasized the need for self-help in the community whereby the town took inventory of its resources and potentials. Mr. Wood declared that "one of the best ways in which a community can get in touch with industrial prospects" was for the community to make a survey of the services which were available in the community for various industries. If suitable sites are available and other factors are favorable, the community can then list these available resources with the Michigan Department of Economic Development. The state department compiles a monthly bulletin which is distributed to officials of industries which have indicated a desire to migrate to smaller towns or to open branches elsewhere.

Professor H. O. Whittemore, head of the Department of Landscape Architecture, University of Michigan, emphasized the need for available land, preferably adjacent to railroad facilities, which could be readily utilized for industrial use and also for future expansion.

Because of the need for parking of worker automobiles as well as truck shipping, storage, and the trend to a one-story factory building, the average number of square feet of space per industrial worker has jumped from about 150 feet in building floor space to around 1500 or 1600 square feet per worker.

Professor Whittemore believes firmly that the ideal factory area should be within the city limits and hence that availability of such land for industry becomes an essential function of the community in planning for future industrial development.

He pointed out that a recent decision of the Supreme Court held it was unconstitutional for a municipality to condemn land which was to be turned over to a private industrial concern for private use.

In that connection Mr. Wood, Michigan Department of Economic Development, pointed out that a number of Michigan rural communities have formed corporations to purchase industrial land which is re-sold to industry at a fair price.

"We have put out a guide for helping communities to form such corporations, and many Michigan communities are in the process of doing that now," said Mr. Wood.

Dean Ernest L. Anthony, School of Agriculture, Michigan State College, referred to a college survey of approximately 25,000 industrial workers who lived on small farm plots and who presumably worked in city industries.

In the past the idea of decentralization of industry whereby workers could perform part-time farming on home plots while working part-time in city industries has had a popular vogue. The MSC survey, however, revealed that a majority of these workers were making "very poor use of the fact that they lived in the country."

"Today we must realize that agriculture is a business," said Dean Anthony. "It is a scientific and mechanical business. The man who pays much attention to farming has to farm as if he really meant to farm. It is not something just a little on the side, that he can putter around with."

It is the observation of Dean Anthony that the present industrial pattern of labor used on swing-shifts does not encourage part-time farmers in rural communities. Dean Anthony favored the encouragement of agricultural processing plants, such as co-operative creameries, milk plants, and other food concerns, which might develop in smaller communities.

"Too many of our communities have forgotten their farmers and the farm possibilities that are right around that community in which they live," observed Dean Anthony. "I would like to see town and country get a lot closer together than they are now."

The writer of this column has traveled considerably about Michigan. An inevitable observation is the growth of some small communities, while [illegible] languish and steadily decline. Community development is not a matter of overnight success. It calls for an awakened civic spirit and a constant cooperation of citizens in movements to better the community, making the town a better place in which to live and work.

It is significant to note that Michigan already has services available in the Michigan Department of Economic Development, the University of Michigan and Michigan State College whereby communities can obtain assistance in helping themselves to progressive development. The towns which are making an effort to improve themselves are thus the communities which are more apt to attract new industries.

NINETY-NINTH YEAR—NUMBER TWENTY-FIVE — TECUMSEH, MICHIGAN, MARCH 23, 1950 — FIVE CENTS A COPY

Giant T-Day Observance Is Planned

C. OF C. SPONSORS PRODUCTS TOUR, HOSPITAL, SCHOOL DEDICATION, AND BANQUET

A giant "T-Day" celebration, an all-out civic affair designed to stimulate the interest of Tecumseh people in the importance and advancement of the community has been announced for Thursday, April 13, by the Chamber of Commerce. The observance will include a public conducted tour of the Tecumseh Products Company's plant, formal dedication of Tecumseh's new $400,000 high school, the laying of the corner stone of the new addition to Tecumseh Hospital and, in the evening, a banquet at the American Legion Memorial Home.

"Preliminary plans for the day already have been outlined and details are rapidly being completed to assure T-Day in 1950 a red-letter day for the entire community," Ronald Harris, secretary of the Chamber, declared.

"Most of our residents recall T-Day in 1948 as one of the outstanding single days in Tecumseh's history," stated Robert H. Moore, general chairman of the event. "Tecumseh has come a long way in these last two years, and we feel that it is time for us to measure the progress we have made and to look squarely at the many problems which still lie before us."

The plans again call for an open house inspection of the Tecumseh Products Company. On the 1948 T-Day 3,500 persons went through the factory to observe it during actual operation. At that time it was pointed out that most Tecumseh residents had never seen the inside of the plant which is the greatest factor in the community's economic life. In those two years the company has maintained its leadership in its field and has expanded the physical plant.

Ray W. Herrick, president of the Products, has again extended an invitation to the community to see the development of the plant and to see the actual operation of a world leading industry. Guides will again be furnished by the Company, and the Chamber of Commerce will furnish transportation to those in the town who will need it.

A number of other events to make T-Day memorable have been announced by various organizations participating:

As a result of a recent gift of $50,000 by the Tecumseh Products Company, the Tecumseh hospital will be greatly added to and will be known as Herrick Memorial Hospital.

Ernest M. Campbell, president of the hospital board of trustees, has announced that appropriate public ceremonies commemorating the new addition will take place on the afternoon of T-Day. "At present we do not know at what stage of progress we shall be at that time," Mr. Campbell stated. "However, the hospital development is one of our community's great assets and we believe that T-Day, when all of our citizens are thinking of Tecumseh and its blessings and op-

Tecumseh Library Gets More State Aid Money

The Tecumseh public library has received a payment of $148 on a state aid grant from the general library fund, Earl Place, superintendent of schools, announced at his office today. The final payment, determined on the per capita rate, will be mailed before July 1, 1950.

Before a library can receive state aid, it must meet several qualifications. The most recent one fulfilled by the Tecumseh library is the hiring of an assistant librarian. The stipulation, which went into effect July 1, 1949, is as follows: "A library serving a population of more than 3,000 and less than 5,000 is classified as a class two library and is required to have a librarian holding at least a grade two certificate and one assistant having a grade one certificate."

In 1949, the library issued over 13,000 books and periodicals.

TEACHERS ARE ILL

One-eighth of the school teachers were absent from their duties in the Tecumseh schools, last Friday, due to illness. Five of the 40 teachers were ill and last minute substitutions were necessary. Mrs. Phil Gentile, the music instructor, returned to her duties Wednesday after being absent for three days.

Cub Scouts Get Awards At Baptist Church Program

Den Mothers and Cub Pack Scouts arranged an interesting meeting with photography as the theme for the program of Pack 4 at the Baptist church, Monday evening. The Herald photographer dropped in for the group picture, above, as the youthful Scouts took their places on the church platform. The boys are anxiously awaiting a trip to the Boy Scout camp at Washington Lake. This will be an event of early May.

Mrs. Lillian Steele Buried In Brookside

Mrs. Lillian Etta Steele, 55, of 609 S. Pearl St., died Sunday at 10:15 a.m., in Tecumseh hospital, where she had been taken a few hours before. Funeral services were conducted Wednesday afternoon from the Collins Funeral Home with the Rev. Edward Esolme officiating. Burial was in Brookside cemetery. The bearers were Walter Kent, Robert Kelly, Earl Spafford, Harry, Fred and George Steele.

Born, April 18, 1894, in Washtenaw Co., Mrs. Steele had been in failing health for the past two years. She was a member of the Lower Light Mission.

Surviving are her husband, John Henry Steele, one daughter, Mrs. Catherine Heistand, one son, John Edward of Tecumseh, five grandchildren, three brothers, Seaman Martin, William Packard and Francis Packard, all of Tecumseh, and several aunts, uncles, nieces, nephews and cousins. Two children preceded her in death in infancy.

Annual Flower Show On June 9

TECUMSEH GARDEN CLUB OUTLINES PROGRAM FOR ANNUAL PUBLIC EVENT

Mrs. Paul Claudi was hostess to the Tecumseh Garden Club, Friday afternoon with Mrs. Paul Vyff, Mrs. Henry Hamilton and Mrs. Mertie Waring assisting. Eighteen members and one guest were entertained with a program of rose slides.

Mrs. Clarence Beach, chairman of the annual Flower Show of the club, announced the date of the show as June 9 and named the following committee chairmen: Mrs. Neil Pearson, staging; Mrs. Charles Kempf, properties; Mrs. Al Helzerman, classification; Miss Anne Carson, entries; Mrs. O. W. Laidlaw, judges; Mrs. Thomas O'Hara, publicity; Mrs. George Wittrup, children's entries; Mrs. L. W. Larsen, general public; Mrs. Joe Rice, men's entries; Mrs. K. Wise, clean up; Mrs. M. C. Miller, Mrs. Elmer Burleson, Mrs. George Wright and Miss Mary McWilliams, clerks.

It was voted to send a local teacher to the conservation school at Higgins Lake this summer. It was announced that tickets to the flower show in Detroit, which opened Saturday, may be obtained at a reduced rate before Friday from Mrs. H. E. Henrick. Several are planning to attend.

Refreshments were served from a beautifully decorated table in keeping with St. Patrick's Day.

The next meeting will be held at the home of Mrs. O. W. Laidlaw.

Funeral Here Today For Mrs. Mary Ellen Buell

Mrs. Mary Ellen Buell, 58, of Franklin township, died Monday at 6 a.m., in Tecumseh hospital, where she had been a patient for several weeks. The body is at the Collins Funeral Home and will be moved to the residence today (Thursday) where funeral services will be held at 2:30 this afternoon. Burial will be in the Tipton cemetery.

Mrs. Buell was born July 15, 1891 in Sarnia, Ont. With her family she moved from Cambridge Junction to the farm two and one half miles north of Tipton, four years ago. She was a member of the Christian Science Society of Tecumseh.

Surviving are her husband, George V. Buell, a daughter, Doris; two sons, Raymond at home, and Don of Sand Lake, one sister, Miss Muriel Lawrence, six brothers, David, Harold, Arthur and Gordon Lawrence of Sarnia, Ont., John D. Lawrence of Dearborn and Robert C. Lawrence of Tipton, and several aunts, uncles and cousins.

Legion Observes 31st Birthday

OVER 100 PERSONS ATTEND ANNIVERSARY CELEBRATION AT MEMORIAL HOME

Over 100 persons attended the 31st anniversary celebration of Underwood-Orr post, American Legion, held Thursday evening at the Memorial Home. The past commanders were the honorary guests and the dinner was served by the past presidents of the Auxiliary. Mrs. Josephine Wright gave the invocation.

As master of ceremonies, Mrs. Ray Sluyter presented Dr. H. H. Hammel, the first commander of the post, who requested all to stand in silent prayer in memory of the six deceased past commanders, namely, R. K. Anderson, Harry Chiverall, Ralph Oliver, Karl Schneider, Wesley Costigan and Clare Dickinson. Past commanders in attendance were P. C. Satterthwaite, Louis Schneider, Ray Sluyter, Clyde Drewyor, L. A. Curtiss, Don Goddard, C. W. Howe, M. L. Dannells, jr., and Marvin Watkins.

Mrs. Louis Schneider, the first president of the auxiliary, presented each past president with a rose wristlet. Past presidents of the unit are Mrs. Fred Marsh, Mrs. R. K. Anderson, Mrs. Clyde Drewyor, Mrs. C. W. Howe, Mrs. Lyman Curtiss, Mrs. Jennie Hodges, Mrs. J. W. Smith, Mrs. Ned Baldwin, Mrs. O. W. Laidlaw, Mrs. Percy Bowen, Mrs. H. H. Hammel, Mrs. Joseph Russell and Mrs. Marvin Watkins. Mrs. Sluyter is a past president of the Milan unit.

Jerry DuPour, present commander of the post, and Mrs. Ned Rosecrans, president of the auxiliary, offered greetings and in turn presented their officers with corsages and boutonnieres.

A huge birthday cake was lighted as everyone sang "Happy Birthday." Cards were played and the remainder of the evening was spent socially.

LIBRARIAN SPEAKS

The Tecumseh Exchange Club enjoyed a talk by Miss Ruth Harding, librarian, at its regular dinner meeting, Monday evening. Miss Harding gave a complete explanation of the operations of the library and stated that in 1949, 13,800 publications circulated from the Tecumseh library as compared with 9,200 in 1945. William Wright introduced Miss Harding.

Junior Night Observed By The Music Club

Junior Night was observed by the Tecumseh Music Club, which met Tuesday evening at the home of Mrs. Maynard Mulvaney.

The business meeting was dispensed with and the program turned over to Mrs. Herbert Dillon, who announced the following selections: Piano duet, Diane Dillon and Grace Moore; flute solos, Sally Rentschler; vocal solos, Nadine Carney; Clare Camburn introduced a saxophone quartet composed of Truley Ogden, Louis Vargo, Donna Burleson and Brenda Porter; piano solo, Carl Freckelton. A musical quiz conducted by Miss Edith Ingersoll proved to be entertaining and instructive.

Refreshments were served with Mrs. Don Goddard presiding. The assisting hostesses were Mrs. Dillon, Miss Ingersoll and Mrs. H. P. Vaughan.

Says Home Town Paper Has Big Reader Value

For reader interest, you can't beat the small town home town newspaper, A. C. Hamaker of the A. C. Hamaker Co., of Tecumseh, public relations and advertising consultants, told members of the Rotary Club when he spoke, Tuesday evening, following dinner at the Legion Home.

Mr. Hamaker explained the value of advertising, told how it is planned by agencies and consultants and declared that its value now may be measured the same as any other commodity.

Hamaker is a former resident of Detroit. About a year ago he moved his business to Tecumseh and purchased his home at 44 Mill street.

Adrian College Pays Faculty In Silver

Adrian College paid its faculty members with 195 pounds of silver dollars, last week, in observance of the 91st anniversary of its incorporation in Adrian.

Fifty silver dollars, weighing three and a quarter pounds, were given to every person on the payroll who received that much or more. Each dollar was marked with a circular sticker showing the College seal, giving the date of the incorporation of the College in Adrian, March 28, 1859. That year the college was moved from Leoni, near Jackson, where it had been in operation since 1845.

CUB PACK NO 4 HOLDS MONTHLY MEETING; PHOTOGRAPHY THEME OF PROGRAM

Cub Scouts Pack No. 4 held their monthly meeting Monday night at the Baptist church. A special invitation had been given to prospective Cubs and their parents to attend, and a large number were there.

Opening ceremonies were conducted by Mrs. Robert French's Den 3. The Den acted out the words in charades with the audience guessing the various words that were presented.

The theme of the meeting was photography, on which the Cubs had been working for the last month. The stage had a back drop with pictures of each Cub grouped together by Dens. The drop was made by Mrs. Charles Kempf, assisted by Mrs. Wiley McCann. All Cubs gathered on the stage in front of the drop for a group picture for The Tecumseh Herald.

Mrs. Clair Rozelle's Den 6, assisted by Mr. Rozelle as Den Dad, gave a demonstration in pantomime on how to develop and print pictures.

Den 5 presented a film strip on Cubbing with Den Dad Laine Holden doing the narrating, helped by Buff Wotring, assistant Cub Master.

The award ceremony on the theme of photography was given by Mrs. Don Martin's Den 8, the

REVIVAL MEETINGS STILL IN PROGRESS

The revival meetings at the Tecumseh Friends Church are still in progress with meetings each evening at 7:30 except Saturday. Sunday services are at 10 a.m., and 7:30 p.m. Splendid attendances have marked the services insofar and it is anticipated that many will be present at the concluding meetings.

The Rev. Wallace E. Haines, jr., of Zephyrhills, Fla., has been conducting the meetings which will conclude on March 26.

BURIED IN BROOKSIDE

Burial services were held in Brookside cemetery Friday afternoon following services at the Bird & Mott Funeral Home, Detroit, for Robert Hanford, 82, who died at his home in that city, Wednesday. The service at the grave was in charge of the Masonic Lodge, City of the Straights, No. 452, of which Mr. Hanford was a member. Mrs. Lloyd Hanford of W. Logan street is a sister-in-law of the deceased.

Hillsdale Professor To Speak at Lenten Tea

Professor Munn of Hillsdale College, a popular and interesting speaker, will give an illustrated lecture entitled "Easter Panorama" at the Lenten Silver Tea, to be held Saturday afternoon at two o'clock in the Fellowship Center of the Presbyterian church. The Presbyterian League is sponsoring the affair, of which Mrs. Wade Hendershot is general chairman. The public is invited.

To illustrate his talk, Professor Munn uses felt pictures and the entertainment is suitable for young and old. There is no admission charge but a silver offering will be taken.

Booth Director Buried, Monday

CECIL BILLINGTON, DETROIT NEWSPAPERMAN, WAS NATIVE OF TIPTON

Cecil Billington, 74, a director of Booth Newspapers, Inc., who died Friday evening in Harper hospital, Detroit, was buried in the family plot at the Tipton cemetery, Monday afternoon. Funeral services were held in the morning at Birmingham.

A native of Tipton, Mr. Billington was one of the Michigan's foremost amateur botanists. In 1947 he retired from the Detroit News, with which he had served for almost 50 years. He then was secretary of the newspaper.

Born, January 30, 1876, on the farm of his parents, Lorenzo B. and Rosetta Whelan Billington, two miles northeast of Tipton, he went through the eighth grade of the Tipton schools. His father was a prominent farmer and operator of a threshing outfit in the early days. The school books he used as a boy, including the McGuffey Readers and science books, were among the treasures of his personal library. In recent years he had preserved these books in special cases.

Youth Rally Is Planned For Tecumseh on April 2

A Youth Rally, entirely interdenominational, will be held on Sunday afternoon at 3 o'clock, April 2, in one of the local churches and young folk and adults, especially youth leaders, county-wide, are urged to attend. The meeting is being sponsored by Martha Ann Hayden, a student at Asbury College, Wilmore, Ky., and a caravan of some 30 or more students from that college will attend.

Miss Hayden, in announcing the meeting, said that arrangements for the student group to visit Tecumseh is now in the making. During their stay here they will be guests in local homes. The meeting, she said, will be open to the public and a talented, interesting program is planned.

Asbury is one of the colleges that recently was swept by a revival meeting among its student body. The meeting lasted for several days. One of the topics at the local meeting will concern the Asbury revival.

Over $600 Contributed In Red Cross Campaign

Over $600 has been voluntarily contributed by Tecumseh residents to the American Red Cross, Mrs. Vincent Haight, co-chairman of the fund drive here, said this week. The quota is $700 and Mrs. Haight is confident that goal will be reached by the end of the month, when the drive officially ends.

Campaign solicitors are at the United Savings Bank every Monday, Wednesday, Friday and Saturday, where contributions may be made. There is no house-to-house solicitation this year.

Child Reflects Home Teaching

CHURCH IS SUPPLEMENT TO HOME TRAINING, PASTOR TELLS CLUB WOMEN

"Church is a supplement to home training," the Rev. Donald C. Wilson, pastor of the Presbyterian church, told members of the Tecumseh Child Study meeting last week at the home of Mrs. Hubert VanCamp on East Logan street.

The Rev. Mr. Wilson said parents should not waste time wondering if they should give their children religious instruction, because youngsters pick up and tend to acquire impressions from parents. Thus, what the parent believes or does not believe is mirrored in the child. He advised that parents plan, with their pastor's assistance, what and how to teach the child at home. After his talk, Mr. Wilson conducted a discussion on the topic.

During the business meeting, Mrs. VanCamp and Mrs. Howard Truesdale were appointed to nominate a ballot of officers for the April meeting, which will be held a week later than usual because of Easter vacation.

Children's favors were small St. Patrick Day lapel pins, fashioned from shamrock and ribbon and made by Mrs. Willis Porter, Mrs. Howard Truesdale and Mrs. Eugene Judson. Mrs. Donald Wilson and Mrs. Walter Dunbar were guests at the meeting, at which 14 members were present.

The evening was concluded with refreshments served by Mrs. Earl Place, Mrs. Robert Ries and Mrs. Elven Duvall.

New Terminal For Truck Line

RUMPF LINES BUILDING FIREPROOF STEEL AND CEMENT BUILDING HERE

A new main terminal for the Rumpf Truck Line is now under construction on South Maumee street, across the street and to the southeast of the United Products Workers Building. The new building, constructed entirely of brick, cement and steel, will be 61 feet in width and 101 feet in length. A part of the structure will be two stories in height to accommodate modern offices.

The trucking company has purchased five acres of ground at the site, and it is the plan to have the new terminal ready for occupancy by July 1. A large loading dock will permit the easy handling of freight with the aid of cranes and hoists, and there will be ample storage space.

Footings for the new building already have been poured and the construction work is progressing on schedule. Inglehart and Yeagle are the contractors.

Model House Will Be Open Again on Week-end

Because scores of persons were unable to properly inspect the Model Home in Tecumseh Acres Subdivision, open to the public last week Saturday and Sunday, due to the large crowds, Glenn H. Kohler, broker in charge of the sales of the houses, has announced another "open house" in the same location, this week Friday and Saturday, March 25-26. The hours of the opening and other details will be found in an advertisement in another page of this newspaper.

The model house opening last week-end brought hundreds of people to the subdivision. The house is completely furnished by local stores and is in readiness for occupancy. Already, dozens of houses have been built in Tecumseh Acres and are occupied and scores of others will be built during the coming months.

Dance Proceeds To Aid In Purchase of Uniforms

In an effort to raise funds to purchase new football uniforms for Tecumseh high school's athletes, the Athletic Club parents are staging a benefit dance on Saturday, April 1, at the Legion Memorial Home. The Tecumseh Chieftains will furnish music for dancing from 9 to 12.

About $1,100 has been donated for the cause, it was said, but between $1,800 and $2,000 is needed. Mrs. Fay Whelan is making arrangements for the dance and promises an evening of fun.

HERE'S ANOTHER GIFT PRODUCTS HAS MADE TO TECUMSEH

The Herrick Park Subdivision Has Cost Products $134,881.33

The development of Herrick Park subdivision, now the home of some 60 families and which, during the coming Spring and Summer is expected to show a 50 per cent growth, has cost Tecumseh Products Company a total of $134,881.33, Ray W. Herrick, president of the company, let it be known today.

"I asked our accounting department to make these figures available for the reason that I have heard some criticism of the subdivision's development," Mr. Herrick said. "It has come to me from people I know are misinformed, that the development of the subdivision has been accomplished at the taxpayer's expense. Such a rumor is far from true and is entirely without foundation.

"So that the public may know just what Tecumseh Products has spent in the development of the project, here are actual figures:

"The original land purchase amounted to $12,500.

"For architects' fees and surveyors' work we spent $20,713.79.

"Our legal and abstract expense totaled $832.

"Grading within the subdivision cost us $9,040.11.

"The building of roads in the Park cost $28,254.06.

"The building of the sanitary sewer cost us $30,841.46.

"The storm sewer cost us $5,596.36.

"We purchased the water pipe in the subdivision at a cost of $19,497.38.

"Trees planted in the Park cost us $2,912.44.

"Sidewalks in the area cost us $4,693.73.

"These figures, added together, amount to $134,881.33."

Mr. Herrick explained that Herrick Park was developed by his company for the purpose of making moderate priced housing available to a greater number of people. Residents of the park are principally employees of the company to whom lots were given and an additional grant of $200 each to help them on their way to home ownership.

"We announced when we started to improve Herrick Park that we had only one thought in mind, a greater Tecumseh. We realized then, and we said it publicly through the newspapers, that Tecumseh taxpayers could not afford to spend tax money for the development. That is why we spent our own money to accomplish the work.

"It is true, that the Village of Tecumseh has spent a few thousands of dollars installing fire hydrants, laying water pipe (we paid for the pipe that was laid) and other incidentals. However, all of the tax money that has been expended is only a small part of what the Park has cost us."

Mr. Herrick also said that because he did not want the village to be burdened with the cost of lighting Herrick Park boulevard lights his company agreed to pay the first year's light bill. This amounted to about $1,000, he said.

"All of this property is within the corporate limits and is on the village tax roll. I would estimate that the total taxes paid by the Park's residents to the village, county and school district at the present time would amount to between $10,000 and $12,000 annually. This figure, of course, will grow as the subdivision grows," Herrick said.

"While the development of Herrick Park is a personal affair with us, we nevertheless feel that these figures should be made available to the public to clear up any misunderstanding. We realize that it is easy to criticize, especially when one does not know the facts. That is why we are making the facts available. We dislike untruthful rumors," Herrick concluded.

BONDAGE VS. LIBERTY

In a discussion of the welfare state idea, Dean Russell of the Foundation For Economic Education observed, "The advocates of this compulsory 'security' honestly seem to believe that most Americans . . . are too ignorant, or lazy, or worthless to be trusted with their own destiny; that they will literally starve in the streets unless their welfare is guaranteed by a 'benevolent' government. However good their intentions may be, these disciples of a Relief State are demanding that they be given the power to force mankind to follow their plans. In the name of liberty they advocate bondage!"

The complete welfare state must be a slave state. In the early days of this country, when slavery of the Negro existed, Georgia passed laws that guaranteed to all slaves "the right to food and raiment, to kind attention when sick, to maintenance in old age . . ." The slaves thus were given "security." But they were slaves nonetheless, subject to the unchallengeable orders of their masters.

In modern times, we have seen "security" on a far wider scale. In Russia, for instance, everyone is given a place to live and a certain amount to eat and wear. They are given a minimum of state medical care. They are "guaranteed" employment, and, of course, the state determines where, when and for how long they shall work, and how much they shall be allowed to earn. But the people are slaves, just as the Negroes were in the America of a century ago. They do what they are told, or else.

The welfare state regards everyone as a ward of the government.

There are those in our own government who are now working hard to sew the seeds of the welfare state here through public medicine, housing, banking, power development, farming, etc.

OFFICERS CHOSEN

New officers of Chapter AJ, P.E.O., were elected at a dessert party held last week Tuesday afternoon at the home of Mrs. Clyde Bailey. Mrs. Earl Pennington was named president; Mrs. Charles Allen, vice president; Mrs. John R. Lott, recording secretary; Mrs. J. W. Spafford, corresponding secretary; Mrs. John R. Thompson, treasurer; Mrs. E. A. Collins, chaplain, and Miss Mary McWilliams, guard.

Baptist Ladies Union Enjoys Potluck Supper

Forty members of the Baptist Ladies Union and its guests, members of the Junior League, enjoyed a potluck supper at the home of Mrs. Roscoe Hewlett, Thursday evening, St. Patrick's Day decorations were used on the table which was centered with an arrangement of forsythia and jonquils.

Mrs. Clair Beland, president, presided, and presented Mrs. Leon VanValkenburg, who conducted devotions. Using the missionary theme "Sending the Light Through All the World," Mrs. VanValkenburg had women dressed to represent Japan, China, Burma, Egypt and India and presented them in a "television" show. Two hymns were sung, "Send The Light" and "Jesus Saves."

Mrs. Leota McConnell reviewed the missionary book, "The Red Chair Waits," the story of the life of a young Christian woman in China.

The next meeting will be held at the home of Mrs. Floyd Bryan.

Modern Methods Are Faster

Don't "Tie Up" Your Car

When you bring your car to us for the service that it needs we realize that two things are important to you. First, we know that you want your car as quickly as possible and, second, we also know that you are interested in holding down the repair bills.

Our shop is the answer to both of those important things. We get the work done in a minimum of time and, with modern equipment to speed up the repairs, naturally costs are lower.

Bring your car to us for service. We will prove what we say.

We give you complete Collision Service, including Bumping, Body Repairing and Painting

Wind, Waves and Whoppers, That's What McColls Catch

For the fellow who fishes in Devils or Wamplers lakes and thinks he's quite an angler when he lands a 10-inch perch or, for the chap who ventures as far away as Houghton Lake and succeeds in snagging a 5-pound bass—well, he ain't done nothin' yet, if the fish story that John D. McColl and his wife, Dorothy, tell of some deep sea fishing they did off the coast of Florida, this winter, is taken into consideration. The McColls annually spend the winter in Florida, their home city being Marathon. In the summer, they reside just west of here on a farm where honey is the principal product.

Here's Mr. McColl's story of an exciting fishing trip during the past winter, as written to The Herald:

". . . and now Station W I O D brings you the marine forecast for Miami, the Keys, the Bahamas and Cuba: Fair to partly cloudy, a few local showers, winds gentle to moderate easterly, and moderate easterly seas. Barometer reading at seven A.M.: Thirty point one-three, wind velocity thirteen miles per hour from the east."

This is what we've been waiting for! For the past week a northeaster has been roaring across these tiny Keys islands, churning the surrounding seas into a forbidden Never-never land for small boats. We who yearn to be afloat on the deep-blue have been impatiently awaiting a break in the weather. Now is the hour!

Breakfast past, we drive to the slip where our little fourteen-foot aluminum boat is moored, and load up for today's visit to Father Neptune's realm. I attach the 10 hp Mercury to the transom, and lift in the spare Martin emergency motor which always goes along as insurance whenever we venture beyond the reef into the open sea. Eight gallons of fuel goes aboard, then the Mrs. hands me the motor tool-box, the tackle box, our two trolling rods, the glass-bottomed boxes, the movie camera, the sack of mail for the boys on the lighthouse, our lunch and water, and the wooden tub of ice and bait. We check over our mental list. Hey, we almost forgot the emergency bag! That contains compass, slickers, life-vests and four extra quart canteens of fresh water. Should both motors fail us, and an offshore wind blow us far to sea, it's 100 miles to Cuba and that extra water may save our lives!

Everything is loaded now, and double checked. We get in. Our neighbors come down to see us off. We have the only small boat which ventures out of sight of land into the proper province of the large charter boats, the commercial fishing-craft, and the ocean liners.

Surveying our crowded cockleshell, Ed Norris cracks, "What beats me is where in the hell you're gonna put the fish, if any."

"If we catch anything really good, Dorothy swims home," I explain.

We're on our way now. Clearing Boot Key Harbor with the motor purring steadily, we shift stations. Dorothy comes astern to become Chief Engineer for the day, while I crawl over the duffle to the 'midship seat and start preparing bait. In trolling for off-shore "big stuff" we use whole mullet as lures. These are roundish small fish about ten inches in length. For the next hour, as we slowly butt our way thru five miles of the shallow green waters between shore and reef, I am plenty busy with the mullet. Cutting parallel slits down their backs, I remove the entire backbone, ribs and entrails. Later a three-hook tandem rig is inserted and snugly wired in place by a six-foot leader wire, looped thru the mullet's mouth and affixed to a swivel on the trolling line. Towed astern, these dead, limp and spineless fish wriggle along in a most lifelike manner, fooling all but the wisest of our quarry.

This chain of Florida Keys is guarded, some five to six miles offshore, by a submerged coral reef, which in some spots lies just under the surface of the sea. In years long gone by, seldom a week passed without some British Merchantman or Spanish Galleon having her bottom ripped out upon them. Key West waxed and flourished as headquarters for the "wreckers," men who salvaged these broken vessels of their fabulous riches. Even now occasional ancient loot is brought to light. Last summer an undersea photographer found a Spanish wreck off Plantation Key and recovered bars of silver worth thousands of dollars. I have seen a brace of Spanish muzzle-loading cannon lying, coral encrusted, on the sea-floor.

But now the reefs are marked by a series of lighthouses which rise 160 feet on steel towers from the high points of the reef. One of these, Sombrero Light, is our local guardian. It is manned at all times by a changing crew of three Coast Guard boys. It is a lonely life they lead, and glad they are to have a visit occasionally from us. When the seas are gently heaving, we sometimes tie to the bottom of their swaying rope ladder and climb aloft to their lonely eyrie. From the top of the Light an uncanny view of the submerged reef and its waters may be had. Large sea-tigers can be seen lying in deep crevasses. Every twig of coral on the bottom is visible. More shades of green than there are in Ireland tint the waters over the varying depths. But today the easterly seas are too rough to permit a landing. I take over the helm. Dorothy waves the bag of mail and one of the boys scrambles nimbly down the swaying ladder. I make a run. Poor timing. A huge comber sweeps under the structure as I change course. We prefer not to be dashed against those massive iron columns! Another circle, more fortuitous, and this time we scoot under the human pendulum. Lifted on a wave top for a moment, we are within his reach, and he grasps the precious bundle of news from home and girl friends. He shouts his thanks, and hurries aloft, where the other boys eagerly await their shares.

A hundred yards in front of the Light lie the fantastic coral caves. There we stop awhile, rolling in the sea-troughs. Dor swallows a dramamine tablet! We unship the glass-bottomed boxes. Each of us leans over an opposite side of the boat and peers thru these affairs at the marine fairyland below. The walls of the caves are lined with brilliantly colored sea-fans, sea-plumes, gorgonians, branch coral and gaudy sponges. On the sandy floor lies an occasional sting-ray of unusual size. A six-hundred pound jewfish hides under a ledge, only his barrel-like head protruding as he awaits his dinner. A green moray, the dreaded "rattlesnake of the sea," undulates across our visual field. Lazily, a small four-foot long sand-shark prowls the bottom. Three barracuda flash past, pursuing a school of balao, the silvery arrows of the reef. Unbelievably colored angelfish, parrotfish, porkfish, yellow tails, sergeant-majors and slippery-dicks dart by, or curiously turn on their sides and return us stare for stare. We could spend hours there, lost in marveling and revery, but Dor's stomach rebels! Forward motion is called for!

I affix a couple of mullet to our lines and we start patrolling the reef. In no time at all one of us has a strike! Then the other bait is hit and we cut the motor. Our two prizes are slashing sea-tigers! Mine leaps high into the air, shaking his head like a dog with a rat. The mangled bait flies away and he is free. Dorothy's is fair hooked, and despite leaps, dives and powerful runs, he cannot escape. He fights so unreservedly that in ten minutes he is exhausted. I slip the gaff under his lower jaw, tonk him on the beezer with a hammer, both to give him a humane ending and to safeguard our feet from his murderous jaws, and lift him in. Pooh, a small one. Won't go twenty pounds! Last week I caught one weighing thirty-four pounds, the camp record. I am insufferably smug. The barracuda are hungry today. We soon have eight. Bah, nothing but fish-butchery here. What are we, commercial fishermen? Heaven forbid! Let's go after something spectacular.

We head south, for deep water. Off the reefs a school of three porpoises, parents and child, cross our course. Pleased by the purr of the motor, they escort us for half an hour, rolling and swaying beside our bows. The big ones are better than nine feet long. We try to bump them with the boat, in fun. They are too agile and quick, permitting us to look but not touch. Chances are they aren't interested in our small baits, but we reel in, just in case. At $15.00 a reelful, we love our nylon line and don't want to lose it! They depart.

Now we are in blue water, on the edge of the Gulf Stream. Anything can happen. We want dolphin, please, those speedsters of the open sea, whose color change thru the gamut of the rainbow, are

"WELCOME SPRING!"

How about it—got that "new-car" fever?

Got a hankering to take hold of a brand-new wheel—touch off the power in a smooth, firm, lively new engine—set out to meet spring in fresh new styling and sparkling colors?

Got a suppressed desire to make it really something good this time—and step away in a Fireballing new Buick, with all its room and comfort and standout styling?

Well—why not?

You know there's no better buy you can make—and no wider choice than you're going to find among Buick's array of beauties for 1950.

You know there's no livelier action—no smoother ride—no roomier comfort for the money than you'll find right here.

And if you don't know it—we'd like to repeat this:

If you can afford a new car, you can afford a 1950 Buick.

The SPECIAL's prices start just above the lowest bracket. You can choose between thrifty standard-finish models—and de luxe versions a bit richer in trim and outside finish.

You can have a Coupe, two-door or four-door models—sleek-lined jetbacks or tourbacks with roomy luggage compartments.

You can dress them up, if you like, with a long list of added equipment—including 1950 Dynaflow Drive* for instance—or hold the list down to the essentials everyone wants.

And your budget is going to find continuing reason to be content that you blossomed out in a Buick.

For in the hands of owners, the SPECIAL is proving thrifty to run as well as thrifty to buy—and what more could you ask?

Which suggests—why not see your Buick dealer now and ask him the exact details and prices, trade-ins, delivery and terms?

ONSTED

Mrs. Lloyd Kurtz was elected president of the Onsted Parent-Teacher Association, at a penny supper meeting held last week Wednesday evening, with some 30 persons in attendance. Mrs. Ashand Hunt was named mother vice president; Glen McCaughey, father vice president; Mrs. Dale Redfield, secretary, and Mrs. Jay Thomas, treasurer. The program consisted of a medley of songs featuring "Mickey Fynn," a piano solo and the community band presented by the students of the Rome Center school taught by Mrs. Saunders. Miss Jane Wooten, research geologist from Michigan State College conservation department, was the guest speaker.

John Thurman was a recent guest of Mr. and Mrs. James Scott.

The Rev. and Mrs. F. D. Hague received word of the birth of a great-grandson, Michael Douglas, to Mr. and Mrs. Douglas Conklin of Lansing, on March 16.

Mrs. Pearl Brown of Adrian, Mrs. Alice Feller and Ervin Outman attended the funeral of Frank Moore in Athens, recently.

Recent dinner guests of Mr. and Mrs. Charles Pentecost were Mr. and Mrs. George Seitz and family of Tecumseh.

PAST CHIEFS CLUB

The Past Chiefs Club of the Pythian Sisters met Friday evening at the home of Mrs. Fred Whelan and Mrs. Henry Kempf, with Mrs. Earl Betser assisting. A business meeting was held and a memoriam conducted for the late Mrs. Rosina Schreder. Two poems were read by Mrs. Lilley Gray and Mrs. Henry Ehlinger.

Cards were played and prizes awarded to Mrs. Gray, first; Mrs. Lynn Harris, second, and Mrs. Duncan Oliphant, third. Refreshments were served by the hostesses. The St. Patrick's Day theme was carried throughout the evening.

Public Invited To Attend Benefit Party

The public is invited to attend the benefit dessert card party, to be held Friday evening, March 31, in the Central School gymnasium, by the Tecumseh Parent-Teacher Association. A large crowd is expected as the proceeds will be used to buy necessary equipment for the school.

All room mothers are to leave their door prizes at the home of Mrs. Anderson, 14 Mill St., or at Mrs. Cy Bailey's fourth grade room in the Central Building.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church met March 15 in the church parlors. During the business meeting it was voted to purchase more dish cloths and to have a bake sale in April. The afternoon was spent on a continuation of the study of "Women of the Bible," and cutting rags for rugs.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. James McKenzie announce the engagement of their daughter, Lenore Ann, to Edward E. Steele of Manchester, son of Wallace Steele of Elwood City, Pa. No date has been set for the wedding.

In the ark with Noah there were four women—his wife and the wives of his three sons.

Early New England women bleached their sheets by spreading them with sour milk and putting them in the sun.

portunities, will be a fine time for public recognition. We shall announce the details of the ceremony very shortly."

At the 1948 T-Day, plans were announced for Tecumseh's desperately needed new high school. That high school has since been built and occupied, and the Board of Education has announced that public dedication of the new building will take place on the afternoon of T-Day.

Superintendent Earl H. Place has announced that some of the features will include music by the high school chorus, an invocation by Rev. Alvin Brazee, who taught in the Tecumseh schools for 24 years, and a history of the new school project. The architect, Harold H. Murger of Toledo will present the keys of the new building to Jens K. Touborg, president of the Board of Education. The American Legion Auxiliary is giving the new high school a silk American flag which will be accepted by high school principal, James McDowell.

The principal speaker at the dedication will be Dr. C. L. Taylor, Deputy Superintendent of the Department of Public Instruction, Lansing, Michigan.

The T-Day activities will be climaxed by a civic banquet in the evening at the American Legion. At this meeting plans for further activity in Tecumseh will be announced. Music will be furnished by the famous Tecumseh Chieftains orchestra.

The speaker of the evening will be George F. Taubeneck of Detroit, editor and publisher of the Air Conditioning and Refrigeration News. Mr. Taubeneck is well known in Tecumseh, and is well fitted to be the speaker at a civic function in the town that is famous as a refrigeration and air-conditioning capital.

Further details of the T-Day program and schedule will be announced later, and banquet tickets will go on sale in another week.

STUDENTS ARE BUSY WITH SAFETY POSTERS

With Michigan's four-year leadership in creating the nation's school traffic safety posters and $2,275 in prize money at stake, grade and high school artists these days are busy sketching safety situations. Selma Arking (above) of Detroit's Cass Technical high school which has produced three of the last four years' national grand prize winners, began early on the AAA national school safety poster contest which ends Saturday, April 15. Subjects assigned for Michigan students this year are "Watch for Turning Cars" and "Walk on Left Facing Traffic," according to Automobile Club of Michigan's Safety and Traffic director Ernest P. Davis. Anyone submitting an entry on one of the subjects may also enter the "open" class, illustrating any safety rule he chooses. All grade and high school students are eligible to participate. Details are available at all schools. Top national posters will be reproduced in 400,000 copies and used with monthly safety lessons all over the nation.

PAST MATRONS CLUB

The Past Matrons Club of the Order of the Eastern Star, will meet Wednesday, March 29, at the home of Mrs. LaRue Hart, 224 East Chicago Blvd., for a potluck supper at 7 p.m.

BOY SCOUT NOTES

The New Troop

This Troop has been referred to as the Presbyterian Troop since it is sponsored by the Presbyterian Men's Club. Confusion persists that this Troop is for Presbyterian boys, so at the suggestion of Scoutmaster James Beardsley it will be called the New Troop until it receives its charter and number. All boys are welcome to join the troop regardless of denomination.

At the last meeting, the Troop divided into two teams, one captained by Ross Hadley and one captained by Ashley Chase for a game of Capturing the Flag. Ross's team won twice and Ashley's won once.

Last Saturday, the boys participated on a hike to Sutton's Valley. Bill Damon showed his skill in laying a difficult trail. He took a five minute start on the Scouts, but by using fences and trees, he was able to escape capture for an hour and a half.

The boys then cooked their lunch and engaged in fire building practice.

Club Women Enjoy International Program

The International Relations department of the Tecumseh Monday Club presented an interesting program at this week's meeting, held at the home of Mrs. William Swick near Macon. Mrs. Fred Marsh as leader presented Mrs. Glenn VanDenbergh and Mrs. Margaret Kidman who gave talks, after which Mrs. Marsh read two poems. Forty members and guests were in attendance.

Mrs. Don Goddard, president, presided at the business meeting. Mrs. Joe Rice gave a religious thought. Mrs. Truman Rentschler was appointed to meet with the Tecumseh Recreation Center board. Announcement was made of the cancer meeting to be held in Adrian today, March 23, at the Presbyterian church. Those who desire transportation are to call Mrs. Frank Smith.

Mrs. Ed Harper was reinstated into club membership. Mrs. Thomas O'Hara invited the members to attend the P-T-A. card party at the school, March 31. The president reported for Mrs. Edward Ross that nine packages weighing 176 pounds had been sent to needy families in France.

Later Mrs. Goddard, who with Dr. Goddard is leaving soon to make her home at Houghton Lake, was presented with a surprise shower of handkerchiefs. Tea was poured by Mrs. Goddard and Mrs. E. J. Achenbold. The assisting hostesses were Mrs. Joe Rice, Mrs. Wafren Beshkin, Mrs. George Green and Mrs. Zella Gray.

MISS FLORENCE MORTON IS BURIED IN OHIO

Funeral services for Miss Florence Mae Morton, who died March 13, were conducted Thursday afternoon at the Curl Funeral Home in Cardington, Ohio, with the Rev. Russell H. Bohner of the Gilead Methodist church officiating. Burial was in the Cardington cemetery. Nephews and cousins acted as bearers.

Friends and relatives attended from Gilead, Cardington, Marion, Tipton and Tecumseh.

About The Folk You Know

Miss Ruby Preston and Mrs. John H. Smith entertained at a tea, Friday afternoon, at the latter's home, honoring Miss Rebecca Preston, who observed her 80th birthday anniversary. Some 25 friends and neighbors attended. Tea was served from the table attractively decorated in keeping with St. Patrick's Day. Miss Preston was the recipient of many gifts and flowers. Mrs. W. D. Gehringer and Mrs. E. E. Davis assisted at the tea table.

A hayride was the feature of the party given by Mrs. Elizabeth Wing, Thursday afternoon, in celebration of the ninth birthday of her daughter, Joanne. The long and breezy ride wheted the appetites of the girls and they ate a hearty supper. Joanne received many nice gifts from her guests, who included Ann Kempf, Brenda Heeman, Marilyn Helzerman, Judy Ripley, Nanette Walper, Sharon Muhn, Sherry Tucker and Anne Preston.

George Schumm and Frank Blevins have been putting their heads together around the coffee cups for some time, and now it comes out that they have formed a partnership. They will act as manufacturer's agents for the products of Wetalene Laboratories of Columbus, Ohio, under the name of "Michilene Distributors." They are considering putting some additional irons in the fire in the near future.

Booth Director

(Continued from Page 1)

Sept. 6, 1899, he married Nina Allen, daughter of Mr. and Mrs. George Washington Allen at their farm home one-half mile east of Tipton. He is survived by his wife and a son, Ray, professor of history at Northwestern University.

Mr. Billington graduated from Cleary College, shortly after which he joined The News in 1897. In 1918 he became its secretary. During much of that time, he also handled many of the personal affairs of George G. Booth, founder of the Booth papers.

Mr. Billington, a trustee of the Cranbrook Institute of Science, was the author of "Shrubs of Michigan," and a second volume, only recently completed, titled "Ferns of Michigan," will be published posthumously.

Spirit of St. Patrick Evidenced at Luncheon

The spirit of St. Patrick was much in evidence at the weekly Ladies Day luncheon held at the Tecumseh Country Club last week Wednesday, March 15. The tables were attractive with appropriate decorations and the waitresses wore green corsages. The prizes at canasta, which were won by Mrs. Harold Wilson and Mrs. Hugh Andrews, high scorers, and Mrs. William Swick, low, were St. Patrick's flowers arranged in vases. Mrs. Bert Ousterhout and Mrs. Ralph Helzerman were the hostesses. Forty-four ladies were in attendance.

The hostesses for Wednesday, March 29, are Mrs. Orville Farver, phone 138, and Mrs. Dale Bowen, phone 221. The April 5 meeting has been cancelled due to Holy Week.

Changing Weather
Brings Changing Appetites

Yes, Mother, we realize that with Spring just around the corner the appetites of your family, especially the children, are changing. They are demanding something different in the food line.

And that's where our store plays an important part. Fresh-from-the-garden produce and fruits arrive at our store daily. You can supplement this, of course, with fresh-frozen foods from our locker.

So, if the family says strawberries, cherries or raspberries for dinner tonight, get them. We have them for you.

DID NOT I SEE THEE IN THE GARDEN WITH HIM?

In the Holy Bible we read: "By their fruits ye shall know them." If we expect to live in a better world tomorrow, it will be necessary for us to live better now. For as we sow so shall we reap. If the present world conditions are a true barometer of the Christian faith of the people, one may honestly ask the question "Did Not I See Thee In The Garden With Him?"

Wind, Waves

(Continued from page 3)

beyond belief even when seen. Not only are they game, speedy and colorful, but their flesh is something to cause an epicure to drool a bibful! We see a school of flying fish take off on a sustained aerial jaunt. Something is pursuing them, probably dolphin. We swing in behind them . . . No luck.

An hour later, we are possibly ten miles offshore. The lighthouse is a small speck to northward. We are well into the Stream now, that fabulous indigo river which flows thru the Atlantic from South America, warming our southeastern coast on its way to temper the climate of England and northern Europe. Here swim the mighty bluefin tuna, the marlins, both blue and white, the spectacular sailfish, the wahoo, king mackerel, shark, whale and giant manta-ray. Anything can happen. Yes, indeed, ANYthing can happen! Our movie camera is with us. Our hopes are high.

Another half hour passes. Nothing. Fifteen minutes later I pick up a small cero mackerel. Well, that's something.

"Look, look over there!" cries Dorothy and points.

Abeam of us, on our starboard side, just under the surface, swims a hawksbill turtle. It is the first hawksbill we have ever seen in the wild. They are exceedingly rare. It is small, about the size of a smallish washtub. She slows the motor. She brings the boat up to him from behind. I make a grab for his hind flipper where his jaws can't amputate my hand. I miss, and he goes sliding down into the depths. The shell of the hawksbill furnishes the tortoise-shell of commerce. Once was as valuable as silver. Many a high-born Castilian beauty proudly exhibited her genuine tortoise-shell fan or comb.

We run another five or six miles eastward. No action. The drone of the motor is soporific and I am nearly asleep. Suddenly Dor lets out a piercing yell; her bait has been struck with such terrific force that she is spun around on her stern seat and nearly loses her rod overboard. It is impossible to drag this fish along with us as we do a mackerel. Her reel sings as the line departs astern. She cuts the motor. This IS something! I tell her to slack off on her reel's drag and let him run, and then to come up forward. I scramble back to the stern to run the motor in case we have to chase this fish to prevent his taking all her line, but he decides to dive instead of to run. Down, down, down he goes. The water here is some thousands of feet deep, so we let him go.

The reserve line on her reel is fast disappearing. She puts on more drag. Will the line stand it, or snap? It isn't as heavy as that on my reel. The BIG fish are supposed to take MY baits, not hers! She's supposed to catch only 'cudas and mackerel! The fish finds the depths too cool or too dark or something, and decides to stop. We breathe more easily. She has probably twenty yards of line left. Now she starts "pumping." Anchoring its butt under her seat cushion, she slowly lifts her rod until the tip is upright. Then suddenly lowering it, she reels in the slack line thus gained. I rest easily and languidly in the stern, watching her work and sweat. Her face whitens. Horrors! Stopping, she tosses another drammamine pill down the hatch. Her department of the interior doesn't like this up and down motion of the boat at all. She grins feebly, and resumes her work.

I see three ocean liners lifting their stacks over the eastern horizon. We are in the westerly shipping lane.

The fish comes to life and starts for Davy's locker again. She cannot hold him. He switches sides under the boat. Dor nearly dislocates her back as she shifts her rod around the prow of the boat to the other side.

I decide this is worthy of pictorial record and unship the camera. Off and on, for the next hour, I take movies in full color, of her frantic activities.

The ships are nearer. We are directly in the path of the center one. Regretfully I dig out my fish knife just in case we have to cut the line and scram. Ten minutes later the helmsman on the ship sees us and changes his course, doubtless cursing us roundly for our unwarranted presence in his ocean. The mate steps out on the bridge-wing and looks us over thru his binoculars. Are we helplessly adrift here where no damn little dory has any right to be? We wave, he shakes his head sadly and waves half-heartedly back. As an afterthought, he gives us a salute on the deep-throated vocal cords of his ship and leaves us to our fate.

Timidly, I venture the suggestion that I take over now, as the Boss looks about all in. I get a dirty look in reply. I oughtta know that a true sportsman lands or loses his own fish unaided. O.K.

I slouch down in my seat and get out the lunch. Nothing does a semi-sea-sick person more good than to see food being happily consumed by others. I get more dirty looks! I yawn. Dor takes another pill and turns her back to me.

I take more pictures. Whoa, ninety feet of film gone. Better save a few feet for the "whale."

Dor grunts and groans, sighs and moans, yelps, and squeals, pumps and reels, and loses all her hard-gained line again as her opponent decides to call on distant cousins at the eight-hundred foot level.

I cock an eye to nor'westward. "Hey, Sister, better wind up soon. A li'l ol' black squall is a-makin' off the stern quarter."

Repeatedly the native "conch" fishermen have warned us that we "don' need pay no mind to black squalls t' east'd, no'th'd, or south'd but w'en she's to no'thwest'd, boy, yo' bettuh scoot fo' sheltuh!"

I don't like it at all. The weather forecast this morning didn't warn us of this, but squalls are purely local affairs and utterly unpredictable.

Dor gets nervous now and redoubles her efforts. Her adversary, too, is tiring, and offers less resistance of being pumped to the surface.

A three-hundred pound loggerhead turtle swims curiously up to us. No noise of motor and he isn't alarmed. I reach out with an oar and tap him lightly upon his huge carapace. He skedaddles!

Meanwhile Dor has gained enough line so that I now can see, probably forty feet down in the gin-clear water, what she has hooked into. It is a large brown shark, but I can't guess its size yet. Ten minutes later he surfaces, tired but plenty lively still. I use up the rest of the film on him. Dor cuts the leader, and away he goes. He was better than eight feet long, and, judging by others I have caught in years past, would weigh well over 250 lbs!

Dor is very tired, very shaky but very happy. Catching a large shark like this is a dangerous business. The "conchs" tell us that they will frequently turn on a boat, grasping the keel, chine or gunwale in their massive jaws. It would be no fun to be upset here ten miles from land, with a black squall coming up, and probably Mr. Shark's cousins and his uncles and his aunts waiting to try raw McColl for supper!

We regret the inconvenience caused Mr. Shark and hope that the hook in his jaw will shortly rust away. We didn't ask him to bite; after all, we were fishing for dolphin.

No more fishing today. The dolphin can wait. Let's make seatracks for home! We gain the reef, the boys on the Light drop their sack of shore-going mail into our boat, and we start across the five miles of tossing green welter that lie between the reef and home.

The squall comes down upon us. We don slickers and sou'westers and break out the compass. Dor sits amidships sighting across the compass, course 350 degrees for Marathon. We cannot see a boat length ahead of us; I steer by her pointing arm. The wind seems to be coming from every direction. The short, choppy seas leap vertically like a herd of wild horses tossing their heads in alarm. Despite our slickers, we are soaked. I pull a tarp over the motor-head to prevent its being drowned out in the downpour and the flying spray. It purrs steadily on, but we can make little speed because of the rough seas.

Within a half-hour the squall sweeps on, and the sun again shines dazzlingly over a torn and turbulent sea. Our harbor lies dead ahead. The wind rises and now screams thru the cocoa-palms and mangroves which border the channel. We see the red flag flying over the Boat Works. The Coast Guard must have telephoned a storm warning down the length of the Keys. There will be no fishing, except from the bridges, for days to come.

We pull into our berth, to the relief of our worrying neighbors. Keeping one medium sized 'cuda for our own gustatory pleasure, and a couple more for our neighbors, we sell the rest of our catch to the local wholesale fish company. Well, there's our bait and gas money back, anyway, and we've had one heck of a lot of fun! And we've added an exciting sequence to our full-color movie adventure collection.

Yo, ho, ho! This is the life!

Sincerely, and, truly

John D. McColl

NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the condition of a certain mortgage made the 19th day of March, 1948 by Charles E. Metzger and Iris N. Metzger, as mortgagors, to Adrian State Savings Bank as mortgagee, and recorded on the 23rd day of March, 1948 in the office of the register of deeds for Lenawee County, Michigan in Liber 326 of Mortgages on page 142, which mortgage was assigned by said Adrian State Savings Bank to Ralph Phelps and/or Hazel Phelps as assignees on the 19th day of February 1949 by an assignment recorded on the 21st day of February 1949 in the office of the Register of Deeds for said County, in liber 325 of mortgages on page 131; and on which mortgage there is claimed to be due and unpaid at the date of this notice $2772.80 principal and $178.87 interest; no suit or proceedings at law or in equity having been instituted to recover the debt, or any part thereof secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default.

Notice is hereby given that on the 10th day of June, 1950 at ten o'clock in the forenoon at the east front door of the Courthouse in the City of Adrian, that being the place for holding the Circuit Court for the County of Lenawee, there will be offered for sale and sold to the highest bidder, at public auction for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of $50. provided by law and in said mortgage, the land and premises in said mortgage mentioned and described as situated in the City of Adrian, County of Lenawee and State of Michigan, to-wit:

Commencing at the intersection of the south line of west Maple Avenue with the west line of Summer Street and running thence westerly on the line of Maple Avenue One hundred and ninety-six (196) feet for a further place of beginning; thence southerly at right angles with Maple Avenue one hundred and twenty (120) feet; thence westerly parallel with Maple Avenue fifty-seven (57) feet, more or less, to the east line of land now, or formerly owned by Foltz; thence northerly on the east line of said Foltz land to the south line of Maple Avenue; thence easterly on the line of Maple Avenue fifty-seven (57) feet; to the place of beginning. Said land being a part of the west half of the southwest quarter of section thirty-five (35), town six (6) south, range three (3) East.

T-D-ing a New Ford Fur 50 is an Experience

If Yuh Ain't Don't It Yit, Man Yuh Missin' A Lot

Fur the last few weeks, us guys at Butler's Hoss Tradin' Post has been doin a lot a talkin about T-D-in a New Ford Fur Fifty. Wall, jist in case yuh don't know yit wat T-D means, its TEST DRIVE.

Waal, as a result of our talkin, a lot of folk have taken us up and they've T-D one o Henry's new buggies for 1950. And have they been surprised. There's that smooth, even power of 100 hosses under the hood. There's the noisless motor that actually purrs. There's the ridin comfort of new springs and shock absorbers. New, softer upholstering for greater ease. And then there's the safety of the new easy-action brakes.

Feller, yuh put all of the 50-ways-new-fur-fifty together and yur jist bound to be surprised and you'll know what makes Ford a favorite in its field.

If yuh ain't T-D one of these new gas buggies, come in. We're getting a big kick out of lettin folk drive em.

Federal Census Begins April 1

SOTH WARNING AND ENDORSEMENT OF SURVEY ISSUED BY C. OF C.

Both an endorsement and a warning with regard to the 17th Decennial Census were issued today by the Chamber of Commerce.

"The National census, like market research and public opinion polling, performs a useful and necessary public service," said Ronald Harris, Chamber secretary. "If the person at your door is an official census enumerator or genuine research interviewer, he seeks only information that will ultimately be of benefit to the community at large. The census taking is scheduled to start here and in Lenawee county on April 1.

"The 1950 census should be of particular value to Tecumseh. The 1940 figures are meaningless since a great war and an unusual local growth have taken place since then. Moreover," Mr. Harris continued, "we must remember that certain items like state aid to the community are based on the federal census and no other figure."

The Chamber statement, however, went further and urged families to report to the police any persons claiming to be census takers who fail to show their official credentials as enumerators of

Parsons Takes Job In Germany

FORMER HI SCHOOL TEACHER "LOANED" TO E. C. A. BY STATE COLLEGE

George Parsons, a vocational agricultural instructor in the Tecumseh schools for several years and now a Michigan State College extension dairyman, will spend six months in Germany developing an artificial breeding program for German dairy herds. After conferring in Washington, D. C., with officials of the Economic Cooperation Administration and Federal Extension officials, Mr. Parsons left by plane for Frankfurt.

Request for Mr. Parsons' services came direct from German agricultural officials through the E. C. A. As consultant to the minister of agriculture of the German republic, the Michigan dairy specialist, along with Stanley Brownell of Cornell University, will work toward instituting artificial breeding for dairy herds.

Mr. Parsons left Tecumseh in 1945 and has been with the Michigan Cooperative Extension Service since July of that year. He received his master's degree from the University of Wisconsin in 1946.

Mrs. Parsons and daughter may join Mr. Parsons in Germany later in the spring if living facilities are available. The Parsons family live in Lansing.

Robert William Grigg Is Buried At Ridgeway

Robert William Grigg, 35, died Monday afternoon at 5:40 in Grace Hospital, Detroit, where he had been a patient for six days. He had been in failing health for about four years.

Born in Denton, Michigan, February 1, 1915, Mr. Grigg was a son of Mr. and Mrs. William Grigg. He graduated from Tecumseh high school in 1933, attended the Baptist church and was employed as an electrician by Kaiser-Frazer at Willow Run. He had lived in Tecumseh for about 20 years.

Surviving are the widow, Anna, a son, David, and a daughter, Donna, his parents, Mr. and Mrs. Wm. Grigg, a brother, Lyle, and a sister, Mrs. Marion Cornell, all of Tecumseh, a grandfather, Elmer Gray of Plymouth, and several aunts, uncles, nieces, nephews and cousins. A sister, Glenna, preceded him in death in April, 1942.

Funeral services were held Wednesday afternoon at 2:30 from the Collins Funeral Home, the Rev. O. V. Robinson of Lansing, a former pastor of the Baptist church here, officiating. Burial was in the Ridgeway cemetery.

DR. E. H. BABBITT TO TALK TO MONDAY CLUB

Dr. E. H. Babbitt of Adrian College will speak on "Peace" at next week's meeting of the Tecumseh Monday Club, to be held at the home of Mrs. Earl Wood of Wamplers Lake, April 3. Those who will have cars available and those who desire transportation are to call Mrs. Truman Rentschler.

Mrs. F. E. N. Thatcher is the program leader. The co-hostesses will be Mrs. Hoyt Whelan, Mrs. Fay Whelan, Mrs. Edward Beal, Mrs. Don Hunt and Mrs. Ida Spencer.

Harold Ruhl And Wife Married 25 Years

Mr. and Mrs. Harold Ruhl were honored at a surprise party in celebration of their 25th wedding anniversary, Saturday evening, in their home at 214 Bidwell. The affair was arranged by their children, Mr. and Mrs. Douglas Fairbanks, Mr. and Mrs. Harold Ruhl and Harlan and George Ruhl. Thirty friends and relatives attended from Blissfield, Ottawa Lake, Adrian, Holloway, Palmyra, Manitou Beach, Macon and Tecumseh.

A two-tiered cake, topped with a miniature archway, bells and the numbers "25" in silver, centered the refreshment table and was flanked by lighted tapers in holders also containing arrangements of sweetpeas. Nadine and Jeanette Ruhl and Vonda Lee Hunt assisted with the serving. Cards were the diversion. Mr. and Mrs. Ruhl received many gifts and congratulatory cards.

Union Services On Good Friday

THREE-HOUR SERVICE TO BE AT PRESBYTERIAN CHURCH; STORES TO CLOSE

In commemoration of the three hours Christ suffered on the Cross, Union Good Friday services will be held in the First Presbyterian church, next week, from 12 to 3 p.m., with pastors of the Ministerial Association officiating. The Revs. Donald C. Wilson, B. O. Bashore, Edward Escolme, Allan Ramsay and Dr. Norman MacNaughton will speak on one or two of the Last Words of Christ, interspersed with the singing of hymns.

As has been the custom in the past, Tecumseh stores and other business places will close their doors during the 3-hour service.

Holy Week services will be held each noon from 12:30 to 12:50 p.m. at the corner of Evans and Chicago streets. Monday the Rev. Mr. Escolme will speak; Tuesday, the Rev. Mr. Ramsay; Wednesday, the Rev. Mr. Wilson and Thursday, Dr. MacNaughton, Perry Hayden will lead in singing. The 20 minute period was arranged so that school children and business people will have ample time to return to their classes and places of employment. In case of rain the services will be held in the Methodist church.

The young people's union sunrise service on Easter Sunday morning will be held in the Tecumseh Friends church at 6:30 a.m., followed by breakfast. This annual service is for all young people in the community.

Funeral Services Today For Jennie N. Tallman

Mrs. Jennie Nyland Tallman, 85, died Monday evening at 7:35 at the Parrett Nursing Home here, where she made her home for six years.

Mrs. Tallman was born August 10, 1864, in Tecumseh, a daughter of the late John Henry and Hendrina Heesen Nyland. She was a member of the Presbyterian church and spent her entire life in and around Tecumseh. She graduated from Tecumseh high school in 1881 and was married to Henry Hiinn Tallman on May 11, 1905. Mr. Tallman died October 19, 1935. Two brothers, Frederick and Frank, and a sister, Nellie, also preceded her in death.

Surviving is a daughter, Mrs. Earl Pennington of Ridgeway, five grandchildren, a brother, John R. Nyland of Tecumseh, and a sister, Angie Nyland of Kalamazoo.

Funeral services will be held this afternoon at 2:30 from the Collins Funeral Home, the Rev. Donald Wilson, pastor of the Presbyterian church, officiating. Burial will be in Brookside cemetery.

C. of C. Asks Receipts From Magazine Salesmen

Any Tecumseh residents who may have placed a magazine order with itinerant salesmen last Monday are asked to show their receipt to the Chamber of Commerce, it was requested today by Ronald Harris, Chamber secretary.

"We do not wish to alarm anyone unduly," Mr. Harris stated. "This merely means that the salesmen violated their agreement to register at the Chamber of Commerce and should be reported to their company."

The Tecumseh Chamber of Commerce participates with the National Better Business Bureau and the American Association of Magazine Publishers in an attempt to eliminate the abuses which used to be prevalent in the magazine crew business. "Crew managers are instructed to register with local Chambers or Better Business Bureaus as evidence of their good faith," Mr. Harris said, "and the failure for a crew to live up to its instructions from its home office is cause for disciplinary action."

Churches Ready For Palm Sunday

HOLY WEEK OBSERVANCES ANNOUNCED BY SEVERAL PASTORS IN TECUMSEH

Palm Sunday will be observed in the local churches, Sunday, April 2, in commemoration of the triumphant entry of Christ into Jerusalem. Services during Holy Week also have been announced for several of the churches.

The First Presbyterian church will have a reception of new members, a baptismal service and celebration of Holy Communion during the morning worship at 11 a.m. Parents desiring to have their children baptized are asked to call the Rev. D. C. Wilson during the week. On Maundy Thursday the Lord's Supper will be celebrated as it is done in the Scottish churches. Everyone will be served while seated at tables in the Fellowship Center. The service will begin at 8 p.m.

Parents who desire to dedicate their children to the church will do so during the 11 a.m. worship at the Baptist church. The choir, under the direction of Mrs. Harley McConnell, will sing special numbers and the Rev. B. O. Bashore, pastor, will use as his sermon title, "The Most Meaningful Procession." Holy Communion will be celebrated on Maundy Thursday at 8 p.m., when a baptismal service by immersion will also be held.

Miss Monna Rogers, matron of the Friends Rescue Home of Columbus, Ohio, will deliver a special message at the Tecumseh Friends church during the meeting for worship at 10 a.m. At the evening meeting at 7:30 p.m., the service will be in charge of the young people from Asbury College. The annual communion service will take place on Maundy Thursday at 8 p.m.

In keeping with the tradition of Palm Sunday the worshippers at the services in St. Peter's Episcopal church will be given crosses made of palms and also palm fronds. At a meeting of the Altar Guild to be held Thursday, March 30, at 7:30 p.m., members will make the crosses and strip the buds in preparation for distribution on Palm Sunday. During the morning service beginning at 11:15 a.m., the choir will sing for the offertory anthem, "The Palms," by Faure, with a bass solo by Richard Boyd.

A baptismal service will be held at the Methodist church during the

New Grocery Store To Open On Friday

HUBERT VAN CAMP TO OPEN MARKET TOMORROW AT 109 W. CHICAGO BLVD.

A new meat market and grocery store, to be known as Van Camp's Market, will be opened here tomorrow morning at 109 W. Chicago boulevard by Hubert Van Camp. The store will carry a complete line of fresh and smoked meats as well as staple and fancy groceries and produce.

Mr. Van Camp is not a newcomer to the grocery business here. In 1934 he opened a grocery store in his building at the same location and continued in business until 1943 when he entered the army. After his return from service he entered the building and plumbing business, which he recently discontinued. He now has a grocery store in Clinton and at one time operated markets in Milan, Manchester and Dundee.

District Speech Meet Here, Friday at 1:30 P.M.

The cafeteria of the new high school will be the scene of the annual district speech contests Friday, March 31, from 1:30 to 4 p.m. The public is extended a cordial invitation to attend by the local debate coach, Duane Furbush. Intermissions are planned in order that visitors who cannot remain for all the contests in various fields may feel free to leave at convenient times.

The schools participating will be Onsted, Adrian high, Adrian St. Mary's and Tecumseh. The various fields of participation will be declamation, both oratorical and dramatic; oration, and extempore (i. e., speaking with few notes on a subject after only one hour's preparation). Tecumseh will enter both types of declamation as well as extempore speech.

The P.T.A. will serve coffee between the various contests. The entire function is sponsored by the Tecumseh high school student council.

COMMUNICATIONS MUST BE SIGNED

The Herald has received communications to "The Editor" recently, signed by only the initials of the writer or, sometimes, unsigned.

It is the policy of this newspaper to refuse to print unsigned communications. It is not difficult to understand why such a policy is enforced. Newspapers are liable for the printed word. They must be in a position to substantiate the facts and to do this they must know the source. If the writer requests, the newspaper may print only the initials of the author or some pen name but, always, the newspaper must know the identity of the writer.

The Herald is always happy to receive communications but please bear in mind that if they are to be printed they must be signed. If the writer requests that only initials be used, such requests, in most instances, will be respected.

Rally Meetings Here On Sunday

ASBURY COLLEGE GROUP COMING TO PRESBYTERIAN, FRIENDS CHURCHES

An interdenominational Youth Rally will be held Sunday afternoon, April 2 at 3 o'clock in the First Presbyterian church, Tecumseh, under the leadership of twenty-three students from Asbury College, Wilmore, Kentucky.

Asbury College, located twenty-five miles west of Lexington, Kentucky, in the heart of the Blue Grass section, was visited by one of the greatest spontaneous revivals recently in the history of the college. Beginning with the confession on the part of one of the students in a morning chapel service, the revival lasted for one hundred and thirty-one hours, until it had touched the entire student and faculty body as well as the surrounding community.

Invitations have been coming from hundreds of communities for groups of students to share the revival spirit with them. Miss Martha Hayden, of Tecumseh, a student at Asbury, is chairman of the group coming to Tecumseh. The Youth Rally, which is entirely interdenominational in character has been planned particularly to appeal to the youth of Tecumseh and surrounding communities, but the general public is invited.

In the delegation coming from Asbury College are students from Kentucky, California, Tennessee, North Carolina, Ohio, New Jersey, Mississippi, Virginia, Texas, West Virginia and Michigan.

An evening service conducted by the same group will be held in the Tecumseh Friends church at 7:30.

Funeral Services Held For Mrs. Nellie Grimsley

Monday afternoon, funeral services were conducted from the Ridgeway Nazarene Church, for Mrs. Nellie Grimsley, aged 73 years, of 416 East Logan St., who died Friday at 5:55 a.m., in Tecumseh hospital, where she had been a patient since January 21. The Rev. Lloyd Wilson of New Lothrop officiated assisted by the Rev. Clayton Bearinger. Burial was in the Macon cemetery. The bearers were Ernest Spohr, George Baker, Al Gilleylen, Myrle Lawhead, Herbert Smith and Alvah Meyers. The honorary bearers were Howard Goodsill, Charles Lawhead, Henry Baker and David Taylor.

Born, September 7, 1876, at Kendall, New York, Mrs. Grimsley was the daughter of the late Alanson and Betsy Ann Secor Perry. A resident of Tecumseh for ten years, she had previously lived in Macon for ten years. She was a member of the Ridgeway Church of the Nazarene.

Surviving are one niece, Mrs. Nellie Barnett, one nephew, William Perry, both of Detroit, and several cousins.

Judge's Car Hit By Drunk Driver

JURIST AND WIFE UNINJURED; LOCAL MAN ORDERED TO PAY $75 FINE

Circuit Judge G. Arthur Rathbun and Mrs. Rathbun escaped injury, early Sunday morning, when the car in which they were riding, driven by the Judge, was struck by another car driven by Linard Armstrong, 30, of Route 1, Tecumseh. The accident happened about a mile west of here on M-50.

Sheriff's officers arrested Armstrong on a charge of driving an automobile while drunk. In Justice John Lowe's court in Adrian, Monday, he pleaded guilty and was ordered to pay a fine of $75 and costs of $8.60 and was placed on 45 days probation.

According to sheriff's officers, Armstrong, with his wife and three year old child in the car, was going west and the Rathbun car was traveling east when the mishap occurred. Neither car was badly damaged and Armstrong continued on and halted his car a half mile east of Billington's Corners. It was there that officers found him.

All of the Armstrongs were taken to the county jail and Mrs. Armstrong, 28, was released Sunday morning to care for her child. She was ordered to report back Monday for arraignment on a drunkenness charge, but it was said at the jail Tuesday that the charge was later dismissed.

Judge and Mrs. Rathbun had been in Adrian Saturday evening and were returning to their home here when the accident happened.

Business Women's Club Observes 20th Birthday

ANNIVERSARY PARTY HELD IN PRESBYTERIAN CHURCH COMMUNITY CENTER

Celebrating its 20th anniversary, the Tecumseh Business and Professional Woman's Club enjoyed dinner and an appropriate program at the regular monthly meeting, Monday evening, in the Fellowship Center of the Presbyterian church. The tables were centered with spring flowers and each place was marked with a favor.

Mrs. George French, president, presided at the business meeting and appointed Miss Marie Koernig, Mrs. Purnell Osburn and Mrs. Nina Heath as the nominating committee to select a slate of officers for the coming year. There was some discussion on the com-

L. W. Larsen Is Named New Rotary President

L. W. Larsen was named president of the Tecumseh Rotary Club and Robert H. Moore, vice-president, at a meeting of the club's board of directors, Tuesday evening, following dinner at the Legion Memorial Home. The other officers, re-elected are Lester C. Rogers, secretary, and George Green, sr., treasurer. Mr. Larsen will succeed C. W. Gilman as president of the club. Mr. Moore succeeds Mr. Larsen to the vice-presidency.

Before the directors meeting, the club membership elected four new members to the board. They are Ralph Hodges, Robert French, Mr. Larsen and Mr. Moore. While the election is held at this time, the new officers do not assume their posts until July.

The Rev. Charles L. Ramsay of Jackson, father of the Rev. Allan Ramsay, rector of St. Peter's Episcopal church here, was the guest speaker at Tuesday's meeting. The Rev. Mr. Ramsay discussed the origin and purpose of Lent. His remarks were most interesting and educational.

Keith Dunfee, high school senior, was the junior Rotarian at the meeting.

Mrs. Jessie McCourt, 75, To Be Buried Today

Mrs. Jessie Stewart McCourt, 75, of Adrian died Monday evening at 10 o'clock in the Parrett nursing home where she had been a patient since July. Funeral services will be held today (Thursday) at 1:30 p.m. in the Everiss Funeral Home, Adrian, the Rev. Gilbert A. Runkel officiating. Burial will be in Oakwood cemetery.

Mrs. McCourt is survived by one son, Sherman T. Brown, and one sister, Mrs. Jennie Stewart Welch of Adrian. She was preceded in death by a brother Foster Stewart.

APRIL FOOLS DANCE

An April Fools' Dance is scheduled for the Tecumseh Country Club on Saturday evening, April 1, beginning at 9 o'clock and continuing until 12. A buffet luncheon will be served at 11:30. The club membership and its guests are invited to attend.

Benefit Dessert Party Here Tomorrow Evening

The benefit dessert card party, sponsored by the Tecumseh Parent-Teacher Association, will be held tomorrow (Friday) evening, in the gymnasium of the Central School Building, commencing at 8 p.m. Proceeds will be used to buy necessary equipment for the school.

Parents are urged to buy tickets from their children so that their respective rooms will be given credit. A ticket selling contest is being sponsored with prizes to be awarded the winning rooms. For those who do not have children in school, however, tickets may be purchased at the door.

"Prizes and prizes galore, 50, 60 or more," is the way a committee member put it when speaking of the prizes to be given away tomorrow evening. For the dessert preceding the card playing, cake made by some of "the best bakers in town," will be served, it was said.

Mud 'Hub Deep' Halts Traffic

RURAL HIGHWAYS IN WORST CONDITION IN YEARS DUE TO SPRING RAINS

Mud, hub deep and even deeper, held rural residents in its grip over the weekend and during the early part of this week and the only apparent relief seemed to lie in a change in the weather—warm winds and sunshine. The condition of Lenawee county's secondary highways was declared to be "the worst in years" with scores of farmers marooned in their own yards. Their only means of transportation was on foot, by tractor or on horseback.

The county's already muddy roads were turned into a sea of slush and water Saturday night and Sunday when an inch and a half of rain fell, accompanied by a mild thunder storm. Milk trucks, picking up at farms on secondary roads were unable to travel and farmers hauled their product in cans by tractor to nearby hard-surface highways. Mail men, likewise, found travel difficult and impossible in some spots and mail in instances was left at distribution points to be carried to its destination on foot.

Black-top roads, including the Town Line between M-50 and US-112, the Tipton-Adrian road, the Adrian-Onsted road and the Wolf Creek highway were impassable in spots on Monday. There were like wise terrific washouts in Rogers Highway from Tecumseh to Palmyra, but the road was passable. The Macon road, in some spots, was under water, and the Grange-Country Club road was in poor condition.

Schools at Onsted and Addison schools were closed on Monday. Of school busses found it impossible to travel some secondary highways and children walked to hard surface roads. In Tecumseh schools, 109 pupils were absent on Monday. Some of the absences, it was said, were due to muddy roads, others to the mild spread of colds among students. All busses carrying students to local schools "got through."

Some side streets in Tecumseh suffered severe damage due to the mud and water. Maumee street, south of Shawnee, in front of the new high school and on to Brown street, was closed on Monday and Tuesday and may be blocked for a few more days. East Brown street, likewise, was shut off a part of Monday. Maple and Park streets in the west side of the village were closed to traffic. There were some bad wash-outs in other streets.

The terrific mud is blamed to the fact that the winter was mild until mid-February when this section of the state began to feel the worst cold of the season. However the ground was not sufficiently frozen to withstand the pre-April rains that began last week.

Mr. and Mrs. Henry Loyd Married Fifty Years

Sunday, from two to four o'clock, Mr. and Mrs. Henry Loyd of Ridgeway observed their golden wedding anniversary with open house.

The Loyd home was beautifully decorated with gold streamers and spring flowers. The lace-covered table was centered with a 3-tiered wedding cake on a gold linen cloth, and a bouquet of cut flowers.

A dainty luncheon was served to 75 guests and in the evening a dinner in the Loyd home was attended by a company of relatives and friends.

The guest-book was in charge of Miss Barbara Loyd. Mrs. May Roby and William Loyd received the guests and the cake was served by Mrs. Margery McClennan, Mrs. Margaret Hershey and Mrs. DeJonge.

Mr. and Mrs. Loyd received many gifts and cards.

T-Day Program Is Nearly Ready

PRODUCTS PLANT INSPECTION STARTS AT 11 A. M., BANQUET IN EVENING

Plans for the all-out "T-Day" celebration are rapidly being perfected it was announced today by Ronald Harris, secretary of the Chamber of Commerce. "We have every reason to believe that the response of the public will be such that our purpose in staging these events will be realized," Mr. Harris stated.

"We feel sure that most residents of the area must be aware of the singular good fortune that is Tecumseh's," he continued. "However, it is the belief of the Chamber of Commerce that a dramatic concentration of the entire community upon some of our blessings will serve to stimulate our appreciation of them and challenge us to redouble our efforts to bring Tecumseh further along the splendid road that lies before it."

Among the leading features of the day will be open house for the public at the Tecumseh Products Company. "The concentration on the Tecumseh Products Company is not to disparage our other industries," Mr. Harris said. "However, we must realize that the size of this plant is by far the most important single feature in our local economy.

"The Products is the leader of the world in its field. Furthermore it is an industrial leader in the state of Michigan. There are only a few large cities which have plants with a payroll equal to that of the Products. There are many cities of a population of more than

LIFE AND DEATH

A law has been proposed in Congress which would "sovietize" this country, and every business and every individual within it. It is known as the Spence Act—H. R. 2756. It would give the government, through the President, the power to take over the economic system of the nation if, in his sole opinion, materials or facilities were in short supply, if prices were too high, or if some other situation affected the national security, the foreign policy, or our economic growth.

Here, in part, is what the President could do if the bill became law, as described by John T. Flynn in his book "The Road Ahead."

1. He could decide how much steel, lumber, or anything else could be produced. Industry would be compelled to meet whatever production budget he laid down.
2. He could, if he decided they were necessary, build government plants and factories to produce commodities of any kind.
3. He could establish priorities for materials, on either voluntary or a compulsory basis. Mr. Flynn observes, "Here is the power of life and death over every industrial enterprise in the land."
4. He could regulate all exports and imports.
5. He could establish maximum prices on any materials and facilities.
6. Finally, he could lay down any rules he deemed necessary to make the Act operative.

These rules would have all the power of law. And, to cap the climax, he could "make such inspection of the books, records and other writings, premises or property of any person and make such investigations and conduct such hearings as may be necessary to appropriate to the enforcement or administration of this act." Of this provision, Mr. Flynn says: "Here is the power of seizure and search upon a hitherto unimaginable scale."

It may seem unbelievable that a "dictatorship bill" could ever become the law of this land. It is frightening to think that such a bill should even be seriously proposed in a free country. It would give the President the same powers that Hitler and Mussolini had, and that Stalin has. And whether one agrees or disagrees with the view of any individual President is entirely irrelevant. The principle is what counts.

Many years ago a great American said: "Eternal vigilance is the price of liberty." That is truer today than ever. And this incredible measure — which all alone, could turn the United States into a total government — provides terrifying proof of it.

"T-DAY"

A Day Set Aside for the Reawakening of Tecumseh To New Economic Opportunities

Thursday, April 13th, 1950

Take a Conducted Tour Through the World's Largest Independent Refrigeration Plant

Hear First-Hand Some of the Plans and Prospects for Tecumseh's Future

PLAN NOW TO VISIT

Tecumseh Products Factory Thursday morning or afternoon, April 13. Guided tours. Cars furnished for those without transportation. It will be a thrilling and eye-opening experience and perhaps one of your few opportunities to see this great plant in production.

ATTEND THESE DEDICATIONS

Join your fellow citizens in the formal dedication of Tecumseh's new $400,000 high school at 3:30 in the afternoon of April 13. Hear Dr. C. L. Taylor, deputy superintendent of the Department of Public Instruction. Inspect the new building if you desire. You and all of your friends are invited to attend.

Immediately following the high school dedication formal ground-breaking ceremonies for the new addition to Tecumseh Hospital, doubling the size of that institution, will be held. This new addition, making Tecumseh Hospital the largest hospital in Lenawee County outside of Adrian, will be rushed to competion and probably occupied in the early fall.

Don't miss either one of these important civic ceremonies. Remember! Tecumseh is the fastest growing community in all Lenawee. It is growing to keep pace with the rapidly-expanding Tecumseh Products Company—now the world's largest independent manufacturers of electrical refrigeration. And, Tecumseh is indebted to Products, to Mr. Ray W. Herrick, its president, and to other members of its "official family" for both the high school and the hospital addition. The "Products Family" is spending about a QUARTER OF A MILLION DOLLARS to make these two fine civic improvements possible.

PLAN NOW TO ATTEND

The big "T-DAY" banquet at the Legion Memorial Home on Thursday evening, April 13, at 6:45. Hear first-hand some of the plans and preparations that are being made for Tecumseh's future growth, industrially and civically. Hear Tecumseh's nationally-known organization, the Tecumseh Chieftains Orchestra. This fine group will furnish music before, during and after the banquet.

Your Chamber of Commerce is Determined to Make Tecumseh the Home of its Workers

Your Chamber of Commerce Believes that Tecumseh Should be the Home of the Folk Who Are Employed in Tecumseh

Do You Realize that Less Than 35% of the 2,600 Employed at Products Live in Tecumseh?

Do You Know What 2,600 Products Workers, Living in Tecumseh, Could Mean to This Community?

DO YOU REALIZE THAT 2,600 Products Workers and their families, if they all lived here, would furnish gainful endeavor for:

- 2,000 workers in agriculture
- 2,500 in services
- 2,000 in trades and finances

DO YOU REALIZE THAT these 2,600 Products workers would spend annually more than

- $1,534,000 for food
- 623,000 for clothing
- 753,000 for housing and fuel
- 208,000 for household operation
- 1,500,000 for miscellaneous expenses, entertainment, etc.

(The above figures are based on a presentation made by the National Institute at Northwestern University.)

These Possibilities Are Right At Tecumseh's Doorstep! Cities Just Don't Happen-- They Are Made

Join Your Civic-minded Fellow-townsmen at the Factory, at the Dedications and at the Banquet

If you need a ride for your visit to Products, or if a banquet ticket seller misses you, Phone 259 and you will be taken care of.

10,000 whose entire industrial population is not as large as the number of workers employed at the Products. We want our people to tour the plant to see its hugeness for themselves, and to realize that the community which has such a plant has the responsibility of acting and thinking 'big' proportionally."

Tecumseh's new $400,000 high school will be formally dedicated that afternoon. "Again we have an institution to be proud of," said Mr. Harris. "Not only do we have all school students housed in school buildings for the first time in years, but we have here an excellent educational plant, graphically demonstrating the beauty of functional design and construction."

The Board of Education has arranged impressive dedication ceremonies for the occasion. Among the features will be music by the high school chorus, an invocation by Rev. Alvin Brazee, a teacher in the Tecumseh schools for 24 years, the formal presentation of the keys to Jens K. Touborg, president of the Board of Education, a presentation of a silk American flag to James McDowell, school principal, by Mrs. Ned Rosacrans, president of the American Legion Auxiliary, and an address by Dr. C. L. Taylor, deputy superintendent of the Department of Public Instruction.

Fitting ceremonies will also be held at the hospital where a new $80,000 addition is rapidly getting ready for construction. "Here again the citizens of Tecumseh are fortunate far beyond other towns much larger," Mr. Harris stated. "It is comforting to know that arrangements are being made for the adequate care of our people who are ill or suffering. Besides, the hospital has made Tecumseh the medical capital for most other communities in this section of the state."

The day will reach its climax at a civic banquet at the American Legion Home in the evening. At this banquet emphasis will be again placed upon Tecumseh and its challenge to live up to its own opportunities. Music will be furnished by the Tecumseh Chieftains orchestra and the principal address will be given by George F. Taubeneck of Detroit, editor and publisher of the Air Conditioning and Refrigeration News and a nationally known author and public speaker.

Tickets will be on sale in a few days. Persons who might be missed by ticket sellers may obtain them at the Chamber of Commerce.

Federal Census

(Continued from page 1)

the United States Bureau of the Census. Imposters posing as census takers are subject to penal action for impersonating a federal official.

During 1949 the Chamber of Commerce participated in a national campaign to curb the activities of those salesmen who pretended to be survey takers in order to gain entry into the homes of potential customers. The campaign was very successful but, with the start of the federal census, some salesmen may misuse the term "census" to get into a home or to secure certain information, Mr. Harris said. He added that instances of such trickery were already being reported to the National Better Business Bureau of which the Tecumseh Chamber of Commerce is an active member.

Ask the census enumerator to show his official credentials, which he will be glad to do. Anyone who introduces himself as taking a census and then plunges into a sales talk should be reported to the police for investigation.

About The Folk You Know

Ross Hadley observed his 12th birthday, Saturday, and in celebration of the occasion his mother, Mrs. Fred Hadley, entertained several of his friends. Jimmy Purkey, Gary Marsh, Barry Brock, Eugene Dunbar, Jack Purcell, Tom Maupin and Ross ate a big dinner with all the "birthday fixin's" and then enjoyed roller skating at the Sand Lake rink.

Jimmy Purkey turned 12 on Sunday and his parents, Mr. and Mrs. Lee Purkey, entertained at a family dinner in his honor.

Mrs. Cecil Fielder entertained Friday evening in celebration of the sixth birthday of her daughter, Sharon. After refreshments which included a decorated birthday cake and favors, the girls attended the theatre. The little guests were Patty Matheny, Inez Boltz, Patty Ann Squires, Ruth Ann Frost, Bonnie Bruske and Patty Fielder. Sharon received some nice gifts.

A group of some 25 relatives and friends surprised William Spreeman, last week Wednesday evening, when he observed his 65th birthday anniversary. The evening was spent watching television and playing canasta. Mrs. Henry Filter and Albert Filter won high honors and Henry Filter and Mrs. Charles Spreeman were low. Refreshments featured three birthday cakes, each decorated. Mr. Spreeman received many cards and gifts.

Miss Maureen McLain, daughter of Mr. and Mrs. Elliott McLain, a junior at Albion College, was recently elected president of Beta Pi chapter, Delta Zeta sorority, and was installed Monday evening.

H. R. Christianson Named Michigan Associated Head

H. R. Christianson was elected president of Michigan Associated Telephone Company at a meeting of the board of directors today. Mr. Christianson, who had been vice president and general manager of the company since 1936, is now president of the Greater Muskegon Chamber of Commerce. The directors also elected Ralph D. Heusel of Lafayette, Indiana, as vice president. At a stockholder's meeting earlier in the day Mr. Heusel was elected to the board of directors.

Mr. Christianson succeeds L. F. Shepherd, who recently resigned as president of both Michigan Associated and Indiana Associated Telephone Company to become president of Pennsylvania Telephone Corporation. All of these companies are subsidiaries of General Telephone Corporation. Since coming to Muskegon fourteen years ago Mr. Christianson has taken an active part in all phases of community life. Besides his duties as President of the Muskegon Chamber of Commerce, he is a member of the Board of the Y.M.C.A. and the Muskegon Rotary Club.

Hope Benefit Dance Will Raise Needed Funds

Because the Athletic Club parents are staging a benefit dance on April Fool's Day, doesn't mean they are fooling in their effort to raise money to purchase new football uniforms for Tecumseh high school. They need nearly another thousand dollars to cover the cost and committee members are pushing the ticket sales.

The dance will be held at the Legion Memorial Home with the Tecumseh Chieftains furnishing the music. Dancing will be from 9 to 12, on Saturday evening, April 1. Tickets may be purchased from Dick Beasley, Cliff Jackson or Mrs. Fay Whelan.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet Monday evening, April 3, at the public library instead of the home of Mr. and Mrs. David Beck and Mrs. John Lott as previously announced. Faye VanValkenburg is program leader.

LEAGUE TO MEET

The Westminster League of the Presbyterian church will hold a regular meeting, Tuesday evening, April 4, at the home of Mrs. Frederick F. Dickinson on West Pottawatamie street. Mrs. Mahlon Sebring is the assisting hostess and Mrs. Wellington Wotring will have devotions.

From where I sit ... *by* Joe Marsh
"Curfew Shall Not Ring Tonight"

Our ten o'clock curfew lasted for 50 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good for a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the *only* way to live.

From where I sit, it's not the American way to regulate your life by a horn—anymore than it's right to criticize *my* caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Mrs. Perry McLain returned home Sunday from Tecumseh hospital, where she had been a patient for three weeks. Mrs. Raynor McLain of Adrian is here for a few days to care for Mrs. McLain.

Dr. H. H. Hammel left Wednesday for a 10-day business and vacation trip to SanDiego, Calif.

BOY SCOUT NOTES

Cub Pack 4

Tecumseh Cub Scouts have selected Flying for their theme for the month of April. They are starting out by making kites at their various Den meetings.

The kites are all of the same design but each Cub will decorate his own as he pleases. As soon as the weather permits the kites will be taken out and flown. They will be shown to the parents at the next Pack meeting, Monday, April 17.

New Troop

This troop recently reported that all of its members had attained the rank of Tenderfoot. They immediately started work towards the next rank.

Scoutmaster James Beardsley reports that four of the boys have already progressed over one fourth of the way toward the rank of Second Class Scout. These four boys are Teddy Cornell, Ross Hadley, Glenn Haviland, and Jimmy Place.

munity Recreation Center and its financial problems and it was voted to have a representative of the club meet with the Center's board of control.

The Past Presidents were seated at the head table and each was presented with a corsage. Those present introduced themselves and told the years they headed the organization. Mrs. Duaine Service noted that there were 41 charter members and 11 are still active.

A group from the Exchange Club conducted a community sing under the direction of Wallace Whiting. All joined in singing several old-time favorites. Mrs. Fay Whelan then asked each member to introduce herself, tell where and when she was born and deposit the same amount of money as her age in the "kitty." This was held in lieu of the regularly scheduled auction as a money-raising affair and was heartily approved.

Mrs. Ruth LaPrad, Mrs. Gibbs Herbert, Mrs. Kenton Hunt and Mrs. Otto Meier were the hostesses. About 55 members and guests were in attendance.

MEETING DATE CHANGED

Underwood-Orr post, American Legion, will meet this (Thursday) evening at the Memorial Home, for a regular business session. The regularly scheduled meeting is for next week but was advanced a week due to conflicting dates.

Seven Local Youth At Rally In Clinton

Seven youth of the local Methodist church attended the sub-district youth rally held at the Clinton Methodist church, Sunday afternoon and evening. Sixty-eight young people and sponsors from this vicinity were in attendance. Duane Hay, Sally Rentschler, Nita Spangler, Joyce Gray, Beverly Hay, Donna Burleson and Gretta Porter attended from here and Miss Rentschler played a flute solo, accompanied by Miss Spangler, as part of the program. Mrs. Elven Duvall accompanied the group to the meeting.

Next Sunday evening, Tecumseh will meet with the Clinton young people.

TO MEET APRIL 4

The Golden Rule Division of the Presbyterian church will meet Tuesday evening, April 4, and members will be notified as to the place. It will be an important business meeting and members are urged to attend. The Division was to have entertained the Westminster Junior League at next week's meeting, but this was postponed until the May meeting because of Holy Week.

FELLOWSHIP MEETINGS

The junior and senior Westminster Fellowships of the Presbyterian church will meet Sunday evening, April 2, at 6 and 7 o'clock, respectively. At the latter meeting a debate will be held with David Green and Cynthia Spafford presenting opposite views on the question: "Must a Christian be a Pacifist?"

AUXILIARY TO MEET

The American Legion Auxiliary will meet Monday evening, April 3, at the Memorial Home. Mrs. Ned Baldwin is chairman of the Child Welfare program and the refreshment and entertainment committee is composed of Mrs. Marian Harrington, Mrs. Clyde Drewyor, Mrs. E. T. Drake and Mrs. Robert French.

FIRE FROM TORCH

Firemen were summoned to the Seitz Plumbing Shop on North Evans St., Wednesday at 10 a.m., when a torch blew up and caused some rags to catch fire. No damage was caused from flames.

DAUGHTERS TO MEET

The Daughters of St. Peter will meet Tuesday evening, April 4, at the home of Mrs. Frank Sutton, 740 N. Union, at 8 o'clock.

Quality and Service Are Important Budget Items

When you buy merchandise today—especially food—it is important that you buy quality. We say this because if you are forced to waste a part of what you buy, your budget reflects the waste.

That is why we sell quality foods. We know that when you buy quality there is no waste and as a result, costs are held down.

Service, too, is important. And from our well-stocked shelves you can always get what you want.

We'd be happy to have you take advantage of quality and service at our store.

MACON

Perry—Skinner

Lewis B. Skinner of Ypsilanti is announcing the marriage of his daughter, Mary Ruth to Albert W. Perry, which took place March 13 at Chicago, Ill. Mr. Skinner and his wife Bertha Allen Skinner were both descendants of early pioneer settlers of Macon and were both born in Macon where they spent their early years, Mrs. Skinner died many years ago.

A volunteer program of songs, readings and recitations was enjoyed at the March meeting of the Community Club which met at the home of Mr. and Mrs. Melvin Travis. The program included remarks by the Rev. C. F. Riggio; recitations by Ray Gilmore and Floyd Totten; readings by Bessie Robinson, Ruby Bigelow, Rose Gilmore and Mrs. Riggio. A group composed of Marjorie Smith, Bessie Travis, Ruby Bigelow, Mrs. Riggio, Clayton Bigelow, Ralph Halladay and Ray Gilmore sang two songs. Maude Halladay was the pianist. The group also enjoyed several songs with all guests joining in the singing. The hostess and her committee served a co-operative dinner.

Quote from last week's Herald, March 23 issue, "Do You Remember" column, "News scarce and mud plenty in 1890." Its happened again, 'nough said.

The Macon Extension Club will hold its next meeting at the home of Mrs. Howard Rhora Thursday afternoon, March 30. The lesson topic for discussion will be "Living Together In The Family." Luncheon will be served by the hostess.

Miss Mary C. Bell Is Married In New York

Miss Mary Caroline Bell of New York City, daughter of Mrs. Maude Bell of Tecumseh, and William Herman Schwartau, son of the late Mr. and Mrs. F. A. Schwartau of New York City, were married Sunday, March 26, at seven-thirty o'clock. The informal double ring ceremony was performed by two Rev. Fr. Grieg Tabor in the Episcopal church of St. Mary the Virgin.

The bride wore a navy blue faille jacket dress with white pique trim and a white candy straw veiled hat with navy accessories. She carried a white Prayer book and a single pink camelia. The groom's gift was a gold studded antique lavalier. The couple was unattended.

Mrs. Schwartau graduated from Tecumseh high school and the University of Michigan. Mr. Schwartau attended a private school in New York City, the Massachusetts Institute of Technology and the Rensselaer Polytechnic Institute. During World War II he served in the U. S. Navy. Both the bride and groom are engineers at the National Broadcasting Company. They are making their home at 121 East 34th St., New York City.

Seasoned Traveler Is Known By His Baggage

Stockholm—You can tell an experienced traveler by the amount of luggage he doesn't carry.

Of the thousands of Americans roaming through Europe this year many will be loaded with luggage and will lose many hours trying to keep track of it. It is just as important for the vacationist to plan his wardrobe as his trip. Airlines limit passengers to 66 pounds, but this does not include topcoats or handbags, which are considered part of the traveler's personal weight.

"Travel light and you will travel best," is the advice from Linjebuss, Swedish Trans-European Bus Lines. It has been their experience that one large bag and a small overnight case are ample to carry all necessities for a summer tour of Europe. And believe it or not, they find that women generally pack better and need fewer clothes than men.

Senior Hostess Anne Borgelin of Linjebuss recommends the following wardrobe for women: Tweed topcoat, two lightweight suits, woolen skirt, two nylon blouses, two nylon sweaters, nylon lingerie, and two pairs of shoes. A beret can be "dressed up" with costume jewelry for special occasions and packs readily. Miss Borgelin suggests a lightweight raincoat which folds into a special packet. And don't forget a bathing suit.

She recommends nylon and jersey clothes because they need no ironing. A travel iron is best left at home, according to the hostess, because the electric current in Europe is different than in the United States. Hanging things which are a little mussed in the bathroom while taking a shower will allow the steam to remove the wrinkles.

It's a good idea to take cosmetics and soap along, as they are still short in Europe. If they go in a small bag, along with overnight necessities and an extra blouse, sometimes it may not even be necessary for the visitor to open his large bag.

Experiments in flying were carried on by the Wright Brothers at Kitty Hawk, N. C., because winds there are steadiest and strongest of anyplace in the United States.

Miss Beatrice Daykin Weds Chas. D. Branigin

Traditional white satin gowned the bride when Miss Beatrice Daykin of Britton exchanged vows with Charles D. Branigin, II, of Tecumseh in a lovely home ceremony, Friday evening, March 24.

The nuptials took place at the home of the bride's aunt and uncle, Miss Lela Daykin and Leon Daykin of Britton, with the Rev. Donald C. Wilson, pastor of the First Presbyterian church of Tecumseh, reading the double ring ceremony at seven o'clock. The bride is the daughter of Mr. and Mrs. Lenard Daykin. Mr. and Mrs. Charles D. Branigin are the parents of the groom.

With her satin gown, which was fashioned with a fitted bodice, long sleeves ending in points over the hands and a full sweeping skirt, the bride wore a fingertip veil with a head crown of pearls. Her bridal flowers were a shower bouquet of white roses and carnations and her only jewelry was four strands of pearls.

Mrs. June Green was matron of honor and she wore yellow marquisette over satin, made with a fitted bodice and full skirt. She carried a bouquet of aqua carnations and wore a headdress to match. Paul W. Branigin of New York City served his brother as best man.

While the guests were being seated Mrs. Lillian Bortel played "Love's Old Sweet Song," "When the Organ Played at Twilight," "I Love You Truly," "Always" and the Wedding March from Lohengrin.

A reception was held at the First Presbyterian church in Tecumseh for some 300 guests. Mrs. Walter Trost, cousin of the bride, registered the guests, and Mrs. Jeanne O'Neil and Miss Alice Seeger presided at the tea and coffee urns. Mrs. Frank Smith served the wedding cake. Mrs. Vern Eyler and Mrs. Jack Barrett, sisters of the bride, acted as hostesses assisted by the Golden Rule Division of the church.

Guests attended from Detroit, Cleveland, New York City, Plymouth, Ypsilanti, Ann Arbor, Hamburg, Deerfield, Ridgeway, Clinton, Blissfield and Tipton.

After the reception the couple left on a motor trip to Tennessee and North Carolina and upon their return will be at home in their newly furnished house east of Britton.

The bride graduated from Brigton high school and the Del-Mor Beauty School in Detroit. She operates the Beatrice Beauty Shop in Tecumseh. The groom attended Michigan State College, where he was a member of Sigma Alpha Epsilon, and is now engaged in market gardening.

CLINTON

"The Prize Family," a three-act comedy will be presented by the junior class of the Clinton school, Thursday and Friday, April 13 and 14. Those in the cast are: Joan Werth, Donald Sproull, Janet Scully, May Van De Mark, Richard Richardson, Art Woodward, John C. Knight, Duane Semark, Ruth Heimerdinger, Joan Baker, Wilma Koons, Jacqueline Francis, Marcia Sparks and Sally Ashton.

Mrs. Charles Knight and Mrs. Wesley Proctor attended the annual meeting of the Methodist Women's Society of the Ann Arbor district in Plymouth, Thursday.

The Clinton Youth Fellowship of the Methodist church were hosts at a sub-district youth rally, Sunday afternoon. Mrs. Celestia Ingraham is chairman of the Fellowship. The afternoon was spent getting acquainted, with recreation, a film script and worship service. The women of the church served supper and the program closed with a communion service.

The Red Cross drive netted $283. The Clinton Woman's Club had representatives in the State Savings Bank to accept contributions.

ACTIVE CLUB WOMAN RECOMMENDS O-JIB WA FOR ARTHRITIS

Like so many thousands of other sufferers, Mrs. Ella Brown of 324 Laurence, Royal Oak, tried many medicines without results, before finally discovering the one medicine that really helped her—O-JIB-WA BITTERS.

There is real hope for every sufferer of Rheumatism, Arthritis, Neuritis and Sciatica. Don't be discouraged because other treatments and medicines have failed you. Gain from the experience of Mrs. Ella Brown, whose statement follows, and like many others, offers these facts so that you too may rid your system of painful Rheumatism and Arthritis.

Suffered 20 Long Years

"Because of the suffering I have endured for 20 years and because of the great benefit I have received from O-JIB-WA BITTERS, after trying so many other things without results, I welcome the opportunity to publicly tell others what O-JIB-WA BITTERS has done for me. During this time, I suffered almost continually. It would jump from my legs and knees to my arms and hands and back again. My knees would get so bad they just cracked and the pain was so severe I made faces and would almost scream. I could hardly walk and my husband had to pull me to get me up out of my chair and used to push me up the stairs at bedtime. Then when the Arthritis moved to my wrist and fingers, they pained as bad as if they were broken. I couldn't even lift the teapot. My daughter did all my housework as I was just not able to. I had been working in veterans hospitals writing letters and sending cards in my spare time, but my fingers swelled so bad I could not write and was forced to give this up."

Now Completely Better

"I tried many other treatments and medicines with very little results before I tried your fine medicine upon the recommendation of my cousin who had benefitted from its use. It was nearly 3 weeks before I could see much change, but from then on I began to improve, until I was completely better four months later. O-JIB-WA BITTERS not only did away with my rheumatism and arthritis completely, but it has also did wonders for my kidneys, indigestion and high blood pressure. Recently I had a complete physical examination and was told that I was in excellent condition for a woman of 56. My friends are amazed by my recovery and needless to say, I now do my own housework and am again active in the good work of the VFW, DAV and other organizations and hospitals. I truly welcome this chance to tell other sufferers of my recovery and recommend O-JIB-WA BITTERS to them."

Sufferers — O-Jib-Wa Can Help You Too

No medicine being sold today for rheumatism and Arthritis has received such public acclaim and enthusiastic recommendation by its users than O-JIB-WA BITTERS. The reason for this is because O-JIB-WA is not just a pain deadener as are so many tablets on the market today, containing primarily aspirin and salicylates. O-JIB-WA works through the blood stream and loosens stiff joints to relieve the distressing pain, even when the stiffness has become deep seated. O-JIB-WA BITTERS has a tonic effect on the stomach, liver, kidneys and nervous system. O-JIB-WA is quick in action and aids in correcting the cause of these horrible agonies. In most cases, regardless of what you have tried without results, you owe it to yourself to try this great all herb medicine. Don't give up hope. Don't put off. Give O-JIB-WA BITTERS a chance to help you. Available at all leading drug stores in Michigan and especially recommended by:

Thursday, April 13, 'll Be T-Day in Tecumseh, but

You Can T-D a New Ford in Tecumseh Any Day In The Week

We've heered a lot about alfibets in the last few years but we never got in conflict with abbreviatin letters 'till tother day when the Sekritary of the Chamber of Commurce announced a T-Day of his own. He's named Thursday, April 13, as T-Day in Tecumseh —meanin, we've learned, TECUMSEH DAY.

Waal, the Chamber's T-D and our T-D go well together but at the same time they're differunt. Our T-D means Test Drive, when we're talkin about a new Ford-fur-fifty. Yuh got to drive em, we says, to appreciate em, and that's jist what a lot o folk are doin'.

So, we're cooperatin with Mr. Harris in his T-D by boostin' our T-D. We realize that anything we kan do to boost Tecumseh boosts us, too, and, likewise, when we boost ourselves we're boostin Tecumseh cause we're a part of it.

So, we says, lets have more and biger T-D's. Let's make Tecumseh T-D a grand day. And, if you'll drop in to our Stabul on T-D or any other day and T-D (test drive) one o Henry's new gas buggies we'll be double happy.

Now don't forget. T-D means T-Day in Tecumseh, April 13, and it also means an eye-opener for you if you'll T-D a new Ford.

THE TECUMSEH HERALD

NINETY-NINTH YEAR—NUMBER TWENTY-SEVEN | TECUMSEH, MICHIGAN, APRIL 6, 1950 | FIVE CENTS A COPY

April 13th T-Day Program Announced

Union Service On Good Friday

WILL BE FROM 12 TO 3 AT PRESBYTERIAN CHURCH; EASTER SERVICES ANNOUNCED

Tecumseh churches are in readiness for Eastertime with special services tonight and continuing through Sunday, when the story of the Resurrection of Christ will be told and retold in churches of all faiths.

The Union Good Friday service will be held in the First Presbyterian church from 12 noon to 3 p.m., with members of the Ministerial Association participating in the Seven Last Words of Christ as follows: "Father, Forgive them for they know not what they do," the Rev. Edward Escolme; "Today thou shalt be with me in Paradise," the Rev. B. O. Bashore; "Woman, behold thy son. Son, behold thy mother," Dr. Norman MacNaughton; "My God, my God, why hast Thou forsaken me?" the Rev. Mr. Escolme; "I thirst," the Rev. Allan L. Ramsay; "It is finished," the Rev. Mr. Bashore; "Father, into Thy hands I commend my spirit," the Rev. D. C. Wilson.

Worshippers are welcome to attend as much of the service as possible and may enter and leave during the three hours if occasion demands. It is customary for the business establishments to close their doors during the three hours.

The annual Easter sunrise service for all young people in the community will be held at the Tecumseh Friends church at 6 a.m., followed by breakfast. There will be a guest speaker and special musical numbers.

This evening, Maundy Thursday, at the Presbyterian church, there will be a service of worship with the Lord's Supper being administered, as in the Scottish church, to the worshippers seated at one large table. The St. Andrews choir will take part and the service will include a pictorial commemoration of the Last Supper. The service will be in the Fellowship Center.

Many families of the Presbyterian church have been observing the "Sacrificial Meal" during Lent, laying aside once each week the difference between the cost of a frugal meal and that of a normal meal. The offering will be returned

New P-A System At High School

The public who attends dedication of the new high school on T-Day, April 13, will have an opportunity to see a new public address inter-communication system in operation, it was announced today by Earl H. Place, superintendent of schools.

Mr. Place also stated that the PA system will be of inestimable value in school routines. Announcements and bulletins which previously had to be circulated by messenger can now be transmitted by merely setting the switch for the proper place of reception.

"When the public comes to our dedication service," Mr. Place said, "there need be no fear of not hearing the entire program. No matter where one may be in the building, he will be able to hear all that is said. We can easily make it possible for 2,000 to share in the ceremony."

The system is being financed on a rental-purchase plan, with the Student Council paying about two-thirds and the school board the balance.

ROBERT W. GRIGG BURIED AT RIDGEWAY

Funeral services were conducted last week Wednesday afternoon from the Collins Funeral Home for Robert W. Grigg, who died March 28. The Rev. O. V. Robinson of Lansing, a former pastor of the Tecumseh Baptist church, officiated and burial was in Ridgeway cemetery. The bearers were E. F. Soncrant, H. W. Soncrant, E. M. Soncrant, G. H. Soncrant, Harvey Dinse and Arthur Dinse. Friends and relatives attended from Flat Rock, Detroit, Plymouth, Adrian, Lincoln Park, Lansing, Macon, Britton, Ridgeway, Holloway, Tipton, Toledo, Clinton and Tecumseh.

Fay Crane and Sister Hurt In Auto Accident

Fay Crane and his sister, Mrs. Alice Irelan are patients in the Brighton hospital after suffering severe injuries in an automobile accident, which occurred last week Tuesday evening about 8:30, on US23 near Flint. Mr. Crane suffered a crushed vertebrae, and Mrs. Irelan received a serious head injury, broken pelvis and ankle injury. According to their mother, Mrs. Ella Crane, who makes the trip to Brighton daily, they are improving but will be hospitalized for some time.

The accident occurred when Mr. Crane swerved to avoid hitting a tractor with a blinding light traveling in the opposite direction. The car hit a soft berm and turned over. Mr. Crane was thrown free of the rolling car but Mrs. Irelan was pinned underneath.

Palm Sunday Is Observed

SPECIAL SERVICES IN CHURCHES RETELL OF CHRIST'S ENTRY INTO JERUSALEM

In sermon and song the triumphant entry of Christ into Jerusalem centuries ago was retold to throngs of worshippers attending Tecumseh churches on Palm Sunday. There were special sermons, baptisms and music in commemoration of Christ's moment of triumph.

At the Presbyterian church the following persons were received into membership: Mr. and Mrs. Harold L. Clark, Mr. and Mrs. Harold B. Green, Mr. and Mrs. Otto Meier, Mr. and Mrs. Wayne C. Pence, Mr. and Mrs. Clair L. Ramsay, Mr. and Mrs. Joe L. Springer, James Freckelton, Jerrold L. Barton, Ruth M. Boyce, James W. Hite and John Sisson. The Sacrament of Infant Baptism was administered to the following children: Robert B. Tilley, Sherrie June Springer, Laurance O. Meier, Robert A. Meier, Kathryn J. Meier, Karen M. Thompson, Jana L. Barron and John E. Saling, II. Following the Communion Meditation by the pastor, the Sacrament of Holy Communion was celebrated.

Deborah Black, infant daughter of Mr. and Mrs. Harold Black, was dedicated to the church during services at the Baptist church. For special music the choir, under the direction of Mrs. Harley McConnell and accompanied by Mrs. Ken-

TECUMSEH WINS TWO FIRSTS IN DISTRICT CONTEST AT HIGH SCHOOL

The cafeteria of the new school was the scene of the annual district Forensic contests last Friday, March 31, from 2 to 6 p.m., under the sponsorship of the Tecumseh high school Student Council. Mrs. Ray Sluyter, Mrs. J. W. Spafford and Mrs. Harold Sisson served the refreshments between the various contests.

In the opening contest, the following declaimers placed as follows: first, Mary Bauer, Adrian St. Mary's; second, Vivian Hahn, St. Mary's; third, Frances McAdams, Adrian senior high; fourth, Beverly Hay, Tecumseh; fifth, Fred Hough, Adrian.

In the second contest, dramatic reading, the ratings from one to six were as follows: Agnes Vogel, St. Mary's; Clayce Webster, St.

Miss Grace M. Norris To Be Buried In Brookside

Miss Grace M. Norris, aged 74, died Monday morning in the Ypsilanti State Hospital. Funeral services will be held today (Thursday) from the Green Funeral Home at 2 p.m. Dr. Norman MacNaughton will officiate and burial will be in Brookside cemetery.

Born in Palmyra in 1876, Miss Norris was the daughter of James H. and Sarah P. Norris, and all her life was spent in and around Tecumseh. A taented musician, Miss Norris was organist of the Tecumseh Methodist church, of which she was a member, for many years. Until her health failed, she had been active in church work.

Miss Norris is survived by one brother, Walter Norris of New York City. Preceding her in death were her parents and one sister, Mrs. Ella Eaton.

High School To Be Formally Dedicated

The above photograph is from the architect's drawing of the master plan for Tecumseh's junior-senior high school. The new $400,000 building, a part of the master plan, will be dedicated at a service on T-Day, next week Thursday, to which the public is invited. The dedication program is scheduled to begin at 3:30 and, at 4:30 there will be a ground-breaking ceremony for the new addition to Tecumseh Hospital.

30% OF PRODUCTS WORKERS LIVE IN TECUMSEH

Need More Houses? Here's Answer

In spite of the large number of homes built in recent years, only 30% of the employees of the Tecumseh Products Company live in Tecumseh, a survey of the time cards of the plant revealed today.

On Monday of this week the Products had 2,498 workers engaged in production. From 150 to 200 more are office workers and executives and personnel of Sales and Engineering.

Of these 2,498 workers (a large number has been added since Monday) only 765 or thirty per cent have Tecumseh addresses the time cards showed. The others come from 70 Michigan and 7 Ohio communities every day to work in the local plant.

Other large groups come from nearby towns: 207 from Adrian, 142 from Britton 138 from Dundee, 121 from Blissfield, 115 from Clinton and 101 from Petersburg.

"All of this shows the challenge to Tecumseh," Ronald Harris, Secretary of the Chamber of Commerce, said when shown these figures. "Two years ago we were shown the breakdown of Products employees at that time. Then 716 of 2,404 workers lived in Tecumseh with the others coming from 53 Michigan and 8 Ohio towns.

"Many houses have been built in these two years, but we have not gained enough." Mr. Harris said. "Tecumseh is providing a living for nearly two thousand persons from other communities. Our goal is to have a more equitable percentage of these workers living here and turning their earnings into the commercial life stream of this community. We need homes for these workers and we need our

Red Cross Drive Is Over-Top In Tecumseh

The Red Cross Fund Drive in Tecumseh went over the top, Mrs. Vincent Haight, chairman, announced this week. The quota was $700 and over $750 was collected.

There was no house to house solicitation but campaign workers were at the local bank several days a week to accept voluntary contributions. Those who assisted included Mrs. Fred Marsh, Mrs. Orville Parver, Mrs. M. Miller, Mrs. R. K. Anderson, Mrs. George Rathbun, Miss Nina Heesen, Miss Clara Waldron, Mrs. Russell Carey, Mrs. Edna Codling and Mrs. Karl Schneider.

Mrs. Haight and Mrs. L. W. Larsen were co-chairmen of the drive in Tecumseh village.

BURIED IN BROOKSIDE

Funeral services for Mrs. Jennie N. Tallman, who died March 27, were held from the Collins Funeral Home, Thursday afternoon. The Rev. Alvin C. Brazee officiated assisted by the Rev. Donald C. Wilson and burial was in Brookside cemetery. The bearers were George McKendry, Wilfred Waldron, Garland Gove, Robert McKee, Guy Nenaire and Rufford Anderson. Friends and relatives attended the services from Ingersoll, Ontario, Kalamazoo, Toledo, Seneca, New Brighton, Pa., Morenci, Adrian, Raisin Center, Britton, Ridgeway, Macon and Tipton.

$1,000,000 Payroll At Products In April

What does a million dollars look like?

Well, if you could get all of the workers at Tecumseh Products to show you their earnings for the month of April you'd see a million dollars—and a little bit more. It took that much money to meet Products' payroll last month, according to Robert G. Fuller, treasurer of the company.

The payroll in the month of April was the heaviest in the company's history. The payroll for the first three months of 1950 amounted to more than $2,382,000.

Products, world's largest independent manufacturers of electrical refrigeration, now has over 2,600 employees.

MYSTERY DEATH

ONSTED WOMAN MAY HAVE BEEN HURLED FROM MOVING MOTOR CAR

State police are investigating the mysterious death of Mrs. Thelma Rodabaugh, 29, of Gilbert Road, near Onsted, which occurred at 4 a.m., Wednesday, a few minutes after she had been admitted to Tecumseh Hospital. The woman was found lying in the line of traffic on US-112 about a half mile west of Clinton by a state police patrol car at 3:30, and was removed to the hospital by ambulance.

Police say Mrs. Rodabaugh suffered a fractured right arm, crushed right hip and other bruises to the body. Coroner Ed Braun, Adrian, said an autopsy would be held, probably today. Later, he said, the body would be taken to the Niblack Funeral Home, Britton.

Mrs. Rodabaugh, according to officers, is the wife of Randall Rodabaugh, 31, an employee of Tecumseh Products Co. They have four children, one of them an infant. Mr. Rodabaugh was at home with the children Tuesday night.

Police say that the woman was in Manchester on Tuesday morning, seeking employment there. She left the children with a baby sitter while her husband was at work.

Officers are working on the theory that Mrs. Rodabaugh was the victim of a hit-and-run driver or, that her body may have been thrown from a moving automobile.

Town Hall To Meet, April 18

The work of the Hoover Commission and its proposal regarding the reorganization of the federal executive branch of the government will be discussed by Dr. C. Ferrel Heady, jr., assistant professor of political science at the University of Michigan, when he addresses the April meeting of Town Hall, Tuesday evening, April 18, at the Central School Building. The meeting previously was announced at the new high school, but the location has been changed.

The Town Hall meeting will start at 8 p.m. It is open to the public without charge.

Elliott Takes President's Job

NEW COUNCIL SEATED AT MONDAY MEETING; VILLAGE ENGINEER QUITS

J. Floyd Elliott, newly elected president of the village of Tecumseh, and five members of the Peoples Party who were elected with him at the polls last month were officially seated as members of Tecumseh's official family when the council met in regular session, Monday evening. The newly elected council members are E. C. Hellman, J. H. Rohweder and Howard Truesdale. Robert Kroner succeeded Wade L. Jones as clerk and Terrence Wagner replaced John Saling as assessor. The retiring members of the council are Clarance Beach, Glenn Driscoll and R. G. Oosterhout. The latter two men did not seek re-election. Hold-over council members and who still have another year to serve are George McCombs, Ray Sluyter and Archie Porter.

After a brief session of the retiring council, under the presidency of Marvin Watkins, Mr. Elliott organized the new official family as follows:

President pro tem, George McCombs; Village engineer, Albert Bagshaw, a temporary appointment; Assistant engineer, John Kopka; Purchasing agent, Robert Kroner; Acting chief of police, O. Heberlein; village attorney, J. C. Beardsley; Health officer, O. Heberlein; Health physician, Dr. H. H. Loveland; Building inspector, M. Thielan; Fire chief, C. Alderdyce; Fire truck driver, Chas. Manley, assistant, L. Coller; Member of the Brookside Cemetery board, Ellsworth Collins.

Mr. Bagshaw's appointment as temporary engineer, a post he held some years ago, came about after Kenneth Dawson, engineer here for more than a year, tendered his resignation to the retiring council, effective on April 30. He later, after the new council organized,

Club Luncheon Here, April 10

MONDAY CLUB TO CONCLUDE YEAR WITH ANNUAL PARTY AT LEGION HOME

Climaxing another successful year of educational and entertaining meetings, the Tecumseh Monday Club will hold its annual Spring luncheon next week, April 10, at the American Legion Memorial Home at one o'clock. Reservations must be in by tomorrow (Friday) evening.

The officers of the club will serve as luncheon hostesses. The committees were named at this week's meeting, held at the home of Mrs. Earl Wood at Wamplers Lake, as follows: luncheon, Mrs. Donald Goddard, Mrs. Truman Rentschler and Mrs. Wood; decorations, Mrs. E. J. Aebersold, Mrs. Veva Connor and Mrs. Ted La Bounty; tickets, Mrs. M. G. Partridge, Mrs. Glenn VanDenbergh and Mrs. George E. Green.

Dr. E. H. Babbitt, vice president of Adrian College, addressed some 35 members at Monday's meeting on "The Resurrection of Peace." Mrs. Earl Place introduced Dr. Babbitt in the absence of Mrs. F. E. N. Thatcher, who is ill.

Mrs. Goddard, president, presided at the meeting. Mrs. Perry Hay-

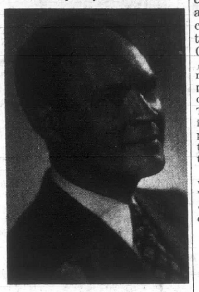
Includes Products Visitation, Hi School Dedication, Hospital Ground Breaking, Civic Banquet

Details of T-Day, Tecumseh's all-out civic observance next Thursday, April 13, were announced today by the Chamber of Commerce. The events of the day are scheduled so that all residents of the area may participate, and the Chamber confidently expects a "lift" in the spirits of the entire community as its citizens pay special attention to some of the outstanding institutions of the town.

T-Day Speakers



GEO. F. TAUBENECK, editor of Refrigeration News, will be the principal speaker at the civic banquet at Legion Memorial Home, next Thursday evening. The banquet, sponsored by the Chamber of Commerce, will be attended by 300 and climaxes the T-Day celebration.

C. L. TAYLOR, deputy superintendent of public instruction for the state of Michigan, will deliver the principal address at the dedication of Tecumseh's new $400,000 high school, next Thursday at 3:30, a part of the T-Day program.

P.T.A. Gym Demonstration To Be Held on April 21

The Tecumseh Parent-Teacher Association will sponsor its most popular program of the year—a gym demonstration—Friday evening, April 21, in the Central Building gymnasium. Mrs. Marie Clark and Elven Duvall, physical education instructors, will have charge and David Locke's Future Farmers of America will present the finale—a pillow fight on a greased pole.

The program has been announced as follows: dodge ball game, fourth grade; stunts and tumbling, fifth grade girls; boxing match, fifth grade boys; square dance, sixth grade girls; wrestling exhibition, J. Henry and D. Bailey; boxing exhibition, C. Bumpus and J. O'Brien; tumbling, ninth to twelfth grade boys; volley ball game, seventh and eighth grade girls; basketball game, seventh and eighth grade boys; basketball game, ninth to twelfth grade girls; finale.

M. G. PARTRIDGE NAMED ROTARY VICE-PRESIDENT

M. G. Partridge was named to succeed Robert H. Moore as vice president and program chairman of the Rotary Club when the board of directors of that organization met, Tuesday evening, following dinner at the Legion Home. Mr. Moore, elected to the office a week ago, tendered his resignation at the meeting. He said that the press of business made it impossible for him to assume the new duties. New Rotary officers are seated in July.

The program at the Rotary meeting included Easter music by the high school chorus under the direction of Mrs. Ann Gentile which was greatly enjoyed. The junior Rotarian was Jerry Henry.

That public participation in the events may be most complete, Tecumseh's stores and the public schools will close at noon, April 13, for the remainder of the day, the Chamber announced.

Starting at eleven o'clock in the morning, announced by the appearance of the high school band, open house will be held at the Tecumseh Products Company. Visitors will be guided through the plant in groups while the huge factory continues its regular production schedule.

On T-Day two years ago, 3,500 visitors went through the plant. The factory has since then expanded enormously, and in a highly competitive industry, has maintained its proud position as the world's largest independent producer of refrigeration units. Those who have seen the inside of this factory before will want to see it again, and there are still many others who have never seen the inside of a great factory.

The visitations to the Products will continue until three o'clock. At 3:30 impressive ceremonies will be conducted inside the new $400,000 school when it will be formally dedicated. The new public address system in the school is now in operation, and every person will be able to hear the entire program, no matter what location may be in.

The high school ceremonies will start with an invocation by the Rev. Alvin Brazee, followed by selections by the high school chorus under the direction of Mrs. Ann Gentile, Superintendent Earl Place will then give a history of the project, after which Harold H. Munger of Toledo, the architect, will present the keys of the building to Jens K. Touborg, president of the Board of Education.

Mrs. Ned Rosacrans, president of the American Legion Auxiliary, will present the school with a silk American flag which will be accepted by James McDowell, high school principal.

The principal address, "The Challenge to Education," will be given by C. L. Taylor, deputy superintendent of public instruction for the state of Michigan.

Sally Jo Rentschler and Mrs. Gentile will play a flute and violin duet, and the ceremonies will be concluded by the benediction by the Rev. Mr. Brazee.

At 4:30 there will be ground-breaking ceremonies for the new addition to Tecumseh hospital, which will henceforth be known as Herrick Memorial Hospital in honor of Mr. and Mrs. Benjamin Herrick, parents of Ray W. Herrick, whose recent gift is making the new addition possible.

At the hospital there will be selections by the high school band, followed by the invocation by the Rev. B. O. Bashore. A history of the hospital project will be given by Dr. H. H. Hammel. Using a

PROCLAMATION

WHEREAS Thursday, April 13, is a day set aside for the citizens of Tecumseh to measure the progress and opportunities of the community, and

WHEREAS this progress and these opportunities are very real as shown by our school, hospital, and industrial development,

NOW THEREFORE I, J. Floyd Elliott, President of the Village of Tecumseh, do hereby proclaim Thursday, April 13, as "T-DAY," and urge our people to participate in the events of the day, and I further urge our commercial establishments and schools to close in the afternoon in order to afford ample opportunity for such participation.

TAXES EMPLOYMENT

In a recent issue Collier's published a dramatic double-page spread demanding repeal of the wartime excise taxes on commodities and services. It showed just how these burden the consumer. And the point was that these taxes "reduce employment—penalize consumption—discourage business."

You pay a wartime excise tax every time you buy a piece of luggage, a bottle of baby oil, some modest jewelry, and many other items which certainly cannot be called luxuries in a nation which prides itself on its high and rising living standards. You also pay them when you make a long distance telephone call, or send a telegram, or travel on a train or a bus or a plane—services which, in many instances, are absolute necessities. And these taxes, it must be remembered, come right on top of the thousand and one other taxes which business and individuals must pay, and which are part of the cost of everything the consumer buys.

The excise taxes were not passed primarily to raise revenue. They were designed to discourage avoidable civilian use of goods and services when we were at war, and everything possible had to be sacrificed to our military needs. When they were passed, it was practically universally said that they would be repealed as soon as the war ended. The war did end, years ago—but those taxes are still on the books.

Some experts actually think that repeal of the taxes would increase government revenues, by stimulating business in the affected enterprises. In any event, any loss could easily be made up, and more, by paring just a little of the waste in the government. Collier's hit the nail on the head when it said that the taxes "reduce employment—penalize consumption—discourage business."

Mr. and Mrs. Carl Gritzmaker called on Mrs. Earl Bennington who is a patient in the University Hospital in Ann Arbor on Sunday.

P.T.A. Card Party Nets $336 For School Benefit

Proceeds from the card party given by the Tecumseh Parent-Teacher Association, Friday evening, were $336, it was announced after the final count was made. In every way, the affair was a complete success and it is expected similar parties will be held annually.

Preceding the games dessert was served by 24 women, one representative from each class room. Seventy-three tables were filled for cards and prizes were awarded at each one. During the evening an additional 60 prizes were given away.

During intermission an auction of home made cakes netted $50. Ticket sales amounted to $242 and $44 in donations was received. After expenses were paid, a total of $336 was realized as profit and this money will be used for necessities at the school for which no other funds have been provided.

In the ticket selling contest, Mrs. Irene Boltz's fifth grade room was high with $33.50; and Miss Bernice Parker's sixth grade room and Mrs. Ina Bailey's fourth grade room received special recognition. In the junior high, the eighth grade was awarded the $5 cash prize and the grade winners will receive their choice of a free movie or ice cream.

Posters for the party were made by Miss Dorothy Burgess's art class and the members of Mrs. Ben Standen's Girl Scout troop assisted Mrs. W. H. Wick in preparing the rose bowls given as table prizes. Coffee, cookies, saltines, graham and cream were donated by companies. A representative of a Toledo concern attended the party and complimented the association on its success.

Mrs. Thomas O'Hara, general chairman of the party, is grateful to all those who assisted and whose cooperation made the party such a success; especially the committees and room mothers.

FORMER RESIDENT DIES

A former Tecumseh resident, George C. Faling, died Saturday afternoon at the home of a niece, Mrs. Marion B. Murphy in Tecumseh township, where he had been visiting for the last month. His body was removed to Texas and funeral and burial services were held there Tuesday. Also surviving are two other nieces, Mrs. Florine Burns of Detroit and Mrs. Margaret Marsh of Grosse Pointe.

Residence Is Donated For Consul General

Washington — Curacao, key Dutch island in the Caribbean, has just donated a residence for the United States Consul General, in gratitude for American help in World War II.

As disclosed by the State Department, the recently constructed "President Franklin Delano Roosevelt House" was dedicated on March 15.

The handsome structure was given "to the government and people of the United States by the government and people of Curacao as a token of appreciation for the assistance rendered to Curacao by the armed forces of the United States during World War II," it was announced.

Accepting the property in the name of the government and people of the United States was Stanley Woodward, chief of protocol of the Department of State. President Truman gave him the personal rank of ambassador for the ceremony in Willemstadt, capital of the Netherlands West Indies.

Curacao is a vital center of refining of Venezuelan oil for the United States and other customers in war and peace.

The Michigan state legislature is in special session as called by Governor G. Mennen Williams.

The Governor's office is proceeding on the principal, as laid down by several Supreme Court decisions and by advice of the attorney general, that the Governor himself must define the subject matter as to new legislation which legislators may consider in special session.

Accordingly, the lineup to date presents an interesting situation. Governor Williams is advocating again the State Corporations Profit Tax as a new source of revenue needed to avoid a deficit in the State Treasury, while Republican legislative leaders will probably seek to minimize a fiscal deficit by possible reductions in legislative appropriations for state aid and other functions.

As state spending is usually popular with minority pressure groups which have an axe to grind, the Republican legislators are apt to be on the defensive if they adhere to previous declarations for economy.

The potentials for political campaign issues are numerous.

For example, Governor Williams has sought to put the legislature on the defensive as to additional funds needed for highway purposes. The Governor is asking the legislature to appropriate $18.5 million to be used for matching purposes in building new roads in cooperation with the Federal government. While not permitting the legislature to consider revision of the gasoline or weight tax levy, which heretofore have been used to finance highway construction, he favors inclusion of this additional state aid in revenues to be derived from a levy on corporation incomes.

By advocating the program of the Michigan Good Roads Federation, the Governor is credited with a smart political move designed to put legislators more on the defensive. In fact, it is more than obvious that the Williams strategy steadily has been to accomplish just that — by maintaining a political offensive to embarrass his critics.

To date, it has been the accepted policy in Michigan to finance highway needs from revenues paid by highway users. The Governor would go beyond this point by using the general fund in part to finance needed construction in cities, villages and townships as well as state routes outside of municipalities.

The Governor has included in the legislative call a proposal for aid to Michigan wine makers. He would change the law whereby wine makers could produce stronger wines in competition with other states such as California.

Another subject matter before the legislature is a proposal by the Governor to enable counties and townships to utilize Federal housing machinery. The Governor has also proposed special zoning authority around airports designed to prevent hazards.

Indications are that the Governor also will recommend revision of the Michigan Unemployment Compensation Act along lines of his message in 1949. At that time he favored minimum of $20 a week and maximum of $42 a week, the latter depending upon dependants for unemployed workers covered by the Unemployment Compensation Act. The legislature agreed upon a minimum of $24 and maximum of $32.

The Governor is known to favor an extension of the time for worker benefits, as well as a change whereby workers are disqualified from jobless payments under certain conditions.

Revision of the State Sales Tax, currently a subject of considerable controversy, is not likly to come before the legislature as the Governor has consistently opposed consumer taxes. The Governor has been assured by legal advisors that such could not be acted upon by the legislature unless authorized by the Governor.

Thus revision of the State Sales Tax is likely to be held over until 1951.

As 1950 is a Michigan campaign year, the proceedings at Lansing will bear close watching.

HOLLOWAY

Twenty-three men from Holloway and vicinity have pledged $25 each and organized the Raisin Volunteer Fire Department. The following officers were elected: President, Donald Mitchell; vice-president, A. J. Blouch; secretary and treasurer, J. D. Jaqua; a chief and four captains were also elected. Members are soliciting for additional funds for the purchase of fire fighting equipment which will be maintained and operated by the volunteer members to fight fires of Raisin township and vicinity. The organization plans in conjunction with the township to provide housing for the equipment.

ONSTED

Mrs. Marguerite Steves is supper chairman for the April 11 meeting of the Happy Rebekah Lodge. At a recent meeting of the organization five dollars was voted to the Red Cross.

Michigan enjoys a traceable return of $128.00 spent in the state by tourists for every dollar invested in advertising by the Michigan Tourist Council.

On July 6, 1854, the Republican party was born in a Jackson, Michigan convention under a row of oak trees. A bronze tablet marks the historic spot.

ANNOUNCE "BUFFERED" Action In New Household Cleaner

It's called a "buffer"—this new ingredient in "Wetalene," the miracle household cleaner just announced by Wetalene Laboratories, Inc., of Columbus, O. Here's what they say it does.

Usually dirt particles in home cleaners — flakes, powders or bar soaps — work on the cleaner in the solution to weaken it. But not with "Wetalene." Here the buffer ingredient keeps apart dirt particles and cleaning particles so that dirt can't weaken "Wetalene." The solution stays full strength throughout use.

Loodly, housewives approve the new cleaning method because in washing floors, painted walls and woodwork, there's no need for rinsing and drying. By just wiping off dirt, it dries sparkling clean. Only one pan to carry. And so economical, it requires only one tablespoon to a gallon of water.

Softening water as it cleans, this new soapless suds will cut grease faster in washing dishes, pots and pans. Because "Wetalene" has the properties of re-dissolving soap, a heaping tablespoon full in the first tub of rinse water on wash day will take the soap out of clothes.

Stores in this area are offering "Wetalene" at great, new values: 1 lb. carton—25 cents; 3 lbs.—65 cents; 8 lbs. — $1.49. Available locally at Ben's Market, Baldwin Hardware Co., Anderson's Grocery, Brookside Grocery, A. J. Blouch, Holloway; Kuster's Market, Britton. adv.

The next meeting will be at the home of Mr. and Mrs. Leon VanValkenburg on Monday, April 17.

ENFORCEMENT OF OLD STATE LAW MAY REDUCE RURAL FIRE CALLS

Farmers Must Secure Permits Before Starting Grass Fires

An old fire law is coming back to life in southern Michigan, resulting in the enforcement of a law passed years ago.

During recent years, rural fire departments have been harassed during the spring and fall making runs to uncontrolled grass fires. They believe that many of these fire calls were unnecessary. Not long ago the fire chiefs asked the State Conservation Department to help them control the burning that is done by farmers. The Department responded by telling the chiefs that there is a law in effect that requires a person to obtain a permit to burn off his land.

Effective immediately, anyone who wishes to burn out a fence row or field must obtain a fire permit from his nearest rural fire department or Conservation Officer John Boudreau of Adrian. The person who issues the permit will want to know where, what and how much is going to be burned. The permit will cover a period of not more than four consecutive days. If the burning is not completed in the four-day maximum time limit, another permit must be secured to continue the burning. Several permits may be obtained at the same time.

No fires shall be set at a time when a high wind is blowing. Permittee shall be liable for all damage to property which may result from burning done under the permit. Burning without a fire permit is a violation of the fire law.

Fire permits will not be required for persons who wish to burn rubbish, trash or yard-rakings close to the house.

Conservation Officer John Boudreau said today that "the permit law has been in effect for a long time but has not been enforced in southern Michigan. Due to the many runs and great expense to the various townships operating rural fire departments the fire law is going to be enforced throughout the state. Dead grass left on the ground is actually beneficial to the soil. If farmers must burn it off it is suggested that the burning be done early in the spring before game birds and song birds begin to nest. In normal years some birds start their nests early in April. We must remember that birds are beneficial to agriculture in the control of harmful insects."

"Farmers who own muck soil should be especially careful with fire. A muck fire is very damaging and difficult to put out. It is a good policy to never do any burning on muck soil."

Fire permits are free. Enforcement of the fire permit law will eliminate many unnecessary runs to grass fires which will mean a savings to the taxpayers in the various townships of Lenawee county. Rural fire departments will not have to make a run out in the country every time smoke is reported. They will know where the fire is and what is being burned, unless they are told differently, it was said.

One of the requirements printed on the back of the permit is that a competent person must be constantly in charge of the fire to prevent spreading. Other portions of the amended law state that persons may be fined $100 or put in jail for 90 days if convicted of carelessly starting a fire which injures or endangers someone else's property. If convicted of maliciously setting a fire that endangers human life or destroys property, persons may be fined not less than $100 or more than $500 or imprisoned for up to ten years, or both.

TURNABOUT: KITTY SAVES NINE LIVES

London—Here's a switch: A cat saved nine lives here.

The cat scratched at the bedroom door of Mrs. Eva March until she awakened to find her house ablaze. Mrs. March, her husband, their four unmarried children, a married daughter and her husband, and a grandchild escaped.

Local Soldier Saves Dog From Firing Squad

FORT RICHARDSON, Alaska—You have often heard that man's best friend is his dog, but if Spot, the mascot of Hq. & Hq. Co., U. S. Army Alaska, were able to talk he might tell you that it's just the opposite . . . that dog's best friend is man.

Because of the recent rabies scare in the Anchorage area, war was declared on all loose dogs with those captured being destroyed. It looked for a while as though Spot would also meet the same fate.

That was, however, before Cpl. Clifford L. Walker, formerly with Hq. & Hq. Co., USARAL stepped into the picture. You see, Walker was about to rotate. He and Spot had been buddies for 26 months and he knew that he would miss his four-footed friend.

So, knowing that his friend would be better off in far away Michigan, Walker boxed Spot up and shipped him to Tecumseh.

Spot cleared the company first and left the 5th of March via the water ways for Seattle, with Walker close behind leaving the 7th for Great Falls.

They should arrive home almost together and once there Spot will be able to run free till his heart's content.

FAREWELL PARTY

The officers of Tecumseh chapter, Order of the Eastern Star, were entertained by Mr. and Mrs. Norris Morehouse, Thursday evening. The affair was also a farewell party for Mrs. Don Goddard and she was presented with a gift. Cards were played followed by refreshments.

The next meeting will be held at the home of Mr. and Mrs. Gordon Garlick.

AUXILIARY TO MEET

The Tecumseh Hospital Auxiliary will meet Tuesday evening, April 11, in the Presbyterian Fellowship Center, with Mrs. Robert Hanna, Mrs. Ernest Green and Mrs. Donald Cobb as co-hostesses.

The auxiliary is planning a rummage sale for April 21 and 22 at Butler's Show Room. A bake sale will be held the afternoon of the 21st.

Union Service

(Continued from page 1)

at the morning worship, Easter Sunday morning.

On Easter Sunday the entire church school will meet together for a combined service beginning at 10 a.m. All the departments will meet in the Center. This service will include music by the junior choir under the direction of Mrs. Sam Sisson. The morning worship will be at 11 a.m. The St. Andrews choir, under the direction of Mrs. Neville Hart, accompanied by Mrs. Fred C. Dickinson at the organ, will sing "Unfold ye Portals" from "The Redemption" by Gounod. After the sermon by the pastor, entitled "The Defeat of Death," the service will close with the choir singing "The Hallelujah Chorus" from "The Messiah."

This evening Holy Communion will be celebrated at the Baptist church, followed by an impressive baptisimal service, when several persons will be immersed. The church school classes will meet as usual on Sunday at 10 a.m. During the morning worship at 11 a.m., new members will be received into the church. The choir, under the direction of Mrs. Harley McConnell, will sing appropriate Easter selections and the Rev. B. O. Bashore, pastor, will use as his sermon topic "He Lives." From 11:30 to 12 noon, the service will be broadcast as usual over radio station WABJ.

The Easter season with its special observances will be a highlight in the program of St. Peter's Episcopal church. Maundy Thursday service will be the concluding noonday service of Holy Communion at 12 o'clock followed by luncheon at 12:35 p.m. On Good Friday the members will join in the community three hour service in the Presbyterian church. On Saturday the annual special Easter Eve service of Holy Baptism will be held at 4 p.m., when children and adults will become members of the church. The services of Easter will begin at 7:30 a.m. with a Sunrise Holy Communion service with Easter music by the Senior choir. At 10 a.m. the regular session of the Sunday school will be held followed at 11:15 a.m. by the Nursery school for kindergarten and preschool children. The festival service of shortened Morning Prayer, Holy Communion and Sermon will be held at 11:15 a.m. Both junior and Senior choirs will take part and present a musical service in keeping with this important festival at the later service. The public is cordially invited to keep this day by worshipping in St. Peter's church.

The children's Easter program and presentation of Mite Boxes will be held on the Sunday after Easter, April 16, at 11:15 a.m.

The Tecumseh Friends church will have its annual Communion service this evening at 8 p.m. Easter morning at 10:30 a.m., a unified service of church and Sunday School will be held, with a special Easter message by the pastor. The evening meeting at 7:30 will feature an Easter Cantata by the 40-voice choir of the Girl's Training School of Adrian.

The Methodist church will observe Easter Sunday with special music under the direction of Mrs. Philip Gentile, jr., and Mrs. Herbert Dillon as organist. The choir will sing "Legend" by Tchaikowsky and "Open the Gates of the Temple" by Knapp Fields. The primary-junior choir will sing "Easter Time." Dr. Norman MacNaughton has chosen as his sermon subject "The Light of the Rising Sun." A feature of the service will be the reception of new members by the pastor into the fellowship of the church.

At St. Elizabeth Catholic church, mass of Holy Thursday will be this evening at 8 o'clock. The Good Friday schedule is as follows: 8 a.m. public adoration of Blessed Sacrament at the repository until noon; 12 noon to 3 p.m., Tre Ore, commemorating the three hours of agony of our Lord Jesus Christ on the Cross. This will consist of the Mass of the Presanctified with the solemn unveiling and veneration of the Cross, closing with the Stations of the Cross; 8 p.m., public recital of the Stations of the Cross and confessions.

Holy Saturday services are: 8 a.m., Blessing of the New Fire and the Paschal Candle, blessing of the Easter Holy Water and the Baptisimal Water; 9 a.m., Mass of the Resurrection of Christ with distribution of Holy Communion only during Mass; 3 p.m., and 7:30 p.m., confessions. On Easter Sunday masses will be at 8 a.m., and 10 a.m. The ten o'clock mass will be the high mass of Easter with special music by the men's choir under the direction of Wallace Whiting with Mrs. Richard Jennings at the organ.

A Good Friday service will be held at Grace Ev. Lutheran church at 8 p.m. Communion registrations are to be made at the home of Harvey Dinse by this evening. The Rev. A. H. Baer will deliver the Easter message at the Sunday morning service.

Elliott Takes

(Continued From Page 1)

made his resignation effective as of April 3, and Bagshaw was given the appointment. Mr. Elliott said that a new engineer would be named at a later date.

Other appointments made by Elliott noted these changes: Mr. Kroner became purchasing agent replacing the retiring clerk, Mr. Jones, and J. C. Beardsley succeeded John R. Zeigler as village attorney. Mr. Coffin's appointment to the cemetery board returned him to that post after he had served a previous term in the office.

Elliott then made his council committee appointments as follows: Finance, Councilmen Rohweder, McCombs, and Truesdale; Water and sewers, Councilmen Heilman, Truesdale, Rohweder, Streets, Councilmen Truesdale, Heilman, Rohweder; Fire limits, Councilmen Porter, Truesdale, Shuyter; Ordinances, Councilmen McCombs, Porter, Heilman; Lighting, Councilmen Sluyter, Rohweder, McCombs; Health, Councilmen McCombs, Porter, Sluyter.

Except for the acceptance of Dawson's resignation, the payment of bills and a few reports, there was little business before the retiring council.

The new council approved beer and wine applications for Tecumseh Tavern, Rocket Tavern and Tecumseh Recreation and for the American Legion Club and the Eagles Club. It also accepted Dawson's resignation, effective April 3.

The council received a communication, signed by four members of the police department, asking that council consider a pay raise for the officers. At the present time a new officer receives a salary of $180 a month and older officers get $220 monthly. They also receive $5 monthly for uniforms. It was pointed out that it is necessary for a man to spend $108.50 for a uniform, equipment, etc., and that he must serve a six-months probationary period. Council tabled the letter.

Youth Meetings Sunday Were Largely Attended

The twenty-three students from Asbury College, who drove three hundred and fifty miles from Wilmore, Kentucky to Tecumseh, Sunday, to bear witness to their Christian experience, left a long to be remembered impression upon those who heard them.

Although the principal meeting planned by Martha Hayden, chairman of the group was the Youth Rally at the First Presbyterian Church at three o'clock, the day's activities started with a trio of the students participating in the Quaker Gospel Hour Radio broadcast at 8:45 a.m.

The meeting at the Presbyterian Church was attended by many out of town people, and the testimonies of the students resulted in a number of young people making definite decisions for Christ. Sally Jo Rentschler rendered a flute solo, accompanied by Nita Spangler. Miss Mildred White, art instructor at the college, whose home is in Detroit, presented a chalk drawing. Bird Powell, from Hattiesburg, Mississippi, preached. The evening service at the Tecumseh Friends Church was equally well attended, there being two hundred present, and following the songs, choruses, testimonials, and preaching a large number of young people again accepted Christ.

The students were entertained at the Friends Church with potluck dinner Sunday. They were entertained in the following homes for the night: Dr. and Mrs. Truman Rentschler, Miss Bess Satterthwaite, Miss Bess Pulver and Mrs. Lulu Ruthruff, Mr. and Mrs. Ellsworth Collins, Miss Mabel Lockwood, Mrs. and Mrs. Perry Satterthwaite, and Mr. and Mrs. Perry Hayden.

gilded shovel, Mr. Herrick will then turn the first earth for the new addition and make remarks appropriate to the occasion. The ceremony will be concluded by another selection from the band.

The activities of the day will be climaxed by a civic banquet at the American Legion Memorial Home with an expected attendance of 300 persons.

Dinner music will be furnished by the famous Tecumseh Chieftains and there will be brief community singing. Judge G. Arthur Rathbun will serve as toastmaster, a capacity in which he is a great favorite of Tecumseh audiences. C. O. Butler, president of the Chamber of Commerce, will outline some of the projects and promotions which the organization hopes to accomplish during the coming year. Civic award to some of Tecumseh's outstanding citizens will also be given.

The principal address of the evening will be by George F. Taubeneck of Detroit, author and publisher. Mr. Taubeneck has been in the publishing business since the age of ten when he was printer's devil on his home-town newspaper in Illinois. He has held the editorial chair of the Air Conditioning and Refrigeration News for 20 years.

Mr. Taubeneck will spend T-Day in Tecumseh observing the various events of the day. From his observations of the activities and spirit of the community, he will formulate his talk for the banquet.

Tickets for the banquet are now on sale, and those persons who may have been missed by a ticket seller may get them at the Chamber of Commerce.

den gave a religious thought. Mrs. Guy Pocklington was chosen as a delegate to the State Federation convention in Detroit, April 13, and will return with a 50-year certificate to be presented to the club. Pastor Given Leave To Study In New York

The Rev. Donald C. Wilson, pastor of the First Presbyterian church of Tecumseh, has been given a leave of absence of one month beginning April 10 in order that he may accept a scholarship to study in New York City at the Presbyterian Institute of Industrial Relations. During the three Sundays that fall within this period the pulpit will be supplied by guest preachers.

To the end that the ministers of the Presbyterian church may be equipped better to deal with problems arising out of labor and management relations, and the tensions that come with the increased industrialization of the country, the Board makes available these opportunities for study to certain of the in-service ministers. The courses of instruction include Social Forces in America Affecting the Church, Collective Bargaining in the American Society, etc.

Many persons will remember the Rev. Don Benedict, who was formerly from this vicinity and who is a member of the faculty of the Institute.

Melvin Muhn and Wife Observe Anniversary

Mr. and Mrs. Melvin Muhn were delightfully entertained, Monday evening, when a group of relatives and friends gathered in the Friends Church to celebrate their 25th wedding anniversary.

Arrangements of flowers and a beautifully decorated cake made the rear room of the church attractive for the occasion. Everett Hensen, master of ceremonies, presented an interesting program of music, readings and reminiscences, after which refreshments were served in the basement.

Mr. and Mrs. Muhn were presented with a chest of silver from the group as well as several other lovely gifts. Guests were from Ypsilanti, Clayton, Rome Center, Adrian, Tipton and Tecumseh.

The affair was planned by Mrs. Shirlene Miller, Miss Rhea Muhn, Mrs. Everett Hensen and Mrs. Carl Cox.

W. S. C. S. TO MEET

The W. S. C. S. of the Methodist church will meet in the church parlors Wednesday, April 12, at 2 o'clock. A special feature will be a Lenten offering. Mrs. Clifford Deane is program leader and the hostesses will be Mrs. Luther Wood and Mrs. W. Hiker.

Married 58 Years

MR. AND MRS. C. D. ZELUFF OBSERVE WEDDING ANNIVERSARY, TUESDAY

Mr. and Mrs. Cass Zeluff of Britton observed their 58th wedding anniversary, Wednesday, April 5. There was no formal celebration as Mr. and Mrs. Zeluff preferred to spend the day quietly.

The Zeluffs have lived in the same house in the village of Britton for 52 years and moved only once in their married life. Mr. Zeluff was in business for 46 years and had been active in civic affairs of the village. Mr. and Mrs. Zeluff have one son, Lawrence, of Adrian, and three grandchildren.

Since Mr. Zeluff's retirement several years ago, they have spent much time taking motor trips to visit friends. Both Mr. and Mrs. Zeluff enjoy good health. He will soon celebrate his 80th birthday and she is 85.

Win Speech Meet

Mary's; Jack Block, Adrian high; Erma Lullman, Onsted; Marian Enders, Adrian high; and Beverly Smoke, Onsted.

The three contestants in oratory were first place, Sally Fisher, Adrian high; second place, John Hancock, Adrian; and third place, Patricia Herbes, St. Mary's.

In the final and most difficult contest, extempore speech (since each contestant sees the topic he chooses only one hour before the contest), the four contestants ranked as follows: first place, David Green, and second place, Tom Everlove, both of Tecumseh; third place, Bernadine Ehinger, and fourth Joe Kirkwood, both of St. Mary's.

Camera Club Will Hold Meetings During Summer

At a meeting of the Indian Snappers Club, Monday evening, held at the Tecumseh Camera Shop, it was voted to continue meetings all during the summer months. The new meeting place is the basement of the public library and the first meeting will be held there in May.

Eleven entries were judged in the print of the month contest. Darwin Smith won first and second and Mable Lockwood won third. A beautiful color sound movie, a plane trip to Denmark, Norway and Sweden, was enjoyed by those in attendance. Starting in June, members will be given special assignments and the first is flowers.

Anyone interested in photography is invited to attend the meetings.

Palm Sunday

ton Hunt, sang "Open the Gates of the Temple."

During the service at the Methodist church Dr. Norman MacNaughton administered the Sacrament of Baptism to the following: Joseph Henry Anderson and Ronald Vernall Anderson, sons of Mr. and Mrs. Vern Anderson; Richard Marianne, and James Handy, children of Mr. and Mrs. Wilson Handy; Terry Eugene Packard, son of Mr. and Mrs. Francis Packard; Roderick Hewitt Welch II, son of Mr. and Mrs. Roderick Welch; Charles Wilson, son of Mrs. Maxine Wilson; Janna Lynn Wolters, daughter of Mr. and Mrs. Bob Wolters; Wilma Bumpus, Patricia Alice Davis and Karen Marie Murphy.

Miss Monna Rogers, matron of the Friends Rescue Home in Columbus, Ohio, delivered the message to the congregation at the Tecumseh Friends church. Worshippers at the services in St. Peter's Episcopal church were given crosses made of palms and fronds. The choir sang "The Palms" with Richard Boyd singing the bass solo.

Auxiliary Committee To Judge Poppy Posters

Some 25 members attended the regular meeting of the American Legion Auxiliary, Monday evening, in the Memorial Home. During the business meeting it was voted to donate $10 each to the Heart Fund, Cancer Society and American Red Cross.

It was announced that April 14 is the day set aside for hospital training at the Dearborn hospital and all those who wish to attend are to call Mrs. Kenneth Herrick.

Mrs. Carl Thompson, Poppy chairman, announced the Poppy posters, made by children in the Tecumseh schools, were ready for judging by a committee composed of Mrs. Bert TurnBull, John Saling and Lester Coller. Next month will be known as Poppy Month and Mrs. Thompson will present an appropriate program. Mrs. M. L. Dannells, jr., will be in charge of refreshments for that meeting.

Because of the absence of the program committee, there was no program. Games were played and prizes awarded. Mrs. Ned Rosacrans acted as refreshment chairman.

Quaker Gospel Hour Program Is Extended

The Quaker Gospel Hour broadcast by the Tecumseh Friends church every Sunday morning over radio station WABJ, has been extended to a half hour program, the the time will be from 8:30 a.m. to 9 a.m., every Sunday morning.

Heretofore, the program has been on the air from 8:45 to 9 a.m. Beginning Sunday, April 16, Rev. Edward Escolme, pastor, announced today.

LOCALS AND PERSONALS

Mr. and Mrs. William Spreeman observed their 38th wedding anniversary, Thursday. Mr. and Mrs. Elmer Spreeman and son Charles of Deerfield and Mr. and Mrs. Sam Preston came in the evening and enjoyed cards and television. Later Mrs. Elmer Spreeman made a cake for the occasion and other refreshments were served with the honored couple received several gifts and cards.

CLUB LUNCHEON, APRIL 12

Hostesses for the Ladies Day luncheon at the Tecumseh Country Club, Wednesday, April 12, are Mrs. Gertrude Schneider and Mrs. Frank Purcell. Luncheon reservations are to be made by Tuesday noon.

Due to Holy Week, this week's meeting was not held. Mrs. Orville Farver and Mrs. Dalton Walper, hostesses for March 29, announced the canasta winners as follows: Mrs. M. R. Blanden, first, and Mrs. Stanley Smith, second.

FORD'S WINNING Friends Faster

THAN ANY OTHER CAR IN AMERICA!

FIRST IN RATE OF SALES GAIN

Official 1949 new car registration figures show Ford's sales up 68.1 percent in Michigan the greatest increase over the previous year in the entire industry. Here's the proof that Ford's a winner—it's faster than any other car in America.

Other Ford Firsts!

FIRST IN ECONOMY—Ford's economical to buy and to own. It's built to last, and the '50 Ford is thriftier than ever. Here's certified proof of Ford's great gas economy: In the recent 751 mile Mobilgas Grand Canyon Economy Run, supervised by the AAA, a Ford Six with Overdrive* won the economy championship of its class—the three full-size cars of the low-price field.

*Optional at extra cost.

FIRST IN FASHION—For the second straight year Ford was awarded the New York Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford is the only car ever to be so honored two years in a row.

FIRST IN VALUE—With the quietness and quality you'd expect of only the costliest cars, just listen to the solid thud as you close Ford's secure doors. Relax on the new sure-seat, foam-rubber cushioned front seat! Then check Ford's easy handling and solid roadability. "Test Drive" it today for the smooth and lively power of either of Ford's great engines—the famous 100-h.p. V-8, or the advanced 95-h.p. Six.

Come in Today and see for yourself..

"TEST DRIVE" THE '50 FORD it's a revelation!

DON'T FORGET TO TAKE A FEW PICTURES; HERE ARE A FEW TIPS

If you are going to Europe — photograph it. Photograph what Europe means—nations with customs and traditions centuries old, cities that have made history, peoples whose character reflects the traditions of generations, rivers, harbors, and streets that hold the spell of mood and interpretation. Visualize and photograph the shadows of night on old buildings and bridges and do not neglect the rain-drenched cobblestoned side streets that are worn smooth by time and history. And remember that crossing a nation's boundary line opens new vistas of custom, clothing, manners, living.
